Notes For The Stalled

Your Wellness

In a collaboration with UNI Student Wellness Services, we now have 3 free condom dispensers in the library. They are located in the 2nd floor east side women's and men's restroom and in the first floor single occupancy restroom. This semester we will continue to host Wellness Wednesdays in the Makerspace from 11-1 p.m. every Wednesday. Follow us on social media for up-to-date information about the activities planned. Hope to see you there!

Student Ambassadors

Rod Library is searching for student volunteers interested in becoming part of the 2020 Library Ambassadors Program. You'll have the opportunity to enhance your leadership skills, improve library awareness and research skills, network with individuals on and off campus, and experience a behind-the-scenes view of the library. Students are part of library events such as RodCon, UNI Now, Textures of UNI, and Welcome Week. Qualifications are enthusiasm for volunteering at events, a GPA of 2.5, a letter of recommendation, and the completion of the online application. The deadline is February 28. Traveling Exhibits

"World War I: Lessons and Legacies" is on view January 6 - February 15 inside Rod Library. The special exhibit explores how the lessons and legacies of World War I continue to affect the United States today. The poster exhibition is courtesy of the Smithsonian and The United States World War I Centennial Commission. UNI Museum and Special Collections & University Archives will display artifacts supporting the exhibit.

Also, in the Learning Commons from Jan. 8-30, stop by to see the State Historical Museum of Iowa's, "First in the Nation." The State of Iowa Historical Society traveling exhibit shares images, film clips, and artifacts that tell the story of Iowa's unique presidential election process. The exhibit explains the caucus process while exploring a candidate's journey through the Iowa caucus cycle. It explains from their first exploratory visits to frenzied final hours of elections.
