CHANGE IN ROD LIBRARY

A few things look and feel a little different around here. You may have noticed sanitizing stations, reminders to wear masks and practice social distancing in the building and other healthy hygiene reminders. What you might have missed was the smiles of the helpful library staff. But don't worry those smiles are there just hiding behind our own masks. Something that hasn't changed is our commitment at ROD Library to helping the students in anyway we can. Forward together!
