# Home in the Dome

UNI supporters and the entire State of Iowa realized a dream come true with the completion of the UNI-Dome — a completely covered, multi-purpose facility with an air-supported roof — in February of 1976.

UNI-Dome (the prefix stands for University of Northern Iowa as well as meaning one and unique) combines the features of three buildings — a football stadium, field house and large auditorium. It hosts such events as concerts, exhibitions, trade shows, pageants, rallies and convocations, as well as football, basketball, softball and field hockey games and wrestling and track meets.

The Dome has hosted such events as the NCAA gymnastic and wrestling championships, the Iowa High School All-Star Basketball games, the Iowa High School football playoffs, concerts by Dolly Parton, the Eagles, Sha Na Na, REO Speedwagon and Fleetwood Mac, to mention a few, antique car shows, tractor pulls and many other non-athletic events.

The Dome's air-supported, Fiberglass fabric roof, constructed by Owens-Corning Fiberglass Corp., was erected at a cost equal to half that of conventional roof construction. And because of the dome's translucence, ample natural light is available during daylight hours — a sizeable savings on utility costs.

UNI-Dome was designed with "something for everyone." Its artificial turf for football games can be rolled up in several hours. Underneath, on a synthetic floor area, are basketball and tennis courts and an eight-lane, 220-yard oval running track. As many as 12 tennis matches and two basketball games could be played simultaneously.

Approximately 16,400 spectators can be seated for football and 7,254 for court-size activities. For stage activities, such as commencement, concerts and speaker series, total capacity — using movable bleachers and chairs — can reach 25,000.

The 168,000-square foot dome, which rises 124 feet above the arena floor, is supported entirely by a network of 12 stranded steel cables and four air blowers. A concrete and steel ring around the top of the 70-foot high stadium wall holds the cables. The cables weigh 47 tons.

The roof of the dome is made of 49 tons of woven Fiberglass coated with

Teflon. Approximately 60 percent of the dome has an inner liner of fabric that provides acoustical as well as thermal benefits.

A spacious press box atop the east stands has facilities for 10 radio stations, television capabilities and seating for up to 125 people. A photography darkroom, photo bay, concession area and scouting booths are a few other features. Two huge scoreboards can flash messages and information to spectators throughout the events.

Plans call for the addition of administrative offices, locker and training rooms and VIP boxes. Currently, an enclosed passageway connects the Dome with the Physical Education Center for locker facilities.

## UNI at the UNI-Dome

Season	W-L	Pct.
1975-76	5-0	1.000
1976-77	7-5	.583
1977-78	8-4	.667
1978-79	11-2	.786
1979-80	7-4	.636
1980-81	5-6	.455
	43-21	.672

The Panthers possess a winning magic when they play at home in the UNI-Dome. The record speaks for itself. Since the Dome opened in mid-February of 1976, UNI's home record is 43-21. So the "home court advantage" should not be taken lightly in the Panthers' case.

## Head Coach Jim Berry

Coach Berry is starting his ninth year at the helm of the University of Northern Iowa Panther basketball program. The 17-year coaching veteran has compiled an 81-132 mark at UNI in his eight years. The 1978-79 season was the best year he has had in Panther country, posting an 18-11 mark, the best record since 1963, guiding the Panthers to the Division II playoffs, knocking off host Nebraska-Omaha in the first round, 84-72, before losing to eventual national runner-up Wisconsin-Green Bay in a hard-fought 56-50 battle. Last year, UNI finished 8-19 overall in its first year in Division I.

Prior to his arrival in Cedar Falls, Berry coached Loras to a 56-41 record over three seasons, including two 17-8 campaigns and a 15-8 mark in his final year with the DuHawks. His three squads at Loras participated in the NAIA district play-offs.

Berry went to Loras from Waterloo Columbus High School where in five years he made that program one of the finest in the State of Iowa. His record at Columbus was 64-36 and had several teams rank high among the state's top 10 teams. His squads won or tied for the Waterloo city championship four times.

He graduated from Waterloo West High School in 1955 and received a bachelor of arts degree from Creighton in 1960. He earned a master's degree in physical education from UNI in 1970.

During his playing career, he was a four-year member of Creighton's varsity basketball and baseball teams and won All-America honors in basketball as a junior and senior.

After his graduation, he remained at Creighton as an assistant basketball and head baseball coach. He left that post in 1962 to enter the United States Army. There, he coached the Fort Polk, LA, basketball and baseball teams, with his careers compiling a 41-11 record in two years. He remains active in the Army as a lieutenant colonel in the U.S. Army Reserve.

He and his wife, Mary Gene, have three sons and a daughter; David, 21, was an All-State running back at Columbus two straight years; Michael, 17, and Jeffrey, 16, and Kelly, 20, is the couple's daughter.

## The Assistants

### Daniel Traeger

Dan Traeger became only UNI's third full-time cage assistant in history when he was hired this summer to replace Randy Eccker, who left UNI after only one season to take a position at Colorado. An assistant basketball and football coach at Luther College in Decorah, IA, for one year, Traeger received his master's degree in Administration and Supervision from Roosevelt University in 1979. He received his bachelor's in political science and physical education from Illinois State in 1970 and also attended Illinois Valley Community College two years.

Prior to his position at Luther, he was head basketball coach from 1973-1980 at Glenbard East High School in Lombard, IL, where he turned a losing program into a winning program, posting 72 wins against 50 losses. He directed the team

### Jeff Etienne

Graduate assistant Jeff Etienne received his B.S. degree in Physical Education from Cornell College in Mt. Vernon, IA, in the spring of 1981. He was a starting forward on its basketball team for four years and scored 1,000 points in

to the finals of the regional state tournament for the first time in the previous eight years and continued to make the finals for the next five years, winning three titles. One of his players received All-America honors.

From 1970-73, he was an assistant coach at Toluca High School in Toluca, IL, where he coached baseball, cross country and at three levels of basketball. He coached sophomore basketball teams to three straight conference titles, baseball to three district championships and cross country to one league title.

Traeger's basketball experience includes invitations to work in some of the best basketball camps in the nation, including the Medalist Basketball Camp, Garfinkel's Five Star Camp, DePaul University, Kentucky and Bill Croneur's All-American Camp.

father, Zeke, was the Panther mentor from 1967-73 and has been connected with the Iowa Cornets. He has a desire to become a coach after graduating from college and should gain some valuable experience towards that end.

## Rising to New Heights

# Surprises Over: Panthers Settle Down to Second Year in Division I

The initiation rites are over. It seems every team must go through it when it enters the realm of Division I basketball — more nights on the road than not, more traveling to the outermost reaches, more losses than wins and the jitters. Not that the second year always makes for a winning team but there is more confidence and enthusiasm in the Northern Iowa basketball camp as the Panthers head into the 1981-82 season.

"First of all," says Head Coach Jim Berry, "the team, myself included, is more aware of what we'll be facing this season. Some of the surprises and the newness should not be a factor this year since we made it through our first year in Division I. Secondly, our schedule is a little more realistic — we'll be playing more games at home this year."

Though the Panthers may be able to sleep more nights in their own beds, the schedule doesn't get any easier in terms of their opponents' ability. UNI once again opens at Kansas State and is on the road against such teams as Iowa and Wisconsin from the Big Ten, Iowa State from the Big Eight and other places like Arkansas State, Drake, Eastern Kentucky, Illinois State and, yes, Notre Dame. However, the year should be exciting from the fans' standpoint, also, when UNI hosts its first annual Holiday Tournament December 28-29 with Nebraska, the Air Force and Cornell University coming to town. Other home dates include contests against Eastern Kentucky, Arkansas State, Chicago State, Mid-Continent Conference foes Eastern and Western Illinois, Valparaiso, U.S. International, North Carolina-Wilmington and Western Kentucky.

All that may not sound so easy but the Panthers had a rough time in their first year in Division I, winning only eight games and dropping 19. Out of those 27 games, only 10 were played at home. With that kind of grueling schedule, no matter how much experience there is on a squad, the season becomes long.

UNI graduated the top four scorers and top two rebounders off last year's team and with only two seniors on the returning squad, experience would seem to be another problem for the upcoming year. Though the Panthers will be young age-wise, it doesn't mean, however, they will be without experience.

"We've got some young players who got plenty of playing time last year," notes Berry. "Because of our inconsis-

tencies and the more than usual changes in our starting lineup a year ago, in addition to a major loss to injury, some people played a major role sooner than might have been expected. Though that caused us some problems a year ago, it can only help us this year."

Last year's loss of **Dwayne "Chicken" Jackson** in the eighth game of the year definitely put a crimp in the Panthers' front court. But Jackson has fully recovered from his separated shoulder and he can be considered an important cog in the wheel. Jackson came into last season as the fourth highest scorer, averaging 11.4 points per game and 4.9 rebounds — not bad considering he was a freshman and earned a starting role early in the season. Last year, at the time of his injury, he was averaging 7.9 points. Primarily used up front, Berry hopes to be able to move him back, however, and thinks he and junior college transfer **Brent Carmichael** could be a "great" pair.

Besides Jackson, the "youngsters" include sophomores-to-be **Jay Block**, who started 11 games a year ago, and **Herbert King** and junior-to-be **Ray Storck**, the tallest player ever to wear a UNI uniform at 6-11. **Kevin Bradford** will be a junior but started 14 games his sophomore year.

The front court should be strong with Storck's two years of experience. He

continues to improve each season and knows the responsibility will lie on his shoulders this year — that he won't be playing in a backup situation. King showed he could play with "the big boys" and though he was somewhat erratic as a freshman, Berry expects him to be more relaxed this year.

Evansville transfer **Mike Pijanowski** should provide some bulk up front and is a good inside and outside shooter. Though he was forced to sit out last year because of his transfer, he did practice with the team and is familiar with the UNI system and should come along quickly. Block has played in both the front and backcourts and played more often than any other freshman, so his experience and flexibility will be an asset.

The two returning players in the backcourt are Bradford and senior **Dave Carley**, a junior college transfer a year ago. Bradford, a recruit out of John Adams High School in South Bend, IN, along with Jackson, was one of the most improved players off last year's squad and probably is the best shooter of the returnees. Now that Carley has had a year to adjust to UNI's system, Berry thinks he will contribute much more than last season. And Carmichael, according to Berry, has great passing ability and quickness, is an excellent ball handler and has no trouble scoring.

Besides Carmichael and Pijanowski, there is one more new face in camp. Berry describes freshman recruit **Mark Grabau** (6-4, 175, Lincoln, NE) as "an excellent shooter with good quickness, but as a freshman, it remains to be seen how quickly he comes along in collegiate ball. He was a very good high school player and reminds me of a Mike Kemp and Ron Lemons," said Berry. Kemp is the 19th and Lemons the second highest scorer in UNI history.

The remaining squad is made up of squadmen **Doug Fisk, Lonnie Mead, Kevin Highland, Tom Sueppel** and **Sean Whitesell**. Fisk, a senior, played primarily on the junior varsity squad the last two years but saw action in 13 varsity contests. His enthusiasm and overall attitude is an asset to the team. A sophomore, Meade was one of Berry's top recruits a year ago. He's an excellent jumper and ball handler, according to Berry, but needs more experience at the collegiate level after playing in nine varsity games a year ago. And Sueppel, a junior, transferred from Muscatine Junior College last year. He played in three varsity games. Highland and Whitesell are both walk-ons.

So, the Panthers should have flexibility and depth this year. Six lettermen return and there is a lot of experience from those athletes who played in the backup roles a year ago — experience gained in some crucial situations. UNI will continue to use some form of motion offense and the defense used will primarily be man-to-man, though it will utilize some zoning, depending upon the opponent and situation. Berry hopes to establish more of a fast break than has been visible in the past and though offensive and defensive rebounding could be a problem because of size, the squad's quickness could compensate for lack of height.

The present still lends itself to some concern, but Berry likes what the future may bring.

"Our program will continue to grow, though it won't happen overnight," he says. "Our recruiting will get easier and more productive with our name getting in front of more and more people. Wisconsin, Drake and possibly Iowa State have mentioned they probably will play on our court in the near future and our Holiday Tournament could turn into one of the best tourneys in the country. But this season comes first and we can't wait to get at it."

# This is the University of Northern Iowa

The University of Northern Iowa, one of the nation's leading institutions of higher learning, is the outgrowth of the Iowa State Normal School established by the General Assembly in 1876. On September 6 of that year 27 students under four instructors began classes in a renovated home for Civil War orphans. This building, later named Central Hall, was destroyed by fire in July, 1965.

From a single building on a 40-acre campus, the University has grown to include over 40 major buildings, a 723-acre campus, more than 600 faculty members and approximately 11,000 on-campus students. The University also maintains a laboratory school for some 700 students in pre-school through 12th grade.

During the first 27 years, the school issued teaching certificates requiring 12 weeks to two years of training. In 1903 a four-year curriculum based on high school graduation and leading to the degree of Bachelor of Arts in Education was authorized.

In 1909 the institution was renamed the Iowa State Teachers College and the government of the College, along with that of the University of Iowa and Iowa State University, was vested in the State Board of Regents, a nine-member body

appointed by the Governor. Under the new name, the College attained a reputation as one of the nation's outstanding institutions for preparation of teachers.

On July 5, 1961, the Iowa General assembly on recommendation of the Regents changed the name of the school to the State College of Iowa and redefined its function to include the offering of liberal arts degrees.

On July 1, 1967, the General Assembly on recommendation of the Regents approved university status. The name was changed to University of Northern Iowa and its function was again redefined.

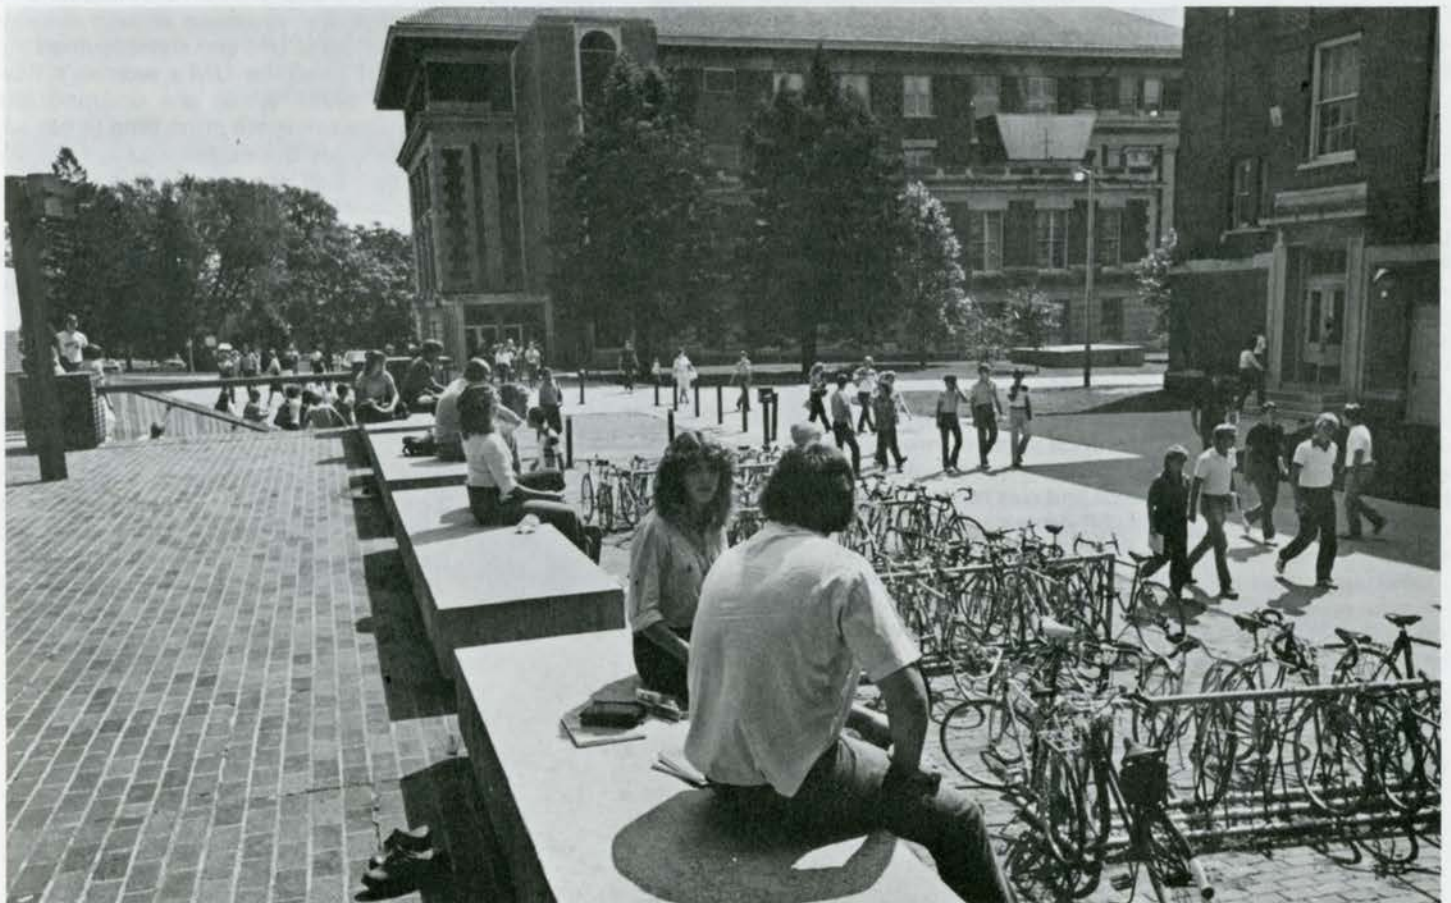

Although teacher education remains an important program, the University offers degrees to students majoring in a wide variety of subjects. Thus UNI has two bachelor of arts degrees, one with certification to teach and one without certification. Also, a bachelor of technology degree can be earned with or without certification to teach, and since 1969, the bachelor of music degree has been offered. A bachelor of fine arts degree was approved by the Regents in 1976. An Individual Studies major enables a student to pursue, with faculty approval, a wide assortment of study areas. The bachelor of liberal studies,

the fifth baccalaureate degree, is an external degree made available through the cooperative efforts of the three Iowa Regents universities. This degree was approved by the Regents in 1977.

On the graduate level, courses leading to the degree of master of arts in education were offered for the first time in the summer of 1952 and a sixth-year program leading to the specialist in education degree began in 1960. A sixth-year specialist degree with a program in science education was inaugurated in 1970.

In 1964, the master of arts degree was approved by the Regents. The first master of arts degrees were granted in 1966. The master of business administration degree was approved by the Regents in 1975, and the master of music in 1976. The graduate program was further extended in 1978 with the addition of UNI's first doctoral degree, the doctor of industrial technology.

Ground was broken in October, 1975, for the first phase of the Speech/Art complex, located southwest of Russell Hall. This phase, which includes the Strayer-Wood Theatre and the Communication Arts Center, opened in January 1978.

# The UNI Athletic Club — Boosting the Panthers

The UNI Athletic Club, now in its 17th year of existence, is a non-profit organization with the sole purpose of encouraging and supporting the athletic programs at UNI. All money raised by the Club is used exclusively for athletic scholarships and the operation of the Club. Funds are not used for budget expenditures or for building costs. The money helps UNI student-athletes obtain an education.

Intercollegiate athletics is a worthwhile activity at any college or university. At UNI, there is competition in 10 sports, involving several hundred young men.

Membership in the Club helps these teams achieve their objectives: winning seasons and a meaningful experience for those who compete.

In its first year of existence, the Club raised just over \$6,500. In 1978-79, a record \$162,000 was raised and the goal for this year has been set at \$200,000. Heading the Club this year is Wendell Lockard of Waterloo.

The Club is divided into five different levels of contributions. For a contribution of \$1,000 or more, persons may join the V.I.P. Club. The Gold Club is for donations of \$500, the Purple Club \$250, the

Century Club \$100 and the Coaches Club \$50. Special pre-game and post-game parties are held for the entire membership as well as golf outings, picnics and other special events.

The UNI Athletic Club Board of Directors is made up of area men who are engaged in industry, the professions and agri-business. They are leaders in the Club's fund-raising efforts, and are representatives of the commitment being made to the UNI athletic programs.

## Follow the Panthers on KCFI — Cedar Falls — and WHO Radio — Des Moines

The Panthers found a new home on the airwaves in the fall of 1979— 1250 on the AM dial with KCFI carrying most all Panther football and basketball games at home and away.

The voices of the Panthers did not change with the switch from KUNI-KHKE to KCFI as veterans Clare Rampton, the play-by-play announcer, and Loren Buser, providing color, have brought all the exciting action of Panther athletics to the ears of the listeners. Rampton is in his 14th season as the Panthers' main voice and has been assisted by Buser the past eight years.

The UNI Athletic Department also would like to welcome WHO Radio of Des Moines to UNI basketball for the first time this season. WHO will carry 21 basketball games this year and everyone associated with Panther athletics hopes for a long and enjoyable association.

*Loren Buser, Todd Rampton and Clare Rampton bring the excitement of UNI basketball to the airwaves.*
