END OF SEMESTER REMINDERS
The International Services Office would like to remind you of a few
things as we approach the end of the Fall 2011 semester: First, for
those of you who live in UNI residence halls or apartments and will
not be returning for the Spring 2012 semester, please make sure that
you follow the instructions for checking out of your rooms or
apartments. Your hall office or the UNI apartments office can answer
any questions that you might have. For hall residents, there may be
penalties for damaged rooms, dirty rooms, or penalties for not
following the proper checkout procedures. If you need to stay longer
that the designated check-out date (to catch a later flight home, for
example) then you must make arrangements IN ADVANCE at your hall
office and be prepared to pay a modest fee for each extra night.

Our second reminder is about transportation to the airport of your
choice. All international students are responsible for their own
transportation to departure airports. Be sure to make arrangements
with friends, host families, or taxi services to get to the airport on
time to prepare for your flight. Please see our transportation page
at http://www.uni.edu/internationalservices/localtransportation.shtml
for taxi company contact information. If you need help traveling to
the Cedar Rapids/Eastern Iowa Airport, the Airport Shuttle Service may
be able to help you if you make reservations in advance:
www.crshuttle.com

Next, a reminder about immigration documents and maintaining your
status: For those of you who may not travel over the break, now is
still a good time to look at your I-20 or DS-2019 form to make sure
that it will be valid for next semester. Sometimes students reach the
ending dates on these forms without realizing that they needed to
request an extension. Please take a moment to look in section 5 of
your I-20 form (F-1 Students) or section 3 of your DS-2019 form (J-1
Students) to see if the ending date is still accurate. If you need an
extension of the ending date on either type of document, please
contact your academic advisor and ask her or him to send Ross an
e-mail message (ross.schupbach@uni.edu) indicating that you are making
good progress toward degree completion, but that you will need
additional time to complete all course requirements. Your advisor
should include an anticipated completion date. (May 2012 or December
2012, for example)

WINTER BREAK TRAVEL REMINDER
Please be sure to check your I-20 or DS-2019 form to make sure you
have a valid travel endorsement if you will travel outside of the U.S
during the winter break. For F-1 students, the third page of your
I-20 form should have a signature that will be less than one year old
upon your return to the U.S., for J-1 students the DS-2019 form should
have a similar travel endorsement on the first page in the travel
endorsement section. Please be sure to check your visa also; if it
will expire before your return to Cedar Falls, you will need to apply
for a new visa while in your home country.

NOW is the time to check your I-20 or DS-2019 form, not at the end of
finals week or the same day your flight departs. Please plan ahead
and drop your documents off at International Services soon if you need
a travel endorsement.
