# NOTES FOR THE STALLED

## Summer Projects

We are happy to announce our summer projects. The Library Services desk will have its first update since 1964. A

portion of the desk will be lowered to provide a more accessible section. A majority of the carpet will be replaced in the Learning Commons and some of the walls will be updated to reflect the new UNI color schemes. As these projects are underway all of the services will remain open. If you need assistance feel free to Chat Us or visit us at the Library Services Desk. For more information see:

## Summer is here so it's time to "Treat Yo' Self!"

Relax in the sun in a Rod Library hammock- Treat Yo' Self. Take a spin downtown on a UNI bike- Treat Yo' Self. Check out some DVDs and a portable DVD player- Treat Yo' Self. Listen to your jam on portable speakers- Treat Yo' Self!

The Library Services desk has many extras like hammocks, bicycles, portable DVD players, portable speakers, and even umbrellas for that surprise

thunderstorm. You worked hard this year it's time to become a part of the Treat Yo' self team without spending a dime! It's the best day of the year!

## CFPL @ UNI

The Learning Commons is the home to the CFPL (Cedar Falls Public Library) @ UNI collection. This small browsable collection of fiction, non-fiction, and DVD's are available for checkout for anyone with a CFPL card. Don't have a card yet? No problem. Stop by the Library Services desk to get one. With a CFPL card you will have access not only to the collection here, but to anything available at the Cedar Falls public library, including their free e-books, free music, and so much more. Check out their collection at

<https://cedarfallslibrary.org/>

## Special Collections

Have you stopped by the Rod Library Special Collections and University Archives space lately? It's full of amazing UNI archive

material, a Rare Book collection, an American Fiction collection, tons of UNI historical information and SO MUCH MORE. Right now they are available by appointment only.

Email [libarchives@uni.edu](mailto:libarchives@uni.edu) or schedule your appointment here:
