**UNI Student Health Clinic Confirmed Two Cases of Mumps**

The Student Health Clinic has confirmed 2 cases of the mumps and five additional cases are being investigated in the community. The Student Health Clinic is working with the Black Hawk County Health Department and the Iowa Department of Public Health on these cases. Both students who are the confirmed cases live off campus and have been instructed to remain in isolation for the five days or longer if their symptoms persist. The Student Health Clinic will continue to test students who exhibit symptoms and ask them to isolate themselves until tests confirm their diagnosis. For additional information please refer to the mumps webpage at [https://www.uni.edu/health/mumps](https://www.uni.edu/health/mumps).

**Full-Time Enrollment Requirement**

This is a friendly reminder that all F-1 and J-1 students must be registered as full-time students. (12+ hours of undergraduate credit or 9+ hours of graduate credit). Being enrolled less than full-time without proper approval will result in the loss of your good immigration status and may prevent your from earning your UNI degree. Even worse, you could be arrested and deported from the USA. If you have questions, do not ask your friends, but ask the professional staff in the International Students and Scholars Office. You should review the reminders at this web page at least once per semester: [http://www.uni.edu/internationalservices/immigration-regulations](http://www.uni.edu/internationalservices/immigration-regulations). Exceptions to the full-time rule are: certain academic difficulties (improper course level placement, initial difficulty with American teaching methods), medical/health reasons, final semester of study, and graduate students working full-time on research or dissertation. ALL of these exceptions MUST be approved by the Immigration & Advising Coordinator.

**Optional Practical Training (OPT) for Eligible F-1 Students**

You may also go ahead and schedule an application appointment with the Immigration and Advising Coordinator if you are ready to submit your application or if you...
have questions. Contact the Immigration and Advising Coordinator Ross Schupbach at Ross.Schupbach@uni.edu for questions.
