NOTES FOR THE STALLED

Fall Tree Painting

Have you noticed all the colorful trees around campus and need a break? Come enjoy the fall colors and paint a picture of a tree; using of all things - broccoli. Join us in the Makerspace on **November 8, from 3-4 p.m.**

FALL is a sign that change can be BEAUTIFUL!

How does \$1,200 or even \$800 sound?

Thanks to Mary Ann Bolton (Class of 1970) Rod Library has the privilege to annually award and celebrate extraordinary research, scholarship, and creative work of UNI's undergraduate students. Qualifying projects must have been completed for a UNI credit-bearing course OR for a faculty-mentored project in any format (e.g., print, video, painting, photograph, website, mobile application, 3D models, construction). Three awards are given to students who demonstrate excellence in library research and completed no earlier than Spring 2021. The awards include \$1200 and two \$800 awards. Those graduating in December with a qualifying project are also encouraged to apply. Full details and application can be found at: <https://library.uni.edu/about-us/mary-ann-bolt-on-undergraduate-research-award>

175 years of Iowa Statehood

Rod Library is hosting a pop-up exhibit in the Learning Commons to celebrate Iowa's 175th birthday as a state. On December 28, 2021, Iowa will be celebrating 175 years of statehood!

Throughout 2021, we invite all Iowans and guests to learn about the people and places that shaped our state. For more information visit: <https://iowaculture.gov/iowa175>

“Bones” or a “No Bones” day?

A “No Bones” day is a day for self-care and is a day to be kind to yourself. Check out our collection of DVD's & Blu-Ray discs, or board games to help you get through the day. Or head up to the 4th floor and enjoy a nap in the green lounge chairs. On a “Bones” day, you know you're going to get out of bed early and tackle that project you have been putting off. Rod Library is here to help you with a quiet study spot, resources, and librarians to help you find those elusive sources for your assignments

No matter what the prediction, Rod Library's got something for you.
