# NOTES FOR THE STALLED

## Inspire

Join us here at the Rod on April 11 and 12 for the Inspire Student Research and Engagement Conference. The conference is an opportunity for students to showcase the wide variety of experiential activities in which they participate inside and outside of the classroom, including: research, internship, volunteer or study abroad experiences, club activities and/or creative performances. For a look at the conference schedule see: <https://csbs.uni.edu/inspire/2022-conference-schedule>

## Ready for Spring

Spring is finally making some brief appearances. Don't forget the Library Services Desk can check out umbrellas for those rainy walks to class, or bicycles for a quick trip around town. Is the sun out for more than 15 minutes? Check out a hammock and portable speaker to share your favorite playlist with a friend while you relax and soak up some Vitamin D.

## Financial Literacy Month

The month of April is National Financial Literacy Month. To celebrate, the Office of Financial Aid & Scholarships will be coordinating events throughout April. There will be giveaways and prizes on a weekly basis by filling out short quizzes to test your financial literacy knowledge. Follow the UNI Financial Aid social media sites to stay up to date on events.

## Did You Know?

The Digital Media Hub offers an audio recording studio in the Learning Commons? Room 231 is equipped with two workstations. Each has a 27in Apple computer with Ableton Live, Sibelius, Finale, etc., a piano keyboard and a microphone. The room is soundproof so you can record without the threat of the noise of the Learning Commons bleeding into your recording. The room can be reserved for up to three hours per day using Rod Scheduler. Want to escape the real world for a bit? The Digital Media Hub also offers the Oculus Rift and Microsoft Hololens fully immersive virtual technology. To reserve contact the Digital Media Hub at: <https://tinyurl.com/UNIVire>
