Panthers Vote

#PanthersVote is a unified, nonpartisan campaign to increase student participation in elections. It's led by the Northern Iowa Student Government (NISG) and university chapters of the American Democracy Project (ADP) and Campus Election Engagement Project (CEEP) along with the department of political science and UNI Athletics. UNI has a strong tradition of civic engagement. Our student voting rate in 2020 was 73 percent. While voting is only one way students can impact society, it's an important one - their votes have shifted election outcomes. We encourage all students to let their voice be heard by casting a ballot on November 8. For more information see: https://panthersvote.uni.edu/

Tales of the Bulgarian Rose

“Tales of the Bulgarian Rose,” a photojournalistic journey into Bulgaria's rose industry, is now on display at Rod Library in the Learning Commons. Undertaken in 1997 by UNI instructor Rick Truax and UNI professor Anelia Dimitrova, this documentary project chronicles Bulgaria's transition to democracy through the lives of those that worked in the country's iconic rose industry. The exhibit is a snapshot of a critical time in Bulgaria's history as it navigated the uncertain path to economic reform, 8 years after the fall of the Berlin Wall. Join us for a reception Nov. 7 from 5:30 p.m. to 7 p.m. The exhibit will be on display until Dec 19th.
