Institutional policy for distribution of faculty salary increases:

Salary increases for instructional faculty are made annually consistent with the collective bargaining agreement between the State of Iowa Board of Regents and the UNI-United Faculty. For FY 2004, the average increase of 3.5 percent included a 1.87% increase applied across-the-board to last year's base salary, an incremental step increase of \$335 and individual merit adjustments determined by department heads.

Academic administrative faculty increases also averaged 3.5% based on merit/performance. Institutional officials were awarded an average salary increase of 2 percent based on merit/performance.

(1) Academe, the Bulletin of the American Association of University Professors, Special Bulletin for March/April 2003. Average salaries are weighted average salaries. The 2003-2004 salaries are estimated from information provided by the universities. The averages shown in the table are for the rank of professor, associate professor, and assistant professor.

(2) Estimated increases obtained through contacts with comparison institutions.
