IMMIGRATION

Full-time Enrollment Requirement
This is a friendly reminder that all F-1 and J-1 students must be registered as full-time students. (12+ hours of undergraduate credit or 9+ hours of graduate credit). Being enrolled less than full-time without proper approval will result in the loss of your good immigration status and may prevent you from earning your UNI degree. Even worse, you could be arrested and deported from the USA! If you have questions, do not ask your friends, but ask the professional staff in the International Students and Scholars Office. You should review the reminders on our web site (https://isso.uni.edu/immigration) at least once per semester. Exceptions to the full-time rule are: certain academic difficulties (improper course level placement, initial difficulty with American teaching methods), medical/health reasons, final semester of study, and graduate students working full-time on research or dissertation. ALL of these exceptions MUST be approved by the Immigration & Advising Coordinator in advance!

The top three on the list are (1) know your limits; (2) get enough sleep; and (3) make nutritious choices. See attachment.
