Leaf pick up

The City of Postville will be picking up leaves at 3:00 p.m. on Monday, October 13, 2008. The leaf vac machine will run every Monday and more often as necessary throughout the fall season.

Tailgate supper

Junior Class Tailgate supper will be held prior to the Homecoming football game Thursday, October 2 at 4 p.m. bc and 5 p.m. next to Monona Grocery Store. Cost is $5 for hot dogs, Sandwiches, Chips, Milk, and lemonade / ice cream, Burgs.

Club of the Hour to meet

Club of the Hour will meet on Monday, October 6 at 7:30 p.m. at the Senior Center.

What’s happening in and around Postville......

New school year welcomes new faculty, staff to Postville Community Schools

New faces bring some new teachers. Some teachers have moved from one grade to another, and some are completely new to Postville. Regardless, the teachers are excited for the new school year and are off to a great start.

Mayra Kahlehofer is the new FLES- Spanish teacher. She graduated from Luther College and did her student teaching here at Postville.

I was fortunate enough to do my student teaching experience in Postville last fall, and simply became attached to everyone I met,” Kahlehofer said.

Katie Ellingboe took over the middle school science job this year in place of Lucas Jansen. Katie, an Upper Iowa alum, was introduced to Postville through a substitute teacher here.

Another face to the middle school is Kay Minnery. Kay is a graduate of Postville High School and attended Upper Iowa University. She is now the middle school Spanish teacher, as Vicki Hoffman is no longer filling that position.

Homecoming festivities are in full swing this week at Postville High School. See pages ten and eleven for all the activities that are planned. There will be pictures of the candidates and homecoming court members.

Homecoming candidates, masters of ceremony

Homcoming candidates are as follows:

Megan Kailhofer - Decker
Katie Elledge - Jansen
Sandy Riese - Riese
Kelly Olson - Olson
Laura Allhoff - Allhoff
Kim Reuter - Reuter
Tina Mullen - Mullen
Jason Mitchell - Mitchell
Robby Scott - Scott
Wayne ALthouse - Althouse
Laura Althouse - Althouse

October is Domestic Violence Awareness Month

October is Domestic Violence Awareness Month, which gives the community a chance to show their support for those who are victimized. It is a time to come together to show how many people are affected by domestic violence, and emphasize all the efforts that are needed to help protect those in need. The Word Advocate literally means, “to support another”, and that is what all of us advocates at Helping Services for Northeast Iowa do. We support our clients and their families, and advocate for their rights.

In the high school, Anne Yostern is the only new teacher. Anne teaches chemistry, forensic science, and environmental science. Originally from Osage, she graduated from Iowa State University and later worked as a forensic scientist at a DNA laboratory.

Other requirements, under the proposed code, include, but are not limited to: regularly providing a clean, safe, and healthy environment for all.

Council Meeting

Oct. is Domestic Violence Awareness Month

Matt M. Aukens. The following is an update and information of Polk County’s Service of Northeast Iowa in observance of Domestic Violence Awareness. Please help end the cycle of violence by helping those we care about.

In October is Domestic Violence Awareness Month, which gives the community a chance to show their support for those who are victimized. It is a time to come together to show how many people are affected by domestic violence, and emphasize all the efforts that are needed to help protect those in need. The Word Advocate literally means, “to support another”, and that is what all of us advocates at Helping Services for Northeast Iowa do. We do not simply tell the client what to do, but we support and give them options. To give you an insight to what we do have in the last year, staff and volunteers from the Resource Center answered 1,675 crisis calls, staff assisted 50 clients in court proceedings and overall, 355 victims were assisted, which, when you think about it, comes to nearly one new client per day. Those numbers do not even include the victims that have not reached out yet for help.

New defibrillator

Postville EMT’s Steve Pals, Amy Evenson and Randy Philp demonstrate the new defibrillator the Ambulance Service has acquired recently. The group was able to purchase the life-saving device thanks largely to a grant they received from the Upper Mississippi Gaming Corporation. Postville area EMTs and fire fighters will be trained on the new equipment during Fire Prevention Week. Look for the special section in next week’s Herald-Leader and be sure to thank our life savers and EMTs when you use them. The life-saving device thanks largely to a grant they received from the Upper Mississippi Gaming Corporation.

The Postville Fire Department will be starting an annual fund drive at October Firemen’s Fire in order to give back to the community for all the contributions they are able to give to other agencies.

Senior Center Bobbie Halverson will be at the game at Valley Friday night. The Postville Fire Department will be the guests at the game with a 20-8 victory and hope to keep the winning streak alive for this week for Homecoming.......

A message from the fire chief

The Postville Fire Department will be starting an annual fund drive at October Firemen’s Fire in order to give back to the community for all the contributions they are able to give to other agencies. We’re asking for your contributions to this year’s event. The fire department has pledged this year’s contributions towards a new pumpkin tanker. This truck will be replacing two very old and very slow tanker trucks on our fire department’s fire truck, we will be able to better serve the entire community.

According to the complaint, the incident sup- posedly happened May 11 in the day before the real up
