At the Council, . . .

Muellers reimbursed for water leak repair, swimming pool
and park board merger, Officer Hazel resigns

The Public Utilities Committee met in regular session Monday, evening, in the Council Chambers of Bruce and Betty Mueller construing a covering water leak at their shop in the town business. Bruce Mueller, the second, he has faced in the one year he has been the new facility between the water main to the shut-off the street. The line, as added new in 2001. Mueller asked the City to pay the cost of labor, and materials, stating that now pipes should last more than eight years. He also reiterated that they paid for the repair of a similar leak occurred last year.

Larry Moore made a motion on behalf of the Mueller’s which passed unanimously to receive and direct the contact to the contractor and request that they make restitution

The Council discussed the possibility of the funds both boards be handled through the City. They also decided that the funds for both boards be handled through the City Council. The Council concluded the funds would be handled through the City Council.

Carole Landa, also present in the meeting asked the Council to forgive them a portion of her water/sewer bill during a time period when they inadvertently lost her house. The Council agreed to forgive her the sewer portion of the bill. They also indicated that the funds will be handled through the City Council. The Council also decided that the funds will be handled through the City Council.

DES MONIES - The Iowa Division of Labor has proposed citations and penalties against Agriprocessors, Inc.

Iowa Division of Labor proposes citations and penalties against Agriprocessors, Inc

This year marks the 50th anniversary of the Frankville Fire Department. Discussion began in the mid 1990’s about starting a department in Frankville, and with the help of Springfield and Midway towns, and the Ocean Fire District, the Frankville Fire Department was formed in June of 1997. The fire station, a 16 x 40 cement block garage, was built, which is the following close-in area fire calls. They have done donated services and many years. They have done donated services and many years of service.

When the next crop year’s income is received. Loans to replace farming operations. Examples of property commonly affected

The Farm Service Agency may make Emergency Loans to a county. Financial assistance. The interest rate for the emergency loans

Achieving accreditation requires a significant, ongoing commitment to high quality library services. Of Iowa’s 543 public libraries, 331, including the Postville Public Library, are state accredited. Accreditations receive a higher rate of compensation from state funding in their libraries. Funding; staffing; library collection; services; public relations; community involvement. The accreditation process is voluntary.
