Indoor or outdoor, it doesn’t matter — the UNI men’s track and field and cross country teams are dominant forces on the state and national levels. The Panthers have been the only indoor AMCU champion since the first conference meet in 1984. Outdoor, UNI regained its AMCU title, after finishing third the previous season, by capturing 10 individual and relay events and nine second-place finishes. Year after year, the record books are opened and amended.

Last year, indoor track added four new entries and outdoor track six new records, including three freshman marks.

Cross country continued to remain a contender as the Panthers captured second place in the AMCU and medalist honors with a record-setting time.

On the Cover: UNI sophomore middle distance runner Jeff Burris, from Ames, Iowa, out distances opponents from Iowa and Iowa State to win yet another race for the Panthers in an indoor meet last year. Burris holds school freshman records for the 600 yard dash (1:11.73) and the 880 yard run (3:12.07). He also is a member of the school record-setting 1,600-meter relay team (3:12.07) and mile relay team (3:17.13). He holds the AMCU 880 yard indoor record (1:53.39) and is a member of UNI’s AMCU record-setting indoor-mile relay team (3:17.15).
Looking Ahead to Continued Success

It will come as a surprise to few that the University of Northern Iowa men's indoor and outdoor track and field teams should once again be among the most competitive in the midwest.

The Panthers, return a young, though veteran, squad from a year in which they captured the conference indoor and outdoor championships and finished second in the conference cross country championships.

Under the direction of third year head coach Chris Bucknam and third year assistant coach Bill Lawson, the Panthers look to maintain the sharpness and competitive edge they’ve developed while at the same time establish depth throughout the events for late-season and future competitions.

“We’ve got strength in the long sprints and middle distances,” Bucknam said. “Although we have a lot of young people in those areas, they’re going to add quality depth to our front line and have the chance to develop without the pressure of having to come through for us right away.

“We’re shallow in numbers in the weight events, but we should be able to overcome that.

“We’ve strengthened our sprints and jumps, with recruiting,” Bucknam pointed out. “Trying to replace Todd Goodell in distance and Troy Becker in the vault just isn’t done in one year. The kids taking their place lack the experience and talent of those guys. The coaching staff, though, is very excited about the prospects for their futures.”

UNI has an experienced and talented nucleus of athletes to look to throughout the roster, including several school record holders and conference champions. Among the list of top returnees expected to make an impact this season are: junior Brad Bartelt in the long sprints, sophomore Jeff Burris in the middle distance, senior Joe Fuller in the short sprints, senior Steve Gearhart in the middle distance, junior Brooks Glassnapp in the long sprints, sophomore Joel Hartman in the long sprints and 400 intermediate hurdles, sophomore Dan Hostager in the distance, sophomore Tom Penningroth in the middle distance, senior Wayne Simon in the long and triple jump and senior Eric White in the high hurdles and 400 intermediate hurdles.

The list of other contributors could include most of the rest of the returnees, but the aforementioned were kingpins in UNI’s drive to the conference championships.

During last year’s indoor season, UNI runners wrote four entries into the school record books, led by Glassnapp’s marks in the 300, 400 and 600 yard dashes. Three members of the Panther mile relay team that set the school record, return this season, including Glassnapp, Burris and Bartelt. Indoor freshman record holders, Burris in the 600 and 800 yards and Penningroth in the 1,000 yard run, look to make their marks in the varsity record books this season, individually.

Among the entries into the school record books from the outdoor season were three varsity and three freshman marks. Gearhart established a record in the steeplechase, Glassnapp in the 400 meters and the 1,600 meter relay team from which three return this season; Bartelt, Burris and Glassnapp. Freshman records were shattered by Burris in the 800 meters and Penningroth in the 400 intermediate hurdles.

Reviewing last year, Bucknam said, “I felt this was the best I’ve been involved with at UNI. The best part of it was that we were such a young team. In the next two or three years, we could be twice as good.

“We’re happy with the schedules, they’ll require our athletes’ maximum performances. Our outlook, our number one goal, is to win our conference championships. Everything we do points toward accomplishing that goal,” Bucknam concluded.
The UNI-Dome
A Source of Pride in Iowa

The UNI-Dome (the prefix stands for University of Northern Iowa as well as meaning one and unique) combines the features of three buildings — a football stadium, field house and large auditorium. It contains facilities to hold a variety of events such as concerts, exhibitions, trade shows, pageants, rallies and convocations, as well as football, basketball and softball games, and wrestling and track meets.

The Dome has hosted such events as NCAA gymnastic and wrestling championships, high school all-star basketball games, high school football playoffs, concerts, car shows, truck and tractor pulls and many other non-athletic events.

The Dome’s air-supported, Fiberglass-fabric roof, was constructed at a cost equal to half that of conventional-roof construction facilities. Because of the roof’s translucence, ample natural light is available during daylight hours resulting in a sizeable savings on utilities.

The UNI-Dome was designed with “something for everyone.” Its artificial turf for football games can be installed in a minimum of 36 hours. Underneath, on a synthetic floor area, are basketball and tennis courts and an eight-lane, 220-yard oval running track. As many as 12 tennis matches and two basketball games can be played simultaneously.

Approximately 16,400 spectators can be seated for football games and track meets and 9,500 for courtside activities. For stage productions such as commencements, concerts and speaker’s series, total capacity — using movable bleachers and chairs — can reach 25,000.

The 168,000-square foot Dome, which rises 124 feet above the arena floor, is supported entirely by a network of 12-stranded steel cables and four air blowers. A concrete and steel ring around the top of the 70-foot high stadium wall holds the cables which weigh 47 tons.

The roof of the Dome is made of 49 tons of woven fiberglass coated with teflon. Approximately 60 percent of the Dome has an inner liner of fabric which provides acoustical as well as thermal benefits.

A spacious press box atop the east stands has facilities for 20 radio stations, television capabilities and seating for up to 125 people. A photography darkroom, photo bay, concession area and scouting booths are other features. Two huge new electronic color scoreboards flash messages and information to spectators throughout the events.

The west press box provides a meeting room for the UNI Athletic Club. Plans call for the addition of locker and training rooms and VIP boxes. Currently, an enclosed passageway connects the Dome with the Physical Education Center for locker facilities.
Head Coach: Chris Bucknam

In only his third season as head men's track and field and cross country coach, Chris Bucknam already has compiled impressive statistics and developed extremely competitive teams and individuals. Bucknam has led the Panthers to back-to-back indoor track conference championships and the outdoor track conference championship last season. His cross country teams finished second in the conference the past two seasons and tied for the first three years ago.

He was named conference indoor track Coach of the Year the last two seasons and conference outdoor track Coach of the Year last year.

Since his arrival at Northern Iowa in 1979, the Panthers have won or shared 10 conference championships in cross country and track, with Bucknam as either the assistant or head coach.

A native of Beverly, Massachusetts, Bucknam attended Norwich University in Northfield, Vermont, where he was a four-time letterwinner in track, specializing in the middle and long distance events. He was elected co-captain his senior year and graduated from Norwich in 1978 with a bachelor's degree in physical education. He earned his master's degree in physical education from UNI in 1982.

Assistant Coach: Bill Lawson

Bill Lawson, former four-time Northern Iowa All-American decathlete, is in his third season as assistant men's track and field coach with the Panthers.

Lawson, a 1980 UNI graduate, was in his senior year with the Panthers when current UNI head coach Chris Bucknam was named as the school's first full-time track assistant coach in 1979. A UNI school-record holder in the triple jump and decathlon, Lawson was a two-time co-captain for the Panthers. The Carthage, Illinois, native qualified for national competition in the decathlon, pole vault and triple jump four times.

He returned to the Panthers two years ago after serving three years as boys’ track, girls’ track and cross country, and girls’ basketball coach at John Marshall High School in Rochester, Minnesota. His specific duties with the Panthers include coordinating the fall track program and conditioning, and coaching the field events and decathlon during the indoor and outdoor seasons.

Lawson also teaches in the physical education department at UNI, in addition to his coaching chores.

UNI in Conference

Since the formation of the Mid-Continent Conference in 1978, Northern Iowa has never finished lower than third place in an M-CC or AMCU league track and field or cross country meet. In the 19 Mid-Continent meets held through 1986, the Panthers were champions 11 times and runnerups six times.

Middle Distance Runners

"We have an extremely young and talented crew of middle distance runners. The addition of Tim Ross and Steve Jay has really strengthened this area. I feel they'll contribute immediately. They are impact athletes. Jeff Burris and Steve Gearhart are school record holders and will be the athletes to watch. A key to success in this area could also be the production of Kent Terrillion who was redshirted his freshman year after a serious leg injury. He is extremely talented."

Distance Runners

Back Row, L-R: Steve Gearhart, Dan Hostage, Scott Jackson, Bob Jirele, Brad Martin, Tom Penningroth
Front Row, L-R: Mike Sheffer, Trent Timson, Chris Wolfe, John Ruth, Mike Kabela

"We'll have to see a lot of improvement, over last year, from this group. They're young, but talented. Dan Hostager is obviously the backbone in this area. Hostager was the conference cross country athlete of the year for winning the AMCU Championships. We expect to see a lot out of Bob Jirele and Tom Penningroth. Freshmen Mike Sheffer and Trent Timson will see a lot of action. If we're going to be as strong as we want to be this year, teamwise, it's important for this group to come along."

Dan Hostager 6-1 165 Sophomore
Audubon, IA Distance Audubon H.S.
Accomplishments — High School: State champion in the 3,200 as a junior, finished second in the state 3,200 as a senior, finished second in the state cross country meet as a senior, lettered four years in track and field and cross country, lettered one year in basketball UNI Accomplishments: Captured conference cross country medalist last fall with course record time, youngest conference cross country champion, finished third in the indoor conference two-mile last year, lettered two times in cross country and once each in indoor and outdoor track Parents: Harris and Loe Hostager UNI Academic Major: Philosophy

Throwers

Back Row, L-R: John Place, Kelly Tagtow
Middle Row, L-R: Mike McGrath, Greg Anderson
Front Row: Mike Raffensperger

“This area is probably our weakest link because of lack of depth, not talent. Kelly Tagtow is definitely a Division I caliber athlete who has improved each year. He could have a shot at qualifying for the nationals, if he continues his improvement. A surprise in the outdoor javelin last year was the third place by Raffensperger in the conference. We look for him to improve on that effort. This is an area we're going to need to add to in the near future.”

Greg Anderson 6-1 190 Sophomore
Waterloo, IA Discus West Waterloo H.S.
Accomplishments: Lettered two years in track, placed fifth at the Drake Relays, competed in the state meet, team co-captain, listed as one of “The Preps to Watch” by the Waterloo Courier, one of the top point-getters on his team, threw discus in the 160-feet range in high school Parents: Karen Eastman & Ron Anderson UNI Academic Major: Business

Vertical Jumpers

Front Row, L-R: Dave Cleveland, Mike Raffensperger, John Bunge, Wade Sass
Back Row, L-R: John Place, Mike McGrath, Mike Pontius

“The loss of last year’s graduate Troy Becker, in the pole vault, will definitely take its toll. You just don’t replace that kind of athlete right away. However, we feel very confident in John Place’s ability to go 16 plus. He’ll have to carry the load. In the high jump, Dave Cleveland looks to be our top jumper. He’ll have to improve, though, on his consistency. He has all the tools to go seven feet.”

John Bunge 5-11 165 Sophomore
Osage, IA Pole Vault Osage H.S.
Accomplishments — High School: Took sixth in the state his junior year, finished first in the Dickinson Relays as a senior, came in fourth at the Drake Relays his senior year, claimed the conference title his senior year, lettered four years in track and field, lettered two years in football UNI Accomplishments: Finished sixth in the indoor conference meet last season, has a personal best of 14-0 Parents: Gloria and Paul Bunge UNI Academic Major: Marketing

John Place 6-0 175 Senior
Rochelle, IL Pole Vault Decathlon Rochelle Township H.S.
Accomplishments — High School: State runnerup and conference and regional champion UNI Accomplishments: Three-year all-conference in pole vault, finished third in the decathlon at the Kansas relays as a sophomore, conference decathlon champion as a freshman, set freshman record in the javelin, three indoor and outdoor track and field letters Parents: Bess and John Place UNI Academic Major: Management

Dave Cleveland 6-3 185 Sophomore
Belmond, IL High Jump Belmond H.S.
Accomplishments — High School: All-conference in track, football and baseball (twice): played on a state qualifier in football and qualified for the Drake Relays; lettered three years in track, four years in baseball and one year in football UNI Accomplishments: Finished third in the indoor conference championships, finished second in the outdoor conference championships, personal best of 6-9 Parents: Don and Dora Cleveland UNI Academic Major: Biology

Horizontal Jumpers

"This is an area where we don't have a lot of depth, but we do have a lot of talent. Wayne Simon is a mainstay. He was a double-indoor champion in the long and triple jump last year and has been a consistent performer for us in the last three years. Rodney Garrett has a personal best long jump of 24-2 and should add a lot of strength as a newcomer, when he recovers from his leg injury."
