**IMMIGRATION**

**Full-time Enrollment Requirement**
This is a friendly reminder that all F-1 and J-1 students must be registered as full-time students. (12+ hours of undergraduate credit or 9+ hours of graduate credit). Being enrolled less than full-time without proper approval will result in the loss of your good immigration status and may prevent you from earning your UNI degree. Even worse, you could be arrested and deported from the USA! If you have questions, do not ask your friends, but ask the professional staff in the International Students and Scholars Office. You should review the reminders on our web site (https://isso.uni.edu/immigration) at least once per semester. Exceptions to the full-time rule are: certain academic difficulties (improper course level placement, initial difficulty with American teaching methods), medical/health reasons, final semester of study, and graduate students working full-time on research or dissertation. ALL of these exceptions MUST be approved by the Immigration & Advising Coordinator in advance!

**Optional Practical Training (OPT) for Eligible F-1 Students**
If you hold F-1 status and you are planning to graduate in May 2019, now is the perfect time to think about applying for Optional Practical Training as you are probably eligible for this 12 month period of employment authorization within the U.S. See the attached OPT Procedures and please see our web site for more information about OPT: https://isso.uni.edu/optional-practical-training-opt

**HEALTH AND WELLNESS**

**Important Reminder: Student Health Insurance**
The Student Health Clinic needs to know if you are planning to leave the US during summer break. You must email Connie Potter (connie.potter@uni.edu) or stop by the Student Health Clinic. You will need to provide the date that you are leaving and the date you are returning to the US. The Student Health Clinic will suspend your insurance coverage during that time. If you’re not enrolled for the summer session and the Student Health Clinic does not hear from you, your coverage will automatically continue. It is important for you to tell the Health Clinic before you leave the US as they cannot remove the coverage when you return to UNI in the fall.

**Health Hub Newsletter**
Check out the current issue of Health Hub for events and services offered by the Health Clinic, Student Wellness Services and the Counseling Center.
