# 1987-88 Outlook

By J.R. Ogden

Two years ago, Don Briggs told members of the state's media that he couldn't wait for the 1988-89 college wrestling season to begin. He figured it would take that long for his outstanding recruiting class to mesh.

Entering the 1987-88 season, Briggs isn't talking about next year.

"I think this is really our year to jell," said Briggs who enters his sixth season as the Panthers' mat boss with a 68-31 dual-meet record. "The ingredients are here and the guys have experience tucked under their belts."

"This is going to be an experienced team. This will be the first time in several years that a freshman probably won't wrestle for us. And along with everything else, we have some depth."

The biggest news in the UNI camp is the return of All-American Mark Schwab who compiled a school-record 49-9 record two years ago as a true freshman. He ended that campaign with a fifth-place finish at 118 pounds at the NCAA Championships. Schwab will return to his 118 spot after red-shirting last season to compete internationally. "He's looking dynamic," Briggs noted.

Other key returners for the Panthers include Mark's older brother, Mike who earned All-American at 126 last year, Kurt Shedenhelm and Joel Greenlee.

Mike Schwab compiled a 34-10-1 record a year ago at 126 pounds and finished eighth at the NCAA meet. He's expected to be back at 126, although he'll face stiff competition from Duaine Martin who sat out last year as a Proposition 48 casualty.

Shedenhelm, a mainstay at 142 since his sophomore season, advanced to the quarterfinals of last year's NCAA meet before falling to Lehigh NCAA champ Pete Yozzo, 12-5. Shedenhelm

enters his senior season eight wins shy of the 100- career victory plateau. He was 41-9-2 last year and stands 92-35-5 in his career.

Heavyweight Greenlee also advanced to the NCAA quarterfinals last year and finished with a 39-4-1 tally. Greenlee will be challenged at heavyweight by letterman Tony Koontz, once the second semester begins.

The rest of the UNI lineup includes Marty Anderson or Pat Hamilton at 134, Pat Hogan at 150, Chris Lembeck or Keith Massey at 158; Massey, Doug Downs, Tony Hanson or Todd Lappe at 167; Kevin Kahl, Mike Llewellyn or Downs at 177; and Darrell Long, Llewellyn, Greg Herber, Dave Williams or junior college transfer Roger Koppes at 190.

Briggs says he has 10 guys vying for the 134 spot, and 167 to 190 is a "hodgepodge. We don't know what will happen and that's not negative."

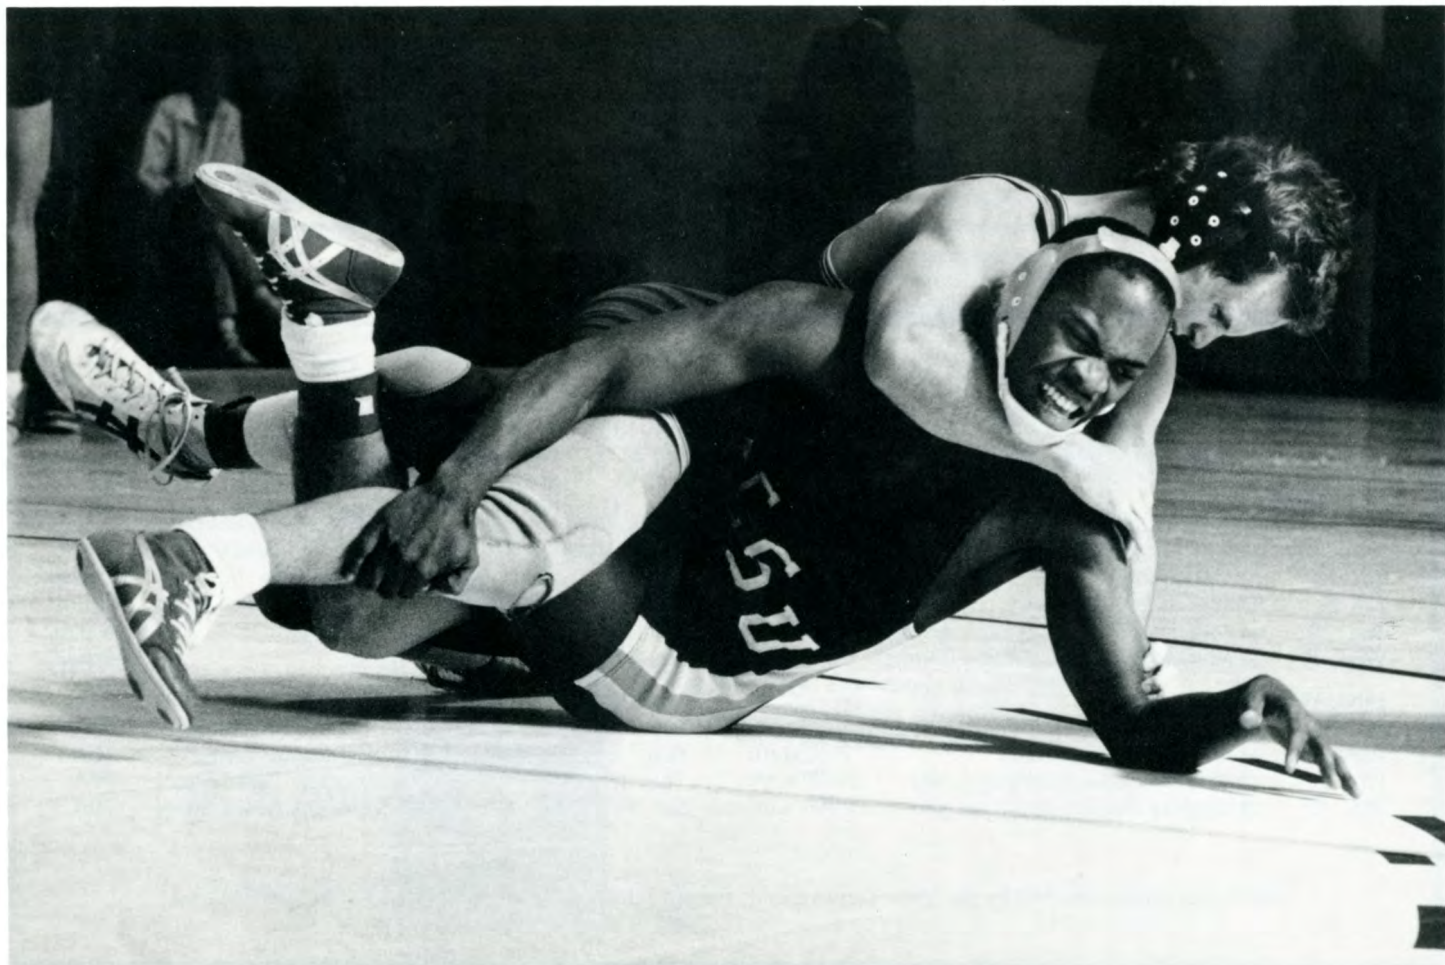

With all the depth and experience, Briggs said this will be an easy team for him and assistants Jim Miller and John Kriebs to coach.

"It's scary going into this season because so much could jell for us," he said. "We've had possible national champions before, but we've never had a probable. Now, we've got a probable and several possibles."

"This is something that we've worked on for years and years and now we have it. All we have to do is put it together."

Briggs won't reveal any team or individual goals, but said if UNI gets all the breaks, stays injury free and "nothing goes wrong" the Panthers can "definitely" challenge for a spot in the NCAA's top five.

Senior 126-pounder and All-American Mike Schwab.

"It's the most talent-laden team we've had since I came here in 1972," said Briggs, who was an assistant at UNI before moving into the top position. "The response (from the athletes) is everybody knows they have an assignment to carry out and they are doing it."

Last year, the Panthers finished with a school-record 18-6 dual-meet mark and finished 13th in the 68-team NCAA meet. The season was highlighted by a 12-meet winning streak and a third-place finish at the always-tough 16-team Virginia Duals.

This year's schedule includes the usual in-state toughies, defending NCAA champ Iowa State and runner-up Iowa, and always-strong Wisconsin. The UNI-Dome also will be the site of this year's NWCA All-Star Classic, a dual featuring some of the best wrestlers in the country. That meet is slated for Jan. 31.

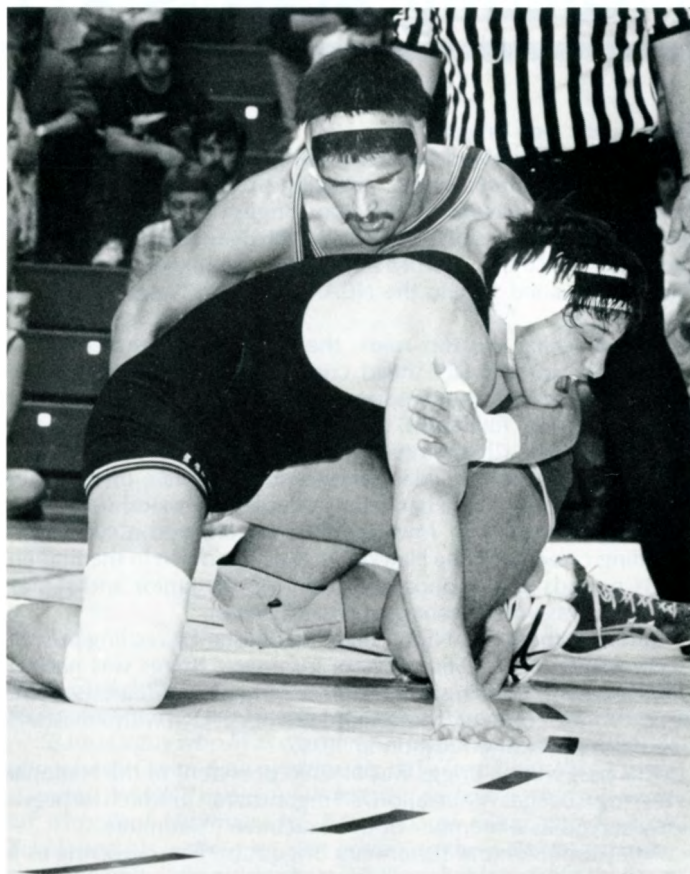

"I see us as being strong in both duals and tournaments," Briggs said. "We'll be a very well balanced team in dual meets and tournament-wise, we've got four or five people, outstanding people."

# Coaching Staff

## Head Coach Don Briggs

Northern Iowa Head Coach Don Briggs enters his sixth season at the helm of the Panthers' wrestling program. Only the sixth head coach in UNI wrestling history, Briggs has recorded a 68-31 mark (.687) in his first five years. His 1986-87 squad set the school record for dual meet wins in a season, with an 18-6 record, and the Panthers finished 13th in the NCAA Division I National Tournament.

Before taking the top reins, the UNI mentor served as an assistant to former UNI head coach Chuck Patten for seven seasons. In his first four seasons as head coach, Briggs brought home 10th, 11th, 18th and 17th place finishes, respectively, in the NCAA Division I Championships.

Briggs, a native of Cedar Rapids and a graduate of Jefferson High School, received a bachelor's degree in physical education from the University of Iowa in 1971. He enjoyed a successful wrestling career with the Hawkeyes, placing fourth in the Big Ten at 134 pounds as a sophomore and third his junior and senior years. He was voted team captain as a senior.

Before coming to UNI, he held the assistant wrestling post at Cedar Rapids Prairie High School for a year. Briggs was named UNI's assistant wrestling coach after serving as a graduate assistant in 1974-75. He completed his graduate work at UNI with a master's degree in physical education in 1975.

This past winter, Briggs was elected president of the National Wrestling Coaches Association, an organization in which he previously served as a member of the Executive Committee.

An avid hunter and fisherman, Briggs also lists skydiving as a favorite pastime. Along with his wife Diana, he has logged more than 1,000 jumps.

## Assistant Coach Jim Miller

Returning for his fifth season with the Panthers is UNI All-American Jim Miller. Miller joined the wrestling staff in early 1983, after a very successful stint as head coach at Charles City (IA) High School. His main responsibilities include the coordination of workouts in conjunction with the schedule. He also is responsible for individual technique workout sessions and directs the recruiting program.

A 1975 graduate of UNI, Miller had an outstanding wrestling career for the Panthers. The former East Waterloo High School prep won a pair of NCAA Division II national titles in 1974 and 1975 wrestling at 134 pounds. Wrestling at the NCAA Division I Championships, he placed second in 1974 and fourth in 1975. His second place finish in 1974 was the highest finish for a UNI wrestler in Division I since Bill Dotson's first place in 1963.

Miller coached for six seasons at Charles City, earning Iowa High School Coach of the Year honors in 1979 after his team finished second in the Iowa Class 3-A Championships. He also served a term as president of the Iowa High School Wrestling Coaches Association.

## Assistant Coach John Kriebs

Another UNI All-American, John Kriebs begins his fourth season as an assistant coach with the Panthers. Kriebs directs the weight training program and develops individualized weight programs for the wrestlers. He is responsible for the coordinating and monitoring of conditioning programs such as morning runs and Dome steps climbing.

Kriebs, a 1984 graduate of UNI and two-time Division I All-American at heavyweight, compiled a career mark of 94-33-2, including 57 pins. In his senior season, Kriebs posted a 24-4-1 record and was undefeated in dual action at 13-0-1.

A former Dubuque (IA) Wahlert High School grappler, Kriebs won the Iowa high school heavyweight crown his senior year. During his last two seasons at Wahlert, he won 56 of 58 matches, including 44 pins.

Among his duties, he assists the coaches in developing and maintaining strength, conditioning and nutrition programs for individual wrestlers. He attends to all injuries, from point of occurrence through rehabilitation. He is the liaison between the athlete and the physician in charge of injury.

## Academic Advisor Bill Dawson

Bill Dawson coordinates and advises wrestlers as to the registration of their classes, study skills and progress toward degree programs. He monitors mandatory study halls and assists wrestlers in the securing of academic assistance if needed.

# 118 Pounds

L-R: Mark Pustelnik, Paul Huffman, Mark Schwab, Pat Harris

## Pat Harris Sophomore

Management Bellevue, IA

"Pat Harris has a ways to go. He didn't come out for wrestling last year and needs to develop his talents and get back into wrestling."

Neil is a four-year wrestling letterwinner out of Bellevue Community High School. He was champion of the Big Bend Conference and a three-time team captain. He transferred to UNI from Lake Superior State College which he attended for one year and earned one varsity letter in wrestling.

## Paul Huffman Sophomore

Physical Education Cedar Falls, IA

"Paul at 118. What can you say about a guy who wrestles behind Mark Schwab as a freshman, filled in and did an excellent job for us last year, but now Mark is back for us and the prospects of beating out Mark are slim? Paul Huffman is the kind of kid I think every father would want his son to grow up to be like. He's responsible and hard working. He's hung onto the shirt tails of Mark Schwab and developed himself quite well. If for some reason Mark Schwab doesn't make the lineup, Paul Huffman will be an excellent replacement."

A two-time state meet placewinner from Cedar Falls High School, finishing second as a junior and fifth as a senior. He was a three-year letterman in wrestling, for the Tigers who finished 10th at the state meet his senior year. Redshirted first year.

## Mark Pustelnik

Sophomore Health Education East Moline, IL

"Bam is a guy who lives wrestling 24 hours a day. He's more of an upper body Greco-type wrestler. He did a lot of wrestling this past summer. Wrestled varsity for us last year and did a good job trading off with Paul Huffman. He has a lot of talent and he's also developed his technique. He's gotten on the weights and done a good job of building himself up. He'll probably redshirt this year."

Bam came to UNI as a two-time state champion from Illinois. He is a four-time placewinner in the national junior championships and a national champion his senior year in the national Greco championships. He split time at 118 last year.

## Mark Schwab

Sophomore Undeclared Osage, Iowa

"Every coach deserves to have a Mark Schwab at some time during his career. He's talented, he's got everything a coach would want on the mat. Mark and the coaches decided last year it would be in his best interest to redshirt and concentrate on freestyle wrestling. He competed in the Tblisy Games in the Soviet Union as well as several other freestyle competitions. He has not only set NCAA Championship goals, but has in the back of his mind to become an Olympic champion. He's probably one of the best at his weight in the nation, and possibly in the world."

He did an outstanding job as a freshman by not only placing fifth in the nation at 118, but by taking over a lot of team leadership as well. The All-American set a school record for victories with his 49-9 mark, breaking Jim Miller's UNI record of 48 victories set in 1975, Schwab became UNI's third straight All-American at 118 as he bettered his number nine tournament seeding by placing fifth. He also took places in six other tournaments that year.

Perhaps the nation's top recruit at his weight out of high school, he won four Iowa state championships with a 106-1 career mark. He also captured three freestyle and one Greco National Junior Olympics championship as a prep. He was selected a first-team high school All-American by *Amateur Wrestling News*. He led Osage High School to runner-up finishes at the state meet his sophomore through senior years. He also lettered in cross country at Osage.

## Duaine Martin

Sophomore

Undeclared

Omaha, NE

"Duane Martin is probably one of the most talented wrestlers we have on the team, along with Mark Schwab, that we've had in our room in years. He's quick, very strong and redshirted last year as a freshman. He'll give Mike Schwab a tough battle."

Duane was a three-time state champion out of Nebraska and a four-time placewinner in the Junior Nationals. He was highly sought after out of high school.

## Todd Raymond

Todd redshirted two years ago. He was a two-time state champion at Flowing Wells High School where he posted a 99-15 career mark. He was 31-1 his senior year. ## Mike Schwab

Senior

Zoology

Osage, IA

"Mike, by a long shot, is the hardest worker on the team. He is a very self disciplined type of individual. He has honed all of his concentration into becoming an NCAA Champion. He learned a lot from his All-American season last year and will benefit from the experience. Definitely, he is a team leader and the type of wrestler the other wrestlers look to for guidance."

While at Osage High School, Mike posted a career mark of 91-7-1, including a state championship at 98 pounds as a sophomore and runner-up at 119 as a senior. The four-time conference champion was a member of Osage's 1981 state championship team. He was also a state Greco champ his senior year and third place finisher in the freestyle meet that year. He was a five-sport letterwinner at Osage in wrestling, football, baseball, cross country and track.

Steve was a two-time conference champion from Missouri Valley High School. He was a two-time district and sectional champion and state qualifier. He was voted his school's MVP twice and holds eight school records. In addition to wrestling in which he lettered four times, he also was a four-time cross country letterwinner.

L-R: Claude Dorris, Todd Raymond, Marty Anderson, Gary Steffensmeier, Charlie Dotson, Pat Hamilton, Rick Caldwell

## Marty Anderson

Senior History Clarion, IA

"A senior this year, because he's a senior he's got to be hungry. He's looking at his last year of competition and he's done a great job for us in the past. He qualified for nationals two years ago, so he knows what that's all about. Now that he's got it in back of his head, he's got a personal goal of becoming an NCAA All-American. I expect a lot out of Marty this season."

Marty won a state championship for Clarion High School as a senior, after placing third as a junior. The Cowboys won the state team title in his senior season. He won two conference championships in wrestling and also lettered in football.

## Charlie Dotson

Freshman Undeclared Albuquerque, NM

"Charlie Dotson has a lot of natural talent. He has a ways to go with his strength. He needs to work a little bit on his technique. He's the type of guy that we've looked for for a long time in our wrestling room."

Charlie twice won the New Mexico Freestyle Tournament as well as the Rocky Mountain Tournament. He captured first place in the 1985 Junior Regionals and was voted his team's Most Valuable Wrestler three times. He is only the third wrestler in New Mexico to win four state championships. "Greg Herber is where Joel Greenlee was at two years ago. He's very raw, but has had a year to develop in the room. He's starting to turn that corner, burst through that bubble to becoming a good wrestler. He's right on the edge and by the middle of the season, I expect him to be developed and on his way. He kind of took a back seat last year, because he had it in his mind he was going to redshirt. He's spent a lot of time now with the upperclassmen and I think that's going to help him with his confidence and adjustment to college wrestling."

Greg redshirted his first season, after coming to UNI as a state champion out of Dubuque Wahlert High School. In his junior year at Wahlert, he finished with a 25-3-1 record, captured fourth in the state meet and was named all-conference. A 28-1 record in his senior year led him to the state championship and more all-conference honors. The Eagles, led by Herber, tied for first place in the Mississippi Valley in 1985.

Mike wrestled a good share of the time at 190 his sophomore season and put together a 28-13 overall record. He placed in four meets as a sophomore including a second place finish at the Midwest Championships. He did not compete last season.

*"Joel Greenlee is the All-American athlete; the All-American boy. He's everything that a coach would want in an athlete in any sport. If all the coaches in America compiled a list with all of the positives, all the things they want in an athlete, Joel Greenlee would exemplify all them. He's never a problem, always there with a positive attitude, he's developed into a really talented wrestler and personally I feel he was robbed of being an All-American last year. However, looking at the bright side of a very big negative, that will probably inspire Joel to wrestle that much tougher this year."*

Perhaps the most improved wrestler on the team, he has twice qualified for the NCAA national tournament. The third time is the charm.

## Don Briggs' Athletes in the Coaching Ranks

Since Don Briggs' arrival at UNI in 1974 under then Head Panther wrestling coach Chuck Patten, he and Patten have played an important part in guiding and inspiring their student-athletes to pursue careers in teaching and coaching. Briggs has seen more

than 40 former pupils enter the coaching ranks since his arrival and hopes to continue the strong tradition of UNI graduates in that field.

# The Panther Wrestling Tradition

The institution has come a long way since September 6, 1876 when 27 students and four instructors began classes at what was then Iowa State Normal School. Just one building existed on the forty-acre campus and was originally a home for Civil War orphans in Cedar Falls. The school changed its name to Iowa State Teachers College in 1909, State College of Iowa in 1961 and the University of Northern Iowa in 1967. Throughout the years UNI has been known for excellence in teacher education.

The classroom has not been the only area in which the school has excelled, however, and has become a means by which UNI has been able to attract talented people in those other areas, such as intercollegiate athletics. When Iowa State Teachers College fielded its first wrestling team in 1923 little did anyone then know that it was the first step toward building one of the most successful traditions in Iowa sports, and that it would eventually bring the school more national recognition and attention than any other sport in the school's history.

Perhaps that 16-8 opening victory against Cornell College was an omen of the success that would follow. It would be several years before ISTC began the climb to the pinnacle which they would some day reach, but once that ascent began it covered the intercollegiate wrestling world like an avalanche. It's been six decades and 485 wins since the first Panther squad took to the mat, and the colorful story which decorates those 63 years has no equal in UNI sports annals.

## The Pre-World War II Years

Paul Bender guided the first UNI mat squad and posted an 18-9-1 mark during his four-year stint. That tenure included only one losing season and victories over Oklahoma, Cornell and Wisconsin. The program was still in the development stage, however, with no national recognition or All-Americans.

In 1930 Bender was appointed dean of men at the institution and turned over the reins to the man who would build one of the greatest mat powerhouses in history. Dave McCuskey would compile a 102-31-7 mark, guide the Panthers to an NCAA title, four runner-up spots and coach nine wrestlers to a total of 16 NCAA individual titles.

1931 was a significant year in more ways than one for ISTC. It was the year McCuskey graduated from ISTC and accepted the wrestling post, but was also the season in which ISTC crowned its first NCAA placewinners. Jesse Arends took second in the 118-pound class while teammate Orville Orr placed third at 155 pounds. Despite a 3-2-1 mark, McCuskey's matmen achieved their first national finish with a seventh-place tie in 1934. The next milestone came in 1937 when the Panthers crowned their first NCAA champion when Ray Cheyney took the first-place award home at 135 pounds and led the team to a third-place finish. ISTC placed no higher than eighth from 1937 until 1943 when World War II forced a three-year cancellation of the meet, but it was after that three-year layoff ending in 1946 that ISTC would thrust itself into the national wrestling limelight for decades to come.

## The Golden Era

1946 marked the end of the war and the return of thousands of servicemen to colleges throughout the United States. It was also the year Panther 128-pounder Gerald Leeman would become an NCAA champ and win MVP honors at the NCAA tournament. Cecil Mott also won a title at 121 pounds as the Panthers vaulted to a second-place spot. A veteran of D-Day and the Battle of the Bulge by the name of Bill Koll would also win a national title for ISTC and complete the first leg of one of the most amazing careers in modern wrestling history. Koll, Russ Bush (128) and Bill Nelson (165) took titles for ISTC the following year with Koll becoming the second Panther in as many years to

take the MVP award home. ISTC couldn't improve upon their second place finish that year, though, and dropped to fourth in 1948 with Koll (145) being voted tournament MVP the second straight year. Koll capped his brilliant career with three titles, a 72-0 mark and was taken down only once in three years. The Panthers were national AAU champs in 1949 and NCAA runners-up with Nelson taking his second title at 155 pounds along with Bill Smith (165) and Keith Young (145) taking their first crowns.

McCuskey had to wait 20 years, but his dream came true in 1950. The Panthers hosted the 1950 event and delighted the Cedar Falls fans by running away with the team title. That 1950 squad rates as one of the most awesome mat teams ever assembled. After breezing to an 11-0 dual season in which none of the opponents reached double figures and taking the AAU national title, ISTC racked up enough points in the semifinals to walk away with the NCAA championship. Nelson (155) took his third crown with Young (145) and Smith (165) each picking up their second title. Frank Altman (121), Leverne Klar (128), Floyd Oglesby (136), and Fred Stoeker (HWT) were also placewinners.

Young (145) became ISTC's third three-time national champ in 1951 and Gene Lybbert placed third at 130 pounds en route to a fourth-place finish. 1952 marked the end of the McCuskey era at ISTC when the long-time Panther mentor accepted the head position at the University of Iowa. Lybbert (130) and Bill Weick (157) won NCAA titles leading the squad to a second-place finish. That performance capped a six-year span in which Pan-

ther teams racked up a 53-4-3 dual mark against opponents, claimed three consecutive outstanding wrestler awards in the NCAA meet, won 16 individual NCAA titles, two national AAU championships, one NCAA crown and were runners-up four other times.

#### Panthers in Division II

Bill Koll took over for McCuskey in 1953 and guided the Panthers to a fourth place spot that same year. ISTC crowned three more national champs during Koll's 11-year stay in which he compiled a 71-42-6 mark. Jim Harmon took the 157-pound title in 1953, Weick returned in 1955 to win at 157 pounds and Bill Dotson became the school's only NCAA champ at Division I and II in 1963.

Chuck Patten was named as ISTC's fifth head coach in 1965 and for the next 18 years would guide the Panthers to dominance at Division II. His 218-86-8 career mark signify him as the winningest coach in school history. He guided 58 performers to All-American status and tutored 16 national champions. His 1975 and 1978 squads earned NCAA Division II titles while the 1970-72-74 and '80 squads placed second. His teams placed in the top three at NCAA II in 11 of the 18 years he was at the helm.

Kirk Myers (190) and Gary Bentrin (142, 158) were three-time national champs for Patten in Division II action while Don Parker (177), Kent Osboe (HWT), Jim Miller (134) and Ken Snyder (142) were two-time winners. Bentrin earned titles at 142 pounds in 1976-77, and took his 1978 championship at 158 pounds. Myers collected 190 pound wins in 1978-79-80 and capped his career in 1982 with a fifth-place spot at the Division I tournament. He is the only Panther to win 30 or more matches in all four years of competition and compiled a career mark of 134-28-1 with 61 falls. Patten's 1972 national heavyweight champ, Mike McCready, would go on to take the gold medal at the 1975 Pan American Games and become Iowa's most successful Greco-Roman wrestler with a total of seven Greco-Roman national titles to his credit.

#### Panthers in Division I

1982, Patten retired from coaching and handed the rein of control to his long-time assistant Don Briggs. Briggs led the Panthers to a school record 17 victories in 1983 and tutored the Panthers to 10th and 11th place finishes in his first two campaigns. The newest UNI mentor has produced 10 All-Americans in his five years, including two-time All-American John Kriebs, now an assistant to Briggs. Bob Hallman's second place finish in 1984 was the highest by a Panther in Division I since Jim Miller's second place in 1974. The Panthers, last season, recorded their 22nd consecutive winning dual meet season and set a new school record for wins in a season with their 18-6 record. UNI has garnered top 10 finishes in Division II or Division I in 17 of those 22 years. For the second straight year, the Panthers were champions of the NCAA West Regional and crowned six individual Regional champions. UNI finished 13th at nationals, of 68 teams, and the Panthers crowned

# UNI Hall of Fame Wrestling Inductees

---

**Bill Koll** — After winning a state wrestling high school title, Bill Koll enrolled in Iowa State Teachers College in 1941. He served in the Army from 1943-45 but returned to ISTC and an amazing career. In three years, he recorded a 72-0 dual record with six national titles — three from the NCAA and three from national freestyle. In 1948, he won the U.S. Olympic trials and placed fifth in the London Games. Upon graduation, he turned to coaching at Chicago and Cornell College. He replaced Dave McCuskey at UNI in 1953, recording a dual mark of 71-42-6 in 11 years. He then moved to Penn State, and retired from coaching in 1979.

**Gerald Leeman** — In addition to three Iowa state titles, Gerald Leeman won his first national wrestling title while still in high school. He had an undefeated dual meet mark, while at UNI, suffering only one collegiate defeat. In 1946, he captured the 128 pound national title, gained another national crown and a spot on the Olympic team in 1948, bringing home a silver medal in the London Games. He began his coaching career in the high school ranks, being named head coach at Lehigh in 1953 where his teams captured six Eastern team titles in 18 years. After retiring from wrestling in 1970, he remained active in other athletic programs.

**Dave McCuskey** — A 1930 graduate of what is now UNI, he produced 122 wins, 31 losses and seven ties in 21 years as head coach. In 1950, he guided the Panthers to an NCAA title and added amateur crowns in 1949, '50, and '51, along with four national runners-up. In 1953, he moved to Iowa and built that foundation for the future. His Hawkeyes posted a mark of 160-69 with a third place national finish in 1962. In 1956 he coached the U.S. Freestyle Olympic team. In 25 years, his pupils won 25 individual crowns and two Olympic Golds. He retired in 1973.

**Bill Smith** — Bill Smith powered his way to two NCAA wrestling titles in 1949 and 1950 and added three national freestyle firsts while compiling an undefeated dual record of 52-0-1. He won the Olympic Gold Medal at 160.5 pounds in the 1952 games. As a coach, his Rock Island, IL, team produced a 57-5 record and a state title. Moving to the collegiate ranks, he coached Nebraska to four winning seasons and then spent 10 years as mentor to the Olympic Club in San Francisco, CA, winning seven titles. In 1968, he was named coach of the Canadian Olympic team. He then returned to high school coaching in California.

**Bill Nelson** — Bill won the national collegiate wrestling championships three times; 1947 and 1949 at 167 pounds, and 1950 at 155 pounds. An injury in 1948 stopped him from becoming the NCAA's only four-time champion. In 1949, he earned a place on the U.S. Olympic Team, but an injury in his qualifying round in London knocked him out of the Games. A three-time National AAU Champion (1948, 49 and 50), he was undefeated at UNI in dual competition. In 1950, he was selected by a national magazine as the nation's outstanding amateur wrestler. In 1949 and '50, he won national freestyle titles as the Panthers captured team titles in the NCAA Tournament. Bill began coaching in Colorado, Iowa and Michigan at the high school level. In 1963, he was named coach at the University of Arizona. A member of the Halls of Fame in Michigan, Arizona, Iowa and the National Wrestling Hall of Fame, he was a state of Iowa high school champion from Eagle Grove.

**Keith Young** — Six national wrestling championships and an undefeated dual and tournament record highlight Keith Young's career. He won national titles in 1949, 1950 and 1951 and also captured three straight AAU firsts. He coached at the high school level, retiring from Cedar Falls High School following the 1982-83 season. In his 27 years as head coach there, he recorded a 193-99-6 dual mark, led his team to the state title in 1968 and 1976 and coached 18 individual state champs and six conference team champions. He also has officiated at the high school and collegiate levels, including the NCAA championships.

**Bill Weick** — A two time NCAA champion at 157 pounds (1952 & '55), he has been equally impressive in the coaching ranks since his graduation from UNI in 1956. In 30 years as a head coach, he has compiled eight undefeated seasons and a 399-29-3 record. He was head coach of the USA Junior World Team in 1969, assistant coach for the USA at the 1972 Munich Olympics, head coach of the World Cup Team in 1974, head coach of the Pan American Team in 1975, assistant head coach of the USA World Cup Teams from 1976-82, assistant coach for the USA at the 1980 Los Angeles Olympics, coached the USA team at the World University Games in 1981 and among other assignments was head coach of the USA Freestyle team at the America's Cup Tournament in Panama in 1986. He was named Chicago High School Coach of the Year in 1970 for his work at Tilden Tech and also was inducted into the Helms World Hall of Fame in 1970. In 1972, he was inducted into the Illinois Wrestling Hall of Fame.

**Finn Eriksen** — Finn has spent the last 50-plus years as a competitor, coach, official and educator of wrestling. He was one of the first ISTC wrestlers to win the then prestigious Midwest AAU 135 pound championships, in 1929 and 31, and captained the Panthers in 1930. He wrestled for the exclusive New York Athletic Club in 1931 and 32, going undefeated in two weight classes. Eriksen started coaching at New Hampton High School and lead that team to its first state title. He left for Waterloo West High School in 1935 to become that school's first full-time wrestling coach. He led that team to its first of many state titles in 1942. Eriksen has officiated high school and college wrestling meets, including the NCAA Tournament, and served as official and judge at the 1952 Helsinki Olympics. He served 12 years on the National Federation High Schools Rules Committee, beginning in 1960, and in 1983 was inducted into the National Wrestling Hall of Fame. He also is a member of several other Halls of Fame and national organizations. In addition, he has authored many articles concerning the sport of wrestling.

**Bill Dotson** — Bill compiled an undefeated dual meet record of 34-0-4, wrestling at 137, 147, 157 and 167, between 1960-63. He was state champion from Waterloo East High School, his senior year. In 1963, Bill was an NCAA All-American at 137 pounds, taking first place in both Division I and Division II. He is the only Panther wrestler ever to accomplish such a feat. In 1962, he was an All-American, finishing second in the nation at 137 pounds. Currently in his 25th year of coaching, Bill has coached in the high school as well as college ranks and has compiled a 155-68-4 record. He is now the head wrestling coach at the University of New Mexico where he was named the 1986 Western Athletic Conference Coach of the Year. That same year, he was inducted into the Iowa High School Wrestling Hall of Fame.

## Panther Mat Aides

The UNI Mat Aides is a volunteer organization of women who help the Panther coaching staff by donating their time and contributing to several different aspects of the program throughout the school year.

Each Mat Aide is scheduled to work in the wrestling office every couple of weeks in addition to working at dual meets, tournaments and attending monthly meetings. At tournaments, they work at registration in the hospitality room, timing, scoring and helping with the tournament brackets. A big part of the Mat Aides program is just beginning when the competitive season is over and when the recruiting campaign begins. They follow high school prospects in the newspapers, type letters from the UNI coaches and give tours of the campus.
