IMMIGRATION

Important Immigration Information

As the summer break approaches, the ISSO would like to remind you of two very important points:

1. If you plan to travel outside of the U.S. over the summer vacation and return to UNI to resume your studies in August, you must make sure that you have a valid **travel endorsement** on page 2 of your I-20 form or page 1 of your DS-2019 form. Travel endorsements are valid for one year, so new endorsements are only needed if your previous endorsement will expire before you plan to re-enter the U.S. If you are not sure if you need a travel endorsement, please check with us and we will be happy to review your documents.
2. International students are responsible for **maintaining their U.S. immigration statuses**, and an important part of this is **always having a valid, unexpired I-20 or DS-2019 form**. I recommend that F-1 students check the "Program of Study" section near the center of their I-20 forms once per month to make sure they do not study past the program end date indicated in that section. J-1 students should always be aware of their DS-2019 form validity dates in section 3. Page 3 of all I-20 forms specifies that "If you cannot complete the educational program by the program end date on page 1 of your Form I-20, you should contact your DSO at least 15 days before program end date to request an extension." I am your Principal DSO, and I am always happy to help when students need extensions.

HEALTH AND WELLNESS

Important Reminder: Student Health Insurance

The Student Health Clinic needs to know if you are planning to leave the US during summer break. You must email Connie Potter (connie.potter@uni.edu) or stop by the Student Health Clinic. You will need to provide the date that you are leaving and the date you are returning to the US. The Student Health Clinic will suspend your insurance coverage during that time. If you're not enrolled for the summer session and the Student Health Clinic does not hear from you, your coverage will automatically continue. It is important for you to tell the Health Clinic before you leave the US as they cannot remove the coverage when you return to UNI in the fall.
