Head Coach Meredith Bakley

Meredith Bakley enters her 10th year at the helm of the Panther program, searching for her 250th win at UNI. Bakley directed the Panthers to the AIAW Division II National Championship in 1982. In her first year, she led UNI to a 22-10 overall record and a second place finish in the AIAW state tournament. Six seasons ago, the Panthers finished sixth in the regional championships.

Since 1983, the program has competed at the NCAA Division I level and has taken the field with such top-notch competition as Creighton, Arizona, Central Michigan, Oklahoma and New Mexico. The scheduling of such opponents proves Bakley's commitment to becoming one of the major powers in college softball.

A graduate of Black Hills State College in Spearfish, SD, she received her master's degree from Colorado State University in 1974 and has completed hours toward her doctorate from the University of Iowa and Northern Colorado.

Bakley was an instructor at Valley City State College in Valley City, ND, where she was head basketball and softball coach before coming to UNI. Her Valley City softball team placed second in the state in 1978, losing to North Dakota State in the finals. Her win-loss record at UNI since 1979 is 244-174.

Assistant/Pitching Coach Dr. Gene Bruhn

Dr. Gene Bruhn is beginning his sixth year as assistant softball coach and is, in fact, the first part-time assistant coach ever hired in the history of UNI softball. Dr. Bruhn handles a strong UNI pitching staff. Last year's pitching threesome ranked third in Gateway team pitching statistics. A chiropractor practicing in Clarksville, he studied two years at Ellsworth Junior College, one year at Wartburg and received his degree from

Palmer College of Chiropractic in Davenport. Dr. Bruhn has been a softball player for 25 years, competing in the service in Vietnam and at Fort Sill in Oklahoma. He also has competed in city leagues in the Quad City area.

1988 Outlook

Nine returning letterwinners and two prime recruits bolster Northern Iowa's softball season outlook for 1988. Four-fifths of the infield returns, as well as two-thirds of the outfield. Coach Meredith Bakley searched and found a centerfielder and a second baseman to complete the UNI lineup.

Heading the list of returnees is All-Gateway performer and All-American candidate **Chris Ehlert**. The third baseman from Nevada, IA, performed spectacularly all last year for the Panthers. She led the team in six statistical categories: batting average (.300), runs batted in (25), runs scored (23), hits (48), triples (6) and fielding percentage (.974).

Bakley said, "Chris is our captain and leader. She is the best hitter I've had in my 10 years at UNI. We are playing the toughest schedule in the history of UNI softball and Chris still hits the ball better than anyone I've coached. Defensively, Chris is really an outfielder. We asked her to play third base last year and she played like the all-conference performer she turned out to be. She is more comfortable at third after playing a season there. The whole team is very confident of Chris. She makes the hard plays look routine. I can't say enough good things about her."

Senior co-captain **Paula Evers** returns for her final season with the Panthers. Bakley called the shortstop the "best all-around natural athlete I've ever coached." Evers steadily has improved her defense since moving from first base to shortstop following her freshman year. She currently holds the UNI record for assists and putouts in a season and is closing in on the record for consecutive games played.

"Paula is the key person in our infield. If she performs this spring as well as she did this fall, we are in for a heckuva season. I think her biggest asset is her strong, quick arm. We wouldn't be able to run some of our plays if she wasn't in the infield. She's the type of player who always wants the ball hit to her. Offensively, she'll be our leadoff hitter. She has a great eye and loves to run. She will be very, very difficult to replace next year," Bakley said.

UNI's top returning pitcher is junior **Krista Fosbinder**. Fosbinder was 14-11 last spring, winning both of UNI's games in the Gateway Tournament. In the first, she threw a no-hitter, defeating defending champion Indiana State 1-0. She then came back to throw a two-hit shutout against Wichita State. Seven of her 14 victories were shutouts enroute to a 0.96 earned run average. She set school records for most innings pitched and most games pitched in a season.

Bakley believes Fosbinder is going to get even better. "Although Krista has performed well for us in the past, I believe this will be her best season yet. She has gotten used to the 43-foot pitching distance and is really excited about pitching this year. Her variety of pitches continues to grow."

"That variety probably is her biggest strength. Her competitiveness is unreal. She really studies the batters and knows where to pitch them. I believe Krista hasn't received the credit she deserves. She's kept us in a lot of games in which our offense has sputtered. We must start scoring some runs for her," Bakley said.

UNI's number two pitcher is sophomore southpaw **Sarah O'Byrne**. Bakley said O'Byrne performed this fall about as well

as any UNI pitcher has ever performed. She shutout Iowa and Creighton on successive days last fall at the Iowa Round-Robin.

Bakley said, "Although Sarah was injured toward the end of last season with a deep bruise in her left forearm, she is very capable of having a great season for us. That was very evident this fall at Iowa City. Her fall season was unreal. She threw about as hard as I have ever seen her throw. She is very determined to come back and throw just as well this spring. She's going to get better every game she throws."

The Panthers' third pitcher is third-team all-stater **Diane Schrage** from Plainfield, IA. Schrage is a slingshotter who comes to UNI with very impressive credentials. She struck out over 1,300 batters during a high school career which began her eighth grade summer. Bakley said Schrage's role at UNI will be a difficult one to fill.

"We are asking Diane to assume a relief pitcher role. We think she'll be able to come in and shut the door on many of our toughest opponents. The role will require a lot of control and patience from a freshman. We also anticipate Diane to help us on the base paths. She has great speed and we plan to utilize that," Bakley said.

At catcher, the Panthers have two experienced women sharing duties. Senior **Connie McBride** and sophomore **Holly Harrison** call the pitches for a pitching staff which ranked third in the Gateway last spring.

Bakley said McBride "really came into her own last spring. She called some excellent games for us. The pitchers have developed a confidence in her. She also really worked on eliminating her passed balls. Along with improving her defense, she has also improved her offense. Connie had her best year offensively last year. She is looking forward to having an even better season this year. She'll be hard to replace next year."

Harrison came on strong at the end of the fall season and Bakley couldn't have been more pleased. "The last game of the fall against Iowa was the best game of her career. She hit the ball and called a great game. Holly saw what she can do and she really liked it. Hopefully, it will carry over to this spring. When Holly starts reading the pitch better she's going to start enjoying the game more. When she plays well, she's a spectators' delight," Bakley said.

At first base returns sophomore **Susan Mahoney**. Mahoney shocked the conference, hitting 12 doubles enroute to a .274 batting average, best in the league for first basemen. "Susan was excellent as a freshman. She added a lot of strength to our infield. She is one of our power hitters. She has an unbelievable, fundamentally sound swing. I'm looking for the same output from her this year," Bakley said.

Two players are fighting for rights to start at second base. The leader seems to be **Dixie Froning**, a junior college transfer from Waldorf. Froning was an all-district performer at Waldorf while leading her team in hitting, runs batted in, doubles and triples. Bakley said, "Dixie was a very good junior college player at Waldorf. Her biggest asset is her power hitting. For us to be really competitive, she must hit for us. We are not worried about her defense. She is a fundamentally sound second baseman."

A second-year walk-on is UNI's back-up second baseman. **Lynell O'Connor**, a Central City product, saw limited action last year but did show improvement this fall. "I've seen a lot of improvement from her freshman year to this year. She is a very hard worker who also is very fundamentally sound." O'Connor hit .333 with two RBIs in the four games she played last spring.

Carrie Perry, a walk-on from Cedar Rapids Washington, and **Kim Brunner**, a walk-on from Nashua, complete the Panther infield. Perry was an all-district shortstop, while Brunner was an all-district catcher. Both players also may see action at the designated hitter spot.

The UNI outfield will be the youngest part of the team. Two sophomores and possibly two freshmen may see substantial playing time. **Mary DeCoster** and **Jenny Schultz** both started in over 50 games last year as freshmen and Bakley said the two have strengthened their arms and gained more speed. DeCoster will be moved from center field to left field this spring. The sophomore from Moline, IL, singled in Schultz to score the winning and only run of the game against Wichita State at the conference tournament last spring. Bakley is counting on even more run production from DeCoster this year.

"Mary is one of our power hitters. After our fall season, we decided to try and correct some of her hitting flaws in order to better utilize her power. When she hits the ball, look out! Defensively, I believe left field is better suited for her talents. She knows her assignments very well," Bakley said.

Schultz, says Bakley, is the Panther sparkplug. The speedy right fielder loves to challenge the base hit to right field. "Jenny performed very well hitting in the number two position this fall. She knows the strike zone very well and has great quickness getting out of the batter's box. She's a hard worker who is very important to the success of our team. She's matured so much from last year. Jenny adds excitement to right field."

UNI's number one recruit will man center field. First team all-state selection **Melissa Schafer** from Cedar Rapids Jefferson may have filled the missing link to make UNI's outfield the best in the Gateway Conference, Bakley says. Schafer, who hit .456 for Jefferson, was a finalist for Iowa High School Softball Player-of-the-Year. Bakley said she will add talent to the UNI outfield. "She'll add speed, quickness and a strong, accurate arm. She works very well with Jenny and Mary."

Although Schafer's fall offensive performance wasn't up to her high school standards, Bakley believes she will make the necessary adjustments to become one of UNI's leading hitters this spring. Bakley also said Schafer will become UNI's all-time base stealer before she graduates.

Another outfielder who could contribute is walk-on **Kari Stieger** from Cedar Rapids Jefferson. Bakley said, "Kari did a nice job for us defensively in the fall. She anticipates the ball very well. She needs to develop her offensive skills to break into the starting lineup."

Bakley thinks the chances of having a second straight winning season look good. "If the fall is any indication of what we can do in the spring, I'm very excited about our chances. We made three major trips last fall. We won the Redbird Tournament, placed fifth at Western and split with both Creighton and Iowa at Iowa City. If we can play well down in Oklahoma, we should be in really good shape for the conference schedule."

1988 Captains

Paula Evers, Sr.
Shortstop, Dyersville, IA
(Beckman)

Three-year letterwinner and two-time team captain Paula Evers returns for her fourth and final year in a UNI softball uniform. Evers undoubtedly will go down in the records as one of the most outstanding defensive players ever produced at UNI. After spending her freshman year as an All-Gateway performer at first base, Evers made a difficult transition to shortstop and steadily has improved ever since. She holds school records in most putouts in a season and most assists in a season. Offensively, Evers holds school records for most hits and runs in a season.

Chris Ehlert, Jr.
Third Base, Nevada, IA
(Nevada)

Junior third baseman Chris Ehlert compiled All-American statistics this fall as she led the Panthers to a 9-9 record. As a result, she is expected to do big things for UNI this spring. Ehlert led UNI in batting average, runs scored, hits, triples and runs batted in this fall. Last spring, she led the team in the same categories and was named to the Gateway Conference softball team. Ehlert's defense actually is the strongest part of her game. As a freshman leftfielder, she recorded a .970 fielding percentage and then last year, playing third base, she committed only five errors in 187 chances for a .974 average.

The Gateway Collegiate Athletic Conference

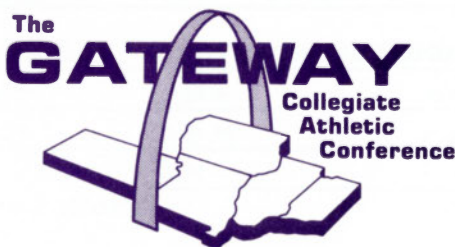

The Gateway Conference rapidly is earning a reputation as one whose members expect high academic and athletic performance. Since it was formed in July, 1982, the Gateway Conference has cited 520 female athletes for academic excellence (3.5 GPA or above).

High athletic performance also is exhibited by the 10 member schools which include Bradley, Drake, Eastern Illinois, Illinois State, Indiana State, Northern Iowa, Southern Illinois, Southwest Missouri State, Western Illinois and Wichita State. At the Gateway Softball Tournament last spring in Normal, IL, Western defeated Southwest Missouri State 11-3 in the championship game. The Westerwinds went undefeated in five games as they outscored their opponents 30-8. Western catcher Lisa DaRocha was named the conference's most valuable player.

Northern Iowa lost to Illinois State 5-0 in the quarterfinals. Earlier, the Panthers beat both Wichita State and Indiana State 1-0 and lost to Eastern Illinois 2-1. UNI third baseman **Chris Ehlert** was named first team All-Gateway after the tournament. Ehlert batted .300 while driving in 25 runs for the year.

Home in the Dome. The UNI-Dome Classic returns for its fifth year with a field of 14 competitive softball teams. Past winners include Creighton, South Dakota and Mankato State. Last year, Mankato State defeated Drake 3-0 in the championship game. UNI finished 5-0 in pool play and then was upset by North Dakota, 9-7, in eight innings in the first round of the single elimination tournament. Northern Illinois is considered to be the pre-tournament favorite. The Huskies finished 24-25 last season. However, first team All-American outfielder Jill Justin returns, as does All-District performers Sue Kause (first base) and shortstop Amy Veld. Justin was amazing last year as she hit .503 for the season. The Huskies also return their entire pitching staff. Mankato State, UNI and Kearney State loom as the main obstacles for Northern Illinois. Mankato State participated in the NCAA Division II Softball World Series last spring, while Kearney State was the national champion of NAIA softball.

The University of Northern Iowa

Northern Iowa is an excellent choice for students who want the atmosphere of a smaller college but the faculty and resources of a larger university. Northern Iowa is student-oriented and makes you feel welcome and challenged while you earn your education with a minimum of hassle.

Located in Cedar Falls, UNI was founded in 1876 as the Iowa State Normal School. From a single building on a 40-acre campus, the University has grown to include more than 40 major buildings and 11,500 students.

UNI emphasizes outstanding undergraduate education with complementary graduate programs at the master's, specialist's and doctoral levels. Building on its historic strength in teacher education, Northern Iowa has developed other fine programs in its School of Business, College of Humanities and Fine Arts, College of Natural Sciences and College of Social and Behavioral Sciences.

Northern Iowa publishes the prestigious North American Review, a quarterly journal of literature that has received two National Magazine Awards. The University also operates KUNI-FM and KHKE-FM, serving eastern Iowa with quality music and public affairs programming. The Management Development Center and Small Business Development Center are two outreach programs of the School of Business, whose Department of Accounting is ranked among the best in the country.

Landmarks on the 840-acre campus include the Campanile, the Education Center, Strayer-Wood Theatre, Maucker University Union and the UNI-Dome. Special academic resources include the 600,000-volume University Library, the Industrial Technology Center and the Communication Arts Center.

Facilities

The UNI softball team found its home on the UNI campus in the 1978 season with the construction of its own diamond after previously playing all home games at a softball complex in Waterloo. Ground-level dugouts were added five years ago to afford protection for the athletes from the possibility of inclement weather.

However, if the weather dictates that games can no longer be played outdoors, the UNI softball team has the advantage of being able to play indoors in the UNI-Dome, a multi-purpose, air-supported coliseum. Thus, the Panthers are rarely rained out when they play at home.

UNI is assured of playing in the Dome at least three dates this season as the UNI-Dome Classic returns for its fifth year. The three-day tournament is played entirely in the Dome on two diamonds set up opposite each other. Fourteen teams are scheduled for action April 8-10.
