After graduation, she worked for the Fort Collins (CO) Coloradoan before coming to UNI as an assistant editor in the Public Relations Office. She was a member of the Olympic Press Operations staff in Los Angeles in 1984 and the Pan American staff in 1987 in Indiana. She is a member of the College Sports Information Directors of America (CoSIDA), Women in Communications, Inc., and the U.S. Basketball Writers Assoc. CoSIDA has honored her with publication awards for football programs and brochures and wrestling brochures. Married to Robert Justis, who announces Panther football and basketball games, the couple has one daughter, Nicole.

Kevin Kane, a 1984 UNI graduate, was named assistant SID in June. Prior to joining the UNI staff, he was pursuing his graduate degree at Western Illinois, where he interned in that school's Sports Information Office. Before his year of graduate school, he spent four years at KCFI Radio in Cedar Falls, IA, as a sports reporter and on-air personality and six months at KFTX Radio in Fort Dodge as Sports and News Director and Program Director. A native of Bernard, IA, Kane majored in Communications at UNI. He's married to the former Laurie Upah of Toledo, IA.
This is Northern Iowa

Northern Iowa is an excellent choice for students who want the atmosphere of a smaller college but the faculty and resources of a larger university. Northern Iowa is student-oriented and makes you feel welcome and challenged while you earn your education with a minimum of hassle.

Located in Cedar Falls, UNI was founded in 1876 as the Iowa State Normal School. From a single building on a 40-acre campus, the University has grown to include more than 40 major buildings and 11,500 students.

UNI emphasizes outstanding undergraduate education with complementary graduate programs at the master's, specialists and doctoral levels. Building on its historic strength in teacher education, Northern Iowa has developed other fine programs in its School of Business, College of Humanities and Fine Arts, College of Natural Sciences and College of Social and Behavioral Sciences.

Northern Iowa publishes the prestigious North American Review, a quarterly journal of literature that has received several National Magazine Awards. The University also operates KUNI-FM and KHKE-FM, serving eastern Iowa with quality music and public affairs programming. The Management Development Center and Small Business Development Center are two outreach programs of the School of Business, whose Department of Accounting is ranked among the best in the country.

Landmarks on the 723-acre campus include the Campanile, the Education Center, Strayer-Wood Theatre, Maucker University Union and the UNI-Dome. Special academic resources include the 600,000-volume University Library, the Industrial Technology Center and the Communication Arts Center.

The City of Cedar Falls is a pleasant and historic college town adjacent to Waterloo. Together, they are part of a major metropolitan area with a population of more than 100,000. It is a center for manufacturing, finance, commerce and cultural activities in northeast Iowa.
A university and athletic program need sound direction and leadership. The Panthers have the ingredients for success starting at the top.

Dr. Constantine W. Curris assumed the Presidency of the University of Northern Iowa in August, 1983. He is only the seventh chief executive in the University’s 108-year history. Known as "Deno" to the University community, he has emphasized four major themes for the University’s development: 1) leadership in strengthening teacher education; 2) development of the School of Business as part of Iowa’s economic resurgence; 3) a renewed emphasis upon quality in undergraduate education; and 4) expansion of international studies to prepare students for life in the 21st century.

Prior to assuming the UNI presidency, Curris served 10 years as president of Murray State University in Kentucky. His tenure was characterized by expanding enrollments, extensive academic development and professional accreditation and the development of nationally recognized programs in academic advising and student services. In 1983, the Murray State Board of Regents designated the University's new eight-million-dollar student center as the Curris Center.

Other professional experiences include serving as Dean of Students at Marshall University, Vice-President and Academic Dean of both Midway (KY) College and the West Virginia Institute of Technology and a year's service as Director of Educational Programs for the West Virginia State Board of Education.

Curris received a bachelor's degree magna cum laude in political science with a minor in speech communication from Kentucky in 1962. He received a master's in political science with a public administration emphasis from Illinois in 1965 and his Ed.D. degree in higher education with minors in student personnel services and public policy from Kentucky in 1967.

Curris serves as Trustee-Emeritus of Midway College and was a charter member of the National Small Business Development Center Advisory Board. He currently serves as a commissioner of the American Council on Education’s Commission on Educational Credit and Credentials and on the Committee on Policies and Purposes of the American Assoc. of State Colleges and Universities. He recently served as chairman of the Task Force on Teacher Education and Certification appointed by the Iowa State Board of Public Instruction and now is serving as a member of the First in the Nation in Education Foundation Governing Board on appointment by the Governor. He serves as an ex-officio member of the Iowa Department of Economic Development Board and is a member of Rotary International.

Robert A. Bowlsby was selected Director of Athletics in mid-February, 1984, after serving as Assistant Athletic Director for Facilities and interim AD when Stan Sheriff resigned the post in September, 1983.

A native of Waterloo, IA, he is a 1970 graduate of West High School. He earned a bachelor's degree in health, physical education and recreation from Moorhead State in 1975 and a master's degree in recreation administration from Iowa in 1978. Bowlsby served as Assistant Director of Recreational Services at Iowa from 1978-81, working in facility management and with responsibilities for supervision of a wide variety of recreation and athletics facilities on campus.

He joined the UNI staff in April of 1981. His experience at UNI has been broadbased, including involvement in all areas of the intercollegiate athletics program and promotion of the UNI-Dome. He has worked with a variety of athletic events, special programs and entertainment attractions.

Since the time of his appointment as Director of Athletics, Bowlsby has been actively involved in the promotion and marketing of the athletics program, the development of the Athletics Hall of Fame and the formulation of the Gateway Collegiate Athletic Conference football division.

He has served on the NCAA Committee on Financial Aid and Amateurism and the NCAA Wrestling Committee.
First Class Facilities

Northern Iowa's fans demand the best from the Panthers on the field and the school provides some of the best facilities in the Midwest, and in particular at the 1-AA level.

The UNI-Dome is one of the nation's finest football facilities, no matter at what level the game is played. The building actually combines the features of three different buildings — a football stadium, field house and large auditorium. It contains facilities to hold a variety of events, such as concerts, exhibitions, trade shows, pageants, rallies and convocations, as well as football, basketball and softball games and wrestling and track meets.

The UNI-Dome has hosted such events as the NCAA gymnastic and wrestling championships, the Iowa High School football playoffs, concerts by Dolly Parton, the Eagles, REO Speedwagon, Fleetwood Mac and the Rolling Stones, antique car shows, tractor pulls and many other non-athletic events.

The UNI-Dome's air-supported, Fiberglass fabric roof allows for ample natural light during daylight hours. Its artificial turf for football games can be rolled up in a minimum of 36 hours. Underneath, on a synthetic floor area, are basketball and tennis courts and an eight-lane, 220-yard oval running track.

Approximately 16,400 spectators can be seated for football and 10,000 for court side activities. For stage events, such as commencements, concerts and speakers' series, total capacity, using movable bleachers and chairs, can reach 25,000.

A spacious press box atop the east stands has facilities for 20 radio stations, television capabilities and seating for up to 125 people. A photography darkroom, photo bay, concession area and scouting booths are other features. Two huge scoreboards flash messages and information to spectators throughout events. The west press box has been completed to provide a meeting room for the UNI Athletic Club and space for special events.
INTRODUCING
HEAD COACH

EARLE BRUCE
Northern Iowa fans owe Ohio State some favors. First, the Buckeye administration made it possible for the Panthers to attain head basketball coach Eldon Miller. Now, Northern Iowa is lucky enough to have on board former OSU football coach Earle Bruce.

Bruce was named Panther head coach in a noon press conference June 29, replacing Darrell Mudra who had directed the Panthers' fortunes five previous years. Mudra retired May 26.

Miller probably was one of the chief recruiters in getting Bruce to the Cedar Falls campus. "I have great respect for Eldon Miller as a coach and a person," Bruce said during his press conference. "I know he speaks very highly of his two years or so at Cedar Falls, and that's good. But I would have to be honest with you, I knew a little bit about the State of Iowa."

"The thing that matters is my family, and me, and UNI, and what we are going to do . . . if this job were any place else but Iowa, I wouldn't be here."

Bruce served nine years as head coach at Ohio State before being let go last November 16. Ironically, all nine of Bruce's OSU teams posted winning records and eight of the nine played in bowl games. He directed the Buckeyes to an 81-26-1 record overall, while going 57-17 in Big Ten play. OSU won four Big Ten titles under Bruce's direction, including two outright. Under Bruce, the Buckeyes played in four of the six New Year's Day games — the Rose, Cotton, Fiesta and Citrus Bowls, as well as the Kickoff Classic. His bowl record was 5-3.

Five of his eight teams led the Big Ten in scoring, and his 1986 team led the league in scoring defense. He coached 10 first team All-Americans, including 1987 Lombardi Trophy winner Chris Spielman. Another 52 players achieved Big Ten status. He also coached Mike Lanese, a 1985 Rhodes Scholarship selectee. In 1979, he was named College Football Coach of the Year.

Bruce went to Ohio State from Iowa State following the 1978 season as the successor to the late Woody Hayes. He coached six years at ISU, beginning in 1973. He inherited a program that had managed just two winning seasons in 10. The Cyclones went to bowl games his last two years and Bruce twice was named Big Eight Coach of the Year.

"I think the experience at Ohio State will make me a better football coach, a much better football coach . . . The young men that play the game should have a head football coach that is interested in them as a person, as a student, as an athlete. Running around and doing all that other junk is crazy."

Bruce returned to his alma mater in 1966 as an assistant to Hayes. He spent six years with the Buckeyes, the first two as coach of the secondary and the last four as offensive line coach.

In 1972, he went to the University of Tampa, compiling a 10-2 mark in one year and capturing the Tangerine Bowl title. It was then he moved on to Iowa State.

"I know that the football program at the University of Northern Iowa has been good. They've had good players, they've had good coaching, they've won . . . to continue the success they've had in the recent years is quite a challenge . . . probably the greatest thing is to win football games. If you lose once, you've lost enough."

Earle and his wife, Jean, have four daughters, Lynn, Michele, Aimee and Noel.
Tom Lichtenberg
Assistant Head Coach, Quarterbacks
Tom Lichtenberg joined the Northern Iowa staff just one day after the press conference announcing Earle Bruce's appointment as head football coach. Prior to this he had been on Bruce's staff at Ohio State since January of 1986. His extensive background in coaching covers 23 years, plus over two years in athletic administration. A native of Cincinnati and a 1962 graduate of the University of Louisville, he coached high school ball for 10 years, becoming an assistant at Morehead State in 1971. Bruce hired him as an assistant at Iowa State in 1974. In 1979, he returned to Morehead State as head coach but left after two seasons to become offensive coordinator at Notre Dame. In 1983, he became assistant athletic director at Iowa State but returned to Ohio State in 1986.

Walt Klinger
Offensive Line
A former Big 8 center at Colorado, Klinger was one of three new coaches added to head coach Darrell Mudra's staff five years ago. Klinger played at Colorado from 1959-61 and was an All-American pick. He has been voted the best two-way center in the history of Colorado football. He began his coaching career at the high school level. He was on the Colorado staff one year before coaching on Claremont Men's College in California two years. He spent the next nine years in the college ranks—five years at New Mexico, one year at Fresno State and one more year at New Mexico. Prior to taking the UNI job, he was an administrative assistant in the Wyoming athletic department.

Mike Kolling
Linebackers
Kolling rejoined the UNI staff one year ago following a two-year hiatus when he was an assistant with the Saskatchewan Roughriders. He coached eight years at UNI before moving to the CFL club. Kolling has coached both the linebackers and secondary at UNI. He graduated from South Dakota State in 1972 and played briefly with the Denver Broncos and the Birmingham Americans of the WFL. Kolling was an assistant at South Dakota State one year and an assistant at North Dakota State two years before being named to the Panther staff, the first time in 1977.

Terry Allen
Receivers
Beginning his 13th year with the Panthers as a player and a coach, Allen knows what he's talking about when the subject is UNI football. He joined the UNI coaching staff after quarter-backing the Panthers from 1976-78. A native of Iowa City, IA, he is highly respected by the staff and players for his football knowledge. As a player, he was well known for his strong throwing arm and ability to run the multi-option Houston Veer offense. The Panthers traditionally have fielded excellent quarter-backs and the tradition has remained intact under Allen's tutelage. This season, he will be in charge of the receivers.

Behind the Scenes

Robert Bolks
Defensive Backs
(Rob) Bolks was hired three years ago to coach the Panther defensive backfield. He had been on staff at Butler Community College in El Dorado, KS. His duties were defensive coordinator and defensive back coach and he was named head coach just prior to accepting the UNI position. Prior to his stint at Butler, he was an assistant at Highland Community College, then at Independence Community College. While attending Iowa State, he played defensive back for the Cyclones when they played in the 1971 Sun Bowl and the 1972 Liberty Bowl. He was the Big Eight punt return leader in 1974. Bolks played professional ball for the Cedar Rapids (IA) Falcons in 1977 and 1978.

Mike Noonan
Athletic Trainer
Noonan was named athletic trainer three years ago after serving as interim head trainer for one year. Prior to that, he had served as assistant trainer at UNI since 1983. From 1979-81, he was a graduate assistant at UNI and then spent the next two years as a physical fitness instructor at Hawkeye Institute of Technology. From 1981-83, he was head trainer at Columbus High School in Waterloo, IA, before joining UNI as a full-time staff member. He is a nationally certified athletic trainer and has served as an examiner for the NATA Certification Test.

Bill Salmon
Running Backs
Without a doubt one of the all-time greatest quarter-backs in UNI history, Salmon joined the Panther coaching staff five years ago. He led the Panthers as a player to the NCAA II playoffs in 1975. Known for his excellent throwing arm and football knowledge (he called about 75 percent of his own plays), he was superb at running the Panther veer attack. A three-year starter, he was named to the AF third team All-American list. The Minnesota Vikings picked him up following his last collegiate season, but a winter knee injury eventually spelled the end of his playing career.

Robert Kincaid
Academic Advisor
A native of Waterloo, IA, Kincaid joined the athletic staff in 1983, serving as academic advisor on a part-time basis. A graduate of East Waterloo High School, he graduated from Adams State in 1966 with a bachelor's degree in physical education with a minor in business administration. He spent four years at Northern Colorado as an assistant basketball coach and assistant dean of students while working on his master's in student personnel and administration. He also has been an accountant and auditor and has served as a counselor for Juvenile Court.

Dick Timmerman
Equipment Manager
Timmerman joined the Panther staff in September of 1982 after spending 22 years as equipment manager and athletic trainer at Upper Iowa University in Fayette. He is responsible for overseeing equipment for all 19 intercollegiate sports, with primary responsibilities for football and basketball. Besides his duties at Upper Iowa, he also worked with the Fayette ambulance service for 10 years. He is a certified EMTA (Emergency Medical Technician Assistant) and is a member of the Athletic Equipment Managers Assoc., a national organization.
To Get You Started

A Review: The Gateway Conference's third season of NCAA 1-AA football can be considered a huge success once again, thanks to the Northern Iowa Panthers. For the second time in three seasons, UNI completed its league slate unscathed at 6-0 and advanced to the playoffs. The Panthers controlled their own destiny during the last two weeks of October and early November by finishing the regular season with five straight league games. They handed Western Illinois its only conference loss and then won four straight Gateway games to win the crown. The road to the playoffs was not without its tense moments, however, as Eastern Illinois lost to UNI by only two points (19-17) and a late touchdown against Southwest Missouri State gave UNI a 17-13 victory. The Panthers then defeated Southern Illinois for the first time in history and gave them at least a tie for the league crown and the automatic playoff bid. In the last regular season game against Illinois State, it looked as if a letdown was in store for UNI as the Redbirds led 17-7 at the half, but 41 second-half unanswered points gave UNI the 48-17 win.

In the playoffs, UNI edged Youngstown State 31-28 and bombed Arkansas State 49-28, with both games played in the UNI-Dome, before heading to Northeast Louisiana for the semifinal showdown. Northeast jumped out to a 35-14 halftime lead but the Panthers rallied back without All-American running back Carl Boyd behind quarterback Mike Smith who passed for 418 yards and six touchdowns. The game was tied 41-41 with just seven seconds remaining in regulation. In the second overtime session, NLU's Teddy Garcia booted a 41-yard field goal before UNI's 38-yard attempt sailed wide. NLU went on to win the national championship.

The 1988 schedules of Gateway members show competition with the Big Eight (UNI vs. Iowa State), the Southeastern Conference (Florida and Kentucky), the Mid-American (Ball State and Western Michigan) and the Atlantic Coast Conference (Wake Forest), as well as 1-A independents Northern Illinois three times, Cincinnati and UNI against Pittsburgh. Other 1-AA conferences represented on the Gateway composite schedule include the Southland, Ohio Valley, Mid-Eastern Athletic and the Big Sky (UNI vs. Northern Arizona).

Only seven All-Gateway Conference first-team selections from last season return in 1988, including just two on offense (UNI has two). But the offense will not be without returning standouts as 10 second-team selections return.

In addition, UNI's Carl Boyd was named a Kodak All-American and to AP's second team, while Jeff Bealles was named to Football News' second team and AP's third team, along with Mark Hanssen. Honorable Mention AP All-Americans were Kevin Anderson, Louis Cox and Mike Smith.

The Gateway Conference has placed at least one member in the NCAA's 1-AA football Top Twenty poll 31 consecutive weeks (three seasons). Last year, Northern Iowa was ranked 12th on September 14, sixth on September 21, fourth on September 28, 11th on October 5, 18th on October 12, 12th on October 19, 10th on October 26, seventh on November 2, fifth on November 9 and fourth the last two weeks of the regular season.

The Gateway's 1-AA conference attendance remained in eighth place, the same as in 1986. Northern Iowa led in attendance with a 12,168 home average.

The Panthers finished eighth in the nation in scoring offense, ninth in punt returns, 10th in total offense and 12th in passing offense. Carl Boyd was fifth in all-purpose running and eighth in scoring, Wes Anderson was seventh in punt returns and Mike Smith was 17th in passing efficiency.

Northern Iowa's climb to the top of the charts the past three years has been a veritable success story. The only thing missing has been the right to call the Panthers 'national champions', after losing their semifinal game both in 1985 and in 1987, last year in overtime. UNI finished 10-4 overall last year, 6-0 in the Gateway Conference. It began the year ranked seventh in the preseason NCAA poll and ended the year ranked fourth.

Maintaining that position on the 'hit parade' is not easy and 1988 is no different. Last year's schedule was proclaimed to be the most rigorous in UNI history — 1988 will top it. It all begins September 3 at Pittsburgh, which lost to Texas in last December's Bluebonnet Bowl. Following a week off, the Panthers open up at home September 17 against non-conference foe Morgan State. The Gateway slate begins the next week with Southwest Missouri State coming to town. The other non-conference games are against Iowa State, which came back from a 17-point deficit in the fourth period to down UNI last year; Northern Arizona, which will be telecast live on ESPN; and Wayne State College of Nebraska.

UNI's 1988 repertoire is a mixed bag of "seasoned rock" and the "new wave". Thirty-two of 51 lettermen return, including six offensive and nine defensive starters. Veterans include such skilled positioned players as flanker Wes Anderson, right end Sherrod Howard, halfback Errol Peebles, linebacker Don Harnack, defensive ends Bryce Paup (moved from lb) and James Jones and safety Chris Klieman.

However, it's the losses that have to worry a few loyal fans out there. Replacing such legends as All-American running back Carl Boyd, fifth-year quarterbacks Mike Smith and Kevin Willard, center Mark Hanssen and defensive end Jeff Beailes, to name a few, is what makes 1988 interesting.

The Quarterbacks

Without a doubt, this position is the most critical of all and who will fill it in the fall was not resolved in the spring. UNI fans have been spoiled the last three years with Mike Smith and Kevin Willard handling the signal calling chores. Smith rewrote the UNI record book and was named Offensive Player of the Year for the Gateway in 1985.

The top two candidates emerging from spring drills are Phoenix College transfer Ken Macklin and freshman redshirt Troy Alexander. Junior Courtney Messingham, recruited as a quarterback, has seen actual game action as a defensive back. He was plagued by injuries last season but did not eliminate himself from the running when he had a decent spring game leading the reserves against the no. 1 units. He also did some quarterbacking a year ago when Smith was injured in the spring.

Macklin came in during the spring with the distinct disadvantage of having only four weeks to learn a completely new system against a top-notch defense that lost only two and a half starters. He has a good throwing arm, as evidenced by his fifth place national ranking in passing efficiency at Phoenix last year, and a build more like Willard (at 6-2), but he felt pressured and will need hard work over the summer to prepare for fall.

Alexander ran the scout team last year and as a result, knows the UNI system better than Macklin. He also had a fairly decent spring and spring game. He's built more like Smith (at 5-8) and might have the edge over Macklin because he's been on campus longer.
The Offensive Line

Five seniors are expected to start in the front line, with three — left tackle Mark Botkin, right tackle Steve Spoden and left guard Russ Rubie — having some starting experience. Right guard Jeff Chambers injured a knee in the spring and was replaced by junior Dave Campbell in the no. 1 unit. Spoden has been a two-year starter and is the team's best pass blocker. George Crouch will replace Mark Hanssen at center. Other starters missing are guard Louie Cox and tackle Ken Kolthoff, along with reserve center Scott Smallwood.

Coming out of spring drills, Campbell and senior Paul Flynn are the backups with the most experience. Botkin's reserve is Waldorf Junior College transfer Seth Bonnette. Sophomore Shawn Chestnut, plagued by injuries so far in his career, probably will play behind Rubie. Another Waldorf transfer, Matt Sindlinger, is waiting in the wings behind Crouch.

Someone with great potential who wasn't on campus in the spring is Garden City Community College transfer Jeff Serpan, a tackle.

The Receivers

Tight end Brian Baker and running back Carl Boyd are the only receiving threats gone from last year's titlist team, so prospects look very bright here. Boyd was the leading pass catcher from his running back position, while Baker caught 29 for 366 yards.

The leading returnee is flanker Wes Anderson, a transfer from Wichita State last year. He caught 71 passes for 791 yards and scored five times. A spark plug, he also returns kickoffs and punts.

Also back on the charts is senior tight end Sherrod Howard, who has shared time with Baker the last couple of years. Howard was the leading scorer by reception last year with eight TDs to his credit on 49 catches for 646 yards.

Sophomore-to-be Rory Feddersen split time with senior Anthony Price last year and is next highest on the receiving chart with 33 catches for 469 yards. Feddersen broke a finger in the spring and saw little action, but is expected back in perfect form by the fall. Price caught nine passes for 185 yards, scoring twice, last season.

With the graduation of Baker, Howard probably will be backed up by Illinois Valley transfer Troy Green who showed great potential in catching the ball this spring. With the graduation of Eric White, the only other receiver missing from last year's team, Anderson's backup most likely will be Moraine Valley Community College transfer Milo Popovic, who showed what a great prospect he is when he caught five passes for 95 yards with one TD in the spring game.

Just as Boyd was an all-around threat from his running back position, so are halfback Errol Peebles and fullback Woody Wright. Wright, replacing the injured Boyd in the 1AA semifinal game, caught 15 passes for 167 yards in his first UNI season, while Peebles brought in 10 receptions for 83 yards.

The Running Backs

You don't replace a Kodak All-American like Carl Boyd overnight, especially since he was a double threat, rushing for 1,223 yards and receiving 814 yards, scoring 18 times. However, a team could be in worse shape.

Returning are the team's second and third leading rushers in Errol Peebles (191 carries for 809 yards, 11 TDs) and Woody Wright (68 carries for 366 yards, three TDs). Peebles' primary role in the past has been blocking for Boyd, while Wright replaced Boyd in the 1AA semifinal game, gaining 112 yards.

Backing up Peebles coming out of spring is junior Darrin Eilander and sophomore Chris Mailander, both veterans who just haven't had a hole to fit into behind Peebles. Both have been a mainstay on specialty teams.

Wright's immediate backup is freshman redshirt Steve Hougom who, as a prep, rushed for a career total 5,158 yards. In 1986 alone, he led the nation with 2,616 yards. Waiting in the wings are two other redshirt freshmen — Greg Wallace and Charles Young.
The Kicking Game

For the first time in many years, the Panthers might have the same person handling both the kicking and punting chores — senior Doug Jackson. Jackson was the main punter last season, averaging 39 yards. Kicker Kevin Mote has graduated, while Danny Helmer was found to be ineligible for the 1988 season when it was discovered he participated in a junior varsity game while enrolled at Kansas State.

Jackson kicked a career high 54 yard field goal during the Panthers' annual spring game. Standing in the wings for the kicking duties, however, is freshman Tracy Tenpenny who saw a lot of action during spring drills. Returnee Dan Rush also is a possibility at punter after averaging 39.9 yards on 25 punts last season.

The Linebackers

The Panthers should be in pretty good shape here with the loss of only John Hill, if you don't count the transfer of Bryce Paup to defensive end. Returning are starters Mark Hein and Don Harnack. Hein missed the last two weeks of spring drills to concentrate on studies, while Harnack still was recovering from a broken wrist sustained in a December playoff game. Both, however, should retain their starting roles in the fall.

Also returning here are reserves Alan Bostic, moved from defensive back last season; Mike Kolpin and Dave McCorvey, who also missed spring drills because of a hamstring injury. McCorvey's position now is being called strong safety, however, though the defensive formations have not really changed.

The only new face in the starting group is redshirt freshman Brad Baumler who, at least at the end of spring practice, had the nod over junior J.D. Martin.

The Defensive Ends, Tackles

Perhaps the strongest segment of all, and one of the reasons the inexperienced quarterbacks had so much trouble in the spring, is the defensive front four. In fact, UNI's staff feels this is the most formidable front line in the history of Panther football.

Starting at left end is 6-5, 232 pound junior Bryce Paup, moved from linebacker where last season he led the squad in defensive points. Paup recorded 38 solo tackles, 74 assisted tackles and seven quarterback sacks a year ago. With the graduation of four-year starter Jeff Bealles who signed to play with the Ottawa Rough Riders of the Canadian league, Paup was moved up front to make the best front four possible.

Starting at left tackle is returnee Mike Campbell, a 6-1, 250 pound senior. He's the most experienced because of also starting in 1986.

Pairing up with Campbell at right tackle is 6-4, 260 pound Triton Junior College transfer Parnell Davis, a tower of strength in the middle of the line.

One of the few freshmen to ever play a starting role, 6-2, 250 pound James Jones, returns in his sophomore season at right end. Jones recorded four quarterback sacks and two assisted sacks last season and recovered three fumbles, high on the team.
Veterans returning here include senior Luke Carlson, backing up Davis, and sophomore Keith Ochs behind Jones. New faces include Waldorf Junior College transfer Mike Brinkman behind Paup and Butler County transfer John Beers behind Campbell.

The Secondary
An area of concern last year, the secondary matured during the long playoff season and the improvement showed during spring drills. The only bad news here is the loss of two-year starter Chris Klieman at free safety after breaking his foot early in spring practice. Klieman underwent surgery and his status for the fall is still uncertain. He finished last year second on the team in defensive points with 65 solo and 57 assisted tackles.

Filling in for Klieman after his injury was junior Pat Hansen who did an admirable job and most likely will have the starting role in the sad event Klieman would need to be redshirted.

Both cornerbacks also return from the last two seasons, including junior Kevin Anderson at left corner and senior Thelonious Key at right corner. With the change in terminology, senior Dave McCorvey probably will start at strong safety, though he missed all of spring with a hamstring injury.

Backups here probably will be sophomore Jim Womochil behind Anderson, senior Jerry Hines behind McCorvey and freshman redshirt Terry Lee, moved from the split end position, behind Key.

The Players
In football recruiting, as in most businesses, a hot tip could mean a windfall. So it was, in the roundabout route Wes Anderson took in landing in the Northern Iowa football program.

Two years ago, UNI recruiting coordinator Rob Bolks was in Kansas recruiting junior college players when the word spread like wildfire about Wichita State. Due to rising costs, lack of success and sagging attendance figures, the school was dropping football. Bushels of players were waiting for the coach with the lucky shopping cart.

"I headed west and once I got to Wichita, I was the 53rd coach to sign in," says Bolks, also UNI's defensive back coach. "It was like the 'Blue Light Special' at K-Mart. I stood around waiting, and all of a sudden here comes Wes Anderson whom I knew well when I coached at El Dorado Community College (Butler, KS). I asked Wes if he had lined up any visits yet, and he said he hadn't. I set it up for a plane to pick him up on Friday, and he came to visit.

Bolks' shopping venture was UNI's bonanza. Anderson has blossomed into a major find for the Panthers. During a 1987 campaign in which UNI won the Gateway Conference title and reached the NCAA Division 1-AA semifinals, Anderson ignited his team.

He was the No. 1 receiver with 71 catches for 791 yards and five touchdowns, was the No. 1 punt returner with 264 yards in 30 attempts and second in kickoff returns with 13 attempts for 229 yards.

The little guy almost helped pull off a major football miracle in the playoff semifinals at Northeast Louisiana. Had a Northeast defensive back not made a great defensive play on a "hitch pass" to Anderson, the Panthers might have scored an easy touchdown in a 44-41 overtime loss to the eventual national champions.

"We should have tried something different, but it was a tough loss and that's football," says Anderson. "The second half was totally different, and we executed really well. We got the cobwebs out and proved a lot to ourselves."

All of this confidence comes from a guy nicknamed "Smurf" after the cartoon character who makes his home in a mushroom. Anderson, who now lives in a Dome, not a mushroom, has fought an uphill battle in playing football.

"The odds have always been against me because of my size," says the 5-6, 168-pound Wichita native. "All of my life I've found adversity, been the underdog. But, I was raised that way and I found it a challenge. I met it head on. I stopped growing my junior year in high school, and had to quit basketball. But I kept playing football."

A two-time all-stater at Wichita East High School, Anderson rushed for 1,700 yards his senior year and helped East to the Class 6A state title two consecutive years. Anderson stayed in town and attended Wichita State, where he suffered a knee injury after seven freshman games. Anderson also was dating former East coach Willie Jeffries' daughter when Bolks arrived that afternoon in Wichita. Jeffries had taken a job at Howard University, which also was in the recruiting market. But, UNI was more persistent and won.

"I liked what I saw on that visit," Anderson says. "I saw the campus and felt the Dome was an exciting place to play. I was feeling that I could prove I could play at a school in any division. I had been in a real depression after hurting my knee, but I found a life with Christ which strengthened me. I depend upon Him to see me through."

"I had never dedicated myself to my life totally, but I found I could work harder than ever, if only to prove that I could play football and do it well."

Anderson not only plays football well, but is expected to make his senior season a special one at UNI, following the graduation of another 5-6 dynamo — All-American Carl Boyd. Anderson possesses Boyd's ability to catch, run and an intangible quality which make coaches drool — making the impossible look possible.

"Our biggest problem is figuring out ways to utilize his talents," says UNI offensive line coach Walt Klinker. "He's such a game-breaker. In open-field situations, quick screens are the passes where he excels the most. He wants the ball and we have to get him the ball.

"Being small doesn't mean a thing to him," Klinker says. "He's always had to fight, to be competitive. I was an assistant at Wyoming when Carl Boyd was being recruited and we turned him down. I came here in March that year, and Boyd came in. He proved everyone wrong, which is what Wes has also done."

Anderson says his height is always an object of good-natured humor by his teammates.

"I guess I'm between 5-6 and 5-8, depending upon what kind of shoes I wear," he says. "I'm 5-8 if I'm wearing a sneaker with a heal."

Anderson has been a big man on campus, having been selected president of the newly-chartered Kappa Alpha Psi fraternity. He is a general studies major, who longs to someday own his own business.

Meanwhile, he longs for the deep passing routes and working with whichever quarterback assumes the No. 1 role this season.

"I'm looking forward to fitting in with whoever gets the No. 1 job," Anderson says. "It's always tough to defend a title, but we have a great defense returning and a better idea of what it takes to get to the top."
Between broken legs (or feet), Chris Klieman has started 49 consecutive football games — his last 24 at Columbus High in Waterloo (IA) and every one of the 25 games the Panthers have played since he came to Northern Iowa in the fall of 1986.

His immediate goal: “I’d like to start about 30 more in a row.”

A broken left leg stopped him after the third game of the season his sophomore year at Columbus and he was felled by a freak accident early in spring practice this year. The broken right foot reshaped his summer plans into a race against time to heal and be ready to start practice this fall with his teammates.

In between fractures, he took Columbus to two straight state high school playoff championship games as quarterback, defensive back, punter, placekicker and kick returner. His role with the Panthers has been only slightly trimmed and he’s emerged as the leading tackler in an 11-game freshman season and a 14-game sophomore season in which his team reached the NCAA 1AA semifinals.

To get in his 30 starts during the next two years, UNI will have to reach the playoff finals both years.

Klieman has been the single safety on what is essentially a wide tackle six defense the past four seasons. It is his heritage.

His father was a defensive back (and a running back) at Upper Iowa University and an older brother, Scott, who attended the University of South Dakota, also was a defensive back.

Their father, Bob, who once coached the Columbus team, was an assistant on the staff while his sons were playing for the Sailors.

Chris also was a baseball and basketball star in high school, but when it came time to go to college, his choice narrowed down to football and, almost as quickly, to Northern Iowa.

“Playing close to home so my family could come and watch me were big factors in my decision,” he said. “And I really liked the coaching staff. They were great guys and they told it how it was. I could have tried it at quarterback here, but they said they were recruiting me as a defensive back and they thought I had a chance to play right away. They said I probably would have to sit a lot if I played quarterback.”

He started school in the second year of Mike Smith’s three-year reign as quarterback, and when the 1986 season opened Smith, for sure, was at quarterback. Klieman was a safety and has been ever since.

His duties have included catching punts and calling coverage signals.

“I have to be one of the guys that takes control,” he said. “I’m glad. I want the role of being the leader out there.

“I’d like it to be equal, but the defense, this year, probably is a little bit ahead of the offense. But it’s going to be that way, at first, with the inexperienced quarterbacks,” he said. “When the first two units are scrimmaging against each other, it’s tough. We probably have the two best defensive ends in the conference in Bryce (Paup) and James (Jones) and they make it a little tough on the quarterback. I wouldn’t want to be back there when those two horses come through.

“But I’d like the chance to throw to these receivers we have,” he added. “People like Wes (Anderson), Sherrod (Howard) and Rory (Feddersen) . . . you throw it up there and they’re going to catch it.”

About his future, he admits he’d like to play some more football — even after the next 30 games with UNI. “I’d like to play some more, sure. If it’s Canada, that’s fine.”

His major is community health education, but he’s at something of a loss to explain how that program ties into what he plans to do with his life after football.

He’ll follow his father and his brother, both associated with the sales and marketing of sporting goods equipment. That’s bound to keep him relatively close to the athletic field where he’s spent many of his 21 years, so far.

Conversation about the business is interspersed with football talk at home.

“My dad saw all of the games last year,” Chris said. That’s not just because Chris was playing in Cedar Falls. That includes stops at Lake Charles and Monroe, LA, and Minneapolis, and it doubtless will involve trips to Pittsburgh, PA, and Flagstaff, AZ, this fall, and wherever the Panthers play on their route to the playoff championship.
Bryce Paup

By Jeff Liebermann, Sports Information Student Assistant

What happens when you cross a 6-5, 225-pound junior, who happens to be one of the best defensive players in the Gateway Conference, with someone who doesn’t even worry about being known off the field as a football player? You end up with Panther defensive end Bryce Paup.

“Football players really have a bad reputation,” said Paup. “A lot of people think they are loud, dumb and stuck up. That’s not really the case.”

That’s especially not true of Paup. He is very quiet, does well in school and likes to meet people.

“I don’t go out much,” he said, “but when I do, it’s usually to one of my teammate’s parties. I get down there, and I meet somebody, and they can’t believe I’m the same guy that plays football.”

Perhaps one of the reasons Paup is so quiet is because at his high school in Scranton, IA, there wasn’t much for a football player to brag about.

“We started my senior season with 19 guys. By the end of the season, we only had one guy standing on the sidelines. We won three games that season, and now it seems hard to believe we even won that many,” he explained.

Even though he earned all-Conference honors as a fullback and linebacker that year, because of his team’s record he almost went unnoticed by the UNI coaches.

“I was getting recruited by mostly two-year and small four-year schools, but I really wanted to come here and play,” Paup said. “I had my coaches send some game films to Coach (Darrell) Mudra. Then, one weekend I came to UNI to visit my girlfriend. While I was here, I got a chance to meet and talk with the coaches. After awhile, they offered me a chance to play here.”

Former Panther defensive line coach Dennis Remmert remembers when he first met Paup.

“We had seen some film on him, but it is hard to tell about anyone by just looking at that. Then when we met him, we were very impressed with his size. We thought that he might fit in well with our program,” he said.

When Paup reported to his first practice the next August, he brought a few nerves along with him.

“I got here, and I was nervous for our first practice. I was the same size as everyone else, but I still wasn’t too sure that I could compete with them. After a few days, though, I learned that if you work hard enough, you can compete,” he said.

Remmert said Paup’s work ethic, along with his natural talent, came through during those first few practices.

“The first thing we noticed about him was how well he could run. He had a great first step and had a special knack for acceleration. Bryce would also work hard on his technique and conditioning; the things that a good football player has to have,” Remmert said.

In Paup’s freshman year, UNI had two ends with starting experience, Jeff Bealles, now with Ottawa of the Canadian Football League, and Art Stelken, so he found it tough to crack the starting lineup. He did, however, move to the number two end spot behind Bealles and saw action in 10 games.

“I remember my first game,” Paup said. “We were playing at Kansas State in front of 30,000 or so fans. I was used to playing in front of 3,000-4,000 people at the most. The people, combined with the fact that we were playing a Big 8 team, really had me going. After I got over the initial shock, the rest of the games came easy.”

Due to a shortage of linebackers his sophomore year, Paup was moved back to his old high school position. The results were excellent.

“Bryce had all the tools to be a very good linebacker,” Remmert said. “He led our linebackers in defensive points and was one of the steadiest ball players on the field.”

It was at linebacker where Paup said he had the most fun. “One of the most memorable moments I have came during a game in the Dome last season,” he said. “A running back was coming right at me, and I hit him square. All at once, the whole crowd went ‘ooooo’. That gave me a good feeling.”

Even though he was successful at linebacker, Paup was moved back to defensive end this spring.

“We need to have our best 11 men on the field at the same time,” Remmert said, “and we needed to have one of our best people at left end, so Bryce was moved.

Remmert also said Paup was moved to create an end combination of he and sophomore James Jones that should prove to be lethal to offenses around the conference.

Paup said although he understands the reasons for his move, he still wishes it wouldn’t have happened.

“I’ve played both positions and I like linebacker better. I feel I have more freedom and it leaves me open to use my speed and run down plays from the back side. But, I can’t question the coaches. They’ve been at this a lot longer than I have,” he said.

No matter which position Paup plays, he will succeed, Remmert said, because he’s not afraid of putting in long hours and working hard to improve his technique.

“He practices just as hard as he plays,” Remmert added.

That work ethic comes from Paup’s upbringing. The son of Mr. and Mrs. Byron Paup, he earned from example just what rewards hard work can bring.

“My dad is a contract farmer,” Paup said. “During the spring and fall, he’ll be at work by 5 a.m. and go till 10 p.m. I worked along with him and I guess seeing him work like that just rubbed off on me.”

Paup loves to do things for the team. As a matter of fact, it’s sometimes hard to get him to talk about his personal goals. However, when the topic does come up, he mentions two things he would like to accomplish before leaving UNI.

“First, I want to make first team all-Conference. Then, I want to go on to be an all-American. Maybe those goals are too high, but that is what I would like to do.”

If he were to make it as far as the NFL, Paup said he would have reached his ultimate goal.

“When I was little, I always used to tell people that someday they would be watching me play football on TV.”

Between now and then, though, Paup has a lot of football to play for the Panthers. So, make sure to take notice of number 55 on the field because, chances are if you see him around campus, he’ll look just like any other UNI student — and he’ll want it that way.

Klinker-Remmert — “Doug’s strength lies in his placekicking, but he might handle both the punting and kicking chores. He’s really strong in the long field goal department (evidenced by his 54-yarder in the spring game). He has excellent leg strength. If he does handle both jobs, it’ll be the first time UNI has had one person in a dual role. Since he’s a soccer-style kicker, it’ll be easier for him to handle both jobs.”

Head coach Bruce Craddock saw 31 lettermen open the spring season, including seven starters on defense. Defensive end Marlin Williams, who recorded 118 tackles last year, returns along with senior tackle Pat Sullivan to help anchor the defensive line. The defensive secondary also will be very talented, with corners Bill Hunter and Ernck Wilcox returning, along with nickel backs Lorenzo Taylor and Jay Wade. Presley White, who collected 123 tackles in 1987, returns at linebacker. On offense, the Leathernecks return three starters in key skilled positions. Paul Singer, an academic all-American and WIU’s all-time leading quarterback, is back for his final collegiate season — he’s passed for 5,241 career yards. He will be looking to hook up with Chris Earl, a returning starter, along with Steve Williams and flankerback Mike Borich, who together combined for 62 pass receptions and nearly 700 yards. Senior starter Brett Grimshaw, the team’s top all-purpose runner, also is back for the 1988 season. The success of the Leathernecks’ offense will hinge on the replacement of the entire offensive line, which should be even better than last year. All-American punter Mike Krause returns to solidify the kicking game, along with kicking specialist Layne Bennett.

Iowa State

Jim Walden, now in his second year as head coach, looks for continued improvement in 1988 with a team built around 38 lettermen, including nine offensive starters and eight defensive starters. Offensively, all Big-Eight running back Joe Henderson, who rushed for 1,250 yards in 1987, returns to lead the ground attack, along with sophomore Edwin Jones. Senior split end Dennis Ross, an all-conference choice in 1987, and senior flanker Eddie Brown will provide ISU with big-play potential. Senior Derek DeGennaro appears to be the frontrunner at the quarterback position. The entire offensive line returns, including two-year starter Keith Sims, which should help add experience to the offense. Defensively, coach Jim Walden lost linebackers Chris Moore and Randy Richards to graduation, but Anthony Hoskins, Mike Shane and Charles Vondra return, each with starting experience. Returning defensive tackles Alan Patten and Randy Bern will help bolster the defensive front, while both defensive ends must be replaced. The defensive secondary returns five players that saw starting experience at some point in 1987, including honorable mention all-conference strong safety Jeff Dole. Judge Johnston will handle the punting, while Jeff Shudak, an all-Big Eight selection on both AP and UPI in 1987, will be the placekicker.

First-year head coach Jim Heacock welcomed back 38 lettermen to spring drills, including 18 on offense (eight starters), 17 on defense (seven starters) and three specialists (two starters). The running game should be strong again with the return of senior tailback Ron Westmoreland, who led the conference in rushing with 1,025 yards in 1987. Sophomore Vic Northern will return at fullback, while sophomores Rahman Stokes and Louis Pillow will add depth to the tailback position. ISU has experience at quarterback with Brad Fuller and Pat Williams sharing time at the position in 1987. Freshman redshirt Brian Rogers is expected to also challenge for the quarterback position. Wide receiver Bill Miller, who caught a team high 26 passes for 363 yards in 1987, is back for the Redbirds, along with sophomore tight end Mike Mackey and Mike Zita. Two-year starters Mike Morphey and Dave Schumer return to the offensive line at the tackle position, along with junior center Dan Hackman. On defense, Heacock will be looking to fill three vacancies in the secondary. Defensive back Jeff Smith, who has led the Gateway in interceptions the last three years, is the only returning starter. Despite the loss of all-American tackle John Krople, the defensive line figures to be strong again. ISU will be very experienced at linebacker with the return of starters Mike Smith and Greg Peeler. The kicking game remains intact with the return of Mike McCabe as the punter and Rick Seitz as the placekicker.

In 1988, the Panthers will be led by returning Associated Press Honorable Mention All-Americans Ralph Stewart at wide receiver and Daryl Holcombe at cornerback. Second-year coach Bob Spoo welcomes back 34 lettermen, including a very experienced defense. Joining Holcombe in the defensive secondary are R.L. Reynolds, a two-time Second Team All-Gateway cornerback; and Scott Johnson, a three-year starter at free safety. The defensive line should be strong again and very deep in experience if Honorable-Mention All-American lineman John Jurkovic can return from a knee injury he suffered in 1987. Dimitri Stewart and John Noll are returning defensive starters at linebacker, and it appears linebacker Jeff Mills will return from an injury that sidelined him in 1987 to help bolster the linebacker position. On offense, sophomore Eric Arnold would seem to have a lock on the quarterback spot. John Senstock returns at fullback and should be accompanied by senior running back James Marable. Redshirt freshman running back Warren Pearson is expected to challenge for a position in the backfield. Honorable Mention All-Gateway tackle Dave Popp and second team all-Gateway center Sean O'Brien will add both size and experience to the offensive line. Both placekicker Rich Ehmke and punter Steve Tillotson are gone.

Ninth-year head coach Dennis Raetz welcomed back 36 lettermen for the 1988 season, including nine defensive starters. Mark Bertram, a second-team All-Gateway selection in 1987, returns to anchor the defensive line, along with seniors Rhett Schmidt and Paul Wafzig. The linebackers remain intact with the return of Antoine Liddell, Ken Hopp and Matt Campbell. In the defensive secondary, Raetz must replace third team Associated Press All-American Steve McKeel. Offensively, five starters return for the Sycamores, including junior quarterback John Sahm, who passed for 1,296 yards and 11 TD's in 1987. He will be backed up by senior quarterback Kyle Frondorf and junior Todd Jochem. Other starters returning include tailback Tori Vactor, fullback Mark Sike, flanker Chris Johnson and tight end Rodney Porter. The offensive output of the Sycamores will hinge on how well they can replace a host of experienced offensive linemen. Sophomore Tom Hufty is expected to handle the punting for ISU, while both Hufty and junior Tom Moore are expected to battle for the placekicking duties.

Wayne State

The spring saw the return of 31 lettermen, including eight offensive starters from a year ago. Junior quarterback Scott Raue, who passed for 1,723 yards and 12 TDs in 1987, returns to lead the Wildcat attack. The backfield remains largely intact with the return of junior fullback Brian Jespen and sophomore running back Damon Ross. Ross returns after gaining 803 yards in 1987, including five 100-plus rushing games. Senior Kevin Hagedorn, along with redshirt freshman Troy Tiedtke and Matt O'Brien, will help add depth to the backfield. The Wildcats also have plenty of proven players at receiver. Two-thirds of the offensive line returns in senior Jeff Wagner, center Harry Gardner and sophomore Mark Linder. Defensively, WSU also returns eight starters. Sophomore Randy Rouse, Tom Kasik and senior Dan Fehringer return to the defensive line. The inside linebacker spot is solid with the return of Jim Siibel, Tony Wiese, Paul Parker, Darin Schneider and Wade Maxwell. Dave Gerkin and Greg Gerkensmeyer will handle the outside linebacker duties. In the secondary, All-American candidate Mark Volf, who led the team with 110 tackles in 1987, returns along with junior Glen Sutton and sophomore Rodney Harris.

Fourth-year head coach Larry Kentera welcomes back 39 lettermen for the 1988 season, including nine starters on both offense and defense. Leading the explosive Lumberjack offense will be Greg Wyatt, who passed for 3,002 yards and 24 TDs in 1987. Wyatt's top target will be Shawn Collins, who caught 61 passes last year and ranked 11th nationally in NCAA I-AA play with 5.5 catches per game. Along with Collins, NAU will have excellent depth at wide receiver. NAU returns three backs from last season, including Charles Mathews, who rushed for a team-high 445 yards; sprinter David Lang and Anthony Hall. Seniors Vince Beemiller and Frank Pollack return to add experience to the offensive line. Defensively, the Lumberjacks return nine starters from a unit that led the Big Sky Conference in total defense in 1987. At linebacker, senior Eric Vance, who was the team's leading tackler with 125 in 1987, returns along with seniors Don Ott and Peter Jonovich. The secondary includes four returning starters. Although defensive end Scott Johnson is gone, Kentera has plenty of experience and talent returning to the defensive line, including Chris Glaze, Mike Sanfratello, Sandy Woodward and Tony Battiest. Junior Mickey Penafflor returns to handle the place-kicking for NAU. Penafflor, who led the nation's I-AA schools in field goals and kick scoring last season, may also wind up doing the punting.

With 34 lettermen returning, including seven offensive starters and five regulars on the other side of the ball, first-year head coach Rick Rhoades believes the Salukis can be competitive in the 1988 season. The key to SIU’s offensive success will hinge on sophomore quarterback Fred Gibson’s ability to run the wishbone offense. Gibson, who rushed for 414 yards and passed for 873 yards as a freshman, will be backed up by Ray Monica. The backfield will be a strong point for the Salukis with the return of senior Byron Mitchell, who is one of SIU’s all-time leading rushers with 2,021 career yards. Joining Mitchell in the backfield will be returning starter Antonio Moore. Seniors Paul Patterson and Chuck Harmke will add depth to the backfield, along with newcomers Mike Dopud, Ian Oliver, Garrett Hines and Bill Leonard. Seniors Pete Jansons and Rob Mason return to the offensive line, along with junior center Bob Grammar. Wesley Yates, who caught 20 passes for 277 yards in 1987, returns at split end. Defensively, the development of a new defensive secondary will be the top priority of Rhoades, as cornerback Willie Davis is the only returning starter. Anchoring the defensive line will be returning starters Brad Crouse, Shannon Ferbrache and Martin Horchertz, while Ron Kirk is the only starter returning at the linebacker position. Sophomore David Peters returns to handle the punting.

The Gateway Conference

The Gateway Collegiate Athletic Conference enters its seventh year of existence and its fourth season of operating a seven-school NCAA 1-AA football division. The GCAC was founded as a women's athletic organization by 10 midwestern universities with similar academic and athletic interests.

In August of 1985, the GCAC's President's Council voted to add a 1-AA football division for six of its members to their previously all-women's athletics organization. Forming the football division were Eastern Illinois, Illinois State, UNI, Southern Illinois, Southwest Missouri State and Western Illinois. This move marked the first time in college annals that men's football was added to a women's conference. In June of 1986, Indiana State became the seventh member of the Gateway football division.

The football division of the Gateway quickly has become a national power. In the Gateway's inaugural football season, UNI carried the league banner to the semifinals of the national playoffs before being stopped by eventual national champion, Georgia Southern. The strength of the fledgling Gateway was confirmed in July 1986 when the NCAA 1-AA Football Committee voted to waive the league's two-year waiting period and grant the GCAC an automatic bid to the national championships. Eastern Illinois captured the league crown that season and advanced to the quarterfinals before dropping a two-point decision to Eastern Kentucky.

Gateway Conference Personnel

The only commissioner to govern the Gateway Conference, Patty Viverito is entering her seventh year in that capacity. The 36-year old native of Chicago was selected following a nationwide search in 1982. She has a wide and varied background in athletic marketing and administration. Formerly an account executive for the Tidewater Tides minor league baseball team, she served as special projects director at the University of Texas from 1979-81.

Viverito earned her bachelor's degree from Northern Illinois and her master's degree, with honors, in sports management from Massachusetts.

Last season, UNI again represented the league well by advancing to the semifinals, only to lose again to the eventual national champion, Northeast Louisiana, in a 44-41 overtime game.

Receiving a promotion to assistant commissioner-director of information in December of 1986, Jim Sheehan is beginning his fourth year with the Gateway Conference. The 29-year old New York City native joined the GCAC in 1985. He also has served as sports information director at the University of Tampa from 1982-84. In addition, he also was information director for the Florida-based Sunshine State Conference from 1980 through his tenure at Tampa.

Sheehan is a 1982 graduate of Biscayne College's Sports Administration program.
Northern Iowa Post-Season Appearances

1987 DIVISION 1-AA SEMIFINALS
December 12, 1987 at Monroe, LA (Attend. 14,443)
Northern Iowa . . . 0 14 7 20 0 - 41
Northern Louisiana . . . 7 28 0 6 3 - 44

Highlights: UNI played without the services of Kodak All-American running back Carl Boyd, who broke his leg the week before against Arkansas State. The Panthers, ranked fourth, trailed 35-14 at the half but they came back to score seven unanswered points in the third period. In the fourth, they scored 20 more and tied the game with seven seconds left in regulation on a five-yard pass from Mike Smith to Sherrod Howard. The two-point conversion pass to Woody Wright sent the game into overtime. UNI's Errol Peebles fumbled on NLU's three in the first overtime possession. NLU's Teddy Garcia missed a 41-yard field goal on the Indians' first play, but he connected on his next 41-yard attempt to give NLU the lead. UNI's Danny Helmer missed a 38-yard field goal to give NLU the victory. Wright, replacing the injured Boyd in his first start, rushed for 112 yards on 20 carries. Smith's six touchdown passes set a playoff record.

1987 DIVISION 1-AA QUARTERFINALS
December 5 at Cedar Falls, IA (Attend. 6,100)
Arkansas State . . . 7 7 14 0 - 28
Northern Iowa . . . 6 15 7 21 - 49

Highlights: The Panthers defeated 12th-ranked and 1986's national runner-up to advance to the semifinals. The Panthers took advantage of three Arkansas State fumbles in the fourth quarter to stretch the margin. UNI compiled 530 yards to ASU's 363. Kodak All-American Carl Boyd rushed for 124 yards before breaking his leg late in the game, while Wes Anderson caught five passes for 121 yards.

1987 DIVISION 1-AA PLAYOFFS (FIRST ROUND)
November 28 at Cedar Falls, IA (Attend. 3,887)
Youngstown State . . . 7 7 7 7 - 28
Northern Iowa . . . 7 10 14 0 - 31

Highlights: UNI foiled a Youngstown State attempt at a comeback, intercepting a Penguin pass and holding YSU on two consecutive fourth down conversions in the fourth quarter. YSU scored its last touchdown with only 8:51 left in the game, necessitating the Panthers' heroics to preserve the win. Even with the interception and fourth down saves, UNI's Carl Boyd fumbled the ball at Youngstown's 20 with just over a minute to play. The Penguins drove to UNI's 23, but missed a 40-yard field goal with seconds left. Boyd rushed for 126 yards on 23 carries.

1988 DIVISION 1-AA SEMIFINALS
December 14 at Cedar Falls, IA (Attend. 12,300)
Georgia Southern . . . 14 3 7 16 - 40
Northern Iowa . . . 14 6 3 10 - 33

Highlights: Georgia Southern brought its "Hambone" offense to the UNI-Dome. The Eagles scored their last touchdown with only 34 seconds left in the game after UNI had tied the contest at the 2:44 mark. The game see-sawed back and forth until it came down to which team had last possession, or at least enough time to make a score possible. The game was tied four times.

1988 DIVISION 1-AA QUARTERFINALS
December 7 at Cedar Falls, IA (Attend. 6,220)
Eastern Washington . 0 0 7 7 - 14
Northern Iowa . . . . 10 7 0 0 - 17

Highlights: UNI took a 10-0 first quarter lead on a 32-yard field goal by Kevin Mote and a 13-yard pass from Mike Smith to Brian Baker, who later broke his hand. The Panthers had a 17-0 halftime advantage but didn't score again, while EWU pulled to within 10 points in the third period and scored its last touchdown with 12:47 left in the game on an 84-yard punt return. The Eagles got as far as their own 44 with time running out on the clock, but the quarterback was sacked for a loss of four on a fourth down play. Errol Peebles rushed for 129 yards on 26 carries, his fifth 100-plus game of the year.

1975 DIVISION II PLAYOFFS (FIRST ROUND)
November 29 at Cedar Falls, IA (Attend. 2,500)
Western Kentucky . . . 0 7 7 0 - 14
Northern Iowa . . . 6 0 0 0 - 12

Highlights: In what has since been dubbed the "Mud Bowl," UNI struggled with Western Kentucky in heavy rain, 42-degree temperatures and a 16 mph wind in the last game to be played in O.R. Latham Stadium. The Panthers closed to within two points when they rallied with 12:25 left in the game. The last touchdown was set up when Jim Fransen put WKU in a hole by booting a 64-yard punt to its one-yard line. UNI had two chances to cash in in the final period but two errant field goals by Fransen buried the Panthers' chances deep into the muddy field. Fransen missed from 38 and 27 yards.

1964 PECAN BOWL
December 12 at Abilene, TX

State College of Iowa 7 6 6 0 - 19
Lamar Tech . . . 3 0 7 7 - 17

Highlights: In the first NCAA-sanctioned Pecan Bowl, UNI scored an impressive victory over Lamar Tech behind a sensational performance by two-time All-American fullback Randy Schultz. Schultz ran for 160 yards on 38 carries and scored two touchdowns. He was named outstanding back of the game and teammate Loren Buser received the outstanding lineman award.

1960 MINERAL WATER BOWL
November 26 at Excelsior Springs, MO
Highlights: Iowa State Teachers College ran into a bulldozer from Hillsdale College (MI) which won the contest 17-6. The Panthers never really got going after finishing the season with a fine 9-0 record and winning the North Central Conference title.

The 1-AA Playoffs

The NCAA 1-AA championship playoff system is in its 11th year with around 90 teams from four regions competing for the national championship. The tournament was expanded from eight to 12 teams qualifying in 1982 and to 16 teams in 1986, with seven conference champs from the Big Sky, Ohio Valley, Southern, Southland, Southwestern Athletic, Gateway and Yankee Conferences receiving automatic berths. UNI's Gateway Conference, the newest league, became eligible in 1986. The top two independent teams receive berths and the remaining teams are selected at large by a committee.

The Panthers compete in the Central Region and received a first round bye in 1985 with its No. 4 ranking in the final 1-AA poll. The Ohio Valley Conference, along with UNI, Eastern Illinois, Illinois State, Indiana State, Southern Illinois, Southwest Missouri State and Western Kentucky, are assigned to this region.

This past season, UNI again was ranked fourth in the 1-AA poll and hosted the first two rounds before travelling to Northeast Louisiana for the semifinal matchup.

Besides Northern Iowa, other Gateway Conference teams which have competed in the 1-AA playoffs are Southern Illinois and Eastern Illinois.
UNI Athletics Hall of Fame

Football Inductees

Northern Iowa’s Athletics Hall of Fame was initiated in 1985 and since that beginning, six former UNI administrators and/or football athletes have been inducted. The following people have played a primary role in the success of UNI’s teams.

In the Pros

Steve Wright, Tackle, Los Angeles Raiders

Despite an abundance of offensive line talent, the Dallas Cowboys signed Wright as a free agent in 1981. In 1983, he was traded to the Baltimore Colts and became their starting right guard but was slowed by an ankle injury. He signed with the Michigan Panthers in December of 1984, with his contract assigned to the Invaders following consolidation. In the spring of 1987, he was picked up by the Los Angeles Raiders. Wright was a four-year letterman at UNI, playing offensive tackle his first three seasons and tight end as a senior.

Ken Knapczyk, Receiver, Cincinnati Bengals

A little-known player while at UNI, playing only his senior year in 1984, Knapczyk has tried several shots at playing in the big time. During last season’s professional player strike, he suited up for the Chicago Bears and was signed by the Bengals at the end of the season.

Joe Fuller, Defensive Back, Saskatchewan Roughriders

Without waiting for the NFL draft, Fuller, a 1985 Kodak and Football News first team All-American, signed with the Saskatchewan Roughriders of the Canadian Football League. Fuller played four years for the Panthers. He led the nation in 1983 in punt returns.

Allen Donnel, Defensive Line, Saskatchewan Roughriders

Donnel played only one year for UNI after transferring from Garden City Community College, sustaining injuries and having a mix-up in credit hours, but his senior year in 1987 was a good one. He signed at the end of the 1987 season.
