MEMBERSHIP ROSTER

(Effective October 10, 1997)

Addresses are not given so as to protect Academy mailing lists from misuse. Member addresses change frequently; up-to-date addresses will be supplied to authorized members by the Executive Director upon written request.

The membership is listed alphabetically without regard to member classification. Following the name is the Academy code, which may interpreted as follows:

The first letter and numbers indicate the member's current category status (M=member; F=fellow; DF=distinguished fellow; E-emeritus; L-life; S=student) and date. Following this information is a series of codes indicating section interest. (**Example:** L93F85M66AD John Doe, means that John Doe became a member of the Academy in 1966, a fellow in 1985, a life member in 1993, and has indicated Agricultural Sciences-A and Botany-D as section interests.)

Sections of the Academy and Code Letters:

A =	Agricultural Sciences	K =	Nursing
B =	Anthropology	L =	Chemistry: Org & Biological
C =	Cellular, Molecular & Microbiology	M =	Physics
D =	Botany	N =	Physiology
E =	Chemical Education	O =	Psychology
F =	Conservation	P =	Zoology
G =	Engineering	Q =	Science Teaching
H =	Geology	R =	Earth Science Teaching
I =	Chemistry: Inorg., Phys & Analytic	S =	Elementary Science Teaching
J =	Linguistics		

If a member code contains a small "x" it is an indication that membership lapsed for some period and was started up again at a later date (**Example:** F81M72x77DH means that the person joined the Academy in 1972, the membership lapsed and was reinstated in 1977, and the person became a Fellow in 1981.)

Names in the membership listing with an asterisk * are honorary members (recipients of the Distinguished Fellow Award).
