1988-89 Outlook

by Russ L. Smith

Coach Don Briggs will start at the logical weight this season to build the largest Northern Iowa wrestling squad into a winning team.

He'll start at the largest weight — heavyweight — where Joel Greenlee, last year's fourth-place finisher in the NCAA tournament, is back for his senior season.

A workout partner this summer for Olympic gold medal heavyweight Bruce Baumgartner, Greenlee may have only one peer on the collegiate wrestling front — Carlton Haselrig of Pittsburgh-Johnstown, the defending NCAA champion.

Greenlee, of Waverly, suffered an upset loss to Iowa's Mark Sindlinger in the quarterfinals of last year's NCAA meet at Iowa State and didn't meet Haselrig in the national tournament. They battled to a draw in the mid-season all-star meet last February.

That meet, in the UNI-Dome, is a painful memory for the Panthers. It marked the last collegiate wrestling appearance of UNI's #1-ranked 118-pounder, Mark Schwab, on the mat.

Since then, he has undergone a series of knee operations that are expected to keep him sidelined for what would be his junior season and leave the weight at the opposite end of the lineup up for grabs for the Panthers.

It isn't a weight without talent. Paul Huffman, a junior from Cedar Falls, has seen much action at 118 over the past two seasons. There also is a former Nebraska state champion, Duaine Martin, now ready to compete as a sophomore in his third year on the squad.

Martin started practice in a tough battle with letterman Bam Pustelnik of East Moline, Illinois, for the 126-pound slot, but he appears capable of going to 118 and becoming a winner, Briggs predicts.

With Schwab at his peak last season, the Panthers were ranked as high as fifth in the nation by various wrestling publications. Their reward this year is one of the finest home schedules ever, bringing Iowa, North Carolina State, Oklahoma State, Ohio State and Nebraska, all top 20 or potentially top 20 teams to Cedar Falls. That's in addition to rival Southwest Missouri State and New Mexico, which is coached by UNI wrestling great Bill Dotson.

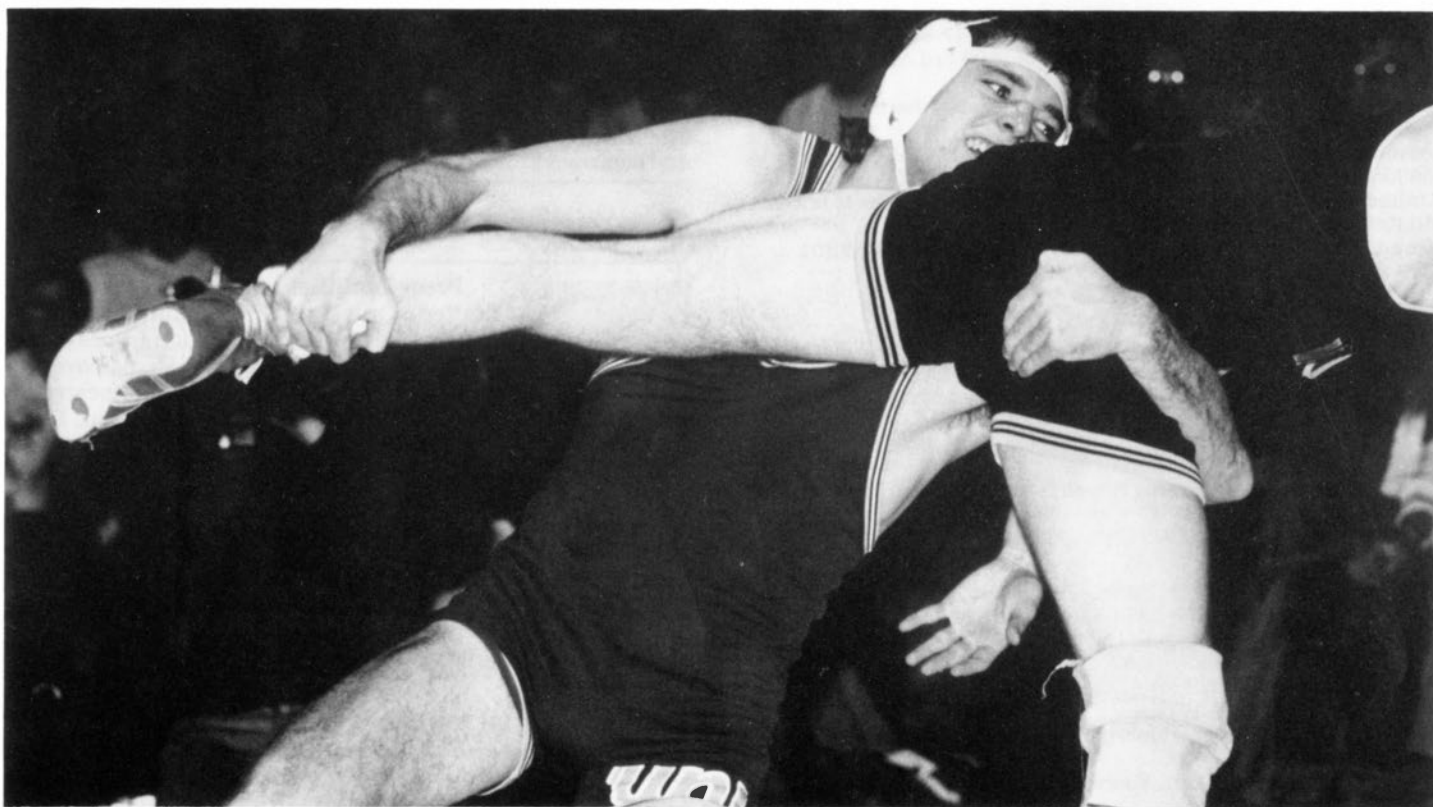

Briggs and his assistant, Jim Miller and John Kriebs, greeted a huge squad of 58 wrestlers for the start of practice. Among them were 11 lettermen, including one other All-American and three who competed in the NCAA tournament last spring.

The All-American is fifth-place 158-pound finisher Chris Lembeck of Bloomington, Minnesota, also a senior.

Pat Hogan of Gilbertville won two matches in the NCAA meet last year and is back for his senior season at 150 pounds, now in the company of his younger brother, Tom, a runnerup in last season's Iowa state high school tournament, who will be a freshman candidate at 134 pounds.

Letterman Pat Hamilton of Emmetsburg and Kansas state champion Mike Medina of Olathe, Kansas, a new freshman, are strong at 134.

As many as four wrestlers are likely to compete for the job at 142 pounds, all of them without prior collegiate experience in the presence of Kurt Shedenhelm, the resident 142-pounder the past four years. The group includes Charlie Dotson of Albuquerque, New Mexico, a four-time state high school champion; Steve Hartle, the 1988 Iowa high school champion from Sioux City; A.T. Arneson, a freshman redshirt from Bettendorf, and Gary Steffensmeier, a sophomore from Donnellson.

Letterman Pat Hogan returns at 150

The Panthers have a state champion recruit behind Lembeck at 158 pounds in Jamie Byrne of Cedar Rapids.

At 167, they have two experienced wrestlers in Tony Hanson of Waterloo and Todd Lappe of Whitemore, who may go to 177.

Doug Downs of Franklinville, New Jersey, a transfer from Drexel who qualified for the NCAA meet last year, is back.

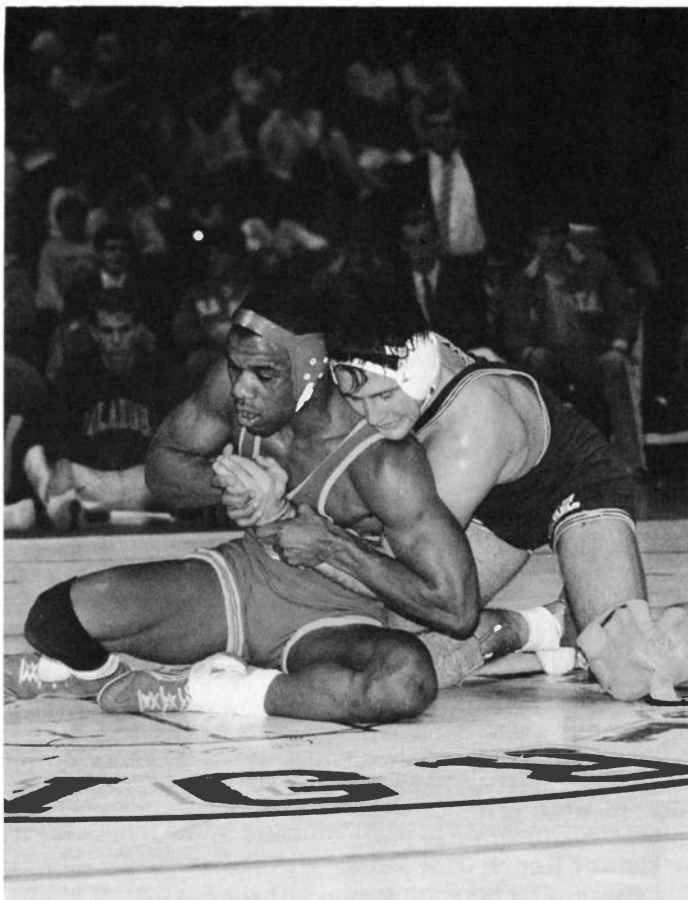

So is Kevin Kahl, a senior from Durant who has wrestled from 167 to 190 at UNI, but he is likely to jump to 190 this year. His competition could come from Greg Herber of Dubuque, a former high school state champion; Dave Williams, a junior from Charles City, or Rich Powers of Harvard, Illinois, a former state champion.

Recruits at 167, 177 and 190 include Brian Benning of Ackley, a state champion; Mike Kane of Cedar Rapids, a third-place finisher in the state, and Greg Berg of Des Moines, a runnerup.

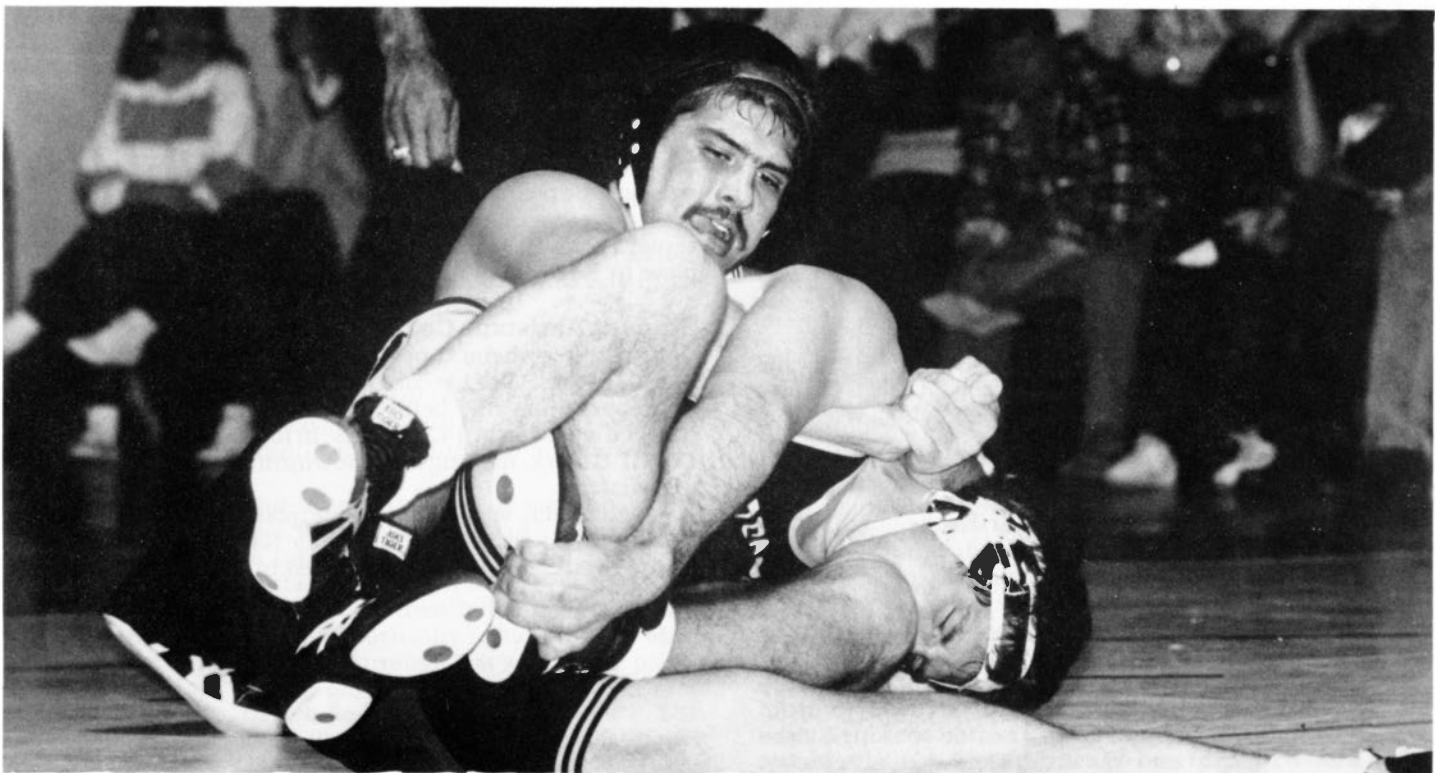

Greenlee's workout partner in the Panther wrestling room will be Joe Krumholz, a transfer from Northern Michigan who comes on campus with two years of eligibility remaining.

Russ Smith is the Dean of Iowa wrestling writers, having covered the sport on all levels for over 40 years. A 1946 graduate of UNI (then Iowa State Teacher's College) and a native of Waterloo, Smith began his journalism career with the Waterloo Courier in 1949. He was named Sports Editor in 1966 and Executive Sports Editor in 1983. During his career, he has covered more than 30 Iowa State High School Wrestling Tournaments, been to the NCAA Championships every year since 1961 and has covered wrestling at three Olympic Games — Mexico City (1968), Munich (1972) and Montreal (1976). He was awarded the first "Bob Dellinger Award" in 1963 by The Amateur Wrestling News, signifying the top wrestling writer in the country.

All-American Chris Lembeck is back at 158

All-American heavyweight Joel Greenlee is aiming for a national title in '88

Coaching Staff

Head Coach Don Briggs

Only the sixth coach in school history, Don Briggs enters his seventh season as the leader of the Panther wrestling program. Briggs has recorded an 82-34-0 record (.707) in his first six years. The last two years, his teams are 32-9 and have finished 13th in the NCAA Championships each year.

Before being named head coach in 1982, the Panther mentor served as an assistant to former UNI head coach Chuck Patten for seven seasons. In his first four years as head coach, Briggs guided the Panthers to 10th, 11th, 18th and 17th-place finishes, respectively, at the NCAA Division I Championships.

A Cedar Rapids, IA native and graduate of Jefferson High School, Briggs received his bachelor's degree in physical education from the University of Iowa in 1971. While wrestling for the Hawkeyes, he placed fourth in the Big Ten at 134 pounds as a sophomore and third his junior and senior years. He was voted team captain as a senior.

Before coming to UNI, Briggs was assistant coach at Cedar Rapids Prairie High School for one year. He was named UNI's assistant coach after serving as a graduate assistant in 1974-75. He completed his graduate work at UNI with a master's degree in physical education in 1975.

Briggs is currently serving his second year as the elected president of the National Wrestling Coaches Association.

An avid hunter and fisherman, Briggs also lists skydiving as a favorite pastime. Along with his wife, Diana, he has made more than 1,000 jumps.

Assistant Coach Jim Miller

Returning for his sixth season with the Panthers is former UNI All-American Jim Miller. Miller joined the staff in early 1983 after a successful stint as head coach at Charles City (IA) High School. His main responsibilities include the coordination of workouts in conjunction with the schedule. He is also responsible for individual technique workout sessions and directs the recruiting program.

A 1975 graduate of UNI, Miller enjoyed an outstanding wrestling career with the Panthers. The former East Waterloo High School standout won a pair of NCAA Division II national titles — in 1974 and 1975 at 134 pounds. Wrestling at the Division I Championships, he finished second in '74 and fourth in '75. His second-place finish in '74 was the highest for a Panther wrestler in Division I since Bill Dotson's first place in 1963.

Miller coached for six seasons at Charles City, earning Iowa High School Coach of the Year honors in 1979 after his Comets finished second in the state Class 3A meet. He also served a term as president of the Iowa High School Wrestling Coaches Association.

Assistant Coach John Kriebs

A former UNI All-American, John Kriebs begins his fifth season as a Panther assistant. Kriebs directs the weight-training program and develops individualized weight programs for the athletes. He is in charge of coordinating and monitoring conditioning programs such as morning runs and "running the stairs" in the UNI-Dome.

Kriebs is a 1984 UNI graduate and a two-time Division I All-American at heavyweight. He compiled a career mark of 94-33-2, including 57 pins. In his senior season, Kriebs posted a 24-4-1 record and was undefeated in dual action at 13-0-1.

L to R — Student Assistant Kurt Shedenhelm, Assistant Coach Jim Miller, Assistant Coach John Kriebs, Head Coach Don Briggs, Student Assistant Mike Schwab

A former Dubuque (IA) Wahlert High School grappler, he won the state heavyweight crown his senior year. In his last two prep seasons, he won 56 of 58 matches and pinned his opponent 44 times.

Student Assistant Coach Mike Schwab

Mike Schwab joins the Panther staff this season after completing his eligibility last season with a 93-36-2 career record. He earned All-American status his junior year at 126 pounds and advanced to the NCAA Championships again last season as a senior.

Schwab was a five-sport star at Osage High School, earning letters in wrestling, football, cross country, track and baseball. He posted a 91-7-1 career mark, winning a state title at 98 pounds as a sophomore and finishing second at 119 as a senior. Schwab was also the state Greco champ and third-place freestyle finisher as a senior.

Student Assistant Coach Kurt Shedenhelm

Kurt Shedenhelm capped off a brilliant career at UNI last season with a 33-2-1 record and an appearance in the NCAA Championships after being seeded #2 in the country a good part of the season at 142 pounds. In four seasons, he posted a 125-37-6 mark, making him the winningest Panther wrestler in Division I.

Shedenhelm was a three-time placewinner at the state meet and was second at the Junior Nationals while at Belle Plaine High School. He also lettered in football and baseball for the Plainsmen.

L to R — Paul Huffman, Chris Patterson, Gregg Fuglsang, Eddie Lee, Matt Fuglsang

118 Pounds

Gregg Fuglsang

Freshman Undecided Camanche, IA

"Gregg and his brother Matt are both very talented individuals. They're hard workers and both have excellent strength, speed and quickness. They will probably redshirt this year and then work their way into the lineup. They've got a very bright future in UNI wrestling."

Along with his twin brother, Matt, Gregg was a four-year letterwinner at Camanche. He was a Big Bend Conference champion and finished fourth at the state high school meet his senior year; won state freestyle championship in '87; Iowa Games freestyle champion in '87, Greco champ in '88.

Matt Fuglsang

Freshman Undecided Camanche, IA

"Matt and Gregg are both very talented individuals. They're hard workers and both possess excellent strength, speed and quickness. They will probably redshirt this year and then work their way into the lineup. They've got a very bright future in UNI wrestling."

Along with his twin brother, Gregg, Matt was a four-year letterwinner at Camanche. He was a four-time All-Big Bend selection. Matt qualified for the state high school meet all four years in high school, placing three times. He was also a three-time state Greco champion.

Paul Huffman

Junior Physical Education Cedar Falls, IA

"He is a self-made man who sat in the shadows of Mark Schwab for the past three years. Paul has come a long way in every area and finally taken that step to be mentally tough."

Huffman was a two-time state meet placewinner from Cedar Falls High School, finishing second as a junior and fifth as a senior. He was a three-year letterman for the Tigers as they finished tenth at the state meet his senior year.

He redshirted his first year, then lettered the past two seasons. Huffman had an opportunity to step in after Mark Schwab was injured midway through last season. He placed third in last year's West Regional.

Eddie Lee

Freshman Undecided Council Bluffs, IA

"Eddie is a highly-talented young man who loves to wrestle. He's got a fiery style both on and off the mat. He will redshirt this year."

Lee was a four-year letterwinner at Council Bluffs Abraham Lincoln High School. He qualified for the state tournament all four years, finishing third as a freshman and sophomore, and second as a junior and senior.

Chris Patterson

Sophomore Science Education Newton, IA

"He sat out last year, but will be a contender at 118. Chris needs to develop a little more in strength and technique."

Patterson won three letters in wrestling and two in cross country at Newton High School.

Mark Schwab

Junior Undecided Osage, IA

"This guy has it all. If anybody can come back from what he has gone through, Mark Schwab can do it."

Schwab will almost certainly miss the 1988-89 season due to a serious knee injury suffered in last year's East-West All-Star Meet in Cedar Falls. He was ranked #1 in the country at the time of the injury. He did an outstanding job as a freshman by not only placing fifth in the nation at 118, but by taking over team leadership as well. The All-American set a school record for victories with his 49-9 mark, breaking Jim Miller's UNI record of 48 wins set in 1975. He also placed in six other tourneys that season. Mark won the UNI Open last season and was 17-1-2 at the time he was injured. He redshirted two seasons ago.

Perhaps the nation's top recruit at his weight out of high school, Schwab won four state high school titles with a 106-1 career mark. He also captured three freestyle and one Greco National Junior Olympics championship as a prep. He was selected a first-team High School All-American by Amateur Wrestling News. Mark led his Osage High School team to state runnerup finishes his sophomore thru senior years.

Brian Kuhlman

Kuhlman was a three-year letterwinner at Cedar Rapids Jefferson High School. He was named honorable mention all-state his senior year and twice named to the all-metro team in Cedar Rapids.

Jeff Marcks

Senior Therapeutic Recreation Council Bluffs, IA

"Jeff is the guy who keeps everybody loose and on their toes. He has proven to be a good workout partner and could possibly work his way into the lineup this year."

Marcks redshirted three years ago, after lettering three years at Council Bluffs Thomas Jefferson High School. He compiled a 64-21 career mark there and was named his team's outstanding wrestler as a senior. He also lettered in gymnastics.

Duaine Martin

Sophomore Undecided Omaha, NE

"He is one of the most talented wrestlers in the room. He needs to make some adjustments, both weight-wise and mentally, but he has all the tools to be the #1 wrestler in the nation."

This will be the first year for Martin as he redshirted last year, but participated in several tournaments. He was a three-time state champion out of Nebraska and a four-time placewinner in the Junior Nationals. He was very highly sought after out of high school.

Pustelnik came to UNI as a two-time state champion from Illinois. He is a four-time placewinner in the national junior championships and a national champion his senior year in the national Greco championships. Bam split time at 118 his freshman year, but redshirted last season.

Tom Hogan

Freshman Athletic Training Washburn, IA

"Tom is a lot like his brother, Pat, in that he's a hard worker who's very low key, but shows a lot of promise. He will probably be redshirted this year."

Hogan comes from a good wrestling family and is the younger brother of 150-pounder, Pat. He was a state champ at Gilbertville Don Bosco High School, while finishing third twice. He participated in the state all-star meet and was also an all-state pick in baseball.

University of Northern Iowa

The University of Northern Iowa, located in Cedar Falls, was founded in 1876 as the Iowa State Normal School. From a single building on a 40-acre campus, the University has grown to include more than 40 major buildings, a 723-acre campus, 675 faculty members and 11,500 students.

Northern Iowa emphasizes outstanding undergraduate education, with complementary graduate programs at the master's, specialist's and doctoral levels. Building on its traditional strength in teacher education, Northern Iowa has developed other excellent programs in its School of Business, College of Humanities and Fine Arts, College of Natural Sciences and College of Social and Behavioral Sciences.

Campus landmarks include the Campanile, the Education Center, Strayer-Wood Theater, Maucker University Union and the UNI-Dome. Currently under construction and scheduled for completion in 1990 is a \$10.2 million, state-of-the-art building which will be the new home for the School of Business. Other special academic resources include the 500,000-volume University Library, the Industrial Technology Center and the Communication Arts Center. The campus, classrooms and residence halls are highly accessible to the handicapped.

Northern Iowa is the home of The North American Review, a quarterly journal of literature that has received two National Magazine Awards in the fiction category. The University also operates KUNI-FM and KHKE-FM, whose 4,000-member "Friends" organization makes them two of the most popular public radio stations in the United States.

Northern Iowa competes in men's and women's athletics at the NCAA Division I level. In addition to traditionally strong wrestling, football (NCAA Division I-AA) and track programs, UNI has been competitive in men's basketball. In women's athletics, the volleyball team has appeared in the NCAA Tournament the past two years and the softball team won the AIAW Division II College World Series in 1977 and 1982.

Northern Iowa is a state-assisted university, part of the Iowa Regents system that also includes the University of Iowa and Iowa State University. The University's more than 40,000 alumni in the United States and other countries lend additional support through the UNI Foundation and other alumni programs.

Don Briggs' Athletes in the Coaching Ranks

Since Don Briggs' arrival at UNI in 1974 under then head Panther wrestling coach Chuck Patten, he and Patten have played an important part in guiding and inspiring their student-athletes to pursue careers in teaching and coaching.

Briggs has seen more than 40 former pupils enter the coaching ranks since his arrival and hopes to continue the strong tradition of UNI graduates in that field.

The Panther Wrestling Tradition — A Look Back

Sometime early in the 1988-89 wrestling season, the 65th year of the sport at the University of Northern Iowa, the Panther wrestling squad will mark a milestone achieved by very few programs in collegiate wrestling annals when it records the 500th win in school history. In doing so, the Panthers will document what has already been in the minds of wrestling experts, historians and fans since the middle of the century — the institution now known as the University of Northern Iowa has one of the proudest and richest wrestling traditions anywhere. Coaches from Paul Bender to Don Briggs and All-Americans from Jesse Arends to Joel Greenlee have proudly carried the Panther banner and now, with number 500, the Panthers will join the likes of Oklahoma State, Iowa State, Iowa, Lehigh, Penn State and precious few others in the “elite” category of collegiate wrestling.

When Iowa State Teachers College fielded its first wrestling team in 1923, little did anyone know it was the first step toward building one of the most successful traditions in Iowa sports and eventually bring the school more national recognition and attention than any other sport in the school's history.

Perhaps that 16-8 opening victory against Cornell College was an omen of the success to follow. It would be several years before ISTC began the climb to the pinnacle which it would some day reach. It has been seven decades and 498 wins since the Panther squad took to the mat, and the colorful story which decorates those 64 seasons has no equal in UNI sports annals.

The Pre-World War II Years

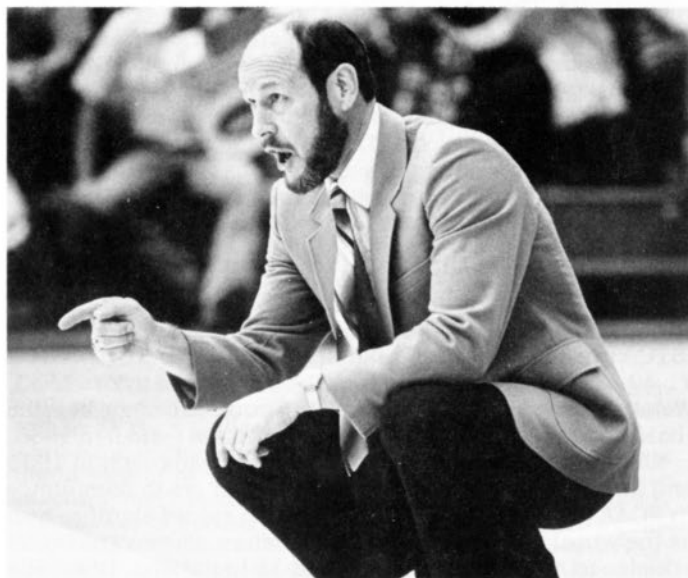

Paul Bender guided the first UNI mat squad and posted an 18-9-1 mark during his four-year stint. That tenure included only one losing season and victories over Oklahoma, Cornell and Wisconsin. The program was still in the development stage, however, with no national recognition or All-Americans.

In 1930, Bender was appointed dean of men at the institution and turned over the reins to the man who would build one of the greatest mat powerhouses in history. Dave McCuskey would compile a 102-31-7 mark, guide the Panthers to an NCAA title, four runner-up finishes and coach nine wrestlers to a total of 16 NCAA individual titles.

The first of many significant years for ISTC was 1931. It was the year McCuskey graduated from the ISTC and accepted the wrestling post and was also the season in which the school crowned its first NCAA placemen. Jesse Arends took second in the 118-pound class while teammate Orville Orr placed third at 155 pounds. Despite a 3-2-1 record, McCuskey's matmen achieved their first national finish with a seventh-place tie in 1934. The next milestone came in 1937 when the Panthers crowned their first NCAA champion as Ray Cheyney took the title at 135 and led the team to a third-place finish. ISTC placed no higher than eighth from 1937 till 1943 when World War II forced a three-year cancellation of the meet, but it was after that layoff ended in 1946 that ISTC would thrust itself into the national wrestling limelight for decades to come.

The Golden Era

The end of the war came in 1946 and with it the return of thousands of servicemen to colleges throughout the United States. It was also the year Panther 128-pounder Gerald Leeman became an NCAA champion and won MVP honors at the NCAA tournament. Cecil Mott also won a title at

Chuck Patten, the winningest coach in school history

121 pounds as the Panthers finished second in the team competition. A veteran of D-Day and the Battle of the Bulge named Bill Koll would also win a national title for ISTC and complete the first leg of one of the most amazing careers in modern wrestling history. Koll (145), Russ Bush (128) and Bill Nelson (165) took titles for ISTC the following year with Koll becoming the second Panther in as many years to take home the MVP award. The Panthers could not improve on their second-place finish that year, though, and dropped to fourth in 1948 with Koll being voted the tournament MVP for the second straight year. Koll capped his brilliant career with his third title and a 72-0 record, and was the victim of a takedown only once in three years. The Panthers were national AAU champions in 1949 and NCAA runners-up with Nelson taking his second title at 155 along with Bill Smith (165) and Keith Young (145) taking their first crowns.

Coach McCuskey had to wait 20 years, but his dream of a national championship came true in 1950. Iowa State Teachers College hosted the NCAA tourney that year and delighted the hometown fans by running away with the team title. That 1950 squad is generally regarded as one of the top collegiate teams of all-time. After breezing to an 11-0 dual meet record in which none of the opponents reached double figures and taking the AAU national title, ISTC racked up enough points in the semi-finals to walk away with the championship.

Nelson took his third title at 155 with Young, at 145, and Smith, at 165, each winning their second championship. Other Panther placewinners were Frank Altman (121), Leverne Klar (128), Floyd Oglesby (136), and Fred Stoeker (HWT).

Young became ISTC's third three-time national champion in 1951 and Gene Lybbert placed third at 130 pounds en route to a fourth-place finish. The McCuskey era ended in 1952 when the long-time Panther mentor resigned to accept the head position at the University of Iowa. Lybbert (130) and Bill Weick (157) won NCAA titles leading the squad to a second-place finish that year, capping a six-year span (1947-52) in which ISTC compiled a 53-4-3 dual mark, claimed three consecutive outstanding wrestler awards in the NCAA meet, won 16 individual national titles, two national AAU crowns, one NCAA championship and four second-place finishes.

Panthers in Division II

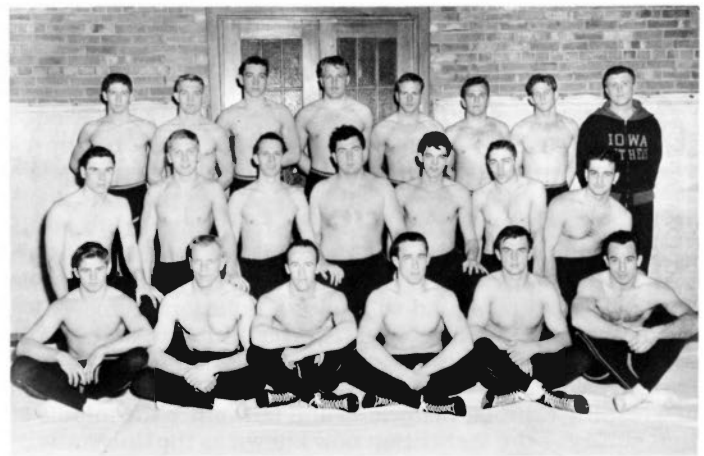

Bill Koll took over for McCuskey in 1953 and guided the Panthers to a fourth-place spot. During Koll's 11-year stint, ISTC crowned three more national champs and recorded a 71-42-6 mark. Jim Harmon took the 157-pound title in 1953, Weick returned in 1955 to win at 157 and Bill Dotson became the school's only NCAA champion at Division I and II in 1963.

Chuck Patten was named ISTC's fifth head coach in 1965 and for the next 18 years guided the Panthers to dominance in NCAA Division II. His 217-87-8 career record signifies him as the winningest coach in school history. Patten guided 58 athletes to All-American status and 16 to national titles. His 1975 and 1978 teams were Division II national champions, while the '70, '72, '74 and '80 squads were runners-up. His teams placed in the top three in 11 of the 18 seasons he was at the helm.

Kirk Myers (190) and Gary Bentrin (142, 158) were three-time national champs for Patten, while Don Parker (177), Kent Osboe (HWT), Jim Miller (134) and Ken Snyder (142) were two-time winners. Bentrin earned his titles from 1976-78 and Myers from 1978-80. Myers capped his career with a fifth-place Division I finish in 1982. He is the only Panther to win 30 or more matches in all four years of competition; Myers compiled a career mark of 134-28-1 with 61 falls. Mike McCready, the 1972 national heavyweight champion, also took the gold medal at the 1975 Pan American Games and went on to become Iowa's most successful Greco-Roman wrestler with seven titles to his credit.

Panthers in Division I

Patten retired from coaching in 1982 and his long-time assistant, Don Briggs, took over as UNI stepped up to NCAA Division I competition. Briggs led the Panthers to a school-record 17 victories in 1983 and led them to 11th-place finishes his first two seasons. Briggs has produced 12 All-Americans in his six years, including two-time All-American

The 1949 ISTC team which crowned three national champions and was NCAA runnerup

John Kriebs, now a Panther assistant. Bob Hallman's second place at 118 in 1984 was the highest by a Panther in Division I since Jim Miller, also a Panther assistant, finished second at 134 in 1974. In 1987, UNI set a new school record when it finished the season with an 18-6 record. The Panthers have been NCAA West Regional champions for the past three years and have crowned 12 individual regional champions. They have finished 13th at the NCAA Championships and had two All-Americans each of the past two years.

With just two more dual meet wins to reach the 500-victory plateau, the Panther wrestling tradition figures to be a strong and memorable one for many more years to come.

UNI Hall of Fame Wrestling Inductees

Bill Dotson — Dotson compiled an undefeated dual meet record of 34-0-4, wrestling at 137, 147, 157 and 167, from 1960-63. He was a state champion his senior year at Waterloo East High School. In 1963, Dotson was an NCAA All-American at 137 pounds, taking first place in both Division I and II. He is the only Panther wrestler ever to accomplish such a feat. In 1962, he was an All-American, finishing second in the nation at 137 pounds. Currently in his 26th year of coaching, Bill has coached in the high school and college ranks and has compiled a 156-72-4 record. He is currently the head wrestling coach at the University of New Mexico where he was named the 1986 Western Athletic Conference Coach of the Year. That same year, he was inducted into the Iowa High School Wrestling Hall of Fame.

Finn Eriksen — Eriksen has spent the last 50-plus years as a wrestling competitor, coach, official and educator. He was one of the first ISTC wrestlers to win the then-prestigious Midwest AAU 135 pound championships, in 1929 and 1931, and captained the Panthers in 1930. He wrestled for the exclusive New York Athletic Club in 1931 and 1932, going undefeated in two weight classes. Eriksen began his coaching career at New Hampton High School, leading that school to its first state title. In 1935, he became the first full-time wrestling coach at Waterloo West High School where he won the first of that school's many wrestling titles in 1942. Finn has officiated high school and college meets, including the NCAA Tournament, and served as an official and judge at the 1952 Olympic Games in Helsinki. He served twelve years on the National Federation High School Rules Committee and in 1983 was elected to the National Wrestling Hall of Fame. Finn is also a member of several other Halls of Fame and national organizations and has authored many articles concerning the sport of wrestling.

Bill Koll — Generally regarded as one of the most outstanding wrestlers in modern collegiate history, Bill Koll has been called "one of the most feared and respected wrestlers ever" by the Amateur Wrestling News and many others. AMN named him to its All-Time College Wrestling Team for the pre-1958 era. After winning a state wrestling title at Fort Dodge High School, he enrolled at Iowa State Teachers College in 1941. He served in the Army from 1943 to 1945, but returned to ISTC and an amazing wrestling career. In three years, he recorded a 72-0 dual meet record and won NCAA championships at 150 pounds in 1946-47-48 and when the 1948 meet ended, Koll became the first person to win the outstanding wrestler award twice. In 1948, he won the U.S. Olympic trials and placed fifth in the London Games. Taken down only once during his career, Koll was largely responsible for the abolishment of the body slam because of the viciousness with which he employed it. Upon graduation, he turned to coaching at Chicago and Cornell College. He replaced Dave McCuskey at UNI in 1953, compiling a dual meet mark of 71-42-6 in 11 seasons. He then moved on to Penn State and retired from coaching in 1979.

Gerald Leeman — In addition to three Iowa state titles, Gerald Leeman won his first national wrestling championship while still in high school. While at ISTC, he lost only once during his collegiate career and was undefeated in dual meet competition. In 1946, Leeman captured the 128-pound national title, earning a spot on the 1948 Olympic team; he won the silver medal at the London Games. His coaching career began in high school and later carried him to the position as head coach at Lehigh University in 1953, where his teams won six Eastern League team titles in 18 years. After retiring from wrestling coaching in 1970, he remained active in other athletic programs.

Dave McCuskey — A 1930 graduate of what is now UNI, Dave McCuskey produced 122 wins, 31 losses and seven ties in 21 years as head coach at his alma mater. He guided the Panthers to the NCAA title in 1950 and added amateur crowns in 1949, '50 and '51, along with four national runners-up. McCuskey became the head coach at Iowa in 1953 and built the foundation that has made that program the most successful in recent NCAA history. His Hawkeyes posted a mark of 160-69 with a third-place national finish in 1962. In 1956, he coached the U.S. Freestyle Olympic team. He

retired in 1973 after guiding his pupils to 25 individual national championships and two Olympic gold medals.

Bill Nelson — A three-time NCAA champion, Bill Nelson was undefeated in dual meet competition from 1947 to 1950. He won his championships in 1947 and '49 at 167 pounds, and in 1950 at 155 pounds. An injury in 1948 stopped him from becoming the NCAA's only four-time national champion. An Olympian at the 1948 London Olympics, Nelson was injured in the qualifying round and was unable to compete in the rest of the Games. He was a three-time national AAU champion, named the nation's outstanding amateur wrestler in 1950, and named to the All-Time College Wrestling Team (pre-1958) by Amateur Wrestling News. He coached in Colorado, Iowa and Michigan high schools before being named at the University of Arizona in 1963. Bill is a member of the Halls of Fame in Michigan, Arizona and Iowa, and the National Wrestling Hall of Fame.

Chuck Patten — A former Panther wrestler, Chuck Patten took over one of the most successful mat programs in NCAA history in 1965 as head coach and for 18 years guided UNI to national recognition with 17 consecutive winning seasons and a pair of NCAA Division II titles. His 217-87-8 career coaching mark makes him the winningest coach in the 64-year history of Northern Iowa wrestling. Under Patten's guidance, 58 Panthers reached NCAA Division I or II All-American status with 16 winning national championships. His 1975 and 1978 squads earned national titles, while four other teams were runners-up. He was twice honored as Division II Coach of the Year and was Midwest Regional Coach of the Year in Division I in 1982. In the 14 years his teams competed in the North Central Collegiate Conference, the Panthers won ten team titles and were runner-up the other four years.

Bill Smith — Honored by Amateur Wrestling News on its All-Time College Wrestling Team for the pre-1958 era, Bill Smith powered his way to two NCAA wrestling titles at 165 pounds in 1949 and 1950 and added three national freestyle championships while compiling an undefeated dual record of 52-0-1. He won the Olympic gold medal at 160.5 pounds in the 1952 Helsinki Games and was an Olympic qualifier in 1956. As a coach, his Rock Island, Illinois, team produced a 57-5 record and a state championship. Moving to the collegiate ranks, he coached Nebraska to four winning seasons and then spent ten years as mentor to the Olympic Club in San Francisco, winning seven titles. He was named coach of the Canadian Olympic team in 1968 and then returned to high school coaching in California.

Bill Weick — A two-time NCAA champion at 157 pounds (1952 & '55), Bill Weick has been equally impressive in the coaching ranks since his graduation from UNI in 1956. In 30 years as a head coach, he compiled eight undefeated seasons and a 399-29-3 record. He was head coach of the USA Junior World Team in 1969, assistant coach for the United States at the 1972 Munich Olympics, head coach of the World Cup team in 1974, head coach of the Pan American team in 1975, assistant coach of the USA World Cup teams from 1976 to 1982, assistant coach for the 1980 United States Olympic team, coached the U.S. team at the World University Games in 1981 and among other assignments was head coach of the USA Freestyle team at the America's Cup Tournament in Panama in 1986. Weick was named Chicago High School Coach of the Year in 1970 for his work at Tilden Tech and was inducted into the Helms Hall of Fame in 1970. He was inducted into the Illinois Wrestling Hall of Fame in 1972.

Keith Young — A six-time national champion, Keith Young is one of just two wrestlers in school history to go undefeated (68-0) throughout his career. He won NCAA and AAU national championships in 1949, '50 and '51 at 145 and 147.5 pounds. Amateur Wrestling News named him to its All-Time College Wrestling Team for the period before 1958. He coached at the high school level, retiring from Cedar Falls High School in 1983. In his 27 seasons there, he recorded a 193-99-6 dual mark, led his team to the state championship in 1968 and 1976 and coached 18 individual state champs and six conference team champions. Among his duties are assisting the coaches with the strength, conditioning and nutrition programs for the individual wrestlers in addition to attending to all injuries.

The UNI Mat Aides is a volunteer organization of women who help the Panther coaching staff by donating their time and contributing to several aspects of the program throughout the school year.

Each Mat Aide is scheduled to work in the wrestling office occasionally in addition to working at dual meets, tournaments and attending monthly meetings. At tournaments, they work at registration in the hospitality room, timing,

scoring and helping with the tournament brackets. A big part of the Mat Aides program is just beginning when the competitive season is over and when the recruiting campaign begins. They follow high school prospects in the newspapers, type letters from the UNI coaches and give tours of campus.

ESCAPE—When the defensive wrestler gains a neutral position and the offensive wrestler has lost control.

FALL—Any part of both shoulders or area of both scapulas held in contact with the mat for one second. Shoulders must not be out-of-bounds.

FLAGRANT MISCONDUCT—Unnecessary roughness or abusive conduct determined by the referee to be flagrant. One team point is deducted.

FORFEIT—Received by a wrestler when his opponent, for any reason, fails to appear for the match. Wrestler receiving a forfeit must be dressed to wrestle at matside.

NEUTRAL POSITION—One in which neither wrestler is in control.

NEAR-FALL—Offensive wrestler has control of his opponent in a pinning situation with both shoulders stopped within four inches of the mat or with one shoulder touching the mat and the other shoulder held at an angle of 45 degrees or less. A continuous roll-through is not a near-fall.

THREE-POINT NEAR FALL—When the near-fall criteria have been met uninterrupted for five full seconds. Only the wrestler with the advantage may score a near-fall.

TIME ADVANTAGE—A wrestler who is in control is gaining advantage. At the end of the match, the referee subtracts the lesser time advantage from the greater. If one wrestler has an advantage of a minute or more, he is awarded a maximum of one point.

TIME OF MATCH: A collegiate wrestling match is divided into three periods. The first period is three minutes in length while the last two are two minutes each in length.
