STATE COLLEGE OF IOWA

ADMISSION OF NEW STUDENTS

The application for admission, high school credits and transcripts of credit earned in other colleges must be in the Office of the Registrar before an admission card can be issued.

REGISTRATION PROCEDURE

Housing arrangements must have been made with or reported to the Dean of Students or Registrar before registration materials can be prepared. This is required regardless of your classification or where you will be living while attending classes during the summer semester.

1. Pay the Registration Deposit of \$50.00 at the Business Office. The deposit is not refunded if the student fails to pay the balance of his fees by the time specified (see FEE PAYMENT below) or fails to begin the summer session or withdraws from school except for reasons beyond his control (e.g., suspension from college, draft by Selective Service).
2. Present receipt for Registration Deposit and pick up registration materials at the Registrar's Office, Administration Building. Except for new students, these will be filed in STUDENT NUMBER ORDER.

Students who have not made previous arrangements with the Dean of Students, regardless of where they will be living or who have unpaid accounts or other irregularities will be delayed until these matters are cleared. Housing arrangements should be made two weeks before registering.

3. Fill out the registration form. This is a carbon form and must be filled out with care to insure a good carbon copy. Use a typewriter if possible.
4. See your adviser and get your schedule approved.

Advisers will be in their offices.

Teaching Assignments will be made at the Campus School.

5. Secure course cards in the Scheduling Room, Administration 244.

This is to be done at the time indicated on your Permit-to-Register card. See that the class cards given you are correct as to course and section numbers and hours of credit. Turn in all materials at Check-Out tables before leaving.

FEE PAYMENT

You will be billed by the Business Office for the balance of fees due. (Scholarship students not living in college residence halls may receive a refund instead of a bill.)

COMPLETING REGISTRATION

Scheduling Room open for completing registration

May 13	7:50-11:50 and 1:00-4:50
May 14	7:50-11:50
June 13	7:30-11:50 and 1:00-4:00

LATE REGISTRATION

If you must register late, consult with the Dean of Instruction to learn whether registration will be permitted and, if so, under what conditions. The Registrar's office will inform you about the procedure to follow in registering. A fee of \$5.00 is charged for late registration.

CHANGE OF REGISTRATION

Changes within one week of registration can not usually be processed because materials filed at registration are not yet in order. If you must change your registration

1. Go to your adviser and fill out a Change of Registration form.
2. When your adviser has approved the change, take the form to the Registrar's Office for checking and levying of fee.
3. Take form to Business Office and pay any fee levied.
4. Take form to Scheduling Room, Adm. 244, and complete the change there.

A fee of \$3.00 will be charged for any change of registration not required by the college.
