Except for new students, these will be filed in student number order. See schedule for advanced registration. Procedures for registration the first day of spring semester, January 31, 1966, will be announced later.

Your fee cards will be checked and returned to you when you turn in your registration materials. They are to go to the Business Office with your payment and Permit-to-Register card. Please plan to pay by check. If you pay by cash, you must have the exact amount due. The Business Office will stamp your Permit-to-Register card "Paid" and return it to the Registrar's Office. Your registration will not be considered officially completed until this has been done.

NOTE: FEE PAYMENT SCHEDULE

You are urged to complete payment of your fees when you leave the check-out station. If you register during advanced registration, you must pay your fees by the deadlines set forth in the following schedule. If fees are not paid by these dates, your registration will be voided and your class cards returned to the file for use by other students.
