Feel the Thunder
For 114 years, the University of Northern Iowa has been committed to providing quality undergraduate education for its students. The University has expanded its historic mission of teacher preparation to include a number of outstanding programs in business, natural sciences, humanities and fine arts, and social and behavioral sciences, with complementary graduate programs at the master's, specialist's and doctoral levels. At Northern Iowa, students can earn a degree in more than 120 majors. In addition to the traditional strength in teacher education, UNI's accounting program is ranked among the best in the nation. But the options don't end there: strong academic programs ranging from art to marketing, biology to music, and industrial technology to social work are just a few of the avenues to be explored.

UNI is small enough to offer individualized attention, yet large enough to provide a variety of resources and opportunities. Although several historical buildings dot the campus, the University is steadily growing to meet the academic needs of students. It has moved into the future with a library computer automation system, expansion of the Maucker University Union and the new home for the College of Business Administration which just opened for the Fall semester. A variety of computer resources are available to students in more than a dozen areas on campus.

Although the majority of UNI's approximately 12,800 students come from every county in Iowa, students from 40 states and 28 countries foster a rich, diverse atmosphere. Students enter the University well-prepared, demonstrated by their selection of high school courses and rank in class. In recent years, over 90 percent of the entering freshmen ranked in the top 50 percent of their high school classes, with about 60 percent ranking in the top 30 percent.

Northern Iowa's 19 men's and women's intercollegiate athletics programs compete at the NCAA Division I level (1-AA in football) with major conference affiliations. The Panthers boast a nationally recognized coaching staff to maintain strong programs in football, basketball, wrestling, volleyball, track and field, and softball.

UNI is located in Cedar Falls, an inviting and historic northeast Iowa community of about 35,000 people. Together with the adjacent city of Waterloo, the metropolitan area has a population of approximately 110,000 and combines big city opportunities with small town friendliness.

The 1990-91 University of Northern Iowa Wrestling Yearbook was written and edited by Kevin Kane, Assistant Director of Sports Information. Production was provided by Gita Aditiirto. Photography by Mr. K's Camera Portraits, Cedar Falls, and the UNI Office of Public Relations.

Special and sincere thanks to Larry Kemp, owner of Hawkeye Downs in Cedar Rapids and his sons, Kevin and Dusty, for their endless help and cooperation and use of the track and equipment. Also to Dudley Fleck, Rod Wright Racing, Kevin Nuttleman and Nick Carlson for use of their race cars. Thanks to Lloyd Kirshenbaum for the photography involving the race cars, and J. R. Ogden of the Cedar Rapids Gazette for his special contribution. A special thanks to the UNI wrestlers and staff for their extra effort involved in the photos for this book.

The 1989-90 Northern Iowa Wrestling Yearbook "Men of Steel", written and edited by Kevin Kane, earned recognition as the second best wrestling guide in the nation from a panel of the College Sports Information Directors of America.

The University of Northern Iowa is an equal opportunity educator and employer with a comprehensive plan for affirmative action.
If University of Northern Iowa wrestling coach Don Briggs seems to be in a better mood these days, you can thank his young, enthusiastic wrestling team.

"It's going to be fun to watch these guys; fun to watch them grow," said Briggs, entering his ninth season as the Panthers' head coach. "With the youth of these guys, they are very enthusiastic. The team has taken on a whole new personality and it's rubbing off on me."

Another thing that has Briggs smiling is the talent returning. Gone is two-time all-American Mark Schwab, but back are 1990 NCAA runner-up Gary Steffensmeier (33-9) at 150 pounds, all-American Rich Powers (36-8) at 177 and national qualifiers Steve Hartle (17-13-1) at 142 and Jamie Byrne (13-12-3) at 158.

Duaine Martin (32-11), an eighth-place finisher at last year's NCAA Championships at 126 pounds, has been ruled academically ineligible for the first semester.

But even the news of Martin can't bring Briggs down. His team finished 11th at last year's NCAA Championships in College Park, MD, and put to rest a ghost that has been haunting Panther wrestlers for years—falling apart after the first round.

"It made a big difference to a lot of the wrestlers to see we could get the job done on Friday and Saturday," Briggs said. "Last year's nationals helped a ton."

With Martin in the lineup, the Panthers return 33 points from last year's tournament, which should be good enough for a top 10 ranking to start this year.

Despite Martin's problems, Briggs still thinks "realistically, we could be in the top eight. We're going to be pretty solid. But we're going to be awfully young. We'll have some new names in there."

One of the new names probably will be Burke Tyree at 118 pounds. A transfer from the University of Wisconsin, Tyree had an excellent summer, finishing second at the Espoir nationals and third at the United States Olympic Festival. He will be challenged by Brad Lundquist and Gregg Fuglsang.

At 126, Mark "Bam" Pustelnik (21-11) returns. He, too, had an outstanding summer, winning a national Greco-Roman title. Scott Hassel and Andy Showalter will battle to replace Pat Hamilton at 134, Hartle will be challenged by Doug Kjeldgaard at 142 and Steffensmeier will have to hold off a "pretty hard" challenge from ex-Marine Lew Massey at 150.

In the upper weights, Byrne will be challenged by Curt Bennethum at 158, Cory Manning or Bennethum will be at 167, Powers will be at 177, Greg Herber (19-15-2) or Dave Malecek at 190 and Greg Berg (10-15-1) at heavyweight.

Gary Steffensmeier finished second in the nation last season at 150 pounds.
Briggs said Brett Ryan and Brian Benning have indicated they want "a shot at" the bruising and sometimes wild Powers, UNI's most exciting wrestler.

The Panthers landed what "could be the best true heavyweight" in the country in Justin Greenlee, according to Amateur Wrestling News, but Briggs said the brother of Panther assistant and former all-American Joel probably will redshirt.

The UNI recruiting class ranked 15th in the country, according to AWN. In addition to Greenlee, UNI also landed high school state champs in Nate Hartle, Steve's younger brother, of Sioux City, Robby Kamerling of state-power Lisbon, and Darren Hankins of Colorado.

Briggs doesn't know if he's got any national champions in the lineup this year, but there is "potential for a couple of them," he said.

"It depends on staying injury-free, having a healthy attitude and the right frame of mind."

Briggs said he expects a lot from Steffensmeier.

"He put himself in a position where we do expect a lot out of him," Briggs noted. "I'm sure he'll be ranked #1 from the start. He doesn't want a lot of pressure, but in one weekend he brought that on himself. We expect a lot of positive leadership from him."

The Panther coach added Powers, a fifth-place finisher last year, "has made a lot of gains this summer. He said he gained a lot of confidence."

Pustelnik, who came back from a knee injury last season and just missed a trip to nationals, "is a good leader," according to Briggs. "He had a great summer. He lacked a lot of confidence in the past. Now, having beaten some of the best in the world, he's got a lot of confidence."

Briggs said the schedule is "going to be a tough one" as usual, especially with a return trip to the National Duals in Hampton, VA, January 11-12. The slate also includes duals with national powers Oklahoma State, Iowa, Iowa State and Minnesota.
Coaching Staff

Head Coach Don Briggs

Only the sixth coach in Northern Iowa history, Don Briggs enters his ninth season as head coach. During his tenure, he has posted a 106-44 record and kept the Panthers in the nation's Top 20 on a regular basis. Since first joining the UNI staff as a graduate assistant in 1974, Briggs has coached 41 NCAA All-Americans and 14 national champions.

Before being named head coach in 1982, Briggs served as an assistant to long-time head coach Chuck Patten for seven seasons and as a graduate assistant one year. Under Briggs' guidance, the Panthers have placed in the Top 20 at the NCAA Championships every season and have been ranked as high as fourth in the nation. UNI was ranked fifth and eighth in 1988 and 1989, respectively, in the final Amateur Wrestling News poll. Briggs is an avid hunter and fisherman, but is best known as a skydiver. He has completed nearly 1,500 jumps since taking up the sport.

He and his wife, Dianna, reside in rural Cedar Falls.

Assistant Coach Jim Miller

Assistant coach Jim Miller begins his eighth full season as his alma mater. A former NCAA champion with the Panthers, Miller joined the UNI staff in 1983 season after a successful six-year stint as coach at Charles City (IA) High School, where he was honored as Iowa High School Coach of the Year in 1979 after his team finished second in the state in Class 3A.

A 1975 graduate of UNI, Miller enjoyed an outstanding wrestling career, winning NCAA Division II championships at 134 pounds in 1974 and 75. At the Division I Championships, he placed second in 74 and fourth in 75.

Long praised by Coach Briggs as his "right-hand man," the former East Waterloo (IA) High School standout was officially recognized by his peers in 1989 as he was voted Assistant Coach of the Year by the National Wrestling Coaches Association.

Among his responsibilities are the direction of the recruiting program, coordination of daily workouts and individual technique workout sessions.

Miller and his wife, Kathy, live in Cedar Falls with their children, Chris, Chris and TJ.

Assistant Coach Joel Greenlee

After rolling up more wins than any wrestler in Northern Iowa history from 1986-89, Joel Greenlee stepped into the role as assistant coach last season.

Greenlee brought impressive credentials with him into his coaching position. He is the school's all-time leader in wins (127) and dual wins (58). He never lost in a collegiate dual meet, posting a 58-0-3 mark, while his overall record was 127-16-4. Greenlee was an NCAA qualifier all four seasons and earned All-America honors twice, placing fourth as a junior and second his senior year.

Greenlee was a High School All-American at Waverly-Shell Rock (IA) High School as a senior after capping a 27-0 with a state championship.

He continues to wrestle competitively on an international level and toured the Soviet Union with a U.S. National Team last January. Greenlee's responsibilities with the Panthers include direction of the overall and individualized weight training programs and other conditioning programs.

He and his wife, Roxann, make their home in Cedar Falls.

Student Assistant Coach Mark Schwab

Mark Schwab joins the Panther coaching staff this season after completing one of the most successful careers in Northern Iowa history.

Schwab earned his second NCAA All-America honor last season, capturing sixth place at 118 pounds after finishing fifth in 1986 as a freshman. He ended his collegiate career with his name scattered throughout the UNI record book. His 112-18-3 (.853) career record ranks him fifth on the school's all-time wins list and second in career winning percentage. His 49 wins in the 1985-86 season is still the highest single-season total in UNI history.

A native of Osage, IA, Schwab fought back from a severe knee injury in 1988 to compete in the latter half of the 1989-90 season. Last year, he was ranked as high as third in the nation at 118 pounds and finished with a 32-4-1 record.

Schwab won four Iowa state championships at Osage High School, where he was named High School All-America as a senior on his way to compiling a 106-1 career record.

Student Assistant Coach Tim Ascherl

Tim Ascherl begins his first year as a student assistant with the Panthers. Ascherl concluded an outstanding prep career at Fort Dodge (IA) High School with a 99-17 career record. He won the 98-pound state title as a sophomore and qualified for the state meet all four years. He won the state freestyle championship as a junior and senior and placed seventh at Junior Nationals at 114.5 pounds after his senior year. Ascherl was a three-time Big Eight Conference champ who also lettered in cross country for the Dodgers.

Ascherl attended Drake in 1987 and competed his freshman year until a wrestling accident ended his career. He transferred to UNI in 1988.

"It has traditionally been a strong weight for us and whoever wins this battle will have some pretty big shoes to fill. However, the winner is going to be pretty salty because we have a lot of talented young wrestlers here." — Briggs

Wrestling Dictionary

DECISION—If no fall occurs in three periods, the contestant scoring the greater number of points will be declared the winner.

DEFAULT—One of the wrestlers is unable to continue wrestling for any reason.

DEFENSIVE STARTING POSITION—Defensive wrestler is on his hands and knees in the center of the mat and faces away from the timer’s table. Both knees must be kept on the mat. The heels of both hands must be on the mat. The elbows must not touch the mat.

DISQUALIFICATION—A wrestler is banned from competition, for flagrant misconduct, a greasy substance on the skin, objectionable pads and braces, illegal costume or equipment. After the third penalty for illegal holds, technical violations, stalling or unnecessary roughness.

ESCAPE—When the defensive wrestler gains a neutral position and the offensive wrestler has lost control.

FALL—Any part of both shoulders or area of both scapulas held in contact with the mat for one second. Shoulders must not be out of bounds.

FLAGRANT MISCONDUCT—Unnecessary roughness or abusive conduct determined by the referee to be flagrant. One team point is deducted.

FORFEIT—Received by a wrestler when his opponent, for any reason, fails to appear for the match. Wrestler receiving a forfeit must be dressed to wrestle at matside.

INTERLOCKING HANDS—A wrestler in the advantage position may not lock or overlap his hands, fingers or arms around his opponent’s body or both legs unless the opponent has all of his weight supported on his feet or has him in a pinning situation.

MAJOR DECISION—Decision by 8-14 points.

NEUTRAL POSITION—One in which neither wrestler is in control.

NEAR FALL—Defensive wrestler has control of his opponent in a pinning situation with both shoulders stopped within four inches of the mat or with one shoulder touching the mat and the other held at an angle of 45 degrees or less. A continuous roll-through is not a near-fall.

OUT OF BOUNDS—When the supporting parts of NEITHER wrestler are inside the boundary.

POSITION OF ADVANTAGE—A contestant is in control and maintaining restraining power over his opponent.

REVERSAL—When the defensive wrestler comes from underneath and gains control of his opponent, either on the mat or standing. Supporting points must be within the wrestling area.

STALLING—When a contestant does not make an honest attempt to stay in the circle and wrestle aggressively. A penalty is preceded by only one warning.

STALEMATE—A position other than a pinning situation in which neither wrestler can improve his position.

SUPPORTING POINTS—Parts of the body touching the mat and bearing the wrestler’s weight, other than those parts with which he holds his opponent. When on the mat, the usual points of support may be hands, feet, knees, side of the thigh and buttocks.

TAKEDOWN—From a neutral position, a contestant gains control and places his opponent’s supporting points down on the mat and holds them beyond reaction time. Supporting points of either wrestler must be within the wrestling area.

TECHNICAL FALL—Decision by 15 or more points.

THREE-POINT NEAR FALL—When the near-fall criteria have been met uninterrupted for five full seconds. Only the wrestler with the advantage may score a near-fall.

TIME ADVANTAGE—A wrestler who is in control is gaining advantage. At the end of the match, the referee subtracts the lesser advantage time from the greater. If one wrestler has an advantage of a minute or more, he is awarded a maximum of one point.

UNNECESSARY ROUGHNESS—Either before, during or following a match, intentional striking, gouging, kicking, hair pulling, butting, elbowing, biting or any intentional act which endangers life or limb.

UNSPORTSMANLIKE CONDUCT—When a wrestler is unnecessarily rough or abusive in his conduct, the referee can deduct one point from the team score for unsportsmanlike conduct.

Miscellaneous Information

MAT SIZE—The collegiate wrestling mat measures 40 feet square. It consists of three circles, the smallest measuring one meter across, used for the start of the match. A larger circle measures 10 feet across and the largest, indicating out of bounds, is 34 feet across.

WEIGHT CLASSES—There are ten weight classes in an intercollegiate wrestling meet. They are 118, 126, 134, 142, 158, 167, 177, 190 and heavyweight.

HEAVYWEIGHT LIMITS—A heavyweight contestant must weigh no less than 177 or no more than 275 pounds.

TIME OF MATCH—A collegiate wrestling match is divided into three periods. The first is three minutes in length while the last two are two minutes each in length.

STARTING POSITION—The first period begins with both wrestlers in a standing neutral position. The second period begins with one wrestler given the option to determine whether both wrestlers are standing, he is in the down position or in a defensive position. In the third period, the other is given the option of determining positions. A coin flip before the match determines who receives the second period choice.

OVERTIME—Used in tournaments only when the contestants are tied at the end of three regular periods. The contestants wrestle a sudden-death overtime period a maximum of three minutes in length, with no rest between the regular match and overtime. The sudden-death period begins with both wrestlers in a neutral position. The wrestler who scores the first point(s) is declared the winner. If no winner has been decided at the end of the overtime, a 30-second tie breaker is wrestled. A coin flip determines which wrestler has the choice of starting position. The wrestler who scores the first point(s) during the tie breaker is declared the winner. If no scoring occurs in 30 seconds, the offensive wrestler is declared the winner.
UNI's Bowlsby Heads NCAA Wrestling Committee

Robert Bowlsby, Northern Iowa's Director of Athletics since 1984, is currently serving a two-year term as chairman of the NCAA Wrestling Committee. As chair, Bowlsby oversees the Committee in its duties regulating NCAA competition.

The Committee oversees the Division I, II and III Championships and all qualifying tournaments for the Championships, including the East and West Regionals. It administers the sport on behalf of the member institutions, interprets the rules, arbitrates disputes and handles the financial aspects of the wrestling operations it is responsible for. It also negotiates television rights to the Championships and is responsible for marketing and promotion of NCAA wrestling.

A former wrestler himself, Bowlsby is a native of Waterloo, IA and a 1970 graduate of West High School. He earned a bachelor's degree in Health, Physical Education and Recreation from Moorhead State in 1975 and a master's degree in Recreation Administration from Iowa in 1978.

Bowlsby served as Assistant Director of Recreational Services at Iowa from 1978-81 before joining the Northern Iowa staff in 1981 as Assistant Director of Athletics/Facilities. His experience has been broadbased, including involvement in all areas of the intercollegiate athletics program and promotion of the UNI-Dome.

Since his appointment as Director of Athletics, Bowlsby has been actively involved in the promotion and marketing of the athletics program, the development of the UNI Athletics Hall of Fame, the Panther Champions Endowment Fund and the formulation of the Gateway Collegiate Athletic Conference football division. He also serves on the NCAA Committee on Financial Aid and Amateurism and the Special Committee to Review Amateurism Issues in addition to his duties on the Wrestling Committee.

Bowlsby is also involved in a wide array of community activities. He serves as the President of the Black Hawk County Family YMCA and sits on the Board of Directors of Exceptional Persons and the Iowa Games. He also serves on the Quakerdale, Sartori Hospital and Iowa Sister State advisory committees.
