# 1991 OUTLOOK

A new chapter in Northern Iowa baseball was begun last summer when Dave Schrage became the 21st head coach in the school's history. Schrage was appointed in August after Gene Baker resigned in June to take the head job at Louisville. Schrage posted a 62-67 record in three seasons at Waldorf College in Forest City, IA, before coming to UNI.

Schrage is charged with continuing UNI's quest to regain respectability in the Division I ranks, a process which made great strides last year as the Panthers posted only their third 20-win season in school history. UNI finished with a 20-39 mark against one of the toughest schedules in Division I and missed its second Mid-Continent Tournament berth by just one-half game.

The foundation was laid last year and with a solid infield nucleus and a promising crop of newcomers, Schrage feels confident the 1991 Panthers can be as good as last year's version.

The major area of concern will be the pitching staff, where four senior starters are gone, including eighth-round draft pick Steve Dreyer, now with the Rangers.

In addition, only two of the eight projected everyday players will begin the season in the same position they ended last season.

The new-look Panthers of 1991 will rely on solid defense and aggressiveness on the basepaths.

"Our team was in the middle of the pack last season in the conference in batting average," said Schrage. "We were there in doubles, but last in stolen bases and runs scored. We want to be a lot more aggressive on the bases, try to create some runs. In our ballpark, it's hard to score from second base because of the short fences. We don't have a lot of power to hit it over those fences."

## PITCHING

The main area of concern for Schrage, he must find a way to replace four senior starters who have graduated.

Two seniors headline an otherwise young, inexperienced staff. Righthanders Mike Brandmeyer and Dennis Hanken will enter the season as the top two starters. Brandmeyer is a hard thrower with an excellent curveball, but he must improve his control to become more effective. Hanken is a consistent hurler who was shuffled between the rotation and the bullpen last season, but will be used as a starter this year.

Sophomore Brandon Murray, a transfer from Waldorf, will likely be the third starter. He is a hard thrower who possesses a good overhand curve and just needs more experience to become a top-flight pitcher.

Freshman Brett Lagerblade, the only southpaw on the staff, is likely to land a spot in the rotation as is junior John Thomas, who showed flashes of brilliance last season, but was inconsistent.

The battle for the top closer role will likely be between senior Brett Priestley and freshman Dave Freese. The early favorite for the role as the top middle reliever is freshman B.J. Mayer.

## FIRST BASE

Senior Mike Himmelsbach will move over from third base and begin the season hitting clean-up. Plagued with some eye problems last season, he is ready to go in 1991 and Schrage believes he will be a solid RBI man and provide good defense. Brian Barnhart is the back-up and will be used as a designated hitter against righthanders.

## SECOND BASE

Junior college transfer Bryan Dixon will start the season at second base. Although there is room for improvement with the

Third baseman Tom Bach

bat, Schrage calls Dixon a "super" defensive player who will likely hit ninth in the order. Redshirt freshman Eric Olson is a contrast to Dixon—a very good hitter who needs to improve defensively.

## SHORTSTOP

A pre-season all-conference selection by Baseball America, team captain Mike Morony is the leading returning RBI man. He hit .306 with six homers and 36 RBIs last season, earning second team all-conference honors. Schrage expects Morony to bat third and believes he is capable of stealing more. Sophomore Joel McCartan will spell Morony after transferring from Morningside where he started at second and short with the Chiefs.

## THIRD BASE

After one of the top seasons ever put together by a UNI freshman last season, Tom Bach will be back to team with Morony to give the Panthers an excellent combination on the left side of the infield. Bach set the school record for walks in a season (40) and hit .329, good enough for second on the team. Jamie Dingus, a transfer from Kirkwood Community College, will likely be the back-up and designated hitter.

## CATCHER

An area of real concern entering the fall season, Schrage feels he has found a gem in transfer Marty Schilmoeller. Already a team leader, Schilmoeller led the league in hitting as a freshman at Arkansas Tech and is excellent defensively. Senior Brad Hansen has rejoined the team after a year's absence. Brent Kimm is an excellent defensive catcher with a good arm.

## OUTFIELD

Freshman Dan Thielen will begin the season in left field with junior P.J. Conlon in center and converted first baseman Brett Elson in right.

A prize recruit, Thielen is termed a "pure hitter" by Schrage and is adequate defensively. Conlon will be the lead-off man after seeing part-time duty in left and as a designated hitter the past two years. Elson has made the transition from first base nicely and will give the Panthers another lefthanded bat in the lineup.

Others who could see action include speedster Chad Rose, converted from the infield, and first team all-stater Matt Harvey.

## Good Luck to the Baseball Panthers!

# Head Coach Dave Schrage

Last August, the Northern Iowa administration showed its confidence in Dave Schrage by appointing him head coach at one of the most crucial points in the history of the program. Steadily rising from the depths after suffering through an 11-43 season in 1988, the Panthers posted 20 wins for just the third time in history last season and missed the Mid-Continent Conference playoffs by one-half game.

Schrage comes to UNI after leading Waldorf College in Forest City, IA to the junior college sub-regional championship game twice in three years. In three seasons with the Warriors, he posted a 62-67 record and had two players drafted by professional teams.

A native of Oak Park, IL, Schrage was a four-year starter at Creighton and an Academic All-American in 1983 and All-Missouri Valley Conference centerfielder in 1982. He led the Bluejays in hitting in 1982 with a .400 average and batted .433 the following year. His .433 performance ranks him third on Creighton's all-time single season list. Schrage led the club in

stolen bases in 1980 with 15 and triples in 1981 with three. He also helped establish the Fellowship of Christian Athletes at Creighton in 1979.

Schrage worked as a graduate assistant at Biscayne College in Miami in 1984 before returning to his alma mater as an assistant coach in 1985 and 1986 where he was integral in recruiting the fifth-best class in the nation in 1985, according to Collegiate Baseball. Three of those players were drafted by major league teams.

He became head coach of the Mt. Gravatt Eagles Club in Brisbane, Australia in 1987, and played and coached for the National League Champion Queensland Rams.

Schrage received his bachelor's degree in Business Administration from Creighton in 1984 and his master's in Sports Administration from Biscayne, also in 1984.

# Assistant Coaches

**Kevin  
Ziesman**

Kevin Ziesman begins his first year with the UNI program after spending last season as assistant

to new head coach Dave Schrage at Waldorf College in Forest City, IA.

Ziesman received his bachelor's degree in 1987 from Concordia (NE), where he was a two-year starter in the outfield for the Bulldogs.

An Alden, IA native, Ziesman is also the head baseball coach at West Hancock High School in Britt, IA, and before that, was coach at Corwith/Wesley/LuVerne in 1989. He was an elementary physical education instructor at Kanawha High School from 1987-89.

He is currently pursuing his master's degree in Physical Education at UNI.

**Mark Vogel**

After two fine seasons as UNI's second baseman, Mark Vogel remains with the program this season as an

assistant coach while completing work on his bachelor's degree.

Vogel transferred to UNI in 1989 after two seasons at Kaskaskia (IL) Junior College. An outstanding fielder, Vogel had a 29-game errorless streak his junior season.

Vogel graduated from Waterloo (IL) High School where he was a two-time all-conference selection.

**Tim O'Neill**

Tim O'Neill joins the UNI staff this season while pursuing his bachelor's degree in Physical Education. He

transferred to UNI after playing two years at North Iowa Area Community College in Mason City, where he was the starting second baseman.

He graduated from Mason City Newman High School in 1987, where he was a three-time all-conference selection, all-district as a junior and honorable mention all-state as a junior and senior.

O'Neill's coaching experience includes stints as Newman's assistant softball coach in 1990 and assistant football coach in 1988.

# Mid-Continent Conference

The Mid-Continent Conference (formerly the Association of Mid-Continent Universities) was formed in 1982 as eight Midwestern universities joined to form a new NCAA Division I league for men's athletics.

The Conference conducts championships in nine sports including baseball, basketball, cross country, golf, indoor track, outdoor track, soccer, swimming and tennis.

With the addition of the University of Akron and Northern Illinois University in 1989 and the defection of Southwest Missouri State University in 1990, the league now has nine members.

Representing five states, the other Mid-Continent members include Cleveland State University, Eastern Illinois University, University of Illinois at Chicago, University of Northern Iowa, Valparaiso University, Western Illinois University and University of Wisconsin-Green Bay.

For baseball, the conference is divided into two four-team divisions with the University of Wisconsin-Green Bay not offering baseball. The Eastern Division consists of Akron, Cleveland State, Illinois at Chicago and Valparaiso. The Western Division members are Eastern Illinois, Northern Illinois, Northern Iowa and Western Illinois. The top two finishers in each division qualify for the conference playoffs, held each May on the Illinois at Chicago campus.

Conference headquarters are located in Chicago, IL, with a staff of Commissioner Jerry Ippoliti, Director of Marketing and Communications Dr. Jon Steinbrecher, Director of Publicity Tom Lessig, Director of Public Relations Bob Kurz, Assistant Director of Publicity Lori Schroeder, Supervisor of Officials Richard Weiler and Administrative Assistant Mary Struckhoff.

The 1990-91 league president is Dr. David Outcalt, Chancellor of the University of Wisconsin-Green Bay. The Mid-Continent Conference is governed by the Council of Delegates, made up of the presidents and directors of athletics of the member institutions.

## Panthers in the Pros

Providing tangible evidence of the dramatic strides made by the Panther baseball program in recent years, 1990 saw the first two Panthers selected in Major League Baseball's Annual Amateur Draft.

Junior pitcher Steve Dreyer became the first UNI player selected when he was taken in the eighth round by the Texas Rangers. Dreyer completed his first season in Rookie League ball in Butte, MT. He was back in school in the fall semester to continue work on his degree and is to report to spring training with the Rangers in March.

Outfielder Mark Chambers became the second Panther taken when the Atlanta Braves drafted him in the 62nd round of the June draft. He completed his first season with Gulf Coast in the Rookie League.

In addition, new UNI coach Dave Schrage had several of his recruits drafted while an assistant at Creighton and head coach at Waldorf College. The most notable of those is 1988 Olympic catcher Scott Servais.

Other UNI graduates who played in the major leagues include former White Sox and Red Sox All-Star catcher Duane Josephson and former Orioles reliever Eddie Watt.

## Academics and Athletics — The Proper Balance

Winning in the classroom and achieving an academic degree is the primary goal for the student-athlete at the University of Northern Iowa. The time when an athlete is judged by his performance on the field has passed. Now, the athlete must be a student first and an athlete second, and nowhere is this more true than at UNI.

The Athletic Department has gone to great measures to assure that UNI's athletes do perform in the classroom as well as on the field. The student-athletes have the benefit of a fulltime academic advisor just for them, Robert Kincaid. Kincaid maintains a close watch on the student-athletes' progress as well as monitors eligibility.

Through the 1990 fall semester, UNI's student-athletes have a cumulative grade point average of 2.83. For the fall semester, 149 of UNI's 416 student-athletes, or 36 percent, made the honor roll.

The baseball team had a 2.81 GPA for the semester to give the team a cumulative GPA of 3.00, with 38 percent listed on the honor roll.

Proposition 48 states that a student-athlete must score at least an 18 on the ACT college entrance exam, plus have a 2.0 GPA in his/her core classes—English, Math, Science, Social Sciences and two additional courses. If these standards are not met, the student-athlete is not eligible for competition.

Once a student-athlete enters UNI, he/she must maintain a GPA within 13 grade points of 2.0 and pass 24 hours to be eligible. Kincaid monitors each of these areas to make sure the student-athletes are making satisfactory progress.

At the University of Northern Iowa, the goal of excellence in the classroom is just as important as winning on the playing field.

## **Panthers on the Move to the "Valley"**

Beginning July 1, 1991, the University of Northern Iowa will compete in the Missouri Valley Conference in all men's sports and will subsequently join the league for women's sports in 1992.

The announcement of the change was made at a news conference on the UNI campus on February 14 by University President Dr. Constantine Curris, Director of Athletics Bob Bowlsby and MVC Commissioner Doug Elgin.

The move to the Missouri Valley could quite possibly affect the Panther baseball program most of all. The Valley has long been considered one of the top baseball conferences in America and was recently ranked third in the nation by Collegiate Baseball.

MVC members have been prominent on the national collegiate baseball scene in recent years. Wichita State won the national championship in 1989; WSU, Creighton and Southern Illinois began this season ranked in the top 25; and Indiana State and Southwest Missouri State have made recent appearances in the NCAA Tournament and the College World Series.

"This is a big day for our program," said UNI coach Dave Schrage. "The Missouri Valley has been one of the best conferences in the country for years and now we will be able to play and compete against the best week in and week out."

The Panthers will play their first game as an MVC member at Wichita State on March 20, 1992.

# This is Northern Iowa

For 115 years, the University of Northern Iowa has been committed to providing quality undergraduate education for its students.

The University has expanded its historic mission of teacher preparation to include a number of outstanding programs in business, natural sciences, humanities and fine arts, and social and behavioral sciences, with complementary graduate programs at the master's, specialist's and doctoral levels. At Northern Iowa, you may earn a bachelor's degree in more than 120 majors. In addition to the traditional strength in teacher education, UNI's accounting and business programs are ranked among the best in the nation. But the options don't end there: strong academic programs ranging from art to marketing, biology to music, and industrial technology to social work are just a few of the avenues to be explored.

The University of Northern Iowa is small enough to offer individualized attention, yet large enough to provide a variety of resources and opportunities.

Although several historical buildings dot the campus, it is steadily growing to meet the academic needs of the students. The University has moved into the future with a library automation system, a \$10.2 million home for the College of Business Administration and expansion of the

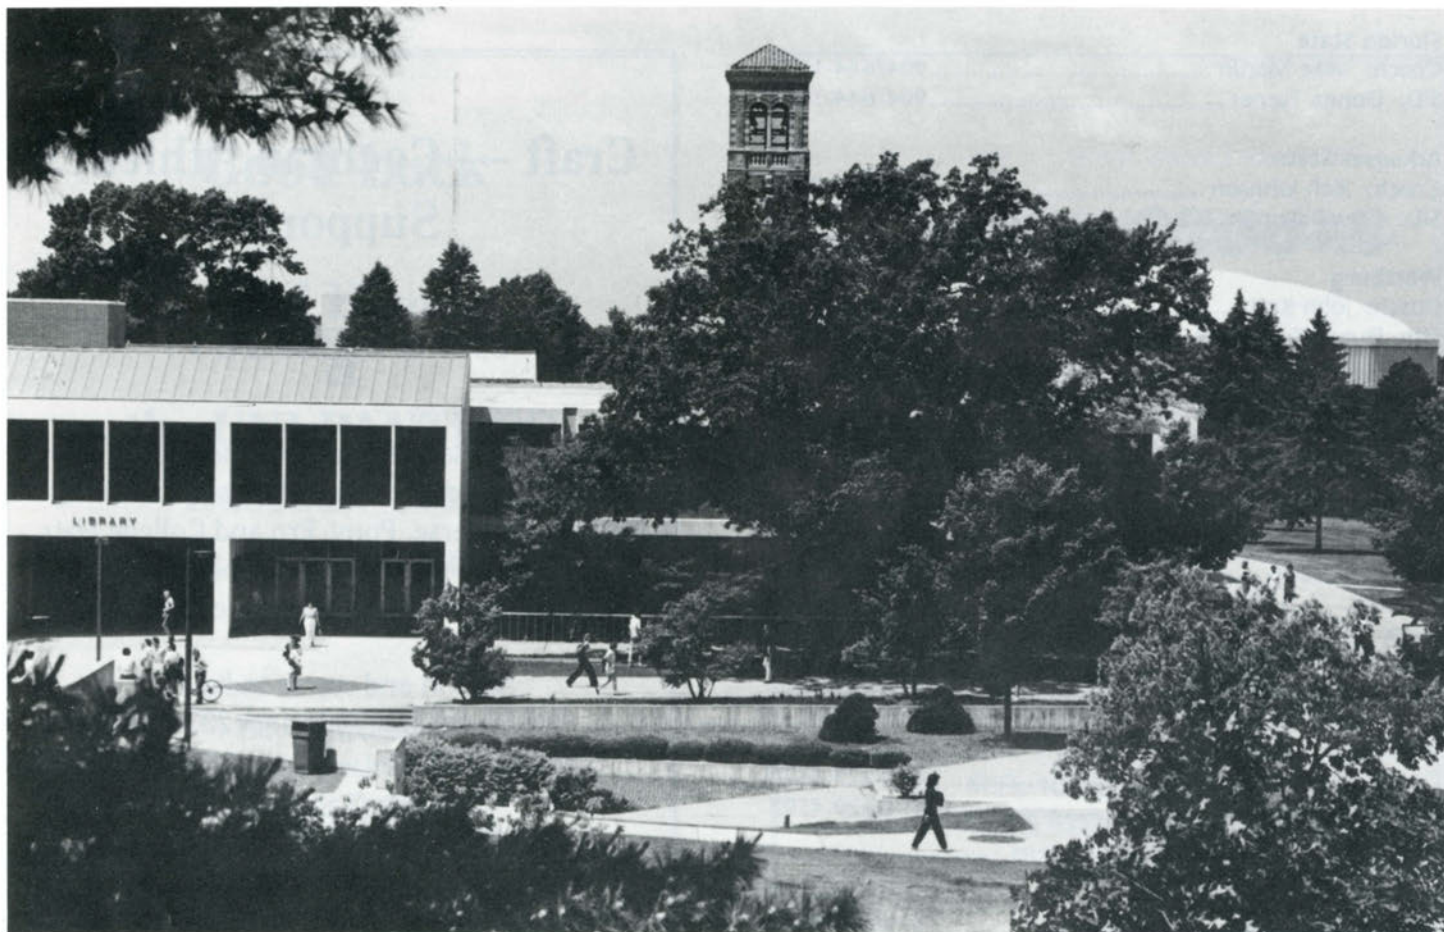

Maucker University Union. A variety of computer resources are available to students in more than a dozen areas on campus.

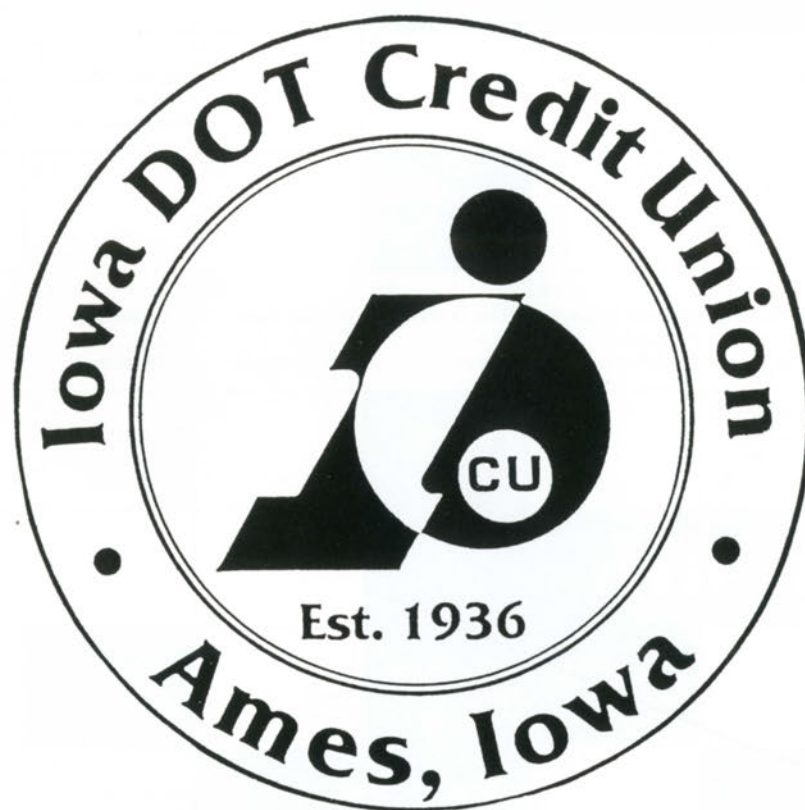

Although the majority of UNI's 12,600 students come from every county in Iowa, students from more than 40 states and 28 countries foster a rich, diverse atmosphere.

Students enter the University well-prepared, demonstrated by their selection of high school courses and rank in class. In recent years, over 90 percent of the entering freshmen ranked in the top 50 percent of their high school classes, with about 60 percent ranking in the top 30 percent.

Northern Iowa's 19 men's and women's intercollegiate athletics programs compete at the NCAA Division I level (1-AA in football) with major conference affiliations. The Panthers boast a nationally recognized coaching staff to maintain strong programs in all sports.

UNI is located in Cedar Falls, an inviting and historic northeast Iowa community of about 35,000 people. Together with the adjacent city of Waterloo, the metropolitan area has a population of approximately 110,000 and combines big city opportunities with small town friendliness.
