For 115 years, the University of Northern Iowa has been committed to providing quality undergraduate education for its students.

The University has expanded its historic mission of teacher preparation to include a number of outstanding programs in business, natural sciences, humanities and fine arts, and social and behavioral sciences, with complementary graduate programs at the master's, specialist's and doctoral levels. At Northern Iowa, you may earn a bachelor's degree in more than 120 majors. In addition to the traditional strength in teacher education, UNI's accounting and business programs are ranked among the best in the nation. But the options don't end there: strong academic programs ranging from art to marketing, biology to music, and industrial technology to social work are just a few of the avenues to be explored.

The University of Northern Iowa is small enough to offer individualized attention, yet large enough to provide a variety of resources and opportunities.

Although several historical buildings dot the campus, it is steadily growing to meet the academic needs of the students. The University has moved into the future with a library automation system, a $10.2 million home for the College of Business Administration and expansion of the Maucker University Union. A variety of computer resources are available to students in more than a dozen areas on campus.

Although the majority of UNI's 12,600 students come from every county in Iowa, students from more than 40 states and 28 countries foster a rich, diverse atmosphere.

Students enter the University well-prepared, demonstrated by their selection of high school courses and rank in class. In recent years, over 90 percent of the entering freshmen ranked in the top 50 percent of their high school classes, with about 60 percent ranking in the top 30 percent.

Northern Iowa's 19 men's and women's intercollegiate athletics programs compete at the NCAA Division I level (1-AA in football) with major conference affiliations. The Panthers boast a nationally recognized coaching staff to maintain strong programs in basketball, wrestling, football, volleyball, track and field, and softball. All have made recent appearances in the NCAA Division I Championships.

UNI is located in Cedar Falls, an inviting and historic northeast Iowa community of about 35,000 people. Together with the adjacent city of Waterloo, the metropolitan area has a population of approximately 110,000 and combines big city opportunities with small town friendliness.

1991 Preview

Northern Iowa coach Iradge Ahrabi-Fard figures he may have to work a little harder this season than in recent years. Not that the 11th-year head coach has been neglecting his duties in recent years; it's just that this 1991 version of the Panthers may require a little more patience and fine tuning than some recent teams.

"This team is the most unknown to me heading into the season as any team I've had," Ahrabi-Fard said. "But, potentially, it also has more talent than any team before. However, the most important element in any team is the chemistry, and we'll have to see if this team is able to develop that."

Ahrabi-Fard also believes the 1991 Panther squad will be more balanced than most of its predecessors.

"Most years, we've known going in that we're going to be strong in a certain area," he said. "For several years, our outside hitters were strong, then last year our middle play and blocking; our setting has always been pretty good, but this year, I don't know."

"One thing I'm very encouraged about is the dedication of this team," Ahrabi-Fard added. "This group seems to be the hardest working and most dedicated as far as off-season conditioning that we've had. They're very unselfish and team oriented."

Headlining the returnees from last year's squad is second team all-conference pick Chris Less (Lone Tree, IA), a middle hitter who is on pace to surpass all the school's block records and is already the career hitting percentage leader. The 6-0 senior has been remarkably consistent throughout her collegiate career and figures to be one of the league's top players again in 1991.

Senior Kristie Oleen (Blaine, MN) and junior Stacy Makoben (Stockton, IA) will be counted on to provide the majority of UNI's offensive punch from the outside. Both have struggled with consistency during their careers, but have the ability to dominate a match. Ahrabi-Fard feels with another year of maturity, they will provide the Panthers with a top-notch outside combination.

Sophomore Tricia Mills (Iowa Falls, IA) started every match last season as an outside hitter and was a solid contributor from the start. She ranked among the Gateway's top blockers last season and plans call for her to see more action in the middle this season.

The wild card for the Panthers, offensively, will be senior Kris Schroeder (Dubuque, IA). Schroeder was a second team all-conference selection as a junior in 1989 after enjoying one of the finest seasons in school history. Her season was cut short in the last regular-season match by a knee injury and subsequent reconstructive surgery forced her to miss last season. If she is able to perform at the level she did prior to the injury, or close to it, it will be icing on the cake for Ahrabi-Fard and the Panthers and give a real boost to the team's title hopes.

Senior Katie Crowley (Springfield, IL) is the favorite to take over as the top setter. Although her playing time was limited a year ago, she is not a stranger to the role as UNI's top setter. Crowley led the Panthers to an 8-1 conference mark and an appearance in the post-season tournament as a freshman in 1988, but was sidelined by illness in 1989. Ahrabi-Fard feels her leadership and experience will be valuable in 1991 and minimize the loss of Kreple. Crowley, however, will have to fight off the challenge of redshirt freshman Dionne Pettit (Dubuque, IA), who came to the UNI program a year ago with impressive high school credentials.

Others expected to supply added offensive punch are sophomore Julie Siegler (Burlington, WI), redshirt freshman Natalie Walters (Waterloo, IA) and true freshman Carrie Shurr (Iowa City, IA).

Siegler played a key role last season as a freshman while Shurr will be groomed to take over in the middle after Less' graduation.

The Panthers have been blessed with outstanding back row players in recent years and the current group may be the best ever, considering they are only juniors. Leading the way is Dawn Meester (Dike, IA), one of the nation's best servers in addition to her fine defense in the back row. She ranked 10th in the country last season after serving a school-record 86 aces for a 0.71 average.

Jennifer Becker (Dike, IA) quietly and consistently turns in stellar performances in the back row, ranking third in digs and aces last season among returning players. She posted the best service ace to error ratio on the squad.

Danice Niemeyer (Sumner, IA) returns after earning a spot as a walk-on last year and will provide added depth in the back row.

Ahrabi-Fard figures his team will again be a top contender for the Gateway Conference crown if all goes as planned. He tabs Wichita State, with five starters back from last year's 6-3 team, as the team to beat along with perennial powers Southwest Missouri State and Illinois State.

The 1991 schedule is the most ambitious in school history with nine teams that saw post-season action a year ago on the slate, including Final Four participant Louisiana State, which has all six starters back. Other non-conference opponents include San Diego State, Boise State, Cal State Northridge, Idaho State, Iowa, Iowa State, Northwestern, Minnesota, Kansas State and Dayton.
Head Coach Iradge Ahrabi-Fard

Recognized as one of the most successful collegiate coaches in the Midwest, Dr. Iradge Ahrabi-Fard will have the opportunity to reach another coaching milestone in the 1991 season. With 22 more wins, Ahrabi-Fard will reach the 300-victory plateau in his 11th season as a collegiate head coach. In his 10 seasons with the Panthers, Ahrabi-Fard has compiled a 278-98-4 record for a .737 winning percentage.

Ahrabi-Fard guided the Panthers to a 28-5 overall record last season, 9-0 in the Gateway Conference for UNI's third regular-season league title in the last five years. Last season marked the second consecutive year UNI earned a berth in the Women's Invitational Volleyball Championship.

Under his guidance, the Panthers have reached new heights over the last six years, recording a 189-36 mark overall, 49-5 in the Gateway, three conference championships, two NCAA berths and two WIVC appearances. He was voted Gateway Coach of the Year in 1985 and 1987, and earned recognition as Midwest Region Coach of the Year by his peers in 1985. He has also been invited to instruct at some of the top volleyball camps in the nation.

A 1965 graduate of UNI, Ahrabi-Fard has long been involved in athletics on the international level. In his native Iran, he served as President of the Institution of Sports from 1967 thru 1969, head swimming coach for the men's and women's national teams from 1967 thru 1970, Executive Director of the Education Department of Sports Ministry in 1970, and Vice-Minister of Sports Ministry from 1977 thru 1978. He also served as special physical educator for the Crown Prince and Princess of Iran.

As an athlete, Ahrabi-Fard competed on the Iranian national volleyball team internationally and in the Asian Games. He also was a high jumper on the national track and field team and competed his freshman year at UNI.

He was a successful high school coach in several sports at Northern University High School in Cedar Falls prior to taking the UNI job, earning various district, regional and state coach of the year honors in volleyball, track and field, and swimming.

After earning his bachelor's degree in physical education, Ahrabi-Fard received his master's in physical education from UNI in 1966 and his doctorate in physical education and educational administration from the University of Minnesota in 1975.

Assistant Coach Jan Bittner

Assistant coach Jan Bittner begins her 10th season at UNI after becoming the school's first assistant in 1982.

In addition to her on-court duties, Bittner is UNI's recruiting coordinator and handles most administrative duties of the program including scheduling, team travel and coordination of the summer volleyball camps.

A native of Rockford, IL, Bittner is a 1976 graduate of Valparaiso University, where she earned a bachelor's degree in physical education and lettered four years on the basketball team. She received her master's degree in physical education administration from Illinois State University in 1981.

Her previous coaching experience includes two years as head girls' volleyball coach at St. John's High School in Houston, TX, where she compiled a 51-11 record and led her 1980 squad to a Southwest Prep Conference title. Bittner also served three years as head girls' tennis coach and junior varsity girls' basketball coach.

Assistant Coach Sheng Gao

Sheng Gao returns for his fourth season as a Panther assistant after first becoming involved with the program as a graduate assistant in 1986.

Gao was an outstanding player in his native China, leading the University of Beijing to the 1979 collegiate national championship. He graduated from Beijing with a bachelor's degree in 1983 and then began teaching and coaching. He first came to UNI in 1984 and recently earned his master's degree in physical education.
