International Communication Opportunity

Professor Victoria DeFrancisco invites international students to partner with US students in her intercultural communication course this spring to meet approximately once a week for an hour to have conversation, share cultural resource information, and hopefully build friendships. The students in her class will be writing papers about their experience. No other requirement is expected of the international students outside her class. The class meets from 11-12:15 on Tuesday/Thursday and international students are invited to visit if they wish. If you choose to participate, it will be important to commit for the whole semester as this could adversely affect another student's grades. If you have any questions or you would like to participate, please feel free to contact Dr. DeFrancisco directly: defran@uni.edu

The Learning Center at Rod Library

All students are encouraged to use The Learning Center @ Rod Library for assistance with writing, math, science, and college reading and learning strategies. Beginning week two, The Learning Center (TLC) operates on a walk-in basis and is open 10:00 am to 10:00 pm Monday through Thursday. For more information, go to <https://tlc.uni.edu/tutoring>, email TheLearningCenter@uni.edu, call 319-273-6023, or visit the TLC desk located on the main floor of Rod Library. If you are unable to come in during normal tutoring hours, online tutoring is available through Smarthinking. You will need your CATID and passphrase to gain access. IMMIGRATION

Optional Practical Training (OPT) for Eligible F-1 Students

If you hold F-1 status and you are planning to graduate in December 2019, now is the perfect time to think about applying for Optional Practical Training as you are probably eligible for this 12 month period of employment authorization within the U.S. See our web site for more information about [OPT](#).

Maintaining US Immigration Status

International students are responsible for **maintaining their U.S. immigration statuses**, and an important part of this is **always having a valid, unexpired I-20 or DS-2019 form**. We recommend that F-1 students check the "Program of Study" section near the center of their I-20 forms once per month to make sure they do not study past the program end date indicated in that section. J-1 students should always be aware of their DS-2019 form validity dates in section 3. Page 3 of all I-20 forms specifies that "If you cannot complete the educational program by the program end date on page 1 of your Form I-20, you should contact your DSO at least 15 days before program end date to request an extension." Ross Schupbach is your Principal DSO, and he is always happy to help when students need extensions.
