IMMIGRATION

Optional Practical Training (OPT) for Eligible F-1 Students
If you hold F-1 status and you are planning to graduate in December 2019, now is the perfect time to think about applying for Optional Practical Training as you are probably eligible for this 12 month period of employment authorization within the U.S. See our web site for more information about OPT.
Maintaining US Immigration Status
International students are responsible for maintaining their U.S. immigration statuses, and an important part of this is always having a valid, unexpired I-20 or DS-2019 form. We recommend that F-1 students check the "Program of Study" section near the center of their I-20 forms once per month to make sure they do not study past the program end date indicated in that section. J-1 students should always be aware of their DS-2019 form validity dates in section 3. Page 3 of all I-20 forms specifies that "If you cannot complete the educational program by the program end date on page 1 of your Form I-20, you should contact your DSO at least 15 days before program end date to request an extension." Ross Schupbach is your Principal DSO, and he is always happy to help when students need extensions.
