STATE COLLEGE OF IOWA

KNOW YOUR STUDENT NUMBER

ADMISSION OF NEW STUDENTS

The application for admission, high school credits and transcripts of credit earned in other colleges must be in the Office of the Registrar before an admission card can be issued.

REGISTRATION PROCEDURE

Housing arrangements must have been made with or reported to the Dean of Students before registration materials can be prepared. This is required regardless of your classification or where you will be living while attending classes during the spring semester.

1. Pick up registration materials in the first floor corridors of Administration and Auditorium buildings. Except for new students, these will be filed in Student Number Order. (See column 2)

Students who have not made previous arrangements with the Dean of Students, regardless of where they will be living, or who have unpaid accounts or other irregularities will be delayed until these matters are cleared. Housing arrangements should be made two weeks before registering.

2. Fill out the registration form.

This is a carbon form and must be filled out with care to insure a good carbon copy. Use a typewriter if possible.

3. See your adviser and get your schedule approved.

Advisers: In the Women's Gymnasium for advanced registration. In their offices for regular registration.

Teaching Assignments: Advanced registration, Women's Gym
Regular registration, AUD 29

4. Secure course cards and turn in materials.

Advance Registration: Women's Gym
Regular Registration: Administration 10

This is to be done at the time indicated on your Permit-to-Register card. See that the class cards given you are correct as to course and section numbers and hours of credit. Turn in all materials before leaving.

5. Pay your fees.

Your fee cards will be checked and returned to you when you turn in your registration materials. These are to go to the Business Office with your payment and your permit-to-register card. Please plan to pay by check. If you pay by cash, you must have the exact amount due. The Business Office will stamp your permit-to-register card "Paid" and return it to the Registrar's Office. If this has not been done by the third office day after completing your registration, your registration will be voided and your class cards returned to the file for use by other students.

Note You may pay your fees at the Business Office, or you may leave your payment, fee cards, and permit-to-register card in a sealed envelope marked "Fee Payment" at the Business Office. You must also enclose a self-addressed envelope which will be used to return your receipted ID card to you. The Business Office will assume no responsibility for lost ID cards. Lost ID cards will be replaced only upon payment of a fee of \$3.00.

Note If you leave your payment and fee cards in an envelope, be certain the check is made out correctly and for the right amount. A fine of \$2.00 will be imposed by the Business Office if it is necessary to call you in to correct your fee payment.
