## Forward Together Update

---

Dear Panther Community,

As COVID-19 case counts continue to rapidly decline in the State of Iowa, the Iowa Department of Public Health (IDPH) has updated the format of [their COVID-19 reporting data](#). This updated format more closely aligns COVID-19 reporting with existing IDPH reporting standards for other respiratory viruses. UNI's COVID-19 Response Team encourages you to review this [updated site](#) so that you can make smart decisions about your health.

IDPH continues to urge all eligible Iowans to get vaccinated and boosted. The [Student Health Clinic](#) will be offering COVID-19 vaccines throughout the spring 2022 semester on Wednesday afternoons from 1 - 3 p.m. and Thursday mornings from 9 - 11 a.m. Please call the COVID-19 phone line at 319-273-2100 to set up an appointment. To locate a vaccine off campus, visit [vaccines.gov](#) to find vaccination providers near you.

If you have a question, please visit [forwardtogether.uni.edu](#) or email it to [forwardtogether@uni.edu](#). Thanks for all that you do to keep yourself, your family and the Panther community safe. Your proactive efforts make a difference, which helps immensely in ensuring a successful spring semester.

Stay Well,

Joseph Rayzor,  
Director of Risk Management, Environmental Health and Safety
