Don Briggs has been waiting for this season for a long time.

"I feel really good going into this season," said Briggs, who enters his 11th year at the University of Northern Iowa with one of his most experienced squads in years. "We're to the point with these wrestlers where we're honing a point...these guys are already sharp."

But while admitting he'd be disappointed if this team doesn't finish in the top five in the country, Briggs said "the guys want to play it low key and rightfully so. We only have one guy who has proven himself, been an All-American. But we have people ready to explode."

Senior Steve Hartle will lead this experienced group after placing seventh in the NCAA Championships as a sophomore in 1991. An injury limited Hartle's duty a year ago to just 13 matches, but he still managed to qualify for the NCAA tournament. He'll enter his final season with a 62-29-3 career mark. Hartle has wrestled at 142 pounds the past three years, but may start the season at 150.

Those "ready to explode" include seniors Brad Bruhl at 118, Scott Hassel at 134 and Jamie Byrne at 158. All West Regional champs and NCAA qualifiers last year, Bruhl went 22-7 in his first season in a Panther singlet, Hassel was 28-10-1 and Byrne 26-10.

Juniors Andy Showalter at 126, Curt Bennethum at 167 and Dave Malecek at 190 also have NCAA experience. Showalter and Malecek both qualified for the NCAA tournament last year and Bennethum two years ago as a freshman at 158. Showalter compiled a 28-13-2 record last year, Malecek went 30-8 and Bennethum 14-9. Byrne and Malecek both are two-time West Regional champs.

The Panthers also have NCAA experience at heavyweight where sophomore Justin Greenlee returns after a 21-12 freshman campaign.

If Hartle does jump to 150, his sophomore brother Nate probably will fill the 142-pound spot. Nate Hartle compiled a 13-10 mark filling in for Steve last season.

The biggest question mark in the UNI lineup is at 177, where at least six wrestlers will battle, led by junior Cory Manning, redshirt freshman Jason Wedgbury and senior Brian Benning. Other contenders are freshman Chad Dennie, sophomore Matt Meinhard and freshman Adam Greenlee.

"Nobody can look at our lineup and pick a weak weight," said Briggs, whose 133 career wins ranks second on UNI's coaching chart. "That's a pretty solid lineup. We have three legitimate shots at
having a national champion and eight legitimate shots of people being all-Americans.

“They have the potential to definitely be in the top five in the nation. That’s been our goal for the past four or five years.”

But, Briggs noted, in the past one or two wrestlers have carried the load while this year “now it’s on the shoulders of five or six guys.”

Because of the number of seniors — there are eight on the Panther roster, including former starters Burke Tyree at 118 and Greg Berg at heavyweight — Briggs says “it’s hard to pick a leader. We’re going to have several. It’s fun to coach this group...real easy.”

Briggs said his biggest task this year will be to “convey the fact that they be concerned about themselves and not worry about the other guys.”

Another worry with all the juniors and seniors is neglecting the underclassmen, Briggs said.

Nobody can look at our lineup and pick a weak weight

“I’m going to center everything around the top 14 guys,” Briggs said, noting that in the past “I’ve always tried to encompass the whole team. This year, I’m saying (to the underclassmen), ‘hey, wait your turn.”

The Panthers once again will not back down from the best in the state or country. Two-time defending NCAA champ Iowa and Iowa State dot UNI’s schedule along with Nebraska, Purdue and Minnesota.

The Panthers open the year at the always-tough Northern Open in Madison, Wis., before hosting the UNI Open. UNI also will make stops at the prestigious Midlands Open in Evanston, Ill., the Virginia Duals in Hampton, Va., and the National Duals in Lincoln, Neb. The West Regional is slated for March 6 in Charleston, Ill., and the NCAA Championships are March 18-20 in Ames.

“A real good test for us early will be the Northern Open,” Briggs said. “Then I’ll see how good we’ll be.”

Coaching Staff

Head Coach
Don Briggs

Only the sixth coach in school history, Don Briggs has completed a decade as head coach at Northern Iowa. During his tenure, he has posted a 133-53 record and kept the Panthers in the nation's Top 20 on a regular basis. Since first joining the UNI staff as a graduate assistant in 1974, Briggs has coached 46 NCAA All-Americans and 14 national champions.

Before being named head coach in 1982, Briggs served as an assistant to long-time head coach Chuck Patten for seven seasons as a graduate assistant one year. Under Briggs' guidance, the Panthers have placed in the Top 20 at the NCAA Championships every season and have been ranked as high as fourth in the nation. UNI was ranked fifth and eighth in 1988 and 1989, respectively, in the final Amateur Wrestling News poll. The Panthers equalled their best finish at the NCAA Division I Championships last season by finishing 10th, matching the finish of Briggs' first season in 1983 when he was voted National Rookie Coach of the Year by his peers.

A Cedar Rapids, IA native, Briggs graduated from Jefferson High School and later received his bachelor's degree in physical education from the University of Iowa in 1971. While wrestling for the Hawkeyes, he placed fourth in the Big Ten at 134 pounds as a sophomore and third as a junior and senior. He was voted team captain as a senior. Although he did not compete his first year at Iowa, Briggs compiled a 30-5-1 career record, posting consecutive marks of 12-2-1, 12-2 and 6-1.

Briggs served one season as assistant coach at Cedar Rapids Prairie High School before becoming a graduate assistant at UNI in 1974. He completed his graduate work with a master's degree in physical education in 1975.

Highly respected among his peers, Briggs has won seven consecutive NCAA West Regional Coach of the Year awards and served a two-year term as president of the National Wrestling Coaches Association from 1988-90.

Briggs is an avid hunter and fisherman in his spare time, but is best known as a skydiver. He has completed over 1,500 jumps since taking up the sport.

He and his wife, Dianna, reside in rural Cedar Falls.

Coaching Staff

Assistant Coach Joel Greenlee

After concluding one of the most successful careers in Northern Iowa history in 1989, Joel Greenlee stepped into the role as assistant coach at his alma mater three years ago. He moved up to take over as the top assistant to head coach Don Briggs prior to the start of last season.

The Waverly, IA, native brought impressive credentials with him into his coaching position. Up until last season, he was the Panthers' all-time leader in wins (127), currently ranking second. He still holds the UNI standard for career dual wins with 58 and never lost a collegiate dual meet, posting a 58-0-3 mark, while his overall record was 127-16-4. Greenlee was an NCAA qualifier all four seasons and earned All-America honors twice, placing fourth as a junior and second his senior year. He also competed in the National Wrestling Coaches Association All-Star Classic his final two seasons.

Greenlee continues to wrestle competitively on the international level, having been a member of the United States Freestyle Team since 1990. He competed in the Cerro Palado Tournament in Cuba in 1991 and 1992, placing second and fourth, respectively. He toured the Soviet Union with the U.S. team in January of 1991 and competed at the Tbilisi Tournament. He also accompanied the United States Freestyle Team to the Olympic Games in Barcelona last summer. Currently ranked third in the U.S. at heavyweight, Greenlee represents the New York Athletic Club in open competition.

He was a High School All-American at Waverly-Shell Rock (IA) High School as a senior after capping a 27-0 season with a state championship.

In addition to his coaching duties in the wrestling room, Greenlee also oversees direction of the overall and individualized weight training programs and other conditioning programs.

Assistant Coach Tim Krieger

One of the outstanding collegiate wrestlers of recent times, Tim Krieger joined the Northern Iowa staff in September. A two-time national champion at Iowa State in the late 1980s, he had served as a graduate assistant at his alma mater the last two seasons under former ISU coach Jim Gibbons.

Krieger capped off one of the finest careers in Iowa State history in 1989 by winning his second NCAA 150-pound championship and being named the tournament's Outstanding Wrestler. He earned that honor by pinning his first three foes and shutting out his last two opponents. He won his first national championship in 1987, the last time the Cyclones won the team title. Krieger is the only wrestler in history to be seeded first at the NCAA meet four times.

A native of Mason City, IA, Krieger was a three-time Iowa high school champion and later went on to capture four Big Eight Conference championships, one of only four wrestlers to accomplish that feat. He never lost a dual match and recorded consecutive records of 31-2-2, 29-0, 26-1 and 30-0 for the Cyclones for a career mark of 116-3-2. He also was named Big Eight Male Athlete of the Year in 1989, only the third wrestler to earn that honor and the first Iowa State athlete in 16 years.

Krieger received his bachelor's degree in marketing from Iowa State in 1989 and is currently pursuing a master's degree.

University Administration

Dr. Constantine W. Curris assumed the Presidency of the University of Northern Iowa in August, 1983. He is only the seventh chief executive in the University's 116-year history. Prior to assuming the UNI presidency, Curris served 10 years as president of Murray State University in Kentucky. That University's eight-million dollar student center is named the Curris Center.

Other professional experiences include serving as Dean of Students at Marshall University and Vice-President and Academic Dean of both Midway (KY) College and the West Virginia Institute of Technology. Curris received a bachelor's degree magna cum laude in political science from Kentucky in 1962. He received a master's in political science and public administration from Illinois in 1965 and his Ed.D. degree in higher education from Kentucky in 1967.

Chris Ritrievi is in his first year as Northern Iowa Athletic Director. Prior to joining the UNI staff last June, Ritrievi had been Associate Athletic Director at Stanford University since March of 1991. He had primary responsibilities for raising over $7 million annually to support a nationally successful NCAA Division I program, and for planning and implementing strategies for departmental goals, including budget administration and marketing.

Prior to joining the Stanford staff, he was Director of Athletic Development at the University of Pennsylvania where he coordinated all fundraising for a Division I-AA department where over $1.25 million was raised, in addition to over $5 million in capital commitments. A 35-year-old native of Levittown, PA, Ritrievi is a 1979 graduate of Princeton with a degree in economics. He received his masters in business administration from Lehigh University in 1983. He earned three varsity letters in wrestling at Princeton.

Panthers Notch Top 10 Finish at Nationals

The Northern Iowa wrestling team equalled its best ever finish at the NCAA Division I Championships by placing tenth at the 1992 tournament, March 19-21 in Oklahoma City, OK. The Panthers also finished tenth at the 1982 and 1983 tournaments.

Despite matching the previous high, tenth place proved to be a bit disappointing for the 1991-92 edition of Panther Wrestling. With three returning All-Americans and six wrestlers drawing top 12 seeds at the tournament, Coach Don Briggs and his team had hopes of challenging for a spot in the top five. The Panthers had been ranked as high as fifth in the nation earlier in the season and ended with an 11-4 dual record and #7 national ranking.

However, several Panthers were bumped in the early going and when the ’92 All-Americans paraded in front of the crowd for the grand finale on Saturday evening, the only two seniors on the squad, Rich Powers and Gary Steffensmeier, nabbed Northern Iowa’s All-America honors at 177 and 150 pounds, respectively.

With those third All-America honors for each came the end of two of the finest careers in Northern Iowa history. Their careers took similar paths throughout, with Powers finishing first on the school’s career victories list with a 134-25-1 record and Steffensmeier finishing fourth with a 115-29-3 mark. Both earned spots in the varsity lineup as redshirt freshmen and remained throughout their four-year careers. They captured eight NCAA West Regionals titles between them, both competed in the National Wrestling Coaches Association All-Star Classic and were each ranked first in the nation at various times. With a pin in his final match, Powers also earned the top spot in the UNI career falls record book with 54.

“There will be no replacing Rich and Gary,” said Briggs. “It will be hard enough to equal their wrestling talent, but it will be even tougher to replace them as young men who have meant so much to this program.”

The 1991-92 season began with a 35-4 loss to national champion Iowa, the most points anyone would score on the Hawkeyes until February. The Panthers then swept four meets on the West Coast before winning the home opener against Minnesota, 21-16, on January 17.

After a 32-5 loss to second-ranked Iowa State on January 28, UNI won six consecutive home duals before dropping the final two of the season at Purdue and Nebraska.

Northern Iowa easily captured its seventh straight NCAA West Regional title in Cedar Falls on March 7, qualifying nine wrestlers for the NCAA Championships.

Individually, Powers captured much of the spotlight throughout the season, winning titles at the Northern, UNI and Midlands Opens and maintaining a #1 ranking most of the season.

Steffensmeier was again a tough, consistent performer throughout the campaign, appearing anywhere from third to sixth in the 150-pound rankings.

Junior Brad Bruhl nailed down the 118-pound spot in the lineup after transferring from Iowa and was ranked as high as seventh in the nation on his way to a 22-7 record. After winning the West Regional, Bruhl appeared to have a full head of steam entering the NCAA Tournament, but was upset in the first round and did not gain the opportunity to wrestle back.

Perhaps no Panther showed more improvement during the season than Andy Showalter. The sophomore 126-pounder won a three-way battle for the varsity spot early in the season and never relinquished it. He finished third on the team in wins with a 28-13 record and posted a 9-2-3 record.

Junior Scott Hassel finished his second year as the Panther 134-pounder with a 28-10-1 record and #11 national ranking. He missed his first dual meet in two years February 22 at Nebraska, but returned two weeks later to capture his first West Regional championship.

There was always a Hartle at 142 pounds for Northern Iowa during the season, whether it was 1991 All-American Steve or younger brother Nate. Steve sustained a knee injury in December and did not return until March, just in time to finish second at the regional and earn his third NCAA berth. Nate wrestled in all but one dual while filling in, posting a 13-10 overall mark, 7-7 in dual meets.

Junior Jamie Byrne returned to the NCAA Championships for the second time in three seasons after turning in a stellar performance throughout the season at 158 pounds. Climbing as high as ninth in the national rankings during the season, Byrne turned in a 26-10 record and came within one victory of earning All-America honors.

Sophomores Curt Bennethum and Cory Manning shared the limelight at 167 pounds throughout the year. Bennethum, who has sidelined for a month due to a thumb injury, finished with a 14-9 record while Manning posted a 12-11-1 mark.

A subpar NCAA performance did not diminish the fine sophomore season turned in by Dave Malecek at 190 pounds. Malecek came within one victory of becoming an All-American, led the Panthers in wins with a 30-8 record, and was rated as high as fifth during the season despite missing three weeks due to arthroscopic knee surgery.

Freshman heavyweight Justin Greenlee capped off his first collegiate season by qualifying for Nationals and compiling a 21-12 record.

Although the graduation of Powers and Steffensmeier has left a large void for Briggs and his team, the Panthers return 13 lettermen for 1992-93, including eight starters and eight past NCAA qualifiers.

Ed Ewoldt Scholarship

Last January, Northern Iowa officials announced the establishment of the Ed Ewoldt Wrestling Scholarship, the first fully-endowed scholarship in the history of the University's athletics program.

The scholarship is made possible by a $120,000 gift to the Northern Iowa Foundation by Ron Magruder of Orlando, Florida. Each year, beginning with the 1992-93 academic year, the Panther wrestling program awards a full scholarship from the interest generated by the gift.

Ewoldt began attending UNI, then known as Iowa State Teachers College, in 1948 and graduated in 1954, competing on the wrestling team his last two years. He went on to teach and coach at West Central-Maynard (IA) High School from 1955-58 and Wheaton (IL) Central High School, where he coached Magruder, from 1959-88.

"Ed has had a tremendous impact on my life," Magruder said, "and has helped me get where I am today. This is my way of thanking him for being a great teacher, mentor and friend."

Magruder is the president of Olive Garden Restaurants, which has more than 300 locations throughout the nation, and serves on the Florida Citrus Bowl Committee, the Business Advisory Council at the University of Mississippi and the Foundation Board at the University of Central Florida.

The first recipient of the Ed Ewoldt Scholarship is Panther sophomore Justin Greenlee, a heavyweight who qualified for the NCAA Championships last season as a freshman and compiled a 21-12 record.

**Wrestling Dictionary**

**DECISION**—If no fall occurs in three periods, the contestant scoring the greater number of points will be declared the winner.

**DEFAULT**—One of the wrestlers is unable to continue wrestling for any reason.

**DEFENSIVE STARTING POSITION**—Defensive wrestler is on his hands and knees in the center of the mat and faces away from the timer's table. Both knees must be kept on the mat. The heels of both hands must be on the mat. The elbows must not touch the mat.

**DISQUALIFICATION**—A wrestler is banned from competition, for flagrant misconduct, a greasy substance on the skin, objectionable pads and braces, illegal costume or equipment. After the third penalty for illegal holds, technical violations, stalling or unnecessary roughness.

**ESCAPE**—When the defensive wrestler gains a neutral position and the offensive wrestler has lost control.

**FALL**—Any part of both shoulders or area of both scapulas held in contact with the mat for one second. Shoulders must not be out of bounds.

**FLAGRANT MISCONDUCT**—Unnecessary roughness or abusive conduct determined by the referee to be flagrant. One team point is deducted, the offender is disqualified and removed from the premises.

**FORFEIT**—Received by a wrestler when his opponent, for any reason, fails to appear for the match. Wrestler receiving a forfeit must be dressed to wrestle at matside.

**INTERLOCKING HANDS**—A wrestler in the advantage position may not lock or overlap his hands, fingers or arms around his opponent's body or both legs unless the opponent has all of his weight supported on his feet or has him in a pinning situation.

**MAJOR DECISION**—Decision by 8-14 points.

**NEUTRAL POSITION**—One in which neither wrestler is in control.

**NEAR FALL**—Offensive wrestler has control of his opponent in a pinning situation with both shoulders stopped within four inches of the mat or with one shoulder touching the mat and the other held at an angle of 45 degrees or less. A continuous roll-through is not a near-fall.

**OUT OF BOUNDS**—When the supporting parts of NEITHER wrestler are inside the boundary.

**POSITION OF ADVANTAGE**—A contestant is in control and maintaining restraining power over his opponent.

**REVERSAL**—When the defensive wrestler comes underneath and gains control of his opponent, either on the mat or standing. Supporting points must be within the wrestling area.

**STALLING**—When a contestant does not make an honest attempt to stay in the circle and wrestle aggressively. A penalty is preceded by only one warning.

**STALEMATE**—A position other than a pinning situation in which neither wrestler can improve his position.

**SUPPORTING POINTS**—Parts of the body touching the mat and bearing the wrestler's weight, other than those parts with which he holds his opponent. When on the mat, the usual points of support may be hands, feet, knees, side of the thigh and buttocks.

**TAKEDOWN**—From a neutral position, a contestant gains control and places his opponent's supporting points down on the mat and holds there beyond reaction time. Supporting points of either wrestler must be within the wrestling area.

**TECHNICAL FALL**—Decision by 15 or more points.

**THREE-POINT NEAR FALL**—When the near-fall criteria have been met uninterrupted for five full seconds. Only the wrestler with the advantage may score a near-fall.

**TIME ADVANTAGE**—A wrestler who is in control is gaining advantage. At the end of the match, the referee subtracts the lesser advantage time from the greater. If one wrestler has an advantage of a minute or more, he is awarded a maximum of one point.

**UNNECESSARY ROUGHNESS**—Either before, during or following a match, intentional striking, gouging, kicking, hair pulling, butting, elbowing, biting or any intentional act which endangers life or limb.

**UNSPORTSMANLIKE CONDUCT**—When a wrestler is unnecessarily rough or abusive in his conduct, the referee can deduct one point from the team score for unsportsmanlike conduct.

---

**Miscellaneous Information**

**MAT SIZE**—The collegiate wrestling mat measures 40 feet square. It consists of three circles, the smallest measuring one meter across, used for the start of the match. A larger circle measures 10 feet across and the largest, indicating out of bounds, is 34 feet across.

**WEIGHT CLASSES**—There are ten weight classes in an intercollegiate wrestling meet. They are 118, 126, 134, 142, 150, 158, 167, 177, 190 and heavyweight.

**HEAVYWEIGHT LIMITS**—A heavyweight contestant must weight no less than 177 or no more than 275 pounds.

**TIME OF MATCH**—A collegiate wrestling match is divided into three periods. The first is three minutes in length while the last two are two minutes each in length.

**STARTING POSITION**—The first period begins with both wrestlers in a standing neutral position. The second period begins with one wrestler given the option to determine whether both wrestlers are standing, he is in the down position or in a defensive position. In the third period, the other is given the option of determining positions. A coin flip before the match determines who receives the second period choice.

**OVERTIME**—Used in tournaments only when the contestants are tied at the end of three regular periods. The contestants wrestle a sudden-death overtime period a maximum of two minutes in length, with no rest between the regular match and overtime. The sudden-death period begins with both wrestlers in a neutral position. The wrestler who scores the first point(s) is declared the winner. If no winner has been declared at the end of the overtime, a 30-second tie breaker is wrestled. A coin flip determines which wrestler has the choice of starting position. The wrestler who scores the first point(s) during the tie breaker is declared the winner. If no scoring occurs in 30 seconds, the offensive wrestler is declared the winner.

For 116 years, the University of Northern Iowa has emphasized outstanding undergraduate education, with complementary graduate programs at the master's, specialist's and doctoral levels. Building on its historic strength in teacher education, the University has developed a number of outstanding programs in business, natural sciences, humanities and fine arts, and social and behavioral sciences. Enrollment stands at approximately 13,200 students from every county in Iowa, 36 states and 44 countries.

Considered a long-time leader in the field of teacher education, Northern Iowa has implemented several programs that continue this tradition of excellence. UNI's Regent's Center for Early Developmental Education is a leading setting for research and training in the education of young children.

The College of Business Administration has become the largest undergraduate business school in Iowa. The College's Department of Accounting is ranked among the 10 best in the country by educators and accounting professionals. In a national survey of 400 accounting faculty, Northern Iowa ranked as one of their top programs. UNI's accounting graduates continue the tradition of scoring well on the CPA exam. UNI has an average pass rate of 65 percent, compared to the national pass rate of 20 percent. All seven of Iowa's national accountancy award winners in 1990 were graduates of Northern Iowa.

UNI was ranked seventh among the top 15 colleges and universities in the Midwest in U.S. News and World Report's 1991 America's Best Colleges Book. U.S. News also ranked UNI second among "Best Buys".

Realizing the value of a liberal arts education, UNI has implemented a rigorous general education curriculum that equips students with a broad understanding and knowledge of how to apply and acquire new information throughout life.

Northern Iowa is a university that values teaching. That means faculty members rather than teaching assistants (graduate students) teach in the classroom. It also means the opportunity to work with faculty members on research and other scholarly activities as an undergraduate student. Small classes enable the University to foster one-to-one working relationships between faculty and students. Nearly 90 percent of UNI's classes have 50 or fewer students.

Northern Iowa's heritage and philosophy place great value on providing a student-centered educational experience. The University nurtures a premier learning environment—it is small enough to offer its students individualized attention, yet large enough to provide a variety of resources and opportunities as well as a distinguished faculty.

Students enter the University well-prepared, demonstrated by their selection of high school courses and rank in class. In recent years, over 90 percent of the entering freshmen ranked in the top 50 percent of their high school classes, with about 60 percent ranking in the top 30 percent. The average undergraduate arrives at UNI with an ACT score of 23.

Northern Iowa's 19 men's and women's intercollegiate athletics programs compete at the NCAA Division I level with major conference affiliations. The Panthers boast a nationally recognized coaching staff to maintain consistently competitive programs.

The Northern Iowa campus combines the grandeur of early 1900s architecture with striking, modern building designs that have characterized an impressive growth period over the past dozen years. The attractive, park-like campus contains more than 40 major buildings on 861 acres, yet is compact enough to cross in a 10-minute walk.

UNI is located in Cedar Falls, an inviting and historic community of about 35,000 people. Together with the adjacent city of Waterloo, the metropolitan area has a culturally diverse population of 115,000 and combines big city opportunities with small town friendliness. Cedar Falls/Waterloo is a center for industry, finance, commerce, recreation and cultural activities for northeast Iowa.

Northern Iowa was founded in 1876 and is one of three state-assisted universities administered by the Iowa State Board of Regents. Additional private support is provided by the UNI Foundation and Northern Iowa Alumni Association, representing more than 60,000 alumni in the United States and other countries.
