## Experienced Team Steps Into Valley

The time is now for the 1993 Northern Iowa Panther softball team. After improving from 24-40 to 29-24-1 last year, the sky is the limit for the squad, head coach Meredith Bakley said.

UNI enters the Missouri Valley Conference this year after competing in the Gateway Conference in its first 10 years of Division I play. The change is small with the composition of teams much the same — Western and

Eastern Illinois are no longer included, while Creighton and Tulsa have been added. The Valley does not have an automatic bid to the NCAA Tournament as the Gateway did, but features some of the midwest's best softball teams.

Depth and experience will be in abundance as the Panthers return all but one starter — all-Gateway catcher Vicki White. UNI features nine players (one sophomore, four juniors and four seniors) that started in at least 34 games last year.

---

## Chipp Leads Explosive Offense

Senior Deena Chipp, a two-time all-Gateway selection, leads an offense that rewrote the UNI record book last year. She holds UNI Division I season and career marks for home runs, batting average and slugging percentage, along with the career marks for steals.

Chipp teamed with juniors Karen Vande Voort and Heather Daters to post UNI's top three Division I batting averages last year with marks of .390, .363 and .354, respectively. They helped the team post records for batting average (.293) and runs per game (4.67). Seniors Connie Fangmann (.285), Laura Novotny (.284) and Jennifer Peters (.250) also posted career-best batting marks last year. Novotny was third in the nation, belting a school-record 11 triples for a 0.24 per game mark. Fangmann's 22 RBI were easily a career best and Peters is an effective number two batter, displaying deft bunting ability (13 sacrifices last fall) and speed with a school-record 19 steals last year.

---

## Defense Improved With Addition of Weber and Keiper

Two freshmen will be thrown into battle from the start this spring. Great defense starts with the pitching and shortstop positions, which is right where freshman Kandy Keiper and Stacy Weber fit into the 1993 season.

Keiper showed the step up in competition was no problem with her 5-1 record and 0.92 ERA during the fall exhibition season. The Iowa all-stater allowed only 31 hits in 45 2/3 innings during the exhibition season (4.8 hits per game).

Weber is also an Iowa all-stater and a complete player. She hit .304 during the fall, starting 16 of UNI's 19 games. Her 12 RBIs topped the team. Weber's speed and hitting only add to an already potent offense, but her quickness and glove work will fill a sore spot from the 1992 season, Bakley said.

*"They will be tremendous players for us for many years."*

"We had two weaknesses last season that really hurt," Bakley said. "Our infield defense was weak and we didn't have depth in our pitching staff. We went after Kandy and Stacy and things worked out very well for us. They will be tremendous players for us for many years."

Keiper joins veterans Dana Happel and Desiree Bebout to round out a solid pitching staff. Bebout has been a mainstay for UNI already, totaling 30 wins during her first two seasons. She is pace to become UNI's winningest pitcher, a mark held by Sarah O'Byrne (1987-90) with 60. Happel, a starter last year, may be pushed into a relief role. She could also see action as a utility player. "We will start the spring with a three-pitcher rotation, but when we get into conference games we'll go with the top two," Bakley said.

At the other end of UNI's battery is Vande Voort and Jennifer Zbornik, a shortstop last year. Vande Voort will start, but may also see time at third base. While filling in for an injured Vande Voort during the fall, Zbornik hit .395, belting five doubles and driving in 10 runs. She ended the fall with a seven-game hitting streak. Zbornik is a likely candidate for designated player duties.

"We are very fortunate to have two outstanding catchers," Bakley said. "Karen is a stronger thrower, but Jen is such a good all-around player we need her in the lineup somewhere."

Rounding out the infield is first baseman Amy Hendrickson, Novotny at second base and Fangmann at third. Hendrickson is a two-year starter, while Novotny and Fangmann have started in various positions for three years.

---

## Outfield Full of Talent, Experience

---

The Panthers claim one of the best outfields in the midwest, going into 1993 returning their top four players. Daters, Chipp, Peters and sophomore Kristal Ward (.263, 34 starts) comprise a quartet that will rotate starts this spring. The foursome rotated outfield and designated player duties last year until Ward was hit by a pitch that broke her wrist.

"Offensively, they all have excelled in different areas," Bakley said. "Heather is our long-ball threat, Deena can do anything — bunt, hit for power or average," Bakley said. "Jennifer is an excellent bunter with good speed and Kristal is a great contact hitter."

"We have good speed in the outfield, we don't make errors and they all have good arms for throwing out runners at home," Bakley said. "The outfield is definitely our strength."

## Head Coach Meredith Bakley

---

Meredith Bakley is in her 15th year heading the Northern Iowa softball program. During her tenure, she has an AIAW Division II National Championship to her credit, leading the Panthers to the title in 1982, and a berth in the NCAA Division I Championships in 1990 after her team won the Gateway Conference Tournament. She also recorded a 22-10 record her first year at UNI en route to a second-place finish in the AIAW State Tournament, the same year the team finished sixth at the regional championship. In all, her UNI teams have posted above .500 records in 11 of 14 seasons.

Bakley has compiled a 394-319-3 record since her arrival in Cedar Falls in 1979 and has guided her teams to 29 or more wins eight times. Her philosophy of playing against the best competition available has seen the Panthers face a steady diet of the nation's top-ranked teams.

A graduate of Black Hills State College in Spearfish, SD, Bakley received her master's degree from Colorado State University in 1974. She has completed hours toward her doctorate from the University of Iowa and Northern Colorado.

Bakley was an instructor at Valley State College in Valley City, ND, where she was head basketball and softball coach before coming to UNI. Her Valley City softball team placed second in the state in 1978. Her career collegiate coaching record is 453-353-3.

---

## Assistant/Pitching Coach Dr. Gene Bruhn

---

Dr. Gene Bruhn begins his 11th season as the only assistant coach the Panthers have ever had. Dr. Bruhn has handled Northern Iowa pitching staffs that have been consistently among the best-in the conference since his arrival. Included on those staffs have been all-conference hurlers such as Krista Fosbinder and Sarah O'Byrne.

Bruhn currently is a practicing chiropractor in Clarksville. He studied at Ellsworth Junior College two years, at Wartburg for a year and received his degree from Palmer College of Chiropractic in Davenport. Dr. Bruhn has been a top softball player in the area over 25 years.

# The Missouri Valley Conference

A commitment to excellence, both in the classroom and the athletic arena, has been a trademark of the Missouri Valley Conference since its inception in the winter of 1907. Athletic accomplishments of Missouri Valley institutions through the years have included four national basketball championships, 17 trips to the NCAA Final Four and a 1989 college baseball championship.

The 1992-93 season has been a landmark season for the Missouri Valley Conference, the oldest athletic conference west of the Mississippi

River. For the first time in the league's history, the MVC administration includes women's athletics — a league which for 85 years administered men's athletics only.

The inclusion of women's programs under the MVC administrative umbrella promises to provide an immediate boost to the league. The Gateway Collegiate Athletic Conference — which began in 1982 — merged with the Missouri Valley Conference and was unveiled as part of a new MVC on July 1, 1992. One of the strongest women's conferences in the country, the Gateway quickly built a solid reputation nationally, earning automatic qualifier status in several sports.

Last year, the Southwest Missouri State Lady Bears battled their way into the the NCAA Women's Final Four. Southern Illinois' women's basketball team also received an at-large bid into the NCAA Tournament, and Creighton's Lady Bluejays became the Western Athletic Conference regular-season and postseason champions to gain an NCAA bid. Both Southern Illinois and Creighton won first-round NCAA games.

In addition, the new MVC women's programs have been strong in other sports as well. Six

different members have participated in the NCAA softball championship, including Creighton, which made five trips and advanced all the way to the College World Series in 1986.

Northern Iowa, Southwest Missouri State and Illinois State were dominant in volleyball and bring that tradition to the MVC, as does Tulsa's golf program, competing as an independent.

The MVC sponsors the following sports: baseball, men's and women's basketball, men's and women's cross country and track (indoor and outdoor), men's and women's golf, men's soccer, softball, men's and women's tennis, and women's volleyball.

# This is Northern Iowa

---

For 115 years, the University of Northern Iowa has emphasized outstanding undergraduate education, with complementary graduate programs at the master's, specialist's and doctoral levels. Building on its historic strength in teacher education, the University has developed a number of outstanding programs in business, natural sciences, humanities and fine arts, and social and behavioral sciences. Enrollment stands at approximately 13,200 students from every county in Iowa, 36 states and 44 countries.

Considered a long-time leader in the field of teacher education, Northern Iowa has implemented several programs that continue this tradition of excellence. UNI's Regent's Center for Early Developmental Education is a leading setting for research and training in the education of young children. The Center is the only educational resource of its kind in Iowa. The University's mathematics and science education programs have been recognized as among the best in the country.

The College of Business Administration has become the largest undergraduate business school in Iowa. The College's Department of Accounting is ranked among the 10 best in the country by educators and accounting professionals. In a national survey of 400 accounting faculty, Northern

Iowa ranked as one of their top programs. UNI's accounting graduates continue the tradition of scoring well on the CPA exam. UNI has an average pass rate of 65 percent, compared to the national pass rate of 20 percent. All seven of Iowa's national accountancy award winners in 1990 were graduates of Northern Iowa.

UNI was ranked seventh among the top 15 colleges and universities in the Midwest in U.S. News and World Report's 1991 American's Best Colleges Book. U.S. News also ranked UNI second among "Best Buys".

Realizing the value of a liberal arts education, UNI has implemented a rigorous general education curriculum that equips
