**FOR IMMEDIATE RELEASE 10/14/93**

### **UNI RECOMMENDED TO HOST '97 NCAA WRESTLING**

**CEDAR FALLS** — Northern Iowa athletic officials announced Thursday (Oct. 14) the NCAA Wrestling Committee's recommendation that the University host the 1997 NCAA Division I Wrestling Championships. University of Athletics Chris Ritrievi said he received written notification of the Committee's decision Wednesday from Harley Lewis, Assistant Director of Championships at the NCAA.

In his letter, Lewis said the NCAA Executive Committee will act on the Championships at the NCAA. recommendation during its December meeting and the University will notified of the decision as soon as possible. Although Northern Iowa's hosting of the event is contingent upon Executive Committee approval, said it is very rare that such a recommendation is overturned.

The Championships are slated to be held Thursday through Saturday, March 13-15, 1997, in the UNI-Dome, the University's 16,400-seat athletic facility.

"We are pleased and honored to be recommended as the site for the Championships," Ritrievi said. "The Committee's recommendation speaks volumes about the growth of our athletic department, the University and the Cedar Falls/Waterloo community."

Panther head coach Don Briggs is equally excited about the prospect of the national tournament coming to the UNI-Dome. "It helps set the goals we have in mind for our program," said Briggs. "It helps set the a little clearer when the Nationals are at home. We've brought their goals to them and set them right in front of their faces."

Northern Iowa, then known as Iowa State Teachers College, hosted and won the 1950 NCAA Championships, making it one of only nine institutions to win the crown. The program then joined the Division II ranks, or the College Division as it was known then, in 1962 and hosted that national tournament four times — 1963, '64, '77 and '78.

The University has hosted numerous NCAA Regional Wrestling Championships, along with the Division II and III Gymnastics Championships in 1976 and the AIAW Indoor Track and Field Championships in 1982.

# 1993-94 Outlook

by Kevin Evans, Sports Editor  
Waterloo Courier

**I**nexperience. It's a word that comes up frequently when Panther coach Don Briggs talks about the 1993-94 season.

And it's no wonder. The 10 wrestlers who are no longer with the program since just last year represent 494 career wins for the Panthers.

Regulars at five of the weights alone that graduated accounted for 364 victories.

"Inexperience—that will be the whole weakness of our team," said Briggs, starting his 12th year at the helm of UNI's wrestling program.

"We have to have some guys mature really fast if this team is going to be what we want it to be—a team in the top 10 in the nation.

"That's our goal, to get back up to the top 10 in the country."

If that is to happen, the Panthers will likely have to ride on the back of four individuals.

Justin Greenlee, Dave Malecek, Nate Hartle and Andy Showalter are the foundation around which Briggs will build this Panther team.

Greenlee is a returning All-American, Malecek has been to the NCAA three times, Showalter twice and Hartle once.

"I see this as a year where those guys carry this team—point-wise," said Briggs. "Malecek and Greenlee—I expect those two to be in the NCAA finals. Showalter certainly has the capability as well, and Nate Hartle should be an All-American this year."

After those four the lineup will be laced with talented, yet inexperienced wrestlers. It's even possible a couple of true freshmen could break into the lineup, though Briggs hopes that won't happen.

When Malecek, Showalter and Doug Kjeldgaard were freshmen, they were part of what was thought to be the best class of freshmen ever at UNI. But some of those freshmen didn't hang around long enough to become seniors and that leaves open the possibility of some youngsters moving into the lineup.

Ironically, Briggs thinks this year's group of newcomers may be even a little better.

*"That's our goal, to get back up to the top 10 in the country."*

"From what I've seen early on, this could be a little bit better group," said Briggs of a group that includes 14 wrestlers. "When those guys came in earlier there was almost a party-type atmosphere as opposed to the hard work ethic I've seen from this group."

Some of the freshmen will have a shot at replacing the likes of Brad Bruhl, Burke Tyree, Scott Hassel, Jamie Byrne and Steve Hartle, holder of 364 wins as a group.

**A**s the Panthers begin work, here is the way Briggs sees his lineup:

**118 pounds:** With Bruhl and Tyree gone, there will be a new face here. Redshirt freshmen Scott Murray and Brent Paulsen are the most likely.

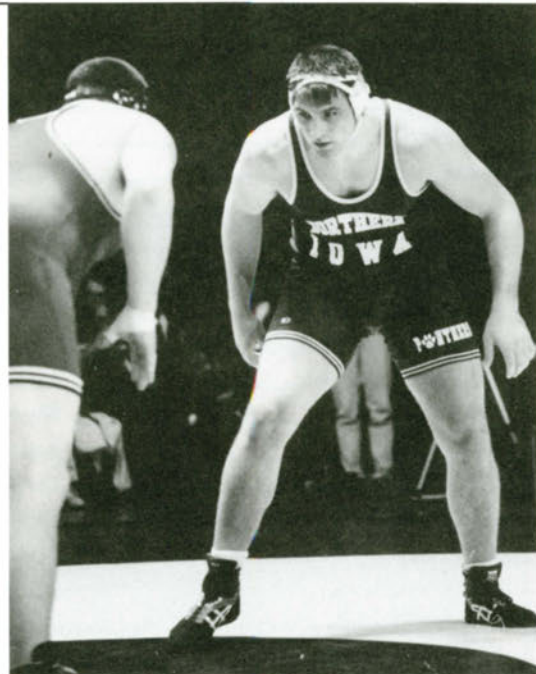

"Murray will have to cut a lot of weight," said Briggs. "That's the big question there. He's the toughest right now."

**126 pounds:** Andy Showalter should win the job if he elects to cut down and stay there. "If he does, he's the guy," said Briggs. "He is head and shoulders ahead of everyone else. He's showing more maturity and more mental toughness than ever before. And the thing I'm impressed with is he's showing leadership he hasn't before."

If Showalter elects to go to 134, Murray could move in. Another possibility is true freshman Ryan Kutz.

**134 pounds:** Briggs doesn't even rule out Murray at this weight. "Don't count him out," he said. Showalter also is a possibility. If not one of those two, it could be redshirt freshman Dusty Rhodes or veterans Doug Black or Troy Bennett.

"Both have a lot of talent," said Briggs. "Black is one of the hardest workers we have on the team. Bennett has a great attitude and is a hard-nosed kid."

Justin Greenlee

**142 pounds:** "Hartle without a doubt is the main person," Briggs said. "He's going to stand out."

A challenge could come from senior Brian Raymon.

**150 pounds:** Briggs is hoping Doug Kjeldgaard will make it here.

"If he gets his weight under control, 150 is his spot. I think he will be able to get it done. He had a year of varsity competition last season and that should help him a lot."

If Kjeldgaard doesn't make it, redshirt freshman Dan Sperry or true freshman Chris Bahr could battle it out.

**158 pounds:** Briggs hopes a big question here is answered by sophomore Sean Scarbrough.

"I think he has the capability of being the solid 158-pounder for us this year," said Briggs. Scarbrough sat out last season after having a tumor removed from his spine, so it's been two years since he has wrestled much competitively.

Challenging will be redshirt freshman Dan Kjeldgaard, Doug's younger brother.

**167 pounds:** Jason Wedgbury returns after wrestling in 13 duals as a freshman. He could get a challenge from true freshman Ryan Cummings.

# 1993-94 Outlook

**177 pounds:** Shawn Pippert transferred to UNI when Drake dropped its program and is the leading candidate. His main challenge will come from true freshman Robert Army.

**190 pounds:** Malecek. That's it, unless something unforeseen happens. He will be backed up by freshman Ben Barton, who would wrestle only if Malecek had a season-ending injury.

**Heavyweight:** Greenlee is all alone. But being a returning All-American and with a highly successful summer behind him, he looks ready for great things.

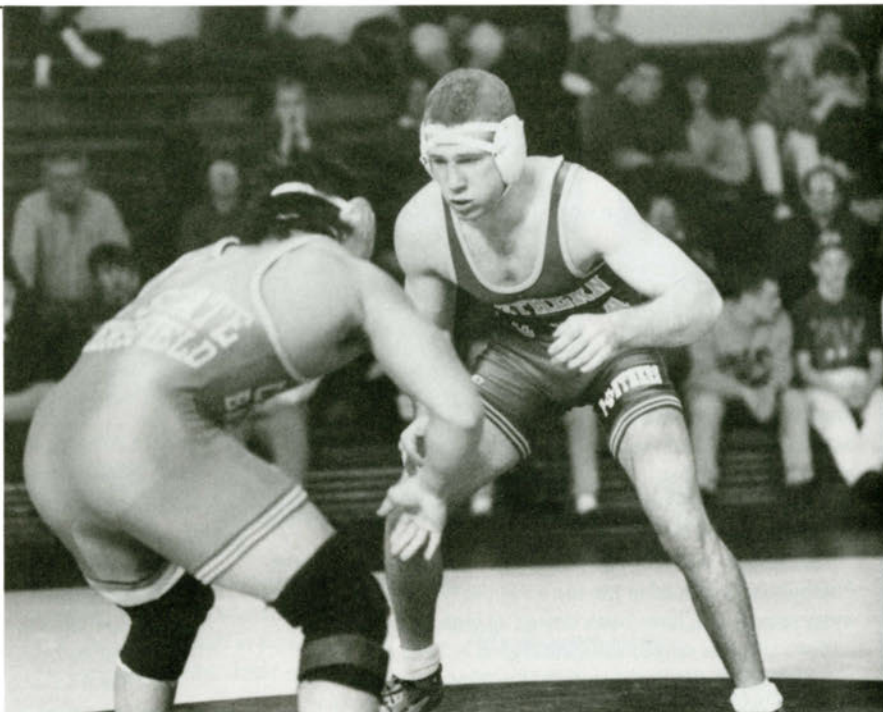

"That was just a stepping stone for him," said Briggs of Greenlee's eighth-place NCAA finish. "Getting second in a tournament in Italy, winning the Pan-Am Games and the Olympic Festival have given him a ton of confidence. You can see it in the way he walks. He's just a much more confident person."

Briggs would like to hold the entire freshman class out, but it's unlikely to be a luxury he will have.

"I think we are going to have to use some of them," he said. "Kutz, Bahr and either Cummings or Army could be called on."

The veteran Panther coach knows the entire season will be a learning and growing experience for many of his wrestlers.

Dave Malecek

Nate Hartle

"I'm looking for a lot of blooming to take place on the team with the direction and guidance obviously of the coaches, but also from Malecek, Showalter, Hartle and Greenlee," he said.

"We have got to shoot for the top 10, but realistically, without a doubt the top 15. You know, if two or three guys shine for you, you could end up in the top 10."

**B**riggs knows it's a big hill the Panthers are trying to climb without many experienced climbers.

"I'm more excited this year than I have been in past years," he said. "We won't make the top 20 rankings early in the year, but that's fine with me. I wouldn't want to start off ranked too high."

## Head Coach Don Briggs

The 1993-94 season marks the 12th year of the Don Briggs era of Northern Iowa wrestling, a period that has been marked by consistently competitive and winning teams.

Only the sixth head coach in school history, Briggs' accomplishments as the Panther head man are quite impressive, although one could never get him to admit it.

But Briggs' record speaks for itself. Under his direction the Panthers have placed in the top 25 at the NCAA Championships every season and have been ranked as high as fourth in the nation. UNI was ranked fifth and eighth in 1988 and 1989, respectively, in the final Amateur Wrestling News poll. The Panthers equalled their best finish at the NCAA Division I Championships in 1992 by finishing 10th, matching the finish of Briggs' first season in 1983 when he was voted National Rookie Coach of the Year by his peers. He has led Northern Iowa to eight consecutive NCAA Regional titles with his other three teams placing second.

During his tenure, he has posted a 143-60 record, making him the second winningest coach in school history and giving him more victories at the NCAA Division I level than any of his predecessors. Since first joining the UNI staff as a graduate assistant in 1974, Briggs has coached 48 NCAA All-Americans and 14 national champions.

Highly respected among his peers, Briggs has won eight consecutive NCAA West Regional Coach of the Year awards and served a two-year term as president of the National Wrestling Coaches Association from 1988-90.

All eleven of Briggs' teams have had winning records, only two below a .600 winning percentage, and his .704 career

percentage ranks him among the nation's elite. He has accomplished that feat while sticking to his philosophy of competing against the best collegiate wrestling has to offer.

Before being named head coach in 1982, Briggs served as an assistant to long-time head coach Chuck Patten for seven seasons and as a graduate assistant one year.

A native of Cedar Rapids, IA, Briggs graduated from Jefferson High School and later received his bachelor's degree in physical education from the University of Iowa in 1971. While wrestling for the Hawkeyes, he placed fourth in the Big 10 at 134 pounds as a sophomore and third as a junior and senior. He was voted team captain as a senior. Although he did not compete his first year at Iowa, Briggs compiled a 30-5-1 career record, posting consecutive marks of 12-2-1, 12-2 and 6-1.

Briggs served one season as assistant coach at Cedar Rapids Prairie High School before becoming a graduate assistant at UNI in 1974. He completed his graduate work with a master's degree in physical education in 1975.

Briggs is an avid hunter and fisherman in his spare time, but is best known as a skydiver. He has completed over 1,500 jumps since taking up the sport.

He and his wife, Dianna, reside in rural Cedar Falls.

## Don Briggs' Athletes in the Coaching Ranks

Since Don Briggs' arrival at UNI in 1974 under head coach Chuck Patten, he has played an important part in guiding and inspiring his student-athletes to pursue careers in teaching and coaching. Briggs has seen over 50 former pupils enter the coaching ranks since his arrival and hopes to continue the strong tradition of UNI graduates in that field.

## Assistant Coach Joel Greenlee

Joel Greenlee is in his fifth season as a Panther assistant, his third as the top aide to head coach Don Briggs. In addition to his duties in the wrestling room, Greenlee is heavily involved in recruiting and scheduling. He also directs the team's overall and individualized weight training programs and other conditioning programs.

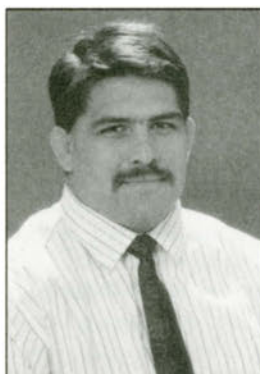

Greenlee brought impressive credentials to his new post in 1989 after concluding one of the most successful careers in Northern Iowa history. He ranks second on Northern Iowa's career victories list with 127 and his name can be found in every career and single season category in the UNI record book. Competing at heavyweight, he set the UNI standard for career dual wins with 58 and never lost a collegiate dual meet, posting a 58-0-3 mark, while his overall record of 127-16-4 gives him the top winning percentage in school history.

Greenlee was an NCAA qualifier all four seasons and earned All-America honors twice, placing fourth as a junior and second his senior year. He also competed in the National Wrestling Coaches Association All-Star Classic his final two seasons.

The Waverly, IA, native continues to wrestle competitively on the international level at 286 pounds, having been a member of the United States Freestyle Team since 1990. He has competed in the Cerro Palado Tournament in Cuba the past three years, winning the championship in 1993 after placing second and fourth the two previous years. In the past year, he has won the Cuban Grand Prix, placed second at the National Freestyle Open and third at the World Team Trials.

Greenlee toured the Soviet Union with the U.S. team in January of 1991 and competed at the Tbilisi Tournament. He also accompanied the United States Freestyle Team to the Olympic Games in Barcelona in 1992. Currently ranked third in the U.S. at heavyweight, Greenlee represents the New York Athletic Club in open competition.

He was a High School All-American at Waverly-Shell Rock (IA) High School as a senior after capping a 27-0 season with a state championship.

## Assistant Coach Chris Bollin

Former University of Oklahoma All-American Chris Bollin was appointed to the Northern Iowa staff in September as the second assistant to head coach Don Briggs.

Bollin brings an outstanding collegiate and international competitive record to his first coaching job. He placed third at 118 pounds at the 1989 NCAA Championships as a junior, and also qualified for the national meet as a sophomore and senior. He won the Big Eight title as a junior and then lost only to North Carolina's Doug Wyland in the NCAA meet, capping a 34-5-1 season.

After being ranked fifth in the nation at 126 early in the season in 1987, Bollin sustained an elbow injury which forced him to miss the remainder of the season and received a medical hardship.

He qualified for his first NCAA Tournament as a sophomore in 1987 after taking runnerup honors at the Big Eight meet and finished the season with a 23-11-1 mark.

Bollin also took second in the conference meet his senior season in 1990 and finished with a 22-4-2 mark, giving him a career slate of 85-30-3.

A native of Leavenworth, KS, he was a three-time state champion at Immaculata High, where he compiled a 114-1-1 career record and was rated the number one recruit in the nation at 112 pounds by Amateur Wrestling News.

Since receiving his bachelor's degree in communications in 1990, Bollin has continued to compete on the international level, placing third at the 1992 Olympic Trials and fourth at this

year's World Team Trials. He represents the Sunkist Kids Wrestling Club in open competition.

## Volunteer Assistant Coach Brad Bruhl

Brad Bruhl is in his first season as a volunteer assistant with the Panthers after completing his career a year ago.

Bruhl concluded his collegiate career last season with his second consecutive trip to the NCAA Tournament and a 61-23 career record, ranking him ninth on the school's career winning percentage list at .726.

The Fort Dodge, IA, native transferred to Northern Iowa in 1991 after two seasons at Iowa and immediately became the Panthers' top 118-pounder.

He compiled a 22-7 record in each of his two seasons at UNI, posting a 9-2 dual mark as a junior and 12-4 slate as a senior. He won a UNI Open, Nebraska-Omaha Open and two NCAA West Regional titles in his two years with the Panthers. He placed fourth at the 1992 Midlands.

Bruhl went 17-9 in two seasons at Iowa and finished third at the 1990 National Espoirs.

# Panther Tradition

For the past 11 years, Northern Iowa head coach Don Briggs and his staff have proudly carried on the rich tradition which has placed the Panthers among the elite in collegiate wrestling since The Great Depression. Since Coach Paul Bender sent his first team to the mat representing Iowa State Teachers College in 1923, the Panthers have rolled up 559 victories and a .702 winning percentage in 812 dual meets and have had only eight losing seasons in seven decades.

When the subject of national championships is brought up, Northern Iowa takes a back seat to very few. The University is one of just nine institutions in history to capture the NCAA Division I Championships, accomplishing that feat in 1950. In the school's 18-year Division II era, it won two national titles and finished third or better 12 times.

Individually, only six institutions boast more Division I national champions than UNI's 20. In all, the Panthers have crowned 42 national champions through the years and an additional 124 All-Americans.

Only six coaches have guided the Panthers in 69 seasons of intercollegiate competition, winningest being Chuck

1950 NCAA Champions

Patten, whose teams compiled a 217-87-8 record in 18 seasons.

Dave McCuskey enjoyed the longest reign—20 seasons—and led Iowa State Teachers College to the national championship in 1950 on his way to 102 victories and a .754 winning percentage.

Wrestling legend Bill Koll began his successful coaching career at his alma mater, guiding the Panthers for 11 seasons in the '50s and early '60s.

And Don Briggs has led UNI back into the Division I ranks with top 20

NCAA finishes 10 times in the last 11 years. He has coached 23 All-Americans and racked up more Division I wins than any coach in school history with 143.

When Bender fielded that first team, little did anyone know it would be the first step toward building one of the most successful traditions in Iowa sports and eventually bring the school more recognition and attention than any in its history.

It would be several years before ISTC, as it was known then, would begin the climb to the pinnacle it would someday reach, but the colorful story which decorates the years since has no equal in Northern Iowa sports annals.

### The Pre-World War II Years

Bender guided the first squad to a victory over Cornell in its only meet of the season and posted an 18-9 mark during his eight-year stint. That tenure included only one losing season and victories over Oklahoma, Cornell and Wisconsin. The program was still in the development stage, however, with little national recognition and no All-Americans.

In 1930, Bender was appointed dean of men at the institution and turned over the reins to the man who built one of the greatest mat powerhouses in

# Panther Tradition

history. Dave McCuskey would compile a 102-31-7 mark, guide the Panthers to an NCAA title, four runnerup finishes and coach nine wrestlers to a total of 16 NCAA titles.

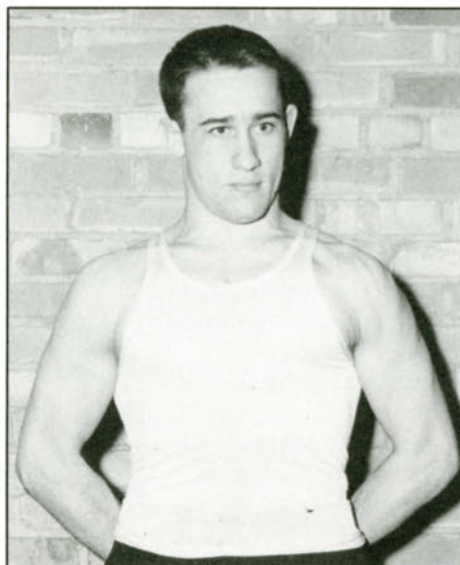

The first of many significant years for ISTC was 1931. It was the year McCuskey graduated and accepted the wrestling post, and also was the season which saw the school crown its first NCAA placewinners. Jesse Arends took second in the 118-pound class while teammate Orville Orr placed third at 155 pounds and Finn Eriksen finished fourth at 135. Despite a 3-2-1 record, McCuskey's matmen achieved their first national finish with a seventh-place tie in 1934.

The next milestone came in 1937 when the Panthers claimed their first individual NCAA title as Ray Cheney took the 135-pound championship and led the team to a third-place finish. ISTC placed no higher than eighth from '37 to the time when World War II forced the cancellation of the national meet in 1944-45. However, when the layoff ended in 1946, ISTC thrust itself into the national wrestling limelight for decades to come.

## The Golden Era

The end of the war came in 1946 and with it the return of thousands of servicemen to colleges throughout the United States. It also was the year of the Panther. Gerald Leeman became a national champion at 128 pounds and won MVP honors at the national tournament. Cecil Mott also won a title at 121 pounds as McCuskey's squad finished second in the team competition.

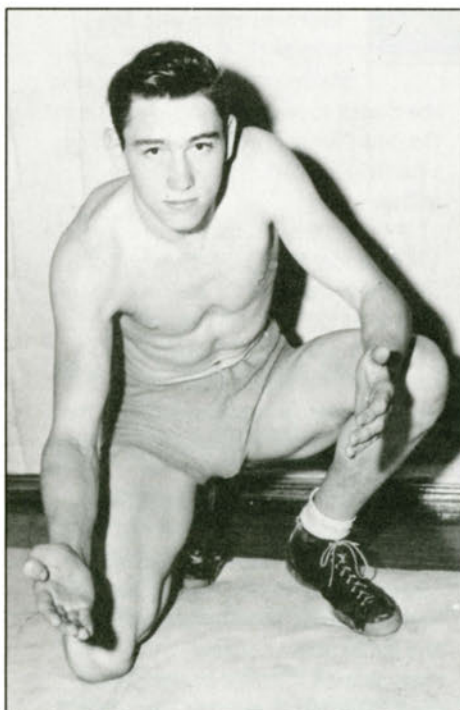

A veteran of D-Day and the Battle of the Bulge named Bill Koll also won an NCAA title for ISTC and completed the first leg of one of the most amazing careers in wrestling history. Koll (145), Russ Bush (128) and Bill Nelson (165) took titles the following year with Koll becoming the second Panther in as many seasons to take home the MVP award. ISTC could not improve on its second-place finish that year, though, and dropped to fourth in 1948 with Koll being named the tournament MVP the second consecutive year.

Bill Nelson

Koll capped his brilliant career with his third title and a 72-0 career mark; he was taken down only once in three seasons. The Panthers were national AAU champions in 1949 and NCAA runnersup with Nelson earning his second title at 155 with Bill Smith (165) and Keith Young (145) taking their first championships.

McCuskey had to wait 20 years, but

his dream of a national championship came true in 1950. Iowa State Teachers College hosted the NCAA tourney in the Men's Gym that year and delighted the hometown fans by running away with the team crown. That 1950 squad generally is regarded as one of the top collegiate teams of all-time.

After breezing to an 11-0 record in which none of the opponents reached double figures, and taking the AAU national championship, ISTC racked up enough points in the semifinals to walk away with the championship. Nelson took his third crown at 155 with Young, at 145, and Smith, at 165, each winning their second. Other Panther placewinners were Frank Altman (121), Luverne Klar (128), Floyd Oglesby (136) and Fred Stoeker (HWT).

Young became ISTC's third three-time national champion in 1951 and Gene Lybbert placed third at 130 pounds en route to a team fourth-place finish.

The McCuskey era ended in 1952 when the long-time mentor resigned to accept the head coaching position at the University of Iowa. Lybbert (130) and Bill Weick (157) won NCAA titles that year, leading the squad to a runnerup finish, and capping a six-year span (1947-52) in which ISTC compiled a 53-4-3 dual mark, claimed three straight outstanding wrestler awards in the NCAA meet, won 16 individual national championships, two national AAU crowns, one NCAA title and four second-place finishes.

## The Move to Division II

Koll took over for McCuskey in 1953 and guided the Panthers to fourth place. During his 11-year tenure, ISTC had three more individual national

champs and went 71-42-6. Jim Harmon won at 157 pounds in 1953, Weick returned in 1955 to win at 157, and Bill Dotson became the school's only NCAA champion in Division I and Division II in 1963.

Patten was named the school's fifth head coach in 1965 and for the next 18 years led the Panthers to dominance in Division II. His 217 victories signifies him as the winningest coach in school history. Patten coached 58 athletes to All-America status, 16 to national titles. His 1975 and '78 teams were Division II national champions, with the '70, '72, '74 and '80 squads claiming second place. His teams placed in the top three in 11 of the 18 seasons he was at the helm.

Kirk Myers (190) and Gary Bentrin (142, 158) were three-time national champs for Patten, while Don Parker (177), Kent Osboe (HWT), Jim Miller (134) and Ken Snyder (142) were two-time winners.

Myers capped his career with a fifth-place Division I finish in 1982. He is the only Panther to win 30 or more matches in all four years of competition, and his 134 victories ties him for the most in any division in school history.

Mike McCready, the 1972 national heavyweight champion, also took the gold medal at the 1975 Pan American Games and went on to become Iowa's most successful Greco-Roman wrestler with seven titles to his credit.

## Back to Division I

Patten retired from coaching in 1982 and Briggs, his long-time assistant, took over as UNI stepped up to NCAA Division I competition. Briggs led the Panthers to 10th and 11th-place finishes his first two seasons and has kept his teams near the top 10 since.

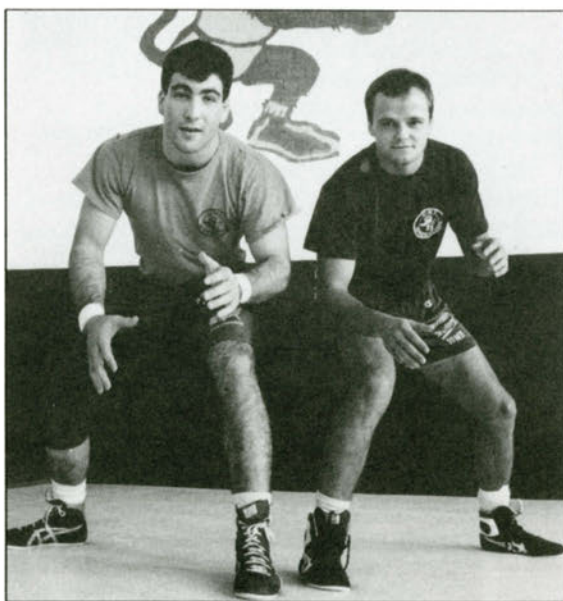

Along the way, some of the best and most exciting wrestlers to don the Purple and Gold have called the West Gym, known as the Men's Gym until 1980, home.

Joel Greenlee, Rich Powers and Mark Schwab are just some of the names and All-Americans Briggs has recruited and coached.

Greenlee was a two-time All-American at heavyweight who finished second in 1989 and compiled the highest winning percentage in modern school history with a 127-16-4 mark (.878). His 44-2 mark in 1989 also is the best single-season record in modern school history. Greenlee, along with Bob Hallman (118) and Gary Steffensmeier (150) have come the closest to winning a national title in the new Division I era, all three gaining a berth in the national final before falling.

Another great in the Briggs era was 118-pounder Mark Schwab, who holds the school standard for wins in a season with 49 in 1985-86. Unfortunately, Schwab's career was hampered by a knee injury his sophomore season, but when healthy, he was undoubtedly the best at his weight in the nation and one of the finest in the world.

The duo of Rich Powers and Gary Steffensmeier came along in 1988 and thrilled UNI fans with amazingly similar careers through 1992. During that time, each captured three All-America honors and flirted with a national championship. Steffensmeier gained the 1990 NCAA final at 150 pounds and

Rich Powers and Gary Steffensmeier

was ranked first in the nation for a time as a junior while Powers entered the 1992 national tournament favored to win at 177 pounds before falling in the semifinals. Each also appeared in the NWCA All-Star meet. When they ended their careers together in 1992, Powers had the most wins in Division I in UNI history with 134 and Steffensmeier ranked fourth with 115.

The Panthers have dominated the NCAA West Regional for the past decade, claiming the team title the past eight years and finishing second the three years before that.

The future promises nothing but continued success as Briggs and his staff face the final years of the century. One of the best recruiting classes in UNI history has just arrived on campus and, almost 50 years after first hosting the NCAA Championships, the University will once again have the opportunity to play host to the best in collegiate wrestling in 1997 when it will be the site of the NCAA Division I Championships.

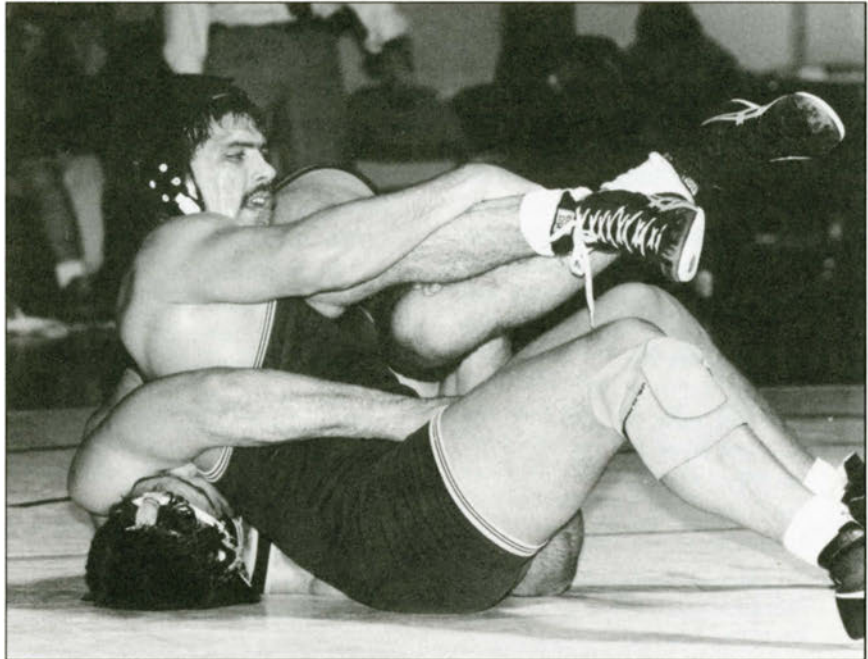

Armed with that young talent and the prospect of having the national championships in Cedar Falls, it would seem all the essentials are there for Northern Iowa wrestling to meet the challenges and opportunities of the years to come.

## Ed Ewoldt Scholarship

In January of 1992, Northern Iowa officials announced the establishment of the Ed Ewoldt Wrestling Scholarship, the first fully-endowed scholarship in the history of the University's athletics program.

The scholarship was made possible by a \$120,000 gift to the Northern Iowa Foundation by Ron Magruder of Orlando, Florida. Each year, beginning with the 1992-93 academic year, the Panther wrestling program has awarded a full scholarship from the interest generated by the gift.

Ewoldt began attending UNI, then known as Iowa State Teachers College, in 1948 and graduated in 1954, competing on the wrestling team his last two years. He went on to teach and coach at West Central-Maynard (IA) High School from 1955-58 and Wheaton (IL) Central High School, where he coached Magruder, from 1959-88.

"Ed has had a tremendous impact on my life," Magruder said, "and has helped me get where I am today. This is my way of thanking him for being a great teacher, mentor and friend."

Magruder is the president of Olive Garden Restaurants, which has more than 300 locations throughout the nation, and serves on the Florida Citrus Bowl Committee, the Business Advisory Council at the University of Mississippi and the Foundation Board at the University of Central Florida.

The recipient of the Ed Ewoldt Scholarship for the first two years has been Panther junior Justin Greenlee, a heavyweight who earned All-America honors last season and compiled a 32-12 record.

# This is Northern Iowa

**A** campus-wide commitment to great teaching lies at the heart of the University of Northern Iowa's reputation for providing exceptional undergraduate education, as well as complementary programs at the master's, specialist's and doctoral levels. Building on its historic strength in teacher education, the University has developed a number of outstanding programs in business, natural sciences, humanities and fine arts, and social and behavioral sciences.

Northern Iowa prides itself on providing a student-centered educational experience. The University's medium size allows it to offer the faculty, facilities and academic choices of a major university, while retaining a friendly, small college atmosphere. Small classes enable the University to foster one-on-one working relationships between faculty and students. More than 90 percent of UNI's classes have 50 or fewer students.

**S**tudents enter the University well-prepared, demonstrated by their selection of high school courses and rank in class. In recent years, over 90 percent of the entering freshmen ranked in the top 50 percent of their high school classes, with about 60 percent ranking in the top 30 percent. The average undergraduate arrives at UNI with an ACT score of 23.

*U.S. News and World Report* has recognized the University by ranking it seventh among the top 15 colleges and universities and second among best buys in the Midwest Region in its *America's Best Colleges Book*. It also recognized Northern Iowa as one of two "up-and-coming" Midwest regional universities.

The College of Business Administration has

become the largest undergraduate business school in Iowa. The College's Department of Accounting is ranked among the 10 best in the country by educators and accounting professionals. In a national survey of 400 accounting faculty, Northern Iowa ranked as one of their top programs.

**C**onsidered a long-time leader in the field of teacher education, UNI has implemented several programs that continue this tradition of excellence. The Regents' Center for Early Developmental Education is a leading setting for research and training in the education of young children. The Center is the only educational resource of its kind in Iowa.

Northern Iowa's 19 men's and women's intercollegiate athletics programs compete at the NCAA Division I level with major conference affiliations. The Panthers boast a nationally recognized coaching staff to maintain consistently competitive programs.

The Northern Iowa campus combines the grandeur of early 1900s architecture with striking,

modern building designs that have characterized an impressive growth period over the past dozen years. The attractive, park-like campus contains more than 40 major buildings on 861 acres, yet is compact enough to cross in a 10-minute walk.

UNI is located in Cedar Falls, an inviting and historic community of about 35,000 people. Together with the adjacent city of Waterloo, the metropolitan area has a culturally diverse population of 115,000 and combines big city opportunities with small town friendliness. Cedar Falls/Waterloo is a center for industry, finance, commerce, recreation and cultural activities for northeast Iowa.

**T**he University was founded in 1876 and is one of three state-assisted universities administered by the Iowa State Board of Regents. Additional private support is provided by the UNI Foundation and Northern Iowa Alumni Association, representing more than 65,000 alumni in the United States and other countries.
