## Student Emergency Fund

The <u>Student Emergency Fund</u> assists University of Northern Iowa students by providing limited emergency financial assistance to currently enrolled students who are unable to meet immediate, essential expenses due to an unexpected emergency. Examples of unexpected emergency situations include accidents, illness, death of a family member, fire damage, or the need for temporary housing.

Priority will be given to students whose tenure at the university may be at risk because of said expenses.

## **Rowe Scholarship Fund**

As part of the efforts of the Secretariat for Integral Development of the OAS to help mitigate the impact of the COVID-19 pandemic, the <u>Rowe Fund</u> is offering **\$2,000 scholarships** to international students from Latin American and Caribbean countries currently completing their studies in the United States. Learn more here and share.

#### **IMMIGRATION**

## **Maintaining US Immigration Status**

International students are responsible for maintaining their U.S. immigration statuses, and an important part of this is always having a valid, unexpired I-20 or DS-2019 form. We recommend that F-1 students check the "Program of Study" section near the center of their I-20 forms once per month to make sure they do not study past the program end date indicated in that section. J-1 students should always be aware of their DS-2019 form validity dates in section 3. Page 3 of all I-20 forms specifies that "If you cannot complete the educational program by the program end date on page 1 of your Form I-20, you should contact your DSO at least 15 days before program end date to request an extension." Ross Schupbach is your Principal DSO, and he is always happy to help when students need extensions.
