Student Emergency Fund

The [Student Emergency Fund](#) assists University of Northern Iowa students by providing limited emergency financial assistance to currently enrolled students who are unable to meet immediate, essential expenses due to an unexpected emergency. Examples of unexpected emergency situations include accidents,

illness, death of a family member, fire damage, or the need for temporary housing. Priority will be given to students whose tenure at the university may be at risk because of said expenses.

Rowe Scholarship Fund

As part of the efforts of the Secretariat for Integral Development of the OAS to help mitigate the impact of the COVID-19 pandemic, the [Rowe Fund](#) is offering **\$2,000 scholarships** to international students from Latin American and Caribbean countries currently completing their studies in the United States. Scams Involving International Students

A Chinese student had just arrived in California to start her Master's Degree at USC. She received a call telling her a package was stuck in customs. She knew that she was expecting a package so she didn't think this was suspicious. Unfortunately, this was a scam and they took \$43,000 from her bank account. It is more common than you may think. Never give your credit card or personal account details over the phone unless you made the call and the phone number is from a trusted source you recognize. If you think you have provided your bank account details to a scammer, contact your bank or financial institution immediately. When dealing with uninvited contacts from people or businesses, whether it's over the phone, by mail, fax, email, in person or on a social networking site, always consider the possibility that the approach may be a scam. Please contact someone at ISSO and talk through anything that sounds similar to this or suspicious in any way.

IMMIGRATION

Maintaining US Immigration Status

International students are responsible for **maintaining their U.S. immigration statuses**, and an important part of this is **always having a valid, unexpired I-20 or DS-2019 form**. We recommend that F-1 students check the "Program of Study" section near the center of their I-20 forms once per month to make sure they do not study past the program end date indicated in that section. J-1 students should

always be aware of their DS-2019 form validity dates in section 3. Page 3 of all I-20 forms specifies that "If you cannot complete the educational program by the program end date on page 1 of your Form I-20, you should contact your DSO at least 15 days before program end date to request an extension." Ross Schupbach is your Principal DSO, and he is always happy to help when students need extensions.
