MAXIMUM LOAD 12 HOURS

SUMMER QUARTER

POST SESSION August 8-12
Open to students enrolled in the regular session
and others

The post session will be two weeks in length and will permit a student to earn 3 quarter hours credit. Students may include their post session registration on the regular summer registration card, paying the extra fee at the time of regular enrollment. A student enrolled in summer school may add post session enrollment by filing a change of registration card and paying the supplementary fee not later than July 27, 1955. The fee for the post session is \$15.00.

Students not enrolled during the regular session may enroll anytime prior to July 27th; or on August 9th if they have received consent of the Registrar prior to July 27th.

The college does not guarantee the offering of the post session unless there is sufficient demand. For that reason students who do not sign up at regular registration will be asked to make an indication of intention during the second week of the summer session. Additional classes or groups could be organized during the post session if demand warranted.

The following courses are reasonably certain to materialize and are the only ones for which enrollment will be accepted prior to July 1.
