Northern Iowa WRESTLING

This is Northern Iowa

A campus-wide commitment to great teaching lies at the heart of the University of Northern Iowa's reputation for providing exceptional undergraduate education, as well as complementary programs at the master's, specialist's and doctoral levels. Building on its historic strength in teacher education, the University has developed a number of outstanding programs in business, natural sciences, humanities and fine arts, and social and behavioral sciences.

Northern Iowa prides itself on providing a student-centered educational experience. The University's medium size allows it to offer the faculty, facilities and academic choices of a major university, while retaining a friendly, small college atmosphere. Small classes enable the University to foster one-on-one working relationships between faculty and students. More than 90 percent of UNI's classes have 50 or fewer students.

Students enter the University well-prepared, demonstrated by their selection of high school courses and rank in class. In recent years, over 90 percent of the entering freshmen ranked in the top 50 percent of their high school classes, with about 60 percent ranking in the top 30 percent. The average undergraduate arrives at UNI with an ACT score of 23.

U.S. News and World Report has recognized the University by ranking it seventh among the top 15 colleges and universities and second among best buys in the Midwest Region in its America's Best Colleges Book. It also recognized Northern Iowa as one of two "up-and-coming" Midwest regional universities.

The College of Business Administration has become the largest undergraduate business school in Iowa. The College's Department of Accounting is

ranked among the 10 best in the country by educators and accounting professionals. In a national survey of 400 accounting faculty, Northern Iowa ranked as one of their top programs.

Considered a long-time leader in the field of teacher education, UNI has implemented several programs that continue this tradition of excellence. The Regents' Center for Early Developmental Education is a leading setting for research and training in the education of young children. The Center is the only educational resource of its kind in Iowa.

Northern Iowa's 19 men's and women's intercollegiate athletics programs compete at the NCAA Division I level with major conference affiliations. The Panthers boast a nationally recognized coaching staff to maintain consistently competitive programs.

The Northern Iowa campus combines the grandeur of early 1900s architecture with striking, modern building designs that

have characterized an impressive growth period over the past dozen years. The attractive, park-like campus contains more than 40 major buildings on 861 acres, yet is compact enough to cross in a 10-minute walk.

UNI is located in Cedar Falls, an inviting and historic community of about 35,000 people. Together with the adjacent city of Waterloo, the metropolitan area has a culturally diverse population of 115,000 and combines big city opportunities with small town friendliness. Cedar Falls/Waterloo is a center for industry, finance, commerce, recreation and cultural activities for northeast Iowa.

The University was founded in 1876 and is one of three state-assisted universities administered by the Iowa State Board of Regents. Additional private support is provided by the UNI Foundation and Northern Iowa Alumni Association, representing more than 65,000 alumni in the United States and other countries.

1994-95 Preview

by J.R. Ogden,
Assistant Sports Editor
Cedar Rapids Gazette

Don Briggs enters his 13th year as Northern Iowa's wrestling coach with the same enthusiasm and same expectations he did for his 12th.

And that could be good news for the Panthers.

After jumping out to a 5-1 dual start including an 18-16 win over Iowa State-Northern Iowa ended the season with six straight losses and finished 5-7, its first losing season under Briggs.

But the Panthers rebounded to win their ninth straight West Regional title and wound up 11th at the NCAA Championships with two all-Americans.

UNI enters the 1994-95 season young, but talented- not unlike the way it came into the 1993-94 campaign.

"We're not going to look good on paper going into the NAAs," said Briggs, 148-67 in 12 seasons with the Panthers.

"Our home schedule is not going to make us look very good.

"But we're young, enthusiastic and tough. This team is going to be tough. There's a lot of talent here and we've got a great attitude."

Briggs said a change in coaching philosophy more than a year ago is the difference.

"From day one, we're placing the emphasis on the NAAs and not a lot of emphasis on the duals," he said.

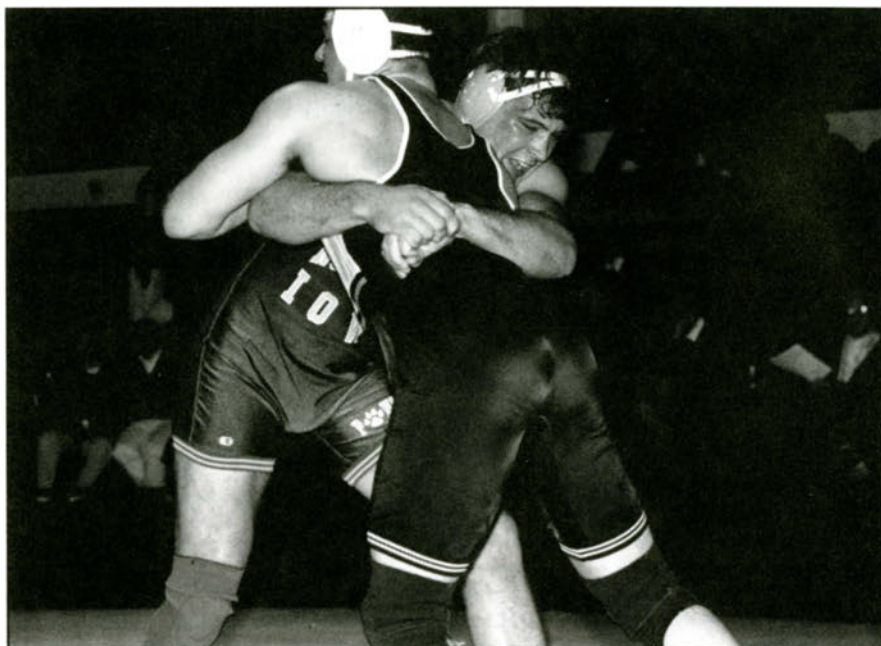

The Panthers have stopped holding "mock" regional tournaments, opting instead to hold "mock" NAAs.

"I told the guys I don't care about winning the regionals, all I want to do is qualify 10 guys for the NAAs," Briggs said, noting he's even using "mental imagery" to help his wrestlers "picture themselves at the NAAs."

"We take them all the way up to the NCAA finals...all the way to them standing on the victory stand," he said.

He said this new approach has been a bonus for the team and assistants Chris Bollin and Joel Greenlee.

"Greenlee, Bollin and I have got these guys under our control where everybody is rowing in

Scott Murray

the same direction at the same time," Briggs said.

Leading the charge for the Panthers this season will be senior Justin Greenlee and sophomore Scott Murray.

A two-time all-American at heavyweight, Greenlee capped an outstanding junior season with a runner-up finish at the NAAs. He won 38 of 44 bouts last season and enters his final campaign with 91 career victories, 43 short of the school record.

"I think he has an opportunity to be undefeated throughout the whole year," Briggs said of the big man from Waverly. "I think there's only one guy in the nation that can beat him."

That person is junior Kerry McCoy of Penn State. McCoy won last year's heavyweight national crown with a 7-4 win over Greenlee.

"McCoy's real tough," Briggs admitted. "We're going to have to make some adjustments. We're going to have to study that film of the NAAs over and over again to see the things we need to do."

"If we're going to beat McCoy, we're going to have to beat him on top."

Murray had an outstanding, but somewhat typical, freshman season. He was inconsistent in posting a 28-12 record at 118 pounds, but won a West Regional crown. He failed to make weight at the NAAs, however, and never got any

national mat experience.

Murray will wrestle at 126 this year.

"I honestly think two guys on our team right now have the capabilities of being a national champ this year and that's Scott Murray and Justin Greenlee," Briggs said.

UNI hasn't had a Division I champion since Bill Dotson in 1963.

The only other wrestler with NCAA experience is junior Tim Novak. Filling in for the injured Nate Hartle at 142, Novak fashioned an 18-17 mark and placed third at the West Regional.

Dusty Rhodes (13-18) at 126 and Dan Kjeldgaard (11-14) at 158 also made UNI's tournament team last winter, but didn't advance out of the regional despite third-place finishes.

"Not only do we have a lot of guys back, but we've got a lot of guys to add to it," Briggs said. "I'm really pumped up with the attitudes of guys like Ryan Kutz, Ryan Cummings, Robert Arme, Ben Barton and Dusty Rhodes. These guys didn't make it to the NAAs last year, but they've got it in their minds now."

With Murray moving up to 126, sophomore Brent Paulson (11-7) will get the early nod at 118. Murray will be challenged by freshman Kutz at 126 with Rhodes getting a push from seniors Troy Bennett (11-8) and Dan Beerman (7-9) at 134.

1994-95 Preview

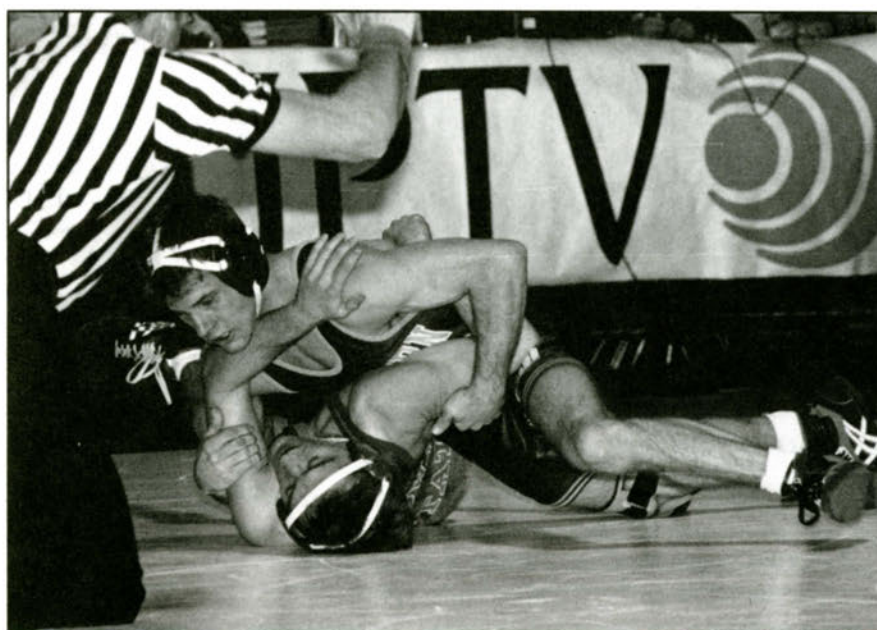

Novak is the leader at 142, but will have to hold off freshman Jason Meier to keep his job. Cummings is the man to beat at 150 and should get a stiff challenge from freshman Chris Bahr. Kjeldgaard is back at 158 with freshman Rob Wadle providing the competition in the wrestling room.

The 167 pound division is wide open with three wrestlers rated No. 1 in the pre-season-freshman Armev, and juniors Adam Greenlee (3-10) and Jason Wedgebury (13-9). Junior Ken Ciesielski (4-9) also could challenge here.

Freshman Barton is high on Briggs' list at 177- "he's matured a lot"-and will be challenged by senior Matt Meinhard (0-4). Bret Jones will be at 190 and Greenlee at heavyweight.

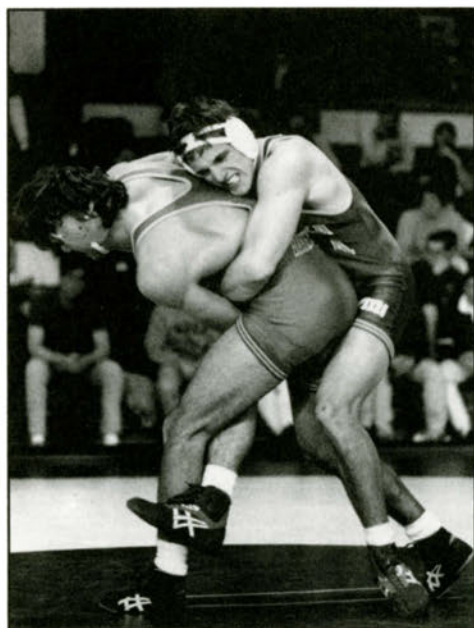

The Panthers also have an outstanding crop of incoming freshman, but Briggs said Luke Thorson, Pat Smith, B.J. Miller, Darrell Wieland, Ken Bigley and Burt Beamer all will be red-shirted.

The Panthers open the season Nov. 26 at the Northern Open in Madison, Wis., and their home slate includes dates with Iowa (Dec. 9), Wisconsin (Jan. 28), Nebraska (Feb. 10) and Ohio State (Feb. 18). The West Regionals are in Milwaukee (March 4) and the NCAAs are in Iowa City (March 16-18).

Coaching Staff

Head Coach Don Briggs

The 1994-95 season marks the 13th year of the Don Briggs era of Northern Iowa wrestling, a period that has been marked by consistently competitive and winning teams.

Only the sixth head coach in school history, Briggs' accomplishments as the Panther head man are quite impressive, although one could never coax him to admit it.

But Briggs' record speaks for itself. Under his direction the Panthers have placed in the top 25 at the NCAA Championships every season and have been ranked as high as fourth in the nation. UNI was ranked fifth and eighth in 1988 and 1989, respectively, in the final *Amateur Wrestling News* poll. The Panthers equalled their best finish at the NCAA Division I Championships in 1992 by finishing 10th, matching the finish of Briggs' first season in 1983 when he was voted National Rookie Coach of the Year by his peers. Last year, he again led the Panthers to a high national finish as they tied for 11th place at the NCAA Championships. He has led Northern Iowa to nine consecutive NCAA Regional titles with his other three teams placing second.

During his tenure, he has posted a 148-67 record, making him the second winningest coach in school history and giving him more victories at the NCAA Division I level than any of his predecessors. Since first joining the UNI staff as a graduate assistant in 1974, Briggs has coached 50 NCAA all-Americans and 14 national champions.

Highly respected among his peers, Briggs has won eight NCAA West Regional Coach of the Year awards and served a two-year term as president of the National Wrestling Coaches Association from 1988-90.

Eleven of the 12 teams Briggs has coached have had winning records, only three below a .600 winning percentage, and his .688 career percentage ranks him among the nation's elite. He has accomplished that feat while sticking to

his philosophy of competing against the best collegiate wrestling has to offer.

Before being named head coach in 1982, Briggs served as an assistant to long-time head coach Chuck Patten for seven seasons and as a graduate assistant one year.

A native of Cedar Rapids, IA, Briggs graduated from Jefferson High School and later received his bachelor's degree in physical education from the University of Iowa in 1971. While wrestling for the Hawkeyes, he placed fourth in the Big 10 at 134 pounds as a sophomore and third as a junior and senior. He was voted team captain as a senior. Although he did not compete his first year at Iowa, Briggs compiled a 30-5-1 career record, posting consecutive marks of 12-2-1, 12-2 and 6-1.

Briggs served one season as assistant coach at Cedar Rapids Prairie High School before becoming a graduate assistant at UNI in 1974. He completed his graduate work with a master's degree in physical education in 1975.

Briggs is an avid hunter and fisherman in his spare time, but is best known as a skydiver. He has completed over 1,500 jumps since taking up the sport.

He and his wife, Dianna, reside in rural Cedar Falls.

Don Briggs' Athletes in the Coaching Ranks

Since Don Briggs' arrival at UNI in 1974 under head coach Chuck Patten, he has played an important part in guiding and inspiring his student-athletes to pursue careers in teaching and coaching. Briggs has seen over 50 former pupils enter the coaching ranks since his arrival and hopes to continue the strong tradition of UNI graduates in that field.

Coaching Staff

Assistant Coach Joel Greenlee

Joel Greenlee is in his sixth season as a Panther assistant, his fourth as the top aide to head coach Don Briggs. In addition to his duties in the wrestling room, Greenlee is heavily involved in recruiting and scheduling. He also directs the team's overall and individualized weight training programs and other conditioning programs.

Greenlee brought impressive credentials to his new post in 1989 after concluding one of the most successful careers in Northern Iowa history. He ranks second on Northern Iowa's career victories list with 127 and his name can be found in every career and single season category in the UNI record book. Competing at heavyweight, he set the UNI standard for career dual wins with 58 and never lost a collegiate dual meet, posting a 58-0-3 mark, while his overall record of 127-16-4 gives him the top winning percentage in school history.

Greenlee was an NCAA qualifier all four seasons and earned all-America honors twice, placing fourth as a junior and second his senior year. He also competed in the National Wrestling Coaches Association All-Star Classic his final two seasons.

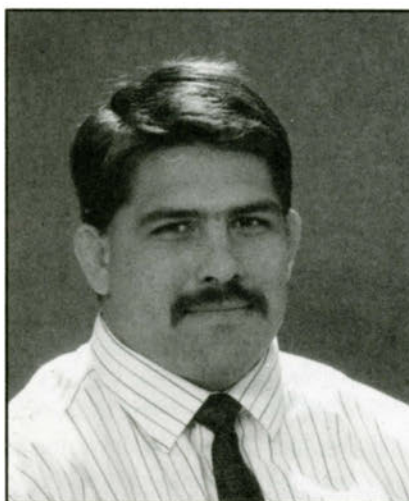

The Waverly, IA, native continues to wrestle competitively on the international level at 286 pounds, having been a member of the United States Freestyle Team since 1990. He has competed in the Cerro Palado Tournament in Cuba, winning the championship in 1993 after placing second and fourth

the two previous years. In the past year, he has placed third at the National Freestyle Open and, for the second year in a row, finished third at the World Team Trials. In 1993, he also competed in and won the Cuban Grand Prix and placed second in the National Freestyle Open.

Greenlee toured the Soviet Union with the U.S. team in January of 1991 and competed at the Tblisi Tournament. He also accompanied the United States Freestyle Team to the Olympic Games in Barcelona in 1992. Currently ranked third in the U.S. at heavyweight, Greenlee represents the New York Athletic Club in open competition.

He was a High School all-American at Waverly-Shell Rock (IA) High School as a senior after capping a 27-0 season with a state championship.

He and his wife, Roxann, reside in Cedar Falls.

Assistant Coach Chris Bollin

Former University of Oklahoma all-American Chris Bollin was appointed to the Northern Iowa staff in September of 1993 as the second assistant to head coach Don Briggs.

Bollin brings an outstanding collegiate and international competitive record to his first coaching job. He placed third at 118 pounds at the 1989 NCAA Championships as a junior, and also qualified for the national meet as a sophomore and senior. He won the Big Eight title as a junior and then lost only to North Carolina's Doug Wyland in the NCAA meet, capping a 34-5-1 season.

After being ranked fifth in the nation at 126 early in the season in 1987, Bollin sustained an elbow injury which forced him to miss the remainder of the season and received a medical hardship.

He qualified for his first NCAA Tournament as a sophomore in 1987 after taking runnerup honors at the Big Eight meet and finished the season with a 23-11-1 mark.

Bollin also took second in the conference meet his senior season in 1990 and finished with a 22-4-2 mark, giving him a career slate of 85-30-3.

A native of Leavenworth, KS, he was a three-time state champion at Immaculata High, where he compiled a 114-1-1 career record and was rated

the number one recruit in the nation at 112 pounds by Amateur Wrestling News.

Since receiving his bachelor's degree in communications in 1990, Bollin has continued to compete on the international level, placing third at the 1992 Olympic Trials and fourth at the 1993 World Team Trials. He represents the Sunkist Kids Wrestling Club in open competition.

Panther Tradition

For the past 12 years, Northern Iowa head coach Don Briggs and his staff have proudly carried on the rich tradition which has placed the Panthers among the elite in collegiate wrestling since The Great Depression. Since Coach Paul Bender sent his first team to the mat representing Iowa State Teachers College in 1923, the Panthers have rolled up 564 victories and a .694 winning percentage in 824 dual meets and have had only nine losing seasons in seven decades.

When the subject of national championships is brought up, Northern Iowa takes a back seat to very few. The University is one of just nine institutions in history to capture the NCAA Division I Championships, accomplishing that feat in 1950. In the school's 18-year Division II era, it won two national titles and finished third or better 12 times.

Individually, only six institutions boast more Division I national champions than UNI's 20. In all, the Panthers have crowned 42 national champions through the years and an additional 126 all-Americans.

Only six coaches have guided the Panthers in 70 seasons of intercollegiate competition, winningest being Chuck Patten, whose teams compiled a 217-87-8 record in 18 seasons.

1950 NCAA Champs

Dave McCuskey enjoyed the longest reign—20 seasons—and led Iowa State Teachers College to the national championship in 1950 on his way to 102 victories and a .754 winning percentage.

Wrestling legend Bill Koll began his successful coaching career at his alma mater, guiding the Panthers for 11 seasons in the '50s and early '60s.

And Don Briggs has led UNI back into the Division I ranks with top 20 NCAA finishes 11

times in the last 12 years. He has coached 25 all-Americans and racked up more Division I wins than any coach in school history with 148.

When Bender fielded that first team, little did anyone know it would be the first step toward building one of the most successful traditions in Iowa sports and eventually bring the school more recognition and attention than any in its history.

It would be several years before ISTC, as it was known then, would begin the climb to the pinnacle it would someday reach, but the colorful story which decorates the years since has no equal in Northern Iowa sports annals.

The Pre-World War II Years

Bender guided the first squad to a victory over Cornell in its only meet of the season and posted an 18-9-1 mark during his four-year stint. That tenure included only one losing season and victories over Oklahoma, Cornell and Wisconsin. The program was still in the development stage, however, with little national recognition and no all-Americans.

In 1930, Bender was appointed dean of men at the institution and turned over the program to the man who built one of the greatest mat powerhouses in history. Dave McCuskey would compile a 102-31-7 mark, guide the Panthers to an NCAA title, four

Panther Tradition

runnerup finishes and coach nine wrestlers to a total of 16 NCAA titles.

The first of many significant years for ISTC was 1931. It was the year McCuskey graduated and accepted the wrestling post, and also was the season which saw the school crown its first NCAA placewinners. Jesse Arends took second in the 118-pound class while teammate Orville Orr placed third at 155 pounds. Despite a 3-2-1 record, McCuskey's matmen achieved their first national finish with a seventh-place tie in 1934.

The next milestone came in 1937 when the Panthers claimed their first individual NCAA title as Ray Cheney took the 135-pound championship and led the team to a third-place finish. ISTC placed no higher than eighth from '37 to the time when World War II forced the cancellation of the national meet in 1944-45. However, when the layoff ended in 1946, ISTC thrust itself into the national wrestling limelight for decades to come.

The Golden Era

The end of the war came in 1946 and with it the return of thousands of servicemen to colleges throughout the United States. It also was the year of the Panther. Gerald Leeman became a national champion at 128 pounds and won MVP honors at the national tournament. Cecil Mott also won a title at 121 pounds as McCuskey's squad finished second in the team competition.

A veteran of D-Day and the Battle of the Bulge named Bill Koll also won an NCAA title for ISTC and completed the first leg of one of the most amazing careers in wrestling history. Koll (145), Russ Bush (128) and Bill Nelson (165) took titles the following year with Koll becoming the second Panther in as many seasons to take home the MVP award. ISTC could not improve on its second-place finish that year, though, and dropped to fourth in 1948 with Koll being named the tournament MVP the second consecutive year.

Koll capped his brilliant career with his third title and a 72-0 career mark; he was taken down only once in three seasons. The

Bill Nelson

Panthers were national AAU champions in 1949 and NCAA runnersup with Nelson earning his second title at 155 with Bill Smith (165) and Keith Young (145) taking their first championships.

McCuskey had to wait 20 years, but his dream of a national championship came true in 1950. Iowa State Teachers College hosted the NCAA tourney in the Men's Gym that year and delighted the hometown fans by running

away with the team crown. That 1950 squad generally is regarded as one of the top collegiate teams of all-time.

After breezing to an 11-0 record in which none of the opponents reached double figures, and taking the AAU national championship, ISTC racked up enough points in the semifinals to walk away with the championship. Nelson took his third crown at 155 with Young, at 145, and Smith, at 165, each winning their second. Other Panther placewinners were Frank Altman (121), Luverne Klar (128), Floyd Oglesby (136) and Fred Stoeker (HWT).

Young became ISTC's third three-time national champion in 1951 and Gene Lybbert placed third at 130 pounds en route to a team fourth-place finish.

The McCuskey era ended in 1952 when the long-time mentor resigned to accept the head coaching position at the University of Iowa. Lybbert (130) and Bill Weick (157) won NCAA titles that year, leading the squad to a runnerup finish, and capping a six-year span (1947-52) in which ISTC compiled a 53-4-3 dual mark, claimed three straight outstanding wrestler awards in the NCAA meet, won 16 individual national championships, two national AAU crowns, one NCAA title and four second-place finishes.

The Move to Division II

Koll took over for McCuskey in 1953 and guided the Panthers to fourth place. During his 11-year tenure, ISTC had three more individual national champs and went 71-42-6. Jim Harmon won at 157 pounds in 1953,

Weick returned in 1955 to win at 157, and Bill Dotson became the school's only NCAA champion in Division I and Division II in 1963.

Patten was named the school's fifth head coach in 1965 and for the next 18 years led the Panthers to dominance in Division II. His 217 victories signifies him as the winningest coach in school history. Patten coached 58 athletes to all-America status, 16 to national titles. His 1975 and '78 teams were Division II national champions, with the '70, '72, '74 and '80 squads claiming second place. His teams placed in the top three in 11 of the 18 seasons he was at the helm.

Kirk Myers (190) and Gary Bentrin (142, 158) were three-time national champs for Patten, while Don Parker (177), Kent Osboe (HWT), Jim Miller (134) and Ken Snyder (142) were two-time winners.

Myers capped his career with a fifth-place Division I finish in 1982. He is the only Panther to win 30 or more matches in all four years of competition, and his 134 victories ties him for the most in any division in school history.

Mike McCready, the 1972 national heavyweight champion, also took the gold medal at the 1975 Pan American Games and went on to become Iowa's most successful Greco-Roman wrestler with seven titles to his credit.

Back to Division I

Patten retired from coaching in 1982 and Briggs, his long-time assistant, took over as UNI stepped up to NCAA Division I competition. Briggs led the Panthers to 10th

and 11th-place finishes his first two seasons and again guided them to an 11th-place finish last year. He has kept his teams near the top 10 every year.

Along the way, some of the best and most exciting wrestlers to don the Purple and Gold have called the West Gym, known as the Men's Gym until 1980, home.

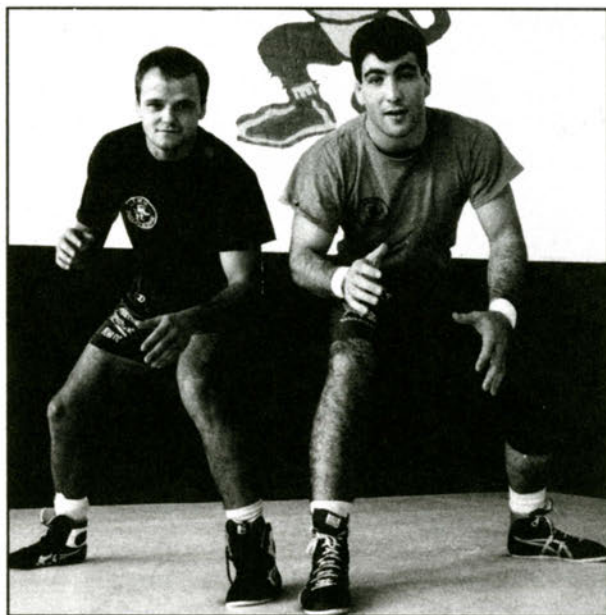

Joel Greenlee, Rich Powers, Mark Schwab and Gary Steffensmeier are just some of the names of all-Americans Briggs has recruited and coached.

Greenlee was a two-time all-American at heavyweight who finished second in 1989 and compiled the highest winning percentage in modern school history with a 127-16-4 mark (.878). His 44-2 mark in 1989 also is the best single-season record in modern school history.

Greenlee, along with Bob Hallman (118), Gary Steffensmeier (150) and Justin Greenlee (HWT) have come the closest to winning a national title in the new Division I era, all four gaining a berth in the national final before falling.

Another great in the Briggs era was 118-pounder Mark Schwab, who holds the school standard for wins in a season with 49 in 1985-86. Unfortunately, Schwab's career was thwarted by a knee injury his sophomore season, but when healthy, he was undoubtedly the best at his weight in the nation and one of the finest in the world.

The duo of Rich Powers and Gary Steffensmeier came along in 1988 and thrilled UNI fans with amazingly similar careers through 1992. During that time, each captured three all-America honors and flirted with a national championship. Steffensmeier gained the 1990 NCAA final at 150 pounds and was ranked first in the nation for a time as a junior while Powers entered the 1992 national tournament favored to win at 177

Rich Powers and Gary Steffensmeier

pounds before falling in the semifinals. Each also appeared in the NWCA All-Star meet. When they ended their careers together in 1992, Powers had the most wins in Division I in UNI history with 134 and Steffensmeier ranked fourth with 115.

The Panthers have dominated the NCAA West Regional for the past decade, claiming the team title the past nine years and finishing second the three years before that.

The future promises nothing but continued success as Briggs and his staff face the final years of the century. A young but very enthusiastic group of wrestlers will take to the mat for the Panther's this season and, almost 50 years after first hosting the NCAA Championships, the University will once again have the opportunity to play host to the best in collegiate wrestling in 1997 when it will be the site of the NCAA Division I Championships.

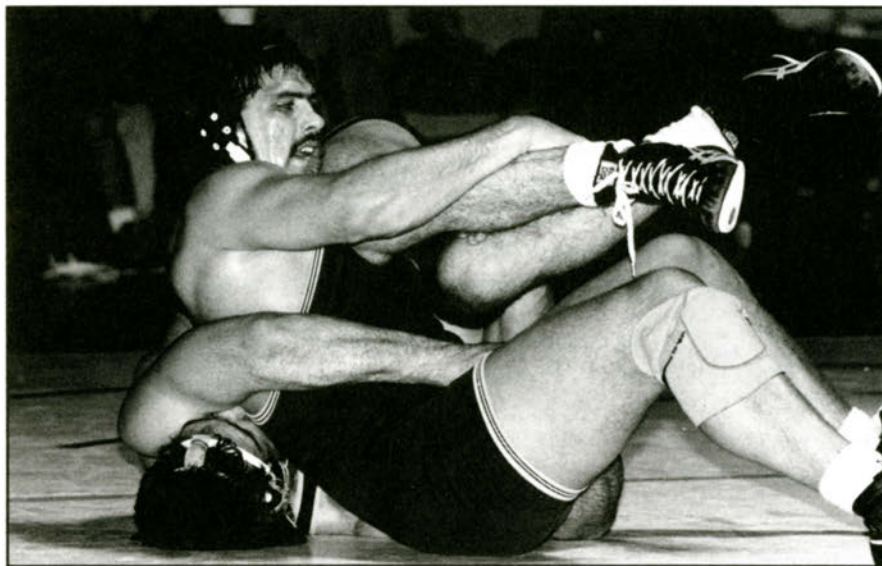

Armed with that young talent and the prospect of having the national championships in Cedar Falls, it would seem all the essentials are there for Northern Iowa wrestling to meet the challenges and opportunities of the years to come.

Ed Ewoldt Scholarship

In January of 1992, Northern Iowa officials announced the establishment of the Ed Ewoldt Wrestling Scholarship, the first fully-endowed scholarship in the history of the University's athletics program.

The scholarship was made possible by a \$120,000 gift to the Northern Iowa Foundation by Ron Magruder of Orlando, Florida. Each year, beginning with the 1992-93 academic year, the Panther wrestling program has awarded a full scholarship from the interest generated by the gift.

Ewoldt began attending UNI, then known as Iowa State Teachers College, in 1948 and graduated in 1954, competing on the wrestling team his last two years. He went on to teach and coach at West Central-Maynard (IA) High School from 1955-58 and Wheaton (IL) Central High School, where he coached Magruder, from 1959-88.

"Ed has had a tremendous impact on my life," Magruder said, "and has helped me get where I am today. This is my way of thanking him for being a great teacher, mentor and friend."

Magruder is the president of Olive Garden Restaurants, which has more than 300 locations throughout the nation, and serves on the Florida Citrus Bowl Committee, the Business Advisory Council at the University of Mississippi and the Foundation Board at the University of Central Florida.

The recipient of the Ed Ewoldt Scholarship for the first three years has been Panther senior Justin Greenlee, a heavyweight who has earned all-America honors the last two seasons and has compiled an impressive 91-30 career record.

The University of Northern Iowa

Home of the 1997 NCAA Championships

FOR IMMEDIATE RELEASE 10/14/93
UNI RECOMMENDED TO HOST '97 NCAA WRESTLING

CEDAR FALLS — Northern Iowa athletic officials announced Thursday (Oct. 14) the NCAA Wrestling Committee's recommendation that the University host the 1997 NCAA Division I Wrestling Championships.

Director of Athletics Chris Ritrievi said he received written notification of the Committee's decision Wednesday from Harley Lewis, Assistant Director of Championships at the NCAA.

In his letter, Lewis said the NCAA Executive Committee will act on the recommendation during its December meeting and the University will be notified on Executive Committee approval, he said it is very rare that such a recommendation is overturned.

The Championships are slated to be held Thursday through Saturday, March 13-15, 1997, in the UNI-Dome, the University's 16,400-seat athletic facility.

"We are pleased and honored to be recommended as the site for the Championships," Ritrievi said. "The Committee's recommendation speaks volumes about the growth of our athletic department, the University and the Cedar Falls/Waterloo community."

Panther head coach Don Briggs is equally excited about the prospect of the national tournament coming to the UNI-Dome.

"This is a major boost for our program," said Briggs. "It helps set the goals we have in mind for the wrestlers in our program. It makes those goals a little clearer when the Nationals are at home. We've brought their goals to them and set them right in front of their faces."

Northern Iowa, then known as Iowa State Teachers College, hosted and won the 1950 NCAA Championships, making it one of only nine institutions to win the crown. The program then joined the Division II ranks, or the College Division as it was known then, in 1962 and hosted that national tournament four times — 1963, '64, '77 and '78.

The University has hosted numerous NCAA Regional Wrestling Championships, along with the Division II and III Gymnastics Championship in 1976 and the AIAW Indoor Track and Field Championships in 1982.
