1995 Track and Field (Men's)

University of Northern Iowa
A campus-wide commitment to great teaching lies at the heart of the University of Northern Iowa’s reputation for providing exceptional undergraduate education, as well as complementary programs at the master’s, specialist’s and doctoral levels. Building on its historic strength in teacher education, the University has developed a number of outstanding programs in business, natural sciences, humanities and fine arts, and social and behavioral sciences.

Northern Iowa prides itself on providing a student-centered educational experience. The University’s medium size allows it to offer the faculty, facilities and academic choices of a major university, while retaining a friendly, small college atmosphere. Small classes enable the University to foster one-on-one working relationships between faculty and students. More than 90 percent of UNI’s classes have 50 or fewer students.

Students enter the University well-prepared, demonstrated by their selection of high school courses and rank in class. In recent years, over 90 percent of the entering freshmen ranked in the top 50 percent of their high school classes, with about 60 percent ranking in the top 30 percent. The average undergraduate arrives at UNI with an ACT score of 23.

U.S. News and World Report has recognized the University by ranking it 13th among 119 Midwest regional colleges and universities. The magazine also named UNI the Midwest’s most efficient regional university. Northern Iowa also was cited in 1994 as the second best value among Midwest regional universities.

The College of Business Administration has become the largest undergraduate business school in Iowa. The College’s Department of Accounting is ranked among the 10 best in the country by educators and accounting professionals. In a national survey of 400 accounting faculty, Northern Iowa ranked as one of their top programs.

Considered a long-time leader in the field of teacher education, UNI has implemented several programs that continue this tradition of excellence. The Regents’ Center for Early Developmental Education is a leading setting for research and training in the education of young children. The Center is the only educational resource of its kind in Iowa.

Northern Iowa’s 19 men’s and women’s intercollegiate athletics programs compete at the NCAA Division I level with major conference affiliations. The Panthers boast a nationally recognized coaching staff to maintain consistently competitive programs.

The Northern Iowa campus combines the grandeur of early 1900s architecture with striking, modern building designs that have characterized an impressive growth period over the past dozen years. The attractive, park-like campus contains more than 40 major buildings on 861 acres, yet is compact enough to cross in a 10-minute walk.

UNI is located in Cedar Falls, an inviting and historic community of about 35,000 people. Together with the adjacent city of Waterloo, the metropolitan area has a culturally diverse population of 105,000 and combines big city opportunities with small town friendliness. Cedar Falls/Waterloo is a center for industry, finance, commerce, recreation and cultural activities for northeast Iowa.

The University was founded in 1876 and is one of three state-assisted universities administered by the Iowa State Board of Regents. Additional private support is provided by the UNI Foundation and Northern Iowa Alumni Association, representing more than 65,000 alumni in the United States and other countries.

A mission declares Chris Bucknam.

The Northern Iowa track and field coach says his Panthers are on one, and their goal is nothing short of a Missouri Valley Conference championship.

Perhaps two.

Northern Iowa has seldom looked stronger as it shoots for its first Missouri Valley titles in indoor and outdoor track. Paced by seven seniors and 1994 Drake Relays and conference outdoor Male Athlete of the Year Joey Woody, the Panthers are loaded with leadership.

“This could be a special year for us,” admits Bucknam, the 11th-year head coach whose team finished third in both indoor and outdoor last season after a pair of second-place efforts in 1993. “But nothing is going to be handed to us. We have to be very focused and professional in the way we perform. We have to be smart about things.”

The key to the Panthers’ title hopes is probably health after a 1994 campaign in which standouts Jason McClary, Todd Madsen and Jeff Joiner were injured. Each is back in action.

McCleary has the potential to rate among the premier decathletes and hurdlers in the nation, Bucknam says, and he headlines a senior class with both direction and focus. Also in that group are Madsen, Chad Flynn, Pete Herber, Jason Meyer, Ryan Santi and Tim Suchan.

Along with Woody, a junior, they form the heart of a UNI team that won three titles at the Kansas Relays last season and caught plenty of notice with its performances at Drake.

“It was tough, because 1994 was an injury year for us and we thought we were better than third in the conference if we would have been healthy,” Bucknam says. “We’re going after the championship, and we have a group of athletes that knows what it takes.”

If winning a league crown requires great balance, the Panthers appear to be in fine shape thanks to several returning all-conference performers.

They figure to score plenty of points in the field events, with throwers Matt Casillas and Allan Walz and high jumpers Herber, Suchan and Santi.

Walz owns the school record in the 35# weight (60-0) and Casillas owns the second best toss. Casillas will be gunning for school records in the shot and hammer throws while Walz is the top discus man.

“These guys are good,” Bucknam says. “They’re national-caliber kids who are going to do some damage.”

On the subject of national-caliber athletes, few (if any) schools in America can match the trio of 7-foot jumpers at UNI.

Suchan has cleared a school-record 7-3 3/4 and Herber 7-3 1/4, and both qualified for nationals last season. Herber was an NCAA indoor qualifier while Suchan made both the indoor and outdoor national meets. Santi has cleared 7-0 3/4 and also competes in the 4 x 400 relay and decathlon.

“The Missouri Valley is one of the best high jumping conferences in the country and we have some of the best,” Bucknam says.
Adding to the strength in the field events is the return of Madsen, who injured an abdominal muscle last year but was the Missouri Valley’s No. 2 long jumper in 1993.

The Panthers’ top decathlete and one of the premier overall athletes in the Missouri Valley is McCleary. He earned MVC co-Field Athlete of the Year honors two years ago but missed most of last season with a knee injury. He returned to his sport in the Panther football secondary this past season and is ready to resume his assault on the school track record book.

“He’s a fabulous competitor with an unlimited amount of talent,” Bucknam explains. “Nobody really knows what his parameters are. The longer you have him, the better he gets. If he hadn’t got hurt last year, we thought he could be one of the top five or six decathletes in the country and had a shot at being All-American in the hurdles.”

Another with unlimited potential is Woody, who has been a national qualifier each of the past two years and an All-American in the 400 hurdles a year ago, and has his sights locked on the 1996 Olympic Trials. He rates as one of the top hurdlers and long sprinters in the nation and one of the best the school has ever put on the track.

Woody was the top performer at both Drake Relays and the MVC outdoor meets last year and should contend for multiple league title and school records over his final two seasons.

“He’ll be at the international level before he’s through,” Panther assistant coach Bill Lawson says. “He’ll be on the world list, whether it’s in the half mile or 400. He’s that good.”

Maceo Strickland surprised the field last spring to become the first UNI men’s runner to win the Missouri Valley 100-meter championship. He and 55-meter hurdles champion Alonzo Clayton are just sophomores. Both double as football players and Strickland already owns the school record in the 100 (10.43 seconds).

Flynn has been an all-conference performer in the mile and 1,000 and Meyer a two-time all-conference honoree in cross country. Meyer has exhausted his indoor eligibility but will be ready in the spring.

Another distance standout, Kyle Kepler, has earned all-conference status in each of his first two cross country seasons and will see his first action on the track this year. Freshman Jay Brock should also figure in after a strong first cross country season.

“Those are tough kids who are going to help us score some points,” Bucknam said. “We’ve got some distance kids with a ton of potential.”

Another youngster expected to contribute right away is Tripoli freshman Jon Judisch, who set a state Class 1A record in the 400 last spring.

Bucknam and Lawson set out to make UNI a perennial contender in the Missouri Valley, and they’ve steered the team to an annual spot among the top three. Since joining the conference in 1991, the Panthers are second only to Illinois State in the composite standings and have never finished below fourth in an MVC track meet.
Head Coach
Chris Bucknam

In the 11 years since he first took over the Northern Iowa track and field program, Chris Bucknam has certainly made his mark. Under his guidance, the Panthers have gone from nine championships in seven seasons in the old Mid-Continent Conference to consistent contenders in the Missouri Valley to a team that must be reckoned with on a national basis anytime it steps on the track.

And Bucknam will tell you right away that any credit due him or his program must be shared with assistant coach Bill Lawson, whom he calls his head coach in charge of field events. The statistics and credentials compiled by Northern Iowa's teams over the last decade have brought the UNI staff recognition as one of the finest in the Midwest.

Bucknam oversaw Northern Iowa's 1991 move to the Missouri Valley Conference, where the Panthers have left an indelible mark on the league in just a short amount of time. Although the MVC historically has been one of the best conferences in the nation, boasting All-Americans and numerous NCAA champions in recent years, UNI stepped in and became one of the top competitors in the league instantly.

In fact, in the first 10 MVC meets since UNI's membership in 1991, the Panthers have the second-best composite record in the league. They have claimed one championship, four runnerup finishes, two third-place spots and two fourth places.

"We've really had some pretty strong teams the last seven or eight years," Bucknam said. "We've had national qualifiers and nationally-ranked relays, but it's just now being seen because of the move to the Missouri Valley. It's that added exposure and improved competition."

After leading the Panther cross country team to the Missouri Valley Conference title in just its second season in the conference, Bucknam was voted MVC Coach of the Year by his peers in 1992. He was named Mid-Continent Conference Indoor Coach of the Year four times in the last seven seasons UNI was a member of the league, Outdoor Coach of the Year in 1986 and Cross Country Coach of the Year in 1988 and 1990.

During his 11-year tenure, the Panthers have won 10 conference crowns—four in indoor track, five in cross country, and one outdoor title. His teams have never finished lower than fourth in any conference track meet. In the past eight seasons, Bucknam has sent 16 qualifiers to the NCAA Indoor and Outdoor Championships, with four earning All-America honors.

Since his arrival at UNI in 1979 as an assistant to long-time head coach Lynn King, the Panthers have won or shared 16 conference titles in track and field and cross country, and produced 14 All-Americans.

A native of Beverly, MA, Bucknam attended Norwich University in Northfield, VT, where he was a four-time letterwinner in track, specializing in the middle and long distances. He was elected co-captain his senior year and graduated in 1978 with a bachelor's degree in physical education. He earned his master's degree in physical education from Northern Iowa in 1982.

Bucknam and his wife, Cindy, have a son, Eric, and daughter, Kate.

Assistant Coach
Bill Lawson

Recognized as one of the greatest athletes in Northern Iowa history, Bill Lawson has been with head coach Chris Bucknam every step of the way as the Panther assistant coach and field event coach the past 10 seasons.

A 1980 UNI graduate, Lawson returned to his alma mater after serving three years as boys' and girls' track and field and cross country coach, and girls' basketball coach at John Marshall High School in Rochester, MN.

The Carthage, IL, native was a four-time All-American at UNI from 1977-80 and ranks second on the school's all-time decathlon list. He was a two-time co-captain for the Panthers and was a senior when Bucknam was named assistant coach in 1979. He qualified for national competition in the decathlon, pole vault and triple jump four times.

Lawson won the National Master's Decathlon Championship in 1987 and 1992, and has been runnerup four times. He also captured the first Master's Pentathlon title last winter.

His duties with the Panthers include coordinating the fall track program and conditioning, and coaching the field events and decathlon during the indoor and outdoor seasons. He is recognized as an excellent field event coach and motivator.

Along with Bucknam, he has coached UNI athletes to 103 individual conference championships. The Panther head man is quick to point out that Lawson has played a part just as important to the Panthers' success as his.

"I don't consider Bill my assistant," says Bucknam. "He is a head coach in charge of field events. I sincerely believe he is one of the finest coaches in the country.

"He has a rare combination of not only having a tremendous knowledge of the field events, but the ability to motivate at the same time. There are a lot of coaches who have one or the other, but don't have both. Bill has the rare combination of being able to do both as well as anyone I've seen. Our athletes in the field events are always prepared to compete and do their best."

In addition to his coaching duties, Lawson is a member of the physical education faculty.

Lawson and his wife, Jodie, have a daughter, Abby, who was born in September.

Facilities

The UNI-Dome is a unique, multi-purpose athletic facility built in 1976 which has a reputation as one of the finest indoor track facilities in America.

It has been the site of numerous nationally prominent meets such as the Central Collegiate Conference Championships, the Mid-Continent Conference Championships, the AIAW National Championships and is annually the site of the premier indoor high school track meet in Iowa, the A.D. Dickinson Relays. In February of 1993, in just its second year in the conference, Northern Iowa hosted the Missouri Valley Conference Championships.

A glance at the UNI-Dome records list shows some of America's finest athletes, both past and present, have competed in the facility in its 19-year history.

The Dome combines the features of a fieldhouse, football stadium and large auditorium. In addition to top track and field events, it also has hosted NCAA football playoffs and will be the home of the 1997 NCAA Division I Wrestling Championships.

UNI-Dome

Proposed Outdoor Facility

Approximately 16,400 spectators can be seated for football games and track meets and 10,000 for court-side activities.

The facility provides an ideal training atmosphere for the Northern Iowa track and field program. The Panthers are able to train in the Dome from November to April, utilizing all the field event stations simultaneously due to the spacious arrangement on the arena floor.

With one of the fastest 200-meter indoor tracks in America to call home, the Panthers annually attract some of the finest teams in the Midwest to their home meets.

In the very near future, Northern Iowa will be able to claim some of the finest overall track and field facilities anywhere with the construction of a new outdoor track and field complex on campus.

The new facility will feature a 400-meter track with eight 48-inch lanes, the latest polyurethane surface and all field event stations. Ground is expected to be broken on the new facility in 1995.

Seeds for the creation of the Missouri Valley Conference were planted by eight administrators representing five institutions who gathered at the Midland Hotel in Kansas City, Mo., on January 12, 1907. Basketball became the first competitive sport and served as in the initial step in establishing the MVC as one of the most respected leagues in the nation.

While MVC basketball and baseball have flourished in the national spotlight, Valley track and field and cross country athletes have been making their mark nationally as well.

MVC teams boast a proud, rich tradition in track and field and cross country and have produced numerous All-Americans over the years. In addition, several track and field athletes representing current MVC schools have competed in the Olympics. The most recent was former Southern Illinois standout Darrin Plab, a two-time national high jump champion in 1991 and '92, who competed in the 1992 Barcelona Games.

Composite Standings Since 1991-92
(average finish in MVC meets)

1. Illinois State 2.30
2. NORTHERN IOWA 2.90
3. Southern Illinois 3.30
4. Indiana State 3.50
5. Wichita State 4.50
6. Southwest Missouri 5.10
7. Drake 6.80

Since joining the Missouri Valley Conference in 1991, Northern Iowa's men's track and field program has been one of the most consistent forces in the league. The Panthers claimed the 1992 cross country title and finished runner-up in the three conference meets in 1993. The Panthers worst conference finish was the 1994 cross country meet finishing sixth, with all runners returning, the Panthers look towards the title next season. This is based on 10 MVC meets.

MVC athletes have excelled in the classroom as well. Peter Bednekoﬀ, a track athlete from Tulsa, earned a Rhodes scholarship in 1985. Indiana State's Kyle Hobbs, an NCAA cross country qualiﬁer in 1991, is an Academic All-American, as was SIU's Mark Stuart in 1992.

In its short history in the MVC, the Northern Iowa men's team has placed more student-athletes on the league's annual all-academic teams than any of its rivals.

In addition to track and field and cross country, the Missouri Valley Conference sponsors the following sports: baseball, men's and women's basketball, men's and women's golf, men's soccer, softball, men's and women's tennis and women's volleyball.

Members of the Missouri Valley Conference include: Bradley University, Creighton University, Drake University, Illinois State University, Indiana State University, the University of Northern Iowa, Southern Illinois University, Southwest Missouri State University, the University of Tulsa, Wichita State University and the University of Evansville, which became the league's 11th member in last July 1.

Northern Iowa has produced perennial NCAA qualiﬁers in recent years, including three All-Americans in the last ﬁve seasons.

The 1992-93 academic year was a landmark year for the conference when, for the ﬁrst time ever, it began administering women's programs.

The women's squads have brought their share of tradition to the Valley. Two former Southern Illinois stars, Connie Price-Smith and Shelly Zack, competed in the Olympics for the second time in 1992.

Other recent standouts include Indiana State's Holli Hyche, a double NCAA champion sprinter a year ago.

National champions and All-Americans aren't anything new for MVC teams. Plab is one of eight SIU national champions, while Drake has had ﬁve and Indiana State recently added Chris Lancaster, the 1990 NCAA outdoor high hurdles champion, to the honor roll.

UNI's Returning All-MVC Performers: Front row (l-r) - Jason Meyer, Jeff Joiner, Kyle Kepler and Todd Madsen; middle row (l-r) - Tim Suchan, Ryan Santi and Joey Woody; back row (l-r) - Chad Flynn, Pete Herber, Matt Casillas, Allan Walz, Jason McCleary and Alonzo Clayton. Panther Track & Field History

1925 - Arthur Dickinson establishes the school's first track and field team and remains as head coach until 1962.

1935 - Iowa State Teachers College (UNI) changes conference affiliation, moving from the Iowa Conference to the North Central Conference.

1939 - William Jenkins becomes the first athlete in school history to earn All-America honors in cross country.

1962 - Jack Jennett succeeds Arthur Dickinson as head coach. During his tenure, Dickinson posted a 128-14 dual record and captured 17 conference championships.

1969 - UNI has its first All-American in 29 years and first ever in Division II as Larry McCreedy places eighth at the NCAA Championships in the 120-yard hurdles.

1976 - Lynn King takes over as head coach as Jack Jennett resigns after 14 years at the helm. During his reign, Jennett led the Panthers to 11 conference team titles and 19 individual All-America performances.

1976 - UNI-Dome opens, giving Northern Iowa one of the finest indoor track and field facilities in America. Since its opening, the 16,400-seat stadium has hosted numerous major track and field events, including the NCAA Division II Championships.

1978 - Brent Geringer claims Northern Iowa's first national championship by winning the discus at the NCAA Division II Championships.

1979 - UNI joins the Mid-Continent Conference and wins the first-ever league track and field championship.

1981 - Northern Iowa upgrades NCAA affiliation from Division II to Division I.

1984 - Chris Bucknam elevated from assistant to head coach after Lynn King leaves coaching to concentrate on administrative duties. King produced 10 conference titles and 24 All-Americans.

1989 - Jeff Burris and Dan Hostager become All-Americans by placing in the 800 and 3000, respectively.

1990 - Panthers win their final Mid-Continent Conference team championship, the indoor title in the UNI-Dome. From 1984-90, UNI captured nine conference titles.

1991 - UNI joins Missouri Valley Conference and finishes no lower than fourth in three conference meets, including second in its first MVC Outdoor Championship.

1992 - Panthers capture the University's first MVC title in any sport, winning the men's cross country championship.

1993 - Johnny Westbrook earns All-America honors by placing in the 55-meter hurdles as the Panthers finish second at MVC indoor and outdoor championships.

Two-Sport Athletes

A unique characteristic of the Northern Iowa athletic “family” is the cooperation between programs, allowing student-athletes to compete in more than one sport rather than having to choose one over another. The men’s track and field program has had many student-athletes take advantage of those opportunities over the years, with some of the more prominent of those featured below.

“Our football staff has a great relationship with the track and field coaches. We feel like participation in both sports has benefitted everyone involved, but most importantly the student-athletes. And the people that have competed in both since I’ve been here, like Kenny Shedd and Jason McCleary, have certainly proven it’s possible to excel in both. We’re very proud of our track and field program at Northern Iowa and thankful that we have coaches like Chris and Bill to work with.”

— Northern Iowa Football Coach Terry Allen

# NCAA Provisional Qualifier
The "Pride" in Iowa

While Northern Iowa's continued success in the past decade can be attributed to the hard work and dedication of student-athletes from across the United States, the Panther tradition of excellence has been built around Iowans. Many high school stars from the state have gone on to achieve success on the national level while attending Northern Iowa. Listed below are the NCAA Division I national qualifiers from Iowa who have represented UNI:

Russ Adams, Pocahontas
  Jeff Burris, Ames
  Steve Daugherty, Cedar Rapids
  Bob Edwards, Fort Dodge
  Brent Geringer, Mount Ayr
  Pete Herber, Dubuque
  Dan Hostager, Audubon
  Jason McCleary, Newton
  Kenny Shed, Davenport
  Tim Suchan, Cedar Rapids
  Jim Turner, Marshalltown
  Joey Woody, Iowa City

The Northern Iowa cross country squad had a rougher year than expected in 1994. After the second meet of the season, the Panthers lost Jeff Joiner, their number one runner to a season-ending injury. While others stepped up to carry the load, UNI was never again at full strength the rest of the season. However, with the loss of Joiner, other young runners had an opportunity to step up including sophomore Kyle Kepler, who was named to the all-conference team for the second consecutive year. After placing sixth at the Missouri Valley Conference meet, UNI looks ready to return to its traditional role as a championship contender in '95 with everyone returning, including Joiner.
