1996-97 Season Outlook

Experienced Panther Squad Looks to Build on Last Season’s Success

All Five Starters Return for DiCecco in 1996-97

Experience and balance are two words that can best describe the 1996-97 version of the UNI women’s basketball squad. Head coach Tony DiCecco returns 10 letterwinners, including all five starters, from a ‘95-’96 squad that recorded six conference wins, the highest mark in UNI history. The second-year head coach hopes to build on last year’s late season success, which saw the Panthers victorious in five of their final eight regular season contests.

"This year, everyone understands their role on the team. We've been together for a year and know what to expect from each other."

-- UNI head coach, Tony DiCecco

"At this point last year, we were just getting to know each," DiCecco said. "However, this year, everyone understands their role on the team. We've been together for a year and know what to expect from each other."

Senior Heidi Munz scored a career-high eight points versus Evansville on January 18, 1996.

The Panthers will be led by senior Kate Lawler and Kelley Westhoff. Lawler, a 5-11 forward, led the team in scoring (14.0 ppg) and rebounding (6.5 rpg) last year. In addition, the Rochester, Minnesota native ranked second on the squad in three-point field goals (26) and blocks (9).

"Lawler’s versatility makes her one of the toughest players to defend in the conference," DiCecco said. "She can score from the inside, but she also has a very strong perimeter game."

Westhoff will once again serve as the Panthers’ floor general. As a junior, she set a UNI record with 155 assists (5.7 apg), which ranked second in the Missouri Valley Conference. The 5-8 point guard also tied the school record for assists in a game when she tallied 13 against Bradley on February 24, 1996.

"Westhoff is a great floor leader," DiCecco said. "She has the ability to see the entire floor and control the tempo of the game."

Other key returnees for Coach DiCecco include juniors Jen Steffens and Shannan Kadner, sophomores Erin Fox and Mary Koch, and senior Karen Fenske.

Steffens, a 5-11 forward, started 16 games last season. She averaged 9.4 points and 5.6 rebounds, which both ranked among the team leaders.

A 6-1 center, Kadner represents the Panthers’ main inside threat. During the ’95-’96 campaign, she connected on 47.5 percent of her field goal attempts. In addition, she poured in 8.7 points and grabbed 4.6 boards per outing.

(continued)
Fox, a 5’7 off guard, returns as the team’s second leading scorer (9.9 ppg). As a freshman, she shot a team-high 79.5 percent from the free throw line, which ranked sixth in the MVC.

The tandem of Koch and Fenske will give the Panthers a long distance threat. Last year, Koch, a 5-10 guard/forward, ranked second in the MVC in three-point field goal percentage (.404), while

**The Panthers return 10 letterwinners, including all five starters, from a ‘95-’96 squad that recorded six conference wins, the highest mark in UNI history.**

Fenske, a 5-9 guard, led the squad in three-point field goals made (29).

Senior Heidi Munz (5-6, guard) and juniors Adrienne Miskell (6-0, forward) and Jessica Johnson (6-0, forward) round out the returning letterwinners for DiCecco.

Kate Hanneman also returns for the Panthers after a redshirt season in ’95-’96. The 5-10 guard/forward has four years of eligibility remaining.

Coach DiCecco is anticipating immediate support from this year’s newcomers. Joining the Panther program are freshmen Ky Petersen (5-10, guard/forward), Angella Welch (5-10, forward), Allison Starr (5-9, guard) and Jill Seidl (5-6, guard).

The 1996-97 schedule looks to be very challenging. Once again, the Missouri Valley Conference will be extremely competitive with Southwest Missouri State, Southern Illinois, Illinois State and Drake leading the way. The Panthers’ non-conference schedule doesn’t provide much relief with road contests at Wisconsin, Cal State-Northridge and Wisconsin-Milwaukee and home meetings with Iowa State, Buffalo and Niagara. UNI opens the regular season at the Nevada Tournament, facing the tourney host on November 22.

With this combination of experience and balance, DiCecco looks to improve upon last year’s record-setting season. Last season’s appearance in the MVC Tournament marked only the second time a UNI team had reached its conference tournament since becoming Division I. This year, the Panthers plan on returning to the MVC tourney. However, they will not be satisfied just to make the field, the Panthers will be looking to advance toward their first conference title.
Tony DiCecco enters his second season at the helm of the Northern Iowa women's basketball program. DiCecco and the Panthers are coming off a successful '95-'96 season, which saw UNI advance to the Missouri Valley Conference Tournament for only the second time in school history. In addition, the Panthers tallied a school-record six conference wins.

A 1971 graduate of Upper Iowa University, DiCecco arrived at UNI from Creighton University, where he served as an assistant coach for six seasons. During his six seasons at Creighton, the Bluejays compiled a 122-52 record, including two Western Athletic Conference (WAC) Championships, one WAC Tournament Championship, and two NCAA Tournament appearances. Nine players made first-team All-Missouri Valley Conference or All-Western Athletic Conference during his tenure as an assistant at Creighton.

While at Creighton, DiCecco's main responsibilities included on-floor practice and game coaching, recruiting and academic coordinator, and assistant director of women's basketball camps. DiCecco was also involved in developing and implementing "We'll Be There", "Adopt-A-School", and "Fun To Read" programs for the basketball team to interact with students to promote drug-free awareness and education awareness in the Omaha, Nebraska area.

While coaching, DiCecco developed a four-year promotional program to elevate the women's basketball program in the Omaha area. Through the interaction with the community and school groups, attendance doubled the first year. He also directed all phases of the season ticket program as well as assisted with advertising sales for the game program. He was also instrumental in establishing a youth support group for the team.

Prior to his arrival at Creighton, DiCecco was the head girls basketball coach at Montezuma Community Schools in Montezuma, Iowa. He compiled a 306-69 record, including eight conference, 10 sectional and two regional championships, as well as two Iowa State Tournament appearances.

DiCecco also served as the head girls softball coach from 1974-86 at Montezuma and head coach from 1971-73 at West Central in Maynard, Iowa. He recorded a third-place finish in the 1973 Iowa State Softball Tournament while at West Central.

His background also includes teaching stints at both Montezuma and West Central. He taught physical education and social studies at a variety of levels.

DiCecco, a native of Niagara, New York, resides in Cedar Falls with Kristi, his wife of 27 years.
Assistant Coach

Colleen Heimstead

Colleen Heimstead is entering her fourth season as a full-time assistant on the Panther coaching staff. Heimstead began her coaching career as a graduate assistant for the Panthers in 1992 and was elevated to full-time status the following season.

She serves as the Panthers' recruiting coordinator and is co-director for the summer basketball camps. In addition to coaching the power players, Heimstead is director of the conditioning program and assists with scouting and facilities.

Heimstead was a four-year letterwinner and a two-year team captain at Southern Illinois University, starting 81 of 124 games and averaging 3.3 points and 2.2 rebounds as a senior. She ranks fourth on the all-time SIU assist list with 309 career assists.

While attending SIU, the Elk Mound, Wisconsin native served on several athletic and academic advisory committees, including the Intercollegiate Athletic Advisory Committee and the Gender Equity Committee. She was an honor student and was named to the Gateway Conference All-Academic Team. During the off-seasons, Heimstead served as a counselor at the Wisconsin Coaches Scouting Service Basketball Camps from 1988-91.

Heimstead earned a Bachelor of Arts degree in biological sciences from SIU in 1992.

Assistant Coach

Tanya Warren

Tanya Warren begins her second season on the UNI coaching staff. Warren's main responsibilities include academics, scheduling, travel and directing the Panther strength program. She also serves as the co-director of the summer basketball camps and assists in recruiting and scouting.

A native of Des Moines, Iowa, Warren arrived at UNI from Iowa State University, where she served as an assistant coach for one season.

Warren earned her bachelor's degree in social work at Creighton University in 1988 after leading her team to a Western Athletic Conference Championship. She was named a Kodak All-American after her senior season and finished as the university's all-time career leader in assists, second in steals and fourth in scoring. She was named the team's most valuable player twice and had her number retired after her collegiate career. In addition, Warren was invited to participate in the 1988 Olympic Trials.

In 1992, she was inducted into the Iowa High School Hall of Fame after leading Lincoln High School (Des Moines) to a 75-13 record and three conference championships.

Warren's coaching experience includes two seasons as head coach at Duchesne Academy (Omaha, Nebraska) and three seasons as basketball, volleyball and track coach at Boys Town H.S. (Boys Town, Nebraska).

Graduate Assistant

Jenny Nelson

Jenny Nelson (formerly Sandvold) enters her second season as a graduate assistant on the Panther coaching staff. She is responsible for film exchange, directing five year staff members, study table and game management, in addition to assisting with conditioning.

Nelson earned her bachelor's degree in psychology from St. Ambrose University in 1995. While at St. Ambrose, she was named to the all-regional basketball team. Prior to her stint at St. Ambrose, Nelson attended the University of Oregon and Kirkwood Community College, where she also played basketball. A native of Cedar Falls, she was named to the Dean's List at all three institutions and earned JUCO All-American and academic All-American honors.

Prior to arriving at UNI, Nelson was an assistant coordinator for Youth Volunteer Corps of the Quad Cities (Davenport, Iowa) from March-August, 1995 where she organized and supervised youth teams to work at various project sites. She was also a volunteer coach for the Davenport Assumption High School women's track team in 1995.

Nelson and her husband, Brad, reside in Cedar Falls.

A commitment to excellence, both in the classroom and athletic arena, has been a trademark of the Missouri Valley Conference since its inception in the winter of 1907. Built firmly on a solid foundation, the Missouri Valley Conference has made great strides and streamlined its resources and skills to become one of the nation's most progressive athletic conferences.

Athletic accomplishments on the men's side include four national basketball championships, 17 trips to the NCAA Final Four and a 1989 national baseball championship.

Obviously, the inclusion of women's programs under the Missouri Valley banner — the oldest athletic conference west of the Mississippi River — has provided an immediate boost. The Gateway Collegiate Athletic Conference, which began in 1982, merged with the Missouri Valley Conference and was unveiled as part of the new MVC on July 1, 1992.

The St. Louis-based Missouri Valley Conference began its first tradition long ago. Initiated as a basketball conference in 1907, the MVC has produced many individual and team national champions in basketball and other sports.

Seeds for the creation of the conference were planted by eight administrators representing five institutions, who gathered at the Midland Hotel in Kansas City, Missouri, on January 12, 1907. The five schools which formed the Missouri Valley Intercollegiate Athletic Association were Washington University of St. Louis, and the state universities of Iowa, Kansas, Missouri and Nebraska. Two months after the initial meeting, two more institutions — Drake University and Iowa State College — were admitted to the league.

In the fall of 1907, basketball became the first competitive sport. Today, the Missouri Valley Conference sponsors the following sports: baseball, men's and women's basketball, men's and women's cross country and track (indoor and outdoor), men's and women's golf, men's and women's soccer, softball, men's and women's swimming, men's and women's tennis and women's volleyball.

MVC student-athletes and coaches have become household names during the conference's illustrious history, both during their collegiate careers and, for some, professional careers which have followed stardom in the Missouri Valley Conference.

Individual basketball greats such as Antoine Carr, Hersey Hawkins, Benoit Benjamin, Ashraf Amaya and Chris Carr are still active on NBA rosters, while past stars such as Larry Bird, Oscar Robertson, Chet Walker, Wes Unseld, Paul Silas and many others are still to be found in the Valley's record books.

Some 31 institutions in 13 states have at one time or another been a part of what is now the Missouri Valley Conference. Membership has stabilized in the past decade, and now a league that has survived in what has been a volatile environment for the past few years continues its evolution with women's athletics maintaining its ascent.

Current conference members include Bradley University, Creighton University, Drake University, the University of Evansville, Illinois State University, Indiana State University, the University of Northern Iowa, Southern Illinois University, Southwest Missouri State University and Wichita State University.

Doug Elgin is in his ninth year as MVC commissioner. A 1973 graduate of Lafayette College, Elgin previously served as assistant commissioner at the Sun Belt Conference for five years after three years as the University of Virginia's sports information director. A native of Hagerstown, Maryland, Elgin received his master's from Ohio University in 1975.

This is UNI
The University of Northern Iowa

The University of Northern Iowa's academic reputation again has proven a key factor in landing a spot as the only public institution in U.S. News and World Report's top 15 regional universities in the Midwest for 1996.

UNI's 11th-place ranking is two places higher than last year's rating. This marks the second year in a row that UNI was the only public university ranked in the top 15, which are chosen from more than 100 public and private institutions in the region.

UNI received a "1" rating on academic reputation, the highest of any of the top 15 universities in the Midwest region. That rating consistently has improved over the past four years, from 26 in 1993, 20 in 1994 and 13 in 1995.

The magazine also named UNI the Midwest's most efficient regional university and first in "best value".

"Where Great Teaching makes the difference"

This marks the fifth time in the past six years that UNI has been cited by the magazine's "America's Best Colleges" issue in such categories as overall "best", "best buy", "up and coming" and "most efficient".

UNI emphasizes outstanding undergraduate education, with complimentary graduate programs at the master's, specialist's and doctoral levels. Building on its historic strength in teacher education, the University has developed a number of outstanding programs in its various Colleges. UNI also participates in the bachelor of liberal studies program offered by the Regents Universities, and its Division of Continuing Education and Special Programs sponsors classes off-campus in centers throughout the state. Enrollment on its 860-acre campus stands at about 13,000 students from every county in Iowa, 40 states and 48 foreign countries.

UNI's heritage and philosophy place great value on providing a student-centered educational experience. The University nurtures a premiere learning environment - it is small enough to offer its students individualized attention, yet large enough to provide a variety of resources and opportunities, as well as distinguished faculty. The University prides itself on being a great teaching university, and most courses are taught by full-time faculty members (over 600) who are committed to helping students grow intellectually and personally.

UNI was founded in 1876 as the Iowa State Normal School. In 1909, it became Iowa State Teachers College. In 1961, the name was changed to State College of Iowa, and in 1967, the Iowa Legislature acted to change the status of the institution to that of a university under its present title.

While maintaining its primary emphasis on teacher education, the University has continued its metamorphosis toward a multi-purpose institution, with nationally acclaimed programs in many disciplines. UNI's accounting program continues to be ranked among the best in the nation. UNI student groups ranging from chemistry to conservation to public relations have been recognized by their respective national groups for the excellence of their programs.

UNI's outreach also extends to the Iowa business community through programs of the External Service Division of the College of Business Administration, including the Institute for Decision Making, Small Business Development Center, Small Business Institute, Management & Professional Development Center, Market Development Program and Industrial Site Location Program.

UNI offers a wide variety of cultural programs, lectures and conferences. The Continuing Education division, often in conjunction with the University's Office of Conference and Visitor Services, also cooperates with business and industry in programs of study and development on the campus.
The UNI-Dome, a unique, multi-purpose athletic facility built in 1976, has gained a reputation as one of the finest collegiate facilities in America. The Dome combines the features of a fieldhouse, football stadium and large auditorium. It contains accommodations for a variety of events such as concerts, exhibitions, trade shows and convocations, in addition to football, basketball, softball, wrestling and track events. It has been the host to the NCAA football playoffs, gymnastics and wrestling championships, high school football and basketball, the Iowa high school football playoffs, and will be the site of the 1997 NCAA national wrestling championships.

The Dome's versatility allows for football and basketball games or track meets to be held on the same day. Underneath the artificial football turf on a synthetic floor area are basketball and tennis courts and an eight-lane, 220-yard oval running track.

"There's No Place Like Dome"

The turf was replaced four years ago with a new AstroTurf manufactured by Balsam Corporation, the same material that lasted 16 years prior to the installation of the new surface. It's a premier surface utilized by every Dome facility in North America with the exception of one and offers the best durability and playability of any material on the market. Approximately 16,400 spectators can be seated for football games and track meets and, although normal capacity is 10,000 for basketball, seating can be expanded to over 20,000. For stage production such as concerts, total capacity can reach 25,000.
Dr. Robert Koob
University President

Robert Koob, a Northern Iowa alumnus, returned to his alma mater in August, 1995 as its eighth president. A 1962 graduate of what was then the State College of Iowa, Koob was named president July 1, 1995, by the Iowa State Board of Regents.

Koob had been a senior vice president and vice president for academic affairs at California Polytechnic State University at San Luis Obispo, CA, since 1990. Prior to his position at Cal Poly, the 53-year old Koob was vice president of academic affairs at North Dakota State from 1985-90 and served a one-year term as interim president from 1987-88.

At Cal Poly, Koob was director and chair of the Cal Poly Foundation and served on a number of CSU system committees, including the CSU Commission on Telecommunications Infrastructure.

He began his teaching career at North Dakota State in 1967 as an assistant professor of chemistry in 1972. He served that institution in several capacities before assuming the vice presidency. He was chair of the chemistry department for six years, and acting chair of the physics department one year, as well as dean of the College of Science and Mathematics from 1981-84.

Koob graduated from State College of Iowa with a bachelor's in chemistry and earned his doctorate in chemistry from Kansas in 1967. He and his wife, Yvonne, have seven grown children.

"It's an honor for me, as a UNI graduate, to return as president," he said. "I can't imagine anyone being more honored in the State of Iowa."

Christopher Ritrievi
Director of Athletics

Christopher Ritrievi is in his fifth year as Northern Iowa Director of Athletics. Since the day he joined the department, he has worked to develop a competitive Division I athletic program at UNI.

A former Division I athlete himself, Ritrievi earned three varsity letters in wrestling at Princeton University, where he received a bachelor's degree in economics in 1979. He earned a master's in business administration from Lehigh University in 1983.

His career in intercollegiate athletics started as a graduate assistant at Lehigh. He has served in administrative and coaching positions at the Eastern College Athletic Conference, Bowling Green State, Princeton, University of Pennsylvania and Stanford, where he had been associate athletic director prior to coming to UNI.

During his UNI tenure, he has reorganized the management of the athletic department to make it more effective and has set priorities to increase the competitiveness of Panther teams. Emphasizing increased operating budgets for all sports and increased scholarships for women's sports, the department has enjoyed its best performances since joining Division I in 1980. Since 1992, UNI has celebrated Missouri Valley Conference championships in men's cross country, indoor and outdoor track and field and volleyball. Football has won four Gateway Conference titles and has enjoyed the highest attendance, including six of seven UNI-Dome football sellouts. In 1995-96, six sports enjoyed their highest conference finishes since joining the MVC in 1991.

Ritrievi served as vice president for the MVC athletic directors in 1994-95 and chairs the MVC long-range planning and Gateway Conference finance committees. He has also been named president of the Division I-AA Football Athletic Directors Association for the 1996-97 year.

The 39-year-old native of Levittown, PA, is married to the former Stephanie Homeyer, who grew up in Wellsburg, IA.

Where can you find beautiful tree-lined bike trails, modern theatre, and rich history all in one spot? Where do annual fun filled events abound? Take the scenic route to Cedar Falls and find out exactly what you've been missing in this Northeast Iowa town.

Cedar Falls is home to the University of Northern Iowa and the UNI-Dome. Sports fans come and enjoy hard-hitting college football as the Panthers do battle in the Dome for another successful season. Put your hands together for quality theatrical performances at the Strayer-Wood Theatre also located on the picturesque campus. Catch dramatic and comedic performances performed in the plush theatre complex.

History abounds in Cedar Falls' faithfully restored older homes. Take a turn through the Victorian Home and the Carriage House Museum in Cedar Falls' historic district. The Italian Revival style Victorian Home was built in 1863 and now houses a collection of beautiful antique furniture and gowns.

Grab your bike, feet, and roller blades and head out to the Cedar Valley Nature Trail, stretching from Waterloo to Cedar Rapids. The paved trail offers fun, sun and scenery to all ages. The trail sponsors free weekends and an annual concert series in Buzzards Quarry where you can enjoy a picnic lunch and live music.

Take part in one of the numerous annual events that take place in Cedar Falls. Every year over 200,000 people migrate into town for the three-day Sturgis Falls Celebration the last full weekend in June. The weekend is filled with Dixieland Jazz, old time rock-and-roll, outdoor food vendors and countless other fun activities. Art lovers look no further than the annual College Hill Arts Festival held the third Friday and Saturday of July. Purchase art from juried artists representing many states. The performing arts are presented throughout the festival which is located on the UNI campus.

Mark the week before Labor Day for the Old Time Power Show located at Antique Acres. The Show highlights antique farm machinery and takes you back into our rich Iowa farm past with antique steam and tractor threshing, home cooked meals and live music.

Cedar Falls ... We've got it all! Attractions and annual events are plentiful in the land William Sturgis first settled. Quality hotels and bed and breakfasts are waiting to accommodate you. Whether your stay lasts a few days - or longer - Cedar Falls is the place to be! Cedar Falls is a dynamic university community whose citizens are characterized by pride, warmth, and a full measure of Iowa hospitality.

Our city offers many educational, cultural, and recreational activities. Students find the Cedar Falls environment contributes to their collegiate experience, and travelers, tourists and other visitors appreciate the friendly restaurants, accommodations, and services.

Cedar Falls, with a population of about 36,400, has a secure, small-town atmosphere with all the advantages of a much larger city. In combination with neighboring Waterloo, a population of more than 100,000 forms a culturally rich metropolitan area.

**Note:** The records and seasons may include any corrections needed for accuracy. The table above represents the historical record of the team's performance during the specified years. Each entry includes the name of the coach, the season, and the record for that year. The records are listed in descending order of winning percentage for the season, followed by the team's overall win-loss record. This provides a clear and organized representation of the team's performance over the years.

Postcards from the Panthers

Gino's East Pizzeria
Chicago, Illinois

Greetings from . . .
Niagara Falls!

Hi -
1995-96 was great! This year we're headed to Reno, Nevada and Northridge, California, as well as our usual trips in the Midwest. We'll see you in Springfield, Missouri in early March for the MVC Tournament.
