<p>Anticipatory Set/Introduction [Inquiry Question is required] (Req.): Introduce immigration to the United States during the end of the 19th century/beginning of the 20th century by reminding students of the "Movement" theme of Geography, and that people leave an area because of 1.)wars/persecution, 2.)starvation/human needs, or 3.)a better way of life somewhere else. Remind students that they (in almost all cases) are also part of/descended from family that left a place to immigrate to the United States.
