We're Going to Chile – Now What?

Dawn Shattuck – NICC

Grade Level (Req.): 9th-12th grade	Content Area (Req.): Geography	Unit (Opt.):
Connections to Other Disciplines (Opt.):		
<ul style="list-style-type: none"> • • • 		
Time Frame (Req.): 1-2 class periods	Goal (Req.): Students will know the aspects of traveling abroad.	
	Objective (Req.): Students will find out the entry requirements for the country of Chile. Students will learn how to properly complete passport application forms. Students will identify the need for vaccinations/immunizations and other medical treatment recommended for travelers to Chile. Students will know how to find entry requirements for all countries and will be able to identify the process to be taken to get to any country in the world.	
Materials Needed (Req.):	New Vocabulary (Opt.):	
<ul style="list-style-type: none"> • Short video on Chile (see list in resources) • Photograph of or a sample passport to share with students; passport application forms, one for each student • Mock passport template • Internet access for passport information and entry requirements for various countries • Internet access for exploration into passport applications under special circumstances (i.e. under age 14, renewal of passport, non-citizen, etc.) • Camera, preferably digital, and technology for transferring photos from camera to computer and capability to print • Access to school nurse and immunization records for each student and/or for discussion of health warnings for travel in Chile (optional); Mosquito bed net and permethrin (optional) 	<ul style="list-style-type: none"> • • • • • 	
Anticipatory Set/Introduction [Inquiry Question is required] (Req.): What are the entry requirements for the country of Chile?		
Instructional Sequence/Procedure (Req.):		
<ol style="list-style-type: none"> 1. (Optional) Show a video on Chile – no longer than 5 minutes in length. 2. Ask, “Where is Chile?” Ask someone in the classroom to find it on a map or globe. 3. Ask, “How do we get there?” WE MOST LIKELY MUST FLY. Ask, “Is that all it takes to get there?” We don’t need an answer at this time. Students may or may not know of the need for a 		

passport. Move on to step 4.

4. Display a picture of a passport on the classroom wall – through computer projection or overhead projection. Perhaps bring to the classroom a copy of instructor’s own passport. Ask students how many have passports, what is a passport, why does one need a passport, and where and how does one get one? **DISCUSS THE ANSWERS – A PASSPORT IS AN INTERNATIONALLY RECOGNIZED TRAVEL DOCUMENT THAT VERIFIES THE IDENTITY AND NATIONALITY OF THE BEARER. A VALID U.S. PASSPORT IS REQUIRED TO ENTER AND LEAVE MOST FOREIGN COUNTRIES. ONLY THE U.S. DEPARTMENT OF STATE HAS THE AUTHORITY TO GRANT, ISSUE, OR VERIFY UNITED STATES PASSPORTS.**
5. Tell the students they will not only study the county of Chile (and others this term?), but they will actually prepare for travel to the country, beginning with obtaining a passport. Distribute passport applications with the assumption that all are U.S. citizens at least 16 years old who will need passports for the first time. Discuss the need for different forms for those who fall into different categories. Work with individuals with special needs as desired. Perhaps obtain actual forms needed for students with special circumstances. For those students who already have passports, one can offer them the opportunity to complete a renewal form in anticipation of someday renewing the passport if they do not want to complete the form presented to the other students in the classroom.
6. Walk through the application details briefly and allow students time to complete the applications in small groups, with a partner, or individually. Stress the importance of thoroughness and neatness on this application, making a comparison to the completion of job applications.
7. Have students exchange applications with peers. Ask peers to check for accuracy and completion. Return applications to owners for possible editing. Collect applications.
8. Address the need for passport photos. Research where in your community (county courthouse?) one is able to get passport photos. Perhaps bring in an expert in the field to talk to students or take a field trip to a passport photo center. In the event that an expert photographer is not available to volunteer to take the students’ photos, do set up a passport photo center in the room and take student photos.
9. Address the need for fees to be paid – Tease the students that of course, the school will waive the fees for these students today.
10. Instructor will prepare mock passports for students (or set up a committee of students to work on this) for distribution the next class period.
11. Assign students to answer the question, “What are the entry requirements for the country of Chile?”
12. Distribute mock passports to students on Day 2.
13. (Optional) Ask school nurse to provide copies of current immunizations/vaccinations records for students or to lead students through the process of completing a record of the same for their own personal use.
14. (Optional) Visit the Center for Disease Control website for current health information for travelers to specific countries. A health care professional can assist in interpretation of the information at this website. Instructors will not be equipped to offer personal advice to individuals except to state what is written there – immunizations should be up-to-date and certain immunizations are recommended, a visit to a medical travel specialists is highly recommended, and anti-malarial and anti-diarrhea drugs are recommended. Further exploration into health concerns is optional.
15. (Optional) Instructor may want to help students prepare current immunization records for safe-keeping in mock-passports.
16. (Optional) Instructor may want to display mosquito netting and demonstrate the use of permethrin for use in treating fabric with an insecticide against mosquitoes.
17. Students will now be prepared for travel to and study in Chile.
18. Extensions: This lesson could be the introduction to a semester course in world geography; with passport in hand, prior to studying each individual country, the students could research the

need for immunizations/vaccinations and the process for obtaining visas, etc; it will be interesting to note that some of the countries studied during the term may not be allowing entrance by foreigners. Continue the simulation with the simulated purchase of airline tickets to the country for the specific dates of study; possibly include the participation of a local travel agent for this part of the course. Encourage students to make a list of items to pack for travel in Chile; instructor could demonstrate packing; travel agent could demonstrate packing; students could pack both check-in and carry-on bags. Entire course can be taught by simulation, with students traveling from country to country; students can take on different roles – tourist, family visitor, student, business investor, relief worker, etc; students can have various assignments for each country, depending on their roles – developing brochures, prepare a slideshow, make a scrapbook, present relevant information for a business proposal, report on relief, etc. Students could complete passport and pay any required fees in preparation for an actual trip. Students could use the Internet, textbooks, guidebooks, and brochures to develop a two-week tour of the country of Chile. Students could research admission requirements to other countries of interest and report back, completing required forms and/or outlining the process for acquiring permission to travel. Students could actually apply for study and/or research in another country and pursue completion of all applications and processes.

19. Remediation: Completed mock passports can be handed to students unable to complete applications.

20.

Formative Evaluation (Req.): Class participation and discussion. Will the students be able to identify the process for finding entry requirements for any country in the world?

Assessment (Req.): Accurate completion of both the passport application. (Optional) Accurate completion of up-to-date immunization records.

(See information below about the additional cost for expedited service.)

5. BY LAW, THE PASSPORT PROCESSING, EXECUTION, AND SECURITY FEES ARE NON-REFUNDABLE.

- f. If you choose to provide your e-mail address in Item #12 on this application, Passport Services will only use that information to contact you in the event there is a problem with your application or if you need to provide additional information to us.

FEDERAL TAX LAW

Section 6039E of the Internal Revenue Code (26 U.S.C. 6039E) requires you to provide your Social Security Number (SSN), if you have one, when you apply for a U.S. passport or renewal of a U.S. passport. If you have not been issued a SSN, enter zeros in box #5 of this form. If you are residing abroad, you must also provide the name of the foreign country in which you are residing. The U.S. Department of State must provide your SSN and foreign residence information to the Department of Treasury. If you fail to provide the information, you are subject to a \$500 penalty enforced by the IRS. All questions on this matter should be directed to the nearest IRS office.

NOTICE TO CUSTOMERS MAKING PAYMENT BY CHECK

If you send us a check, it will be converted into an electronic funds transfer (EFT). This means we will copy your check and use the account information on it to electronically debit your account for the amount of the check. The debit from your account will usually occur within 24 hours, and will be shown on your regular account statement.

You will not receive your original check back. We will destroy your original check, but we will keep the copy of it. If the EFT cannot be processed for technical reasons, you authorize us to process the copy in place of your original check. If the EFT cannot be completed because of insufficient funds, we may try to make the transfer up to two times and we will charge you a one-time fee of \$25, which we will also collect by EFT.

PAYMENT OF FEES

31 U.S.C.7701 requires persons "doing business" with a federal agency to provide their Social Security Numbers to that agency. Because the U.S. Department of State collects fees for the provision of passport services to you, you are considered a person "doing business" with the Department. Passport service fees are established by law and regulation (see 22 U.S.C. 214, 22 CFR 22.1, and 22 CFR 51.61-66) and are collected at the time you apply for the passport service. If the Department fails to receive full payment of the applicable fees, because, for example, your check is returned for any reason or you dispute a passport fee charge to your credit card, the U.S. Department of State will take action to collect the delinquent fees from you under 22 CFR Part 34 and the Federal Claims Collection Standards (see 31 CFR Parts 900-904). In accordance with the Debt Collection Improvement Act (Pub.L. 104-134), if the fees remain unpaid after 180 days and no repayment arrangements have been made, the Department will refer the debt to the Department of Treasury for collection. Debt collection procedures used by Treasury may include referral of the debt to private collection agencies, reporting of the debt to credit bureaus, garnishment of private wages and administrative offset of the debt by reducing or withholding eligible Federal payments (e.g. tax refunds, social security payments, federal retirement, etc.) by the amount of your debt, including any interest penalties or other costs incurred.

In addition, non-payment of passport fees will result in the invalidation of your passport. An invalidated passport cannot be used for travel.

OTHER USES OF SOCIAL SECURITY NUMBERS

In addition to reporting your Social Security Number to Treasury and using it in connection with debt collection, the Department checks Social Security Numbers against lists of persons ineligible or potentially ineligible to receive a U.S. passport.

PAPERWORK REDUCTION STATEMENT

You are not required to provide the information requested on this form unless the form displays a currently valid OMB number. We try to create forms and instructions that can be easily understood. Often this is difficult to do because our citizenship laws are very complex. The estimated burden time for this information collection is 85 minutes, which includes the time required to search existing data sources, gather the necessary data, complete and review this form, and provide and submit the form and any additional information required. If you have comments concerning the accuracy of this time estimate or suggestions for making this form simpler, we would be happy to hear from you. You can write us at: U.S. Department of State (A/RPS/DIR), Washington, DC 20520.

IMPORTANT NOTICE TO APPLICANTS WHO HAVE LOST OR HAD A PREVIOUS PASSPORT STOLEN

A United States citizen may not normally bear more than one valid or potentially valid U.S. passport at a time. It therefore is necessary to submit a statement with an application for a new U.S. passport when a previous valid or potentially valid U.S. passport cannot be presented with an application for a new passport. Your statement must detail why the previous U.S. passport cannot be presented.

The information you provide regarding your lost or stolen U.S. passport will be placed into our Consular Lost or Stolen Passport System. This system is designed to prevent the misuse of your lost or stolen U.S. passport. Anyone using the passport book reported as lost or stolen may be detained upon entry into the United States. Should you locate the U.S. passport reported lost or stolen at a later time, report it as found and submit it for cancellation. It has been invalidated. You may not use that passport for travel.

PROTECT YOURSELF AGAINST IDENTITY THEFT - REPORT YOUR LOST OR STOLEN PASSPORT!

For more information or to report your lost or stolen passport by phone, call NPIC or visit our website at www.travel.state.gov.

ACTS OR CONDITIONS

(If any of the below-mentioned acts or conditions have been performed by or apply to the applicant, the portion which applies should be lined out, and a supplementary explanatory statement under oath (or affirmation) by the applicant should be attached and made a part of this application.) PRIVACY ACT STATEMENT

AUTHORITIES Collection of the information solicited on this form is authorized by Titles 8, 22, and 26 of the United States Code, whether or not codified, including specifically 22 U.S.C. 211a et seq.; 26 U.S.C., 6039E, Section 236 of the Admiral James W. Nance and Meg Donovan Foreign Relations Authorization Act, Fiscal Years 2000 and 2001; Executive Order 11295 (August 5, 1966); and 22 CFR parts 50 and 51.

PURPOSE The primary purpose for soliciting the information is to establish citizenship, identity, and entitlement to issuance of a U.S. passport.

ROUTINE USES The information solicited on this form may be made available as a routine use to other government agencies to assist the U.S. Department of State in adjudicating passport applications and requests for related services, and for law enforcement and administration purposes. The information may be made available to foreign government agencies to fulfill passport control and immigration duties. The information may also be provided to foreign government agencies, international organizations and, in limited cases, private persons and organizations to investigate, prosecute, or otherwise address potential violations of law or to further the Secretary's responsibility for the protection of U.S. citizens and non-citizen nationals abroad. The information may be made available to private U.S. citizen 'wardens' designated by the U.S. embassies and consulates. For a more detailed listing of the routine uses to which this information may be put, see the Prefatory Statement of Routine Uses and the listing of routine users set forth in the system descriptions for Overseas Citizen Services Records (State-05) and Passport Records (State-26) published in the Federal Register.

CONSEQUENCES OF FAILURE TO PROVIDE INFORMATION With the exception of your Social Security Number (see Federal Tax Law statement on Instruction Page 3), you are not legally required to provide the information requested on this form. However, failure to do so may result in Passport Services' refusal to accept your application or result in the denial of a U.S. passport.

ELECTRONIC PASSPORT STATEMENT

The U.S. Department of State will begin issuing a new type of passport containing an embedded electronic chip and called an "Electronic Passport". The new passport will continue to be proof of the bearer's United States citizenship and identity, and will look and function in the same way as a passport without a chip. The addition of an electronic chip in the back cover will enable the new passport to carry a duplicate electronic copy of all information from the data page. The new passport will be usable at all ports-of-entry, including those that do not yet have electronic chip readers.

Use of the electronic format will provide the traveler the additional security protections inherent in chip technology. Moreover, when used at ports-of-entry equipped with electronic chip readers, the new passport will provide for faster clearance through some of the port-of-entry processes.

Issuance of this new passport will be phased in during an 18-month period. It is expected that by mid-2006 nearly all U.S. passports will be issued in this new format. The new passport will not require special handling or treatment, but like previous versions should be protected from extreme bending and from immersion in water. The electronic chip must be read using specially formatted readers, and is not susceptible to unauthorized reading.

The cover of the new passport will be printed with a special symbol representing the embedded chip. The symbol  will appear in port-of-entry areas where the electronic passport can be read.

NOTICE TO APPLICANTS FOR OFFICIAL, DIPLOMATIC, OR NO-FEE PASSPORTS

You may use this application if you meet all of the provisions listed on Instruction Page 2, however you must CONSULT YOUR SPONSORING AGENCY FOR INSTRUCTIONS ON PROPER ROUTING PROCEDURES BEFORE FORWARDING THIS APPLICATION.
