INSTRUCTIONS FOR REGISTRATION

A. To Students in Residence during the Fall Term

1. Consult your adviser during the last week of the term or earlier, presenting for inspection the registrar's statement of your admission to the college, the statement of credits accepted from other institutions, and any term reports that you have received. The adviser will furnish you with a list of courses for which you may register.

All students who have the head of a department as an adviser and who are at present on the campus must consult their adviser sometime during the last two weeks of the term.

2. File with your adviser as early as possible during the last week of the term all necessary petitions.

B. To Students Registering on Enrollment Day

1. Pay the required fees to the financial secretary.
2. Fill out the enrollment blank.

3. Procure from the registrar a registration card, a class card, a class schedule card for deans, and a blank for the registration statement.

4. If in doubt as to how credits received from other institutions will apply on your curriculum, consult the registrar if you have not done so previously.

5. Show the registration card to the doorkeeper at the gymnasium.

6. If you have not received from your adviser a list of the courses for which you may register, procure from him such a list after presenting for inspection the registrar's statement of your admission to college, the statement of credits accepted from other institutions, and any term reports that you have received.

7. Present your list of courses to the instructors with whom you are to take work, or to their representatives, and have them fill out the registration card and the class card.

8. Present the registration card and the class card to your adviser for approval and file with your adviser all necessary petitions not previously filed.

9. Fill out the registration statement.

10. Have your registration statement approved by the checking committee.

11. File with the receiving committee the approved registration card and the registration statement and procure an exit card.

12. Retain the approved class card. The class card is to be shown to each instructor at the first recitation after registration.

13. If your registration is not completed on enrollment day, give your name to the receiving committee and

procure an exit card. Keep your cards and registration statement for completion on the following day and then file the completed registration card and registration statement with your adviser.

7. Present the registration card and the class card to the adviser for approval and file with the adviser the approved registration card, the registration statement, and all necessary petitions.
