HEAD COACH DANNY MAY

Danny May is in his second season as head swimming coach at Northern Iowa. May enjoys the job of being head coach of both the men's and women's programs. "I was given the luxury of being fulltime coach, which means I'm able to give more time to the athletes. They are expected to put in more time in workouts and that will show through positive results in how they perform."

Before leading Northern Iowa, May was an assistant at Brigham Young University. While at BYU, his swimmers broke school records in every event in which they competed. May also spent four years as head coach at Hemet High School in California. He led Hemet to an unblemished record in league competition and coached the CIF Southern Section Athlete of the Year in 1995. He also has coached several Junior National and Top 16 qualifiers at the club level.

May swam collegiately at BYU, helping the Cougars to a second-place finish at the Western Athletic Conference Championships in 1988.

May lives in Cedar Falls with his wife, Sunny, and his six year old son, Tennyson.

DIVING COACH VICTOR LAUGHLIN

Victor Laughlin is in his second season as Northern Iowa's diving coach. Laughlin was a four-time Atlantic Coast Conference diving champion and two-time all-American at South Carolina in the late 1960's. He also was a four-time Southern Intercollegiate Diving Champion. He recorded a third place finish at the 1968 AAU 10 Meter Diving Championships and a 10th place finish at the 1968 10 Meter U.S. Olympic Diving Trials.

Laughlin was the head diving coach at Luther College in Decorah, IA, from 1994 to 1998. He also coached Waterloo (IA) East High School's swimming and diving teams in 1997 and 1998.
In the spring of 1998, the University of Northern Iowa completed construction of its new multipurpose student and athletic facility—the Wellness & Recreation Center.

The $14 million center is the home of the Northern Iowa swimming and diving teams.

The Wellness & Recreation Center Pool consists of eight 25-meter lanes. All lanes are equipped with the Colorado Times Electronic Timing System. This system is connected to the large electronic scoreboard that allows spectators to follow the event’s action in real time.

The pool also is surrounded by a closed gutter filtration system which drastically reduces water turbulence, helping to increase the swimmer’s speed.

The pool has two one-meter diving boards located pool side and two three-meter boards fitted on a diving platform located on the north end of the pool. The diving well has a depth of 13 feet.

Seating for meets includes elevated permanent seating for 300 spectators. The overlooking seating gives fans a spectacular, up-close perspective to watch the competition.

Fans and parents also can take advantage of the pool's hospitality room during swimming meets.

In addition to the use by the Panther swimming and diving teams, the pool is open to the University of Northern Iowa community for recreational events, such as intramurals, swimming lessons, open swim, water aerobics and lifeguard certification classes.

UNI also holds several special events at the pool throughout the year. "Band on the Water" and "Movie in the Pool" are two events sponsored annually by Northern Iowa. The pool also hosts the university’s "Big Splash" competition.

Open daily to the UNI community, the rest of the Wellness & Recreation Center houses basketball, volleyball and racquetball courts, dance and exercise rooms, two weight rooms and an indoor track.
The new millennium brings challenges for college sports programs, but the Missouri Valley Conference continues to lead by example as one of college athletics most progressive conferences. Now in its 94th year of existence, the Missouri Valley Conference emphasizes the importance of the student-athlete and is aggressive in its approach to provide opportunities for its member institutions.

Since its inception in 1907, the Missouri Valley Conference has been regarded as a leader by its peers among today's collegiate athletic conferences.

The seeds for the vision of the conference were planted by eight administrators representing five institutions who gathered at the Midland Hotel in Kansas City, Mo., on Jan. 12, 1907. The five schools which formed the Missouri Valley Intercollegiate Athletic Association were Washington University of St. Louis, and the state universities of Iowa, Kansas, Missouri and Nebraska. Two months after the initial meeting, two more schools -- Drake and Iowa State College -- were admitted.

Current members of the Valley include Bradley University, Creighton University, Drake University, University of Evansville, Illinois State University, Indiana State University, University of Northern Iowa, Southern Illinois University, Southwest Missouri State University and Wichita State University.

In the fall of 1907, basketball became the first competitive sport. Today, the Missouri Valley Conference sponsors the following sports: baseball, men's and women's basketball, men's and women's cross country and track (indoor and outdoor), men's and women's golf, men's and women's soccer, softball, men's and women's swimming and diving, men's and women's tennis and women's volleyball.

During the 1992-93 academic year, women's athletics were brought under the Valley umbrella for the first time. The Gateway Collegiate Athletic Conference -- which began in 1982 -- merged with the Missouri Valley Conference and was unveiled as part of the new conference on July 1, 1992. This season, the league will conduct its 90th outdoor track and field championship, its 83rd tennis championship, its 47th baseball tournament and its 63rd golf championship for the men. Those programs, plus other current sponsored sports of cross country (42 years), indoor track (34), soccer (10) and swimming and diving (7), have helped solidify the Missouri Valley Conference as one of the most respected conferences nationally.

Athletic accomplishments on the men's athletics side include four national basketball championships, 17 trips to the NCAA Men's Basketball Final Four and a 1989 national baseball championship. MVC student-athletes and coaches have become household names during the conference's illustrious history, both during their collegiate careers and, for some, professional careers which have followed stardom in the Missouri Valley Conference.

The Valley, which has a storied past, began honoring that tradition in the summer of 1997, when the Missouri Valley Conference started its Hall of Fame. Hersey Hawkins of Bradley, Larry Bird of Indiana State, Wes Unseld of Louisville, Coach Henry Iba of Oklahoma State, Dave Stallworth of Wichita State, Ed Macauley of Saint Louis and Oscar Robertson of Cincinnati were members of the initial induction class in 1997. On September 11, 2000, the Conference inducted Dick Boushka of Saint Louis, Cleo Littleton of Wichita State and the late Maury John as members of its fourth Hall of Fame class.

The 1999-00 academic year was, arguably, one of the greatest seasons in the history of the Missouri Valley Conference. In all, the Valley received a total of five at-large bids to NCAA championships -- two in baseball and one in men's and women's basketball and one in men's soccer.
The University of Northern Iowa was founded in 1876 as the Iowa State Normal School. In 1909, it became Iowa State Teachers College. In 1961, the name was changed to State College of Iowa, and in 1967, the Iowa Legislature acted to change the status of the institution to that of a university under its present title.

While maintaining its primary emphasis on teacher education, the university has evolved into one of the finest comprehensive public universities in the nation, with nationally-acclaimed programs in many disciplines.

UNI emphasizes outstanding undergraduate education and offers selected graduate programs at the master's, specialist's and doctoral levels.

Building on its historic strength in teacher education, the university has developed a number of outstanding programs in its Colleges of Business Administration, Education, Humanities and Fine Arts, Natural Sciences, and Social and Behavioral Sciences. UNI also participates in the bachelor of liberal studies program offered by Iowa's Regent Universities, and the university's division of Continuing Education and Special Programs provides classes off-campus in centers throughout the state.

Recognized as the premier public undergraduate university in the state, UNI is no longer Iowa's "best kept secret," as evidenced by the demand for its high-quality programs. UNI enrollments have grown by nearly eight percent in the past five years. Enrollment on UNI's 900-acre campus was 13,774 students in the fall of 2000, which represented the third consecutive year of record enrollments. Students come from every county in Iowa, 46 states and 57 countries.

UNI's heritage and philosophy place great value on providing a student-centered educational experience. The university offers a learning environment that is small enough to offer students individualized attention, yet large enough to provide a variety of resources, including distinguished faculty. The university prides itself on its reputation as a great teaching institution, and most courses are taught by one of more than 600 full-time faculty members who are committed to helping students grow intellectually and personally.

UNI's accounting program continues to be ranked among the best in the nation, as does its music program. Student groups ranging from interests in chemistry to conservation to public relations have been recognized for excellence by their respective national organizations.

UNI offers a wide variety of cultural programs, conferences and outreach services. Continuing Education's non-credit division, the College of Business Administration's Business and Community Services division and the university's Office of Conference and Visitor Services offer outreach programs to business and industry, locally and across Iowa.

### 2000-01 Outlook

#### Tough Act to Follow

Last season, UNI broke 27 school records, scored 60 percent more points at the Missouri Valley championships than the previous year, had its first all-conference performer in years (Jennifer Sokolowski), and won the Midwest Classic Championship.

#### Super Sophomores

Much of last year's success came from the talented freshman class. With a year of college experience, the now sophomore class plans to have even more success. Leading the way is Sarah Burbach (Dubuque, IA). Burbach scored more points than any other Panther at the Valley meet last year. Other school record holders returning for their sophomore seasons are Kristin Hogan (Clive, IA), Melanie Brewer (Davenport, IA), and Melissa Tippet (Winthrop Harbor, IL), who will provide depth, strength and leadership after their successful debuts last season.

#### Notable Newcomers

Joining the team is a group of powerful newcomers. Kristen Harvey (Hoffman Estates, IL) will be counted on to lead the distance group this year and looks to be the first Northern Iowa swimmer to place in the top eight at conference in the 500 and the 1650 in nearly a decade. Heidi Ditscheit (DeForest, WI) is one of the most versatile athletes on the team. State champion Erika Uthoff (Marengo, IA) will contribute immediately to the team. This group could have an even greater impact than last year's freshman class.

#### Leading the Way

Although the underclassmen are loaded with talent, that does not mean that the upperclassmen are without their stellar performers. Sarah Hansvick (Marshall, MN) was the most well-rounded star of last season. She currently holds four school records and also has top five times in three other events. Sara Urbas (Ballwin, MO) is the only other school record holder on the team and the only senior to hold that distinction. Urbas is the school record holder in the 200 backstroke and also has two other top five times.

### 2000-01 Outlook

**Torching the Record Books**
The UNI men's squad broke four school records and set numerous top five times last season. The Panthers won six of their last seven meets.

**Strong Rookie Class**
The men's team has many talented freshmen ready to make their mark at the collegiate level. Former Dubuque (IA) Hempstead prep Joe Kukla hopes to make a splash this season. He was a high school all-stater and a three-time state qualifier. His expertise in the butterfly events will strengthen that segment of the team. Phillip Strom also brings an impressive career to UNI. He was an all-conference performer and four-time state qualifier at Clinton (IA) High School.

**A Tall Order**
Freshman Alex Girard (Cedar Falls High School) will help out the Panthers in the distance freestyle events. At 6-10, Girard is the tallest Division I swimmer.

**Mr. Versatility**
Joining the men's squad during the spring term will be Kelly Boylan (Mesa, Arizona). Coach Danny May believes Boylan will swim top times in butterfly as well as the backstroke and intermediate events. Boylan's first meet will be at Southwest Missouri State on January 12.

**Leading the Way**
Sophomore Adam Cremieux (Stagg) will lead the Panther swimming program. The Palos Heights, Illinois, native specializes in the freestyle sprints and anchors relays. Cremieux comes into this season in better shape and May will look to Cremieux for better times.

**The Big Splash**
Tony Kramer (Kennedy) is the only multi-letter winner returning to the men's team. The senior will lead the diving team, along with Christian Marsh (Camanche) and Andrew Holland (Clinton).
