When the 2002-03 University of Northern Iowa wrestling team steps on the mat for the first time this year, it will do so not only for the athletes, but for the pride and passion of those who wrestled in the UNI singlet before them. Over the past two seasons, head coach Brad Penrith has led his squad back into the national spotlight and has returned this program into one of the nation's best.

The past two seasons, Penrith and his coaching staff have directed their teams to a 18th- and 16th-place finish at the NCAA Championships. During that time, they have crowned five all-Americans, including three last year.

With five national qualifiers back for the second straight year, the UNI squad has a strong returning cast which will guide the younger Cats into the strong tradition known as Panther Pride.

“It is always an advantage when you have five national qualifiers back from a previous year,” said Penrith. “We are in a unique situation, kind of a double-edge sword. Once again, it means that half of our team could be new faces. We could have five new guys in the lineup.”

Leading the Panther pack this season is two-time all-American Paul Hynek. In his senior year, this heavyweight will be carrying the weight of the team on his shoulders as the team's captain. His hard work, dedication and determination should move him in the direction of his dream of becoming a national champion.

Not only will he be a great example on the mat, but also in the classroom. A two-time academic all-American, Hynek knows how to balance his time in the weight room with his time in the classroom. Looking to improve on his sixth-place finish the past two years, he will remain one of the nation's best heavyweights.

Another team leader is junior Dylan Long (141). Last year, he was ranked as high as third in the nation, but fell short of his goal by finishing 2-2 at the national tournament. He realizes now what happened last year and over the summer he worked hard on his strength and technique. This year, he knows what it takes and is determined not to fall short.

“I think Dylan is more mature this year and understands what it takes to win the NCAA title,” said Penrith. “He has all the tools to achieve that success.”

Sophomore Mark Manchio (133), junior Jon Garvin (149) and sophomore Eric Hauan (174) are three other NCAA qualifiers who are ready to make an impact on the team.

UNI continues to wrestle the nation's best, knowing that the only way to improve is to compete against the top programs. Penrith and his squad believe that in order to be a success at the NCAA Championships, they need to know that they will be ready for anything. Wrestling Iowa, Iowa State, Oklahoma State, Arizona State and Fresno State, along with competing at the Texas Duals, the National Duals and Midlands, the Panthers will be put in some tough positions and prepared for any other challenge that might come their way.

“Any time you can get people in your own gym and don't have to travel is always good,” replied Penrith.

When watching the Panthers this season, some fans might notice their style to be more aggressive and more technically sound. With the young team last year, there were times that the coaches didn't know what to expect. This year, Penrith and his staff are prepared and so will be their athletes.

“This year, you will see a lot better conditioned team,” commented Penrith. “We started the preseason a little harder than last year. We are going to get on the mat a little earlier and I think this team is going to be ready earlier.”

With some new faces in the lineup and Panther history on its side, the 2002-03 UNI squad will fight hard, never give up and show the wrestling community that Panther Pride is not just a phrase, but a reality.
2002-03 SEASON OUTLOOK

165 Pounds
Junior Drew Kelly has moved up a weight class, as he will be the starter at 165, where he wrestled in high school. When he arrived at UNI, the Panthers already had a 165 in Nate Lawrenz, a four-time NCAA qualifier.

“I think his body was weak,” said Penrith. “He gained 20 pounds and then had to move down to 157. His joints and ligaments just wouldn’t hold up. Now that he is at 165, I think he will be better both physically and mentally.”

Kelly will have a tough challenge from Hesston Johnson. The junior from Jewell, Iowa, is a hard worker and determined to be in the lineup.

“Hesston wants the job. The two will have to wrestle off and I will see how they do in competition before a decision is made,” commented Penrith.

174 Pounds
Junior Jon Garvin will be in the starting lineup for the second straight year at 174. Despite struggling throughout, he put together a great West Regional match, allowing him to advance to the NCAA Championships. He wrestled Air Force’s Scott Frohardt, who was ranked, and wrestled him hard throughout the match.

“Jon was down and he tried to go for something,” commented Penrith. “That is all we want. We want our athletes that try and that is what Jon did. We know he will wrestle hard and he is going to be in his matches.”

Sophomore Jeff Harrison, three-time state champion will be challenging Garvin for the top spot. He is a natural-conditioned athlete that works hard every day.

157 Pounds
The 157 pound weight class will prove to be an interesting wrestle off. Sophomore Keith Pearl is trying to get back into the starting lineup after filling in last year when Drew Kelly was out with a knee injury. Pearl finished the year with a record of 12-5, 3-2 in dual meets.

“Keith stepped in there and did a solid job for us last year,” said Penrith. “He is as strong as a bull and pretty solid on his feet.”

Pearl is going to be challenged by transfer Chris Bitetto. A New Jersey state champion, he took third at senior nationals.

“Chris is extremely tough on the mat,” commented Penrith. “Chris and Keith have contrasting styles and it should be a pretty exciting wrestle off.”

To top off the weight, you can throw in redshirt freshman Matt Markowski into the mix. This three-time Florida state champ was injury-prone last year, will battle for the position.

184 Pounds
The Panthers will look to sophomore Jordan Holm who returns to the team after transferring last season for personal reasons right before school started. In January, he returned to UNI and you could see it in his eyes that he wanted to wrestle.

“When he came back, he just wasn’t ready, because his conditioning was not there,” commented Penrith. “Once things got going, he took Kyle Hansen into an overtime match.”

A solid wrestler, Holm was the University National champion this summer while being named the tournament’s Outstanding Wrestler. Despite being the only wrestler at 184, the coaching staff is not worried because they think he will have a good year.

“He has a fighting attitude and he doesn’t like to lose,” said Penrith. “He will run you into the wall because he is a very physical athlete.”

197 Pounds
Another weight that saw a roster change is 197, but Panther fans should not fret. Sophomore Sean Stender should get the nod. Last year was an interesting year for Stender, as he started the season ranked at 197 and later in the season, after out of the everyday lineup, was wrestling as UNI’s heavyweight.

“Sean saw action early last year, got hurt, and never fully recovered,” said Penrith. “He made a bad decision in the Iowa dual, but as a happy go lucky kid, I don’t think it affected him.”

As the season went on, Stender and Jason Payne wrestled off, with Payne earning the starting spot. Stender had a new challenge ahead of him, backing up the injured Paul Hynek at heavyweight. He was able to take all-American Garrett Lowney of Minnesota to sudden death.

He had a great summer wrestling at the Filo Juniors, where he captured the title, pinning his way through the field earning the Gorrarian Award for most falls.

Heavyweight
As one of only two seniors on the squad and the 2002-03 captain, Paul Hynek is walking a little taller this year. After earning his second all-American award, he still is not satisfied with his sixth place finishes.

“With his shoulders being a little wider, I think he is going to have an outstanding season,” replied Penrith. “With the injury last year, what he accomplished was unbelievable.”

Hynek was sidelined during the dual with Iowa State on Jan. 4 and was unable to compete until the last dual of the season on Feb. 24, against Iowa State. With little working out and a 10-day period to get ready for regionals, he not only qualified for nationals but became an all-American.

“It is no wonder why Paul was given the Mr. Hustle award by InterMat last year,” commented Penrith. “What he did just shows you what he has in him.”

Backuping Hynek is redshirt freshman Michael Shedeck. With a short and stocky build, he proves to be hard to score on.

“He is as strong as a bull,” said Penrith. “He has shown us that he can wrestle compete with anyone in the nation.”
Brad Penrith is in his third season as the head coach of the Panthers. He returns five national qualifiers from a team that finished 16th at the NCAA Championships. Among those returning is two-time all-American Paul Hynek.

A former University of Iowa all-American and national champion, Penrith was named head coach on June 21, 2000, becoming only the ninth wrestling coach in the University's history.

In his first two seasons at the helm, he has a record of 18-16. Last year, he guided the team to a record of 7-8 and qualified eight for the national tournament for the second straight season.

Having been affiliated with the Panther program since 1997, three of those years as an assistant coach, Penrith has been instrumental in securing four Top 25 recruiting classes. The UNI recruiting class was ninth in the nation last year, first the year before, 13th and second the following two seasons.

During his three seasons as assistant coach, the Panthers posted their first winning dual record in six years in the 2000 season with a record of 10-5-2 and placed 11th at the NCAA Tournament. "It's been a dream for me to be part of this program that I helped rejuvenate," Penrith said, "and then to become the head coach is something special. I thank everyone involved in the search process for their belief that my staff and I can continue the great tradition here at Northern Iowa."

Penrith is very enthusiastic about leading his Panther squad. He believes that the team's long term goal every year should be to win a national championship. To Penrith, what is more important is taking things one day at a time and not worrying about what the team has done in the past or what it might do in the future.

When talking about his coaching staff, a smile comes to his face. He knows that he is very fortunate to have Derek Mountsier, Randy Pugh and Jose DeAnda throughout his tenure as head coach.

"These guys are a reflection on our program and the philosophy of their athleticism is a great asset UNI," said Penrith. "Anyone of these guys could go to another program and do an outstanding job. Until then, I am the luckiest coach in the nation."

Prior to coming to UNI, he spent the previous five seasons as an assistant at Nebraska, coaching the Huskers' lighter weights. He also served a one-year stint as an assistant at Boise State in 1991-92, spent two seasons at Arizona State from 1989-91, and was a graduate assistant at Iowa.

Penrith has learned a lot from the places he has been in the past and looks to leverage that knowledge into his head coaching position.

Under former Iowa head coach Dan Gable, Penrith learned Gable's ability to mentally prepare athletes and how to keep focused. From Iowa State head coach Bobby Douglas, Penrith brings Douglas' technique and strategies to the Panther mat. Finally, Boise State head coach Mike Young taught him how to relate with the athletes.

Penrith believes that with this knowledge, his team will be able to compete with the best of them.

Athletically, Penrith's credentials are outstanding. He won the 126-pound national championship at Iowa in 1986 as a sophomore, then placed second at 125 in 1987 and 1988. He was a three-time Big Ten champ for the Hawkeyes and was named Outstanding Wrestler at the conference meet in 1986.

A 1988 Iowa graduate, Penrith also made his mark at the international level before retiring in 1996. He captured a Silver Medal at the 1991 World Championships, was the Gold Medalist at the Pan American Games in 1991 and won the title at the Pan American Games Championship in 1999.

Among his many accomplishments internationally, including placing third at the '94 Goodwill Games, becoming a two-time Sunkist Open champion; taking the Roger Coulton title in France in 1992 and '96, being a member of the 1989 U.S. World Team, and taking third at the World Cup in 1990 and 1991.

Closer to home, he placed third at the 1996 Olympic Team Trials, won the U.S. Nationals three times--'89, '91 and '93--and was second at the '92 Final Olympic Wrestling Off.

As a coach, Penrith is renowned as an excellent technician and recruiter. He has been involved with USA Wrestling at several levels of coaching and in the summer of 1999, he was the head coach of the United States team that competed at the Junior World Freestyle Championships in Sydney, Australia, which took the Bronze Medal in the team competition.

In Penrith's five seasons coaching the lighter weights at Nebraska, the Huskers crowned 12 all-Americans and two national champions. Nebraska also won the Big Eight Conference title twice. As a team, Nebraska posted top 10 finishes at the NCAA's three times in Penrith's five seasons, including third in 1993, and had the top-rated recruiting class in the nation in 1996.

A native of Windsor, N.Y., Penrith was a four-time state placer in high school, including winning the state title as a sophomore in 1981. He was named the Outstanding Greco-Roman Wrestler at the 1983 Junior Nationals.

He and his wife, Laura, have two sons, Gabriel (4) and Jacob (2), and are expecting their third child and first daughter in January.
DEREK MOUNTSIER
ASSISTANT COACH
THIRD SEASON

Former Iowa State all-American Derek Mountsier returned to his home state last year as assistant wrestling coach at UNI. The Newton, Iowa, native will serve as the top assistant for the second year under head coach Brad Penrith.

Before coming to at UNI, Mountsier was the head assistant at Pennsylvania from 1999-00 and, prior to that, spent a year as an assistant at Nebraska. He also served two years with the Cyclone Wrestling Club prior to his stint at Nebraska.

Pennsylvania placed ninth at the 2000 NCAA Championships and Mountsier helped guide 157-pounder Brett Matter to a national title. He also was instrumental in securing the Quakers’ 2000 recruiting class, which was ranked seventh nationally by InterMat. In Mountsier’s year at Nebraska, Byran Snyder placed fourth in the nation as a freshman at 157.

Mountsier enjoys coaching and watching his athletes set their own goals. “My biggest accomplishment in wrestling would be in the coaching ranks, and that is above anything I did as an athlete,” said Mountsier. “To watch athletes that I have coached put so much dedication and discipline into achieving their goals gives me great satisfaction.”

“Derek brings youth, aggressiveness and a great work ethic to our program,” Penrith said. “He understands what it takes to succeed in the athletic and academic realm having been at Penn. It’s also exciting to have someone with ties to the state.

“Derek is a people person and that’s really important,” he added. “Derek has all the potential to be a great coach and some day he will be a great head coach.”

As a competitor, Mountsier enjoyed an outstanding collegiate career for the Cyclones, earning all-American honors in 1994 and ’96. In 1996, he was the Big Eight champion at 142 pounds, placed fourth at the NCAA Championships and captured the Cyclones to an NCAA runner-up team finish. He also finished eighth at 134 pounds in 1994.

He qualified for the NCAA Championships in each of his four seasons at Iowa State, placed at the Midlands each year and finished his career ranked second on the school’s all-time win list with 128.

Outside the collegiate ranks, Mountsier is a three-time National Open Greco-Roman all-American (1997-99) and a three-time Greco-Roman World Team Trials placewinner. He also is a University National Greco-Roman Champion.

RANDY PUGH
ASSISTANT COACH
THIRD SEASON

Following an outstanding athletic career at the University of Northern Iowa, Randy Pugh begins his third season as an assistant coach for the Panthers.

In his two seasons as a coach, Pugh, a former Panther all-American, helped develop all-Americans Kyle Hansen (194), Jason Payne (197) and Paul Hynek (Hwt).

When head coach Brad Penrith took over two years ago, the Columbus Junction, Iowa native was a natural choice.

“As a member of the team, Randy was always one of those guys that his teammates looked up to and had those qualities of a successful coach,” Penrith said. “We’re obviously excited to be able to keep him in the program. His ability to relate to our guys is outstanding and he’s going to solidify our upper weights.”

While coaching for the Panthers, he has been training for international competition as an 85 kg. freestyle wrestler. Pugh finished in fourth place at the USA World Trials in June 2002 and was an alternate for the World Championships Freestyle team held in Russia. Earlier this year, he won the Sunkist Duals and took third at the US Open. Currently, he is ranked fourth in the nation.

As an athlete at UNI, Pugh finished fourth at the 2000 NCAA Tournament at 174 pounds, capping a senior season in which he compiled a 26-4 record. He was ranked as high as third nationally after upending top-rated Otto Olson at the Virginia Duals.

Pugh was a state high school champion his senior year at Columbus Junction before enrolling at the U.S. Naval Academy, where he compiled a 16-8 record his first year. After transferring to UNI in 1998, he went 54-9 in two seasons for the Panthers, giving him a 70-17 career mark.

For Pugh, the biggest change from competing on the mat to coaching his former teammates is motivating others.

“When I was on the mat, I was doing what it took to make myself a better athlete,” said Pugh. “But as a coach, I am more concerned with what others are doing and helping them improve.”

Pugh not only was a leader in the wrestling arena but also in the classroom. He graduated with a degree in Industrial Technology with a GPA of over 3.0 and currently is working towards his Master’s in Business Administration.

Pugh’s goal for the Panther squad is for it to do well in academic work, because he believes school comes before wrestling.
COACHING STAFF

JOSE DEANDA
VOLUNTEER ASSISTANT COACH
THIRD SEASON

Former Nebraska all-American Jose DeAnda is in his third year as the Panthers' volunteer assistant coach. His responsibilities include training the lighter weights.

DeAnda went 28-9 at 141 pounds his senior year for the Huskers in 1998-99 and spent the 1999-00 season as a coach with the Husker Wrestling Club.

He finished his collegiate career placing eighth at the NCAA tournament and second in the Big 12 Championships. As the fifth seed at the national championships, DeAnda posted a 3-3 record in his first NCAA appearance. He also was named the team's most dedicated wrestler.

"We are very fortunate to have Jose on our staff," commented head coach Brad Penrith. "He is starting to become more vocal and that is important to us. The athletes respect him and he is one of the guys. He runs, lifts and drills with the wrestlers."

A South Sioux City, Neb., native, DeAnda finished second at the 1999 Big 12 Championships and was ranked as high as sixth nationally during the season. Penrith recruited DeAnda to Nebraska and coached him for three seasons in Lincoln while a Husker assistant coach.

TOLLY THOMPSON
HEAD CLUB COACH/ STRENGTH & CONDITIONING COACH
SECOND SEASON

Former NCAA Champion and Janseville, Iowa, native Tolly Thompson rejoins the Panther staff as the team's Conditioning Specialist.

Thompson returns to UNI after two years as the strength and conditioning coach at Nebraska. He was a member of the Panthers' coaching staff during the 1999-2000 season as a volunteer assistant.

"I can't put into words what having Tolly back means to this program," commented head coach Brad Penrith. "He will do a great job with the upper weight classes, especially in the development of heavyweight Paul Hynek. He knows what it takes for a big guy to achieve success."

An aspiring Olympian, Thompson currently is the third-ranked 286-pound freestyle wrestler in the country. His hope of qualifying for the 2000 Summer Olympics ended at the team trials in Dallas, where he was defeated in the semifinal round by former Cal State-Bakersfield national champion Stephen Neal. Thompson currently is training for a bid to the 2004 games.

Nebraska's all-time winningest wrestler, Thompson compiled a career record of 157-21 from 1993 to 1997. His 157 wins place him eighth on the NCAA's all-time wins list. He also tops the NU career fall charts with 72 (53 pins, 19 technical falls).

During his collegiate career he was Nebraska's sixth national champion as a sophomore, in 1995, by defeating UNI's Justin Greenlee. He finished third at the 1996 championships while he took fourth place and won the Gorrarian Award for the most falls in the least time at the 1997 championships. A three-time Big Eight/Big 12 champion, Thompson was a three-time NWCA All-Star.

A graduate of the University of Nebraska, he and his wife, Tracey, have two daughters, Payton and Bree.

KYLE HANSEN
CONDITIONING SPECIALIST
FIRST SEASON

Former Panther Kyle Hansen joins the UNI staff after a stellar collegiate career. He finished his collegiate career as a two-time all-American and a two-time NWCA Academic all-American. He will train with the UNI wrestling program while he will continue his wrestling career at the next level.

Graduating in 2002 with a degree in Construction Management, Hansen currently is pursuing his Masters in Business Administration.

JASON PAYNE
CONDITIONING SPECIALIST
FIRST SEASON

Jason Payne is another Panther who has made the move to the other side of the mat. After a great senior season, when he earned all-American status with his eighth-place finish, Payne will assist the UNI wrestlers in their conditioning.

He currently is finishing his Finance degree, with graduation set for December 2002.

Building on a strong tradition of teacher education, the University of Northern Iowa has evolved into one of the finest comprehensive public universities in the country. UNI emphasizes excellence in undergraduate education and offers selected graduate programs at the master's, specialist's and doctoral levels.

UNI's heritage and philosophy place great value on providing a student-centered educational experience. The university offers a learning environment that is small enough to provide students individualized attention, yet large enough to provide a variety of resources, including distinguished faculty.

Today, UNI offers more than 120 undergraduate majors. Outstanding academic programs, many of which are nationally-recognized for their excellence, have been established in the colleges of Business Administration, Education, Humanities and Fine Arts, Natural Sciences, and Social and Behavioral Sciences. In addition, UNI participates in the bachelor of liberal studies program offered by Iowa's Regent Universities and provides classes in centers around the state through the division of Continuing Education and Special Programs.

Recognized as the premier public undergraduate university in the state, UNI is experiencing an increasing demand for its high-quality programs. Enrollment at UNI was 13,926 students in the fall of 2002, down by about one percent after four consecutive years of record enrollments. Students come from every county in Iowa and about 95 percent of UNI's undergraduate students are residents of Iowa.

The University of Northern-Iowa was founded in 1876 as the Iowa State Normal School. It became Iowa State Teachers College in 1909. In 1961, the name was changed to State College of Iowa, and in 1967, the Iowa Legislature changed the status of the institution to that of a university under its present title.

**UNI ADMINISTRATION**

**DR. ROBERT KOOB, PRESIDENT**

Robert Koob, a native of Hawarden, Iowa, and a 1962 graduate of UNI, was appointed the University's eighth president in August, 1995. The Koob presidency has stressed a commitment to strategic planning to guide the institution's efforts, the effective use of technology in higher education, the importance and value of developing a university community, and has renewed the University's commitment toward teaching and learning. Koob believes in reaching a better understanding of each student's abilities, and ensuring students achieve a university education of the highest quality as they become valued and productive members of society.

Before coming to UNI, he was Senior Vice President and Vice President for Academic Affairs at California Polytechnic State University at San Luis Obispo, Calif., since 1990.

**RICK HARTZELL, DIRECTOR OF ATHLETICS**

Rick Hartzell was named Director of Athletics at Northern Iowa August 9, 1999. In the three years since his appointment, the Panthers have celebrated outstanding performances in almost every sport. The volleyball team advanced to the NCAA Sweet Sixteen for the first time in school history in 1999, the wrestling team placed 11th in the NCAA Tournament, its highest finish since 1994, and crowned its first Division I national champion in 2000; while the men's track team has won both the conference indoor and outdoor titles. UNI's second-place finish in the Missouri Valley Conference All-Sports Championship race in 2001-02 was its highest finish ever in this competition. Other successes can be claimed across the board. In addition, UNI's student-athletes are graduating at a rate higher than the general student body.

Hartzell has been heavily involved in several facility upgrades, including the development of the McLeod USA Center, a new arena which eventually will house the men's and women's basketball programs, and volleyball and wrestling teams. Plans also are moving forward for a Human Performance Center that will house an athletics weight room, training rooms, team rooms, locker rooms and offices. The scope of the fundraising for UNI athletics has been widened under Hartzell's direction.

He also has stressed closer departmental involvement with the student body, and a new ticket package for the University community is one result of that interaction. The Panther Pass ticket package for UNI students enhances student involvement in the athletic program. Further, Hartzell completed departmental reorganization and a renewed outreach effort to the University and Cedar Valley communities.

At the press conference announcing his appointment, then UNI Vice President for Administration and Finance, John Conner, said, "Rick is a bright, articulate team-builder with a highly developed sense of the contribution intercollegiate athletics makes to the quality of the entire Northern Iowa community. He brings not only exceptional experience in athletic programming, but a strong personal relationship and loyalty to Panther athletics."

Prior to being named at UNI, Hartzell had been at Bucknell since 1988, directing a Division I program with 1-AA football consisting of 28 sports. Prior to his appointment at Bucknell, he was Director of Athletics and Chairman of Physical Education and Recreation at the University of Maryland-Baltimore County from 1985-88, directing a 19-sport program which moved from Division II to Division I during his tenure. Prior to being named at Baltimore County, he was an Assistant Athletic Director for Football and Men's and Women's Basketball at Northwestern University from 1982-85; was an Administrative Assistant to the Director of Athletics and Assistant Baseball Coach from 1980-82 at the University of Iowa; and an instructor, assistant football coach and head baseball coach from 1977-80 at Coe College.

He recently received the All-American Football Foundation's General Robert Neyland Outstanding Athletic Director Award.

Hartzell is no stranger to UNI. He played football and baseball for the Panthers. He received his bachelor's degree in Physical Education and English from UNI in 1974, and his master's in Educational Administration in 1977. He was a five-sport letterman at Klemme, IA, High School.

He has two children — Nate, 21, a student at Hawkeye Tech, and Amanda, 19, a junior student UNI. Hartzell's personal interests include reading, fitness, auto racing and spending time with family and friends.

"I'm very excited to be here," Hartzell said at his press conference. "It's great to be home...It's an honor and privilege for me to be back...I'm really excited about where I think we can go with this program...I think the potential of this program in both the (Missouri) Valley and the Gateway is outstanding."

The University of Northern Iowa wrestling team proved that hard work and dedication pays off in the long run as it finished the season in 16th place at the NCAA Championships in Albany, NY. For the first time since 1991, the Panthers honored three all-Americans in seniors Kyle Hansen (184, 8th) and Jason Payne (197, 8th) and junior Paul Hynek (Hwt, 6th).

"Anytime you can make progress and improve from year to year it is a positive thing," commented head coach Brad Penrith. "This year was really positive as we honored three all-Americans."

Hansen and Hynek are not new to the awards stand as they both captured their second consecutive all-American honors, while Payne finished his senior season among the nation's best. The road to nationals was not easy for any of the Panther all-Americans, as there were many trials and tribulations during the season.

"All three of these guys are very dedicated," said Penrith. "They worked extremely hard in the off season and stayed very focused throughout the season. They never strayed from their goals. They stayed right in there and hard work prevailed."

During the regular season, UNI competed against the nation's best, including Minnesota, Iowa State, Oklahoma, Iowa and Oklahoma State the top five schools at nationals. The Panthers also wrestled five other teams which finished in the top 25. Penrith finished his second season at the helm of Panther wrestling with a dual meet record of 7-8 and wins over ranked Boise State, Wisconsin and Oregon.

The Panthers came into the national tournament with eight qualifiers from the NCAA West Regional in Mark Manchio (133), Long (141), Jon Garvin (149), Nate Lawrenz (165), Eric Hauan (174), Hansen (184), Payne (197) and Hynek (Hwt). UNI captured its 17th consecutive regional title in Fresno, CA, when it finished the tournament with 107.5 points. Its nearest competition was Fresno State with 67.5 points.

Hynek was ranked as high as fourth when he was sidelined with a knee injury after the Jan. 6th dual with Iowa State. Out of the lineup for a month and a half, Hynek was unable to compete in nine dual meets. His drive for success and his hard work in the training room got him back in competition shape in order to finish up the regular season in the final dual of the season against Iowa State. Hynek went on to defend his West Regional title by defeating 10th-ranked Kevin Hoy of the Air Force. Seeded ninth going into nationals, Hynek took sixth place for the second straight season. He went 4-3 in the tournament with a 47-second pin over Adrian Thompson of Howard. He finished the season with a record of 16-9 and currently has a career record of 61-28.

With a career record of 79-40, Hansen finished his senior season with his second all-American award in as many years. His eighth-place finish was highlighted by defeating fifth seed Viktor Sveda of Indiana to advance to the quarterfinals. Hansen went 3-3 at nationals, losing to fourth-seeded Jessem Smith of Iowa in the quarterfinals. Ranked all season long, Hansen found himself as high as seventh in the nation. He ended the season with an overall record of 22-9 and a 9-4 dual meet record.

One of the biggest battles at the beginning of the year for the Panthers was a 197-pounder. Both Payne and redshirt freshman Sean Stender were in contention for the starting spot with both seeing time in the rankings. When Hynek was out with an injury, Stender moved up to heavyweight and Payne became the Panthers' regular 197 pounder.

Payne not only earned the starting role, but also found himself seeded eighth going into nationals. With a record of 18-8 going into the tournament, he had some big wins over Oklahoma and Oklahoma State. In his second trip to the NCAAs he improved his record by going 3-3 and placing eighth. He advanced to the quarterfinals only to face undefeated Cael Sanderson. This was the third time in the season that Payne faced Sanderson and his goal was to go the full seven minutes. Payne fell short by only five seconds when he gave up a technical fall at 6:51, but it was an improvement over his first two matches. He finished his Panther career with a record of 44-27.

Long had a successful year in his first full season as a regular starter. He moved up a weight to 141 where he proved he could compete with the nation's best. He went into the NCAA Championships with a record of 24-2, including a win over Iowa State's Aaron Holker, who was ranked second in the nation. As the fourth seed in the tournament, he had big hopes of earning all-American status after just missing it the previous season. Advancing to the quarterfinals, Long had to face Holker for the third time in the season, after defeating the Cyclone the previous two meetings. Holker came out on top on this occasion and went on to win the title at 141. Long finished his sophomore season with an impressive 26-4 record.

"It was very unfortunate with Dylan's situation, but he still has two years left to become an all-American and a national champion," commented Penrith. Lawrenz completed his senior season the same way he started, with his fourth consecutive NCAA Championship. Over the past four years, he proved himself as a true leader both on and off the mat. Coming into the tournament, he was ranked 12th by InterMat, the highest of his career, and his six losses on the season came against wrestlers ranked in the top 10. He went 17-8 on the season with a 1-2 record at nationals. He finishes his career with an overall record of 71-40.

Sophomore Garvin and freshmen Manchio and Hauan qualified for nationals in their first year on the varsity squad. These Panther starters finished the year with a combined 44-37 record against some of the nation's best wrestlers. Garvin struggled through the season, but he received the last wildcard berth from the West Regional. Manchio went 12-13 at the beginning of the year but struggled a little during the heart of the season. He came back strong and went on to win the West Regional title to qualify for nationals. He was the first true freshman to qualify for nationals since Tony Wieland did it in 1996. Hauan went into nationals ranked 20th in the nation by InterMat. He had big wins over Nick Passolan of Iowa State. In his first appearance at nationals, he won a match against Rashad Evans of Michigan State.

Other Panthers to see time in the lineup were Tyler Hubbard (125), Dustin Brewer (125) and Drew Kelly (157). Hubbard and Kelly both were sidelined for part of the season with injuries.

Despite losing three seniors from the starting lineup, the UNI wrestling program hopes to continue being one of the top programs in the nation.

"I think we are going to be fine," said Penrith. "We have two guys that I feel can step right in and contribute right away. Sean Stender (197) and Jordan Holm (184) can challenge for top honors this year and they probably could have done it last year."

ED EWOLDT SCHOLARSHIP
In January of 1992, Northern Iowa officials announced the establishment of the Ed Ewoldt Wrestling Scholarship, the first fully-endowed scholarship in the history of the University’s athletics program.

The scholarship was made possible by a $120,000 gift to the Northern Iowa Foundation by Ron Magruder of Orlando, Florida. Each year, beginning with the 1992-93 academic year, the Panther wrestling program has awarded a full scholarship from the interest generated by the gift.

Ewoldt began attending UNI, then known as Iowa State Teachers College, in 1948 and graduated in 1954, competing on the wrestling team his last two years. He went on to teach and coach at West Central-Maynard (Iowa) High School from 1955-58 and Wheaton (Ill) Central High School, where he coached Magruder, from 1959-88.

"Ed has had a tremendous impact on my life," Magruder said, "and has helped me get where I am today. This is my way of thanking him for being a great teacher, mentor and friend."

Magruder is the Chief Executive Officer of Pusser's West Indies, Inc. He serves as Chair of the National Restaurant Association and is a member of the Business Advisory Council at the University of Mississippi. He also is a Trustee at Buena Vista College and of the Culinary Institute of America.

The recipients of the Ed Ewoldt Scholarship for the 2001-02 season are Paul Hynek, Drew Kelly and Dustin Brewer.

40 • 2002-03 PANTHER WRESTLING
As the 2002-03 season begins and the UNI squad steps on the mat, let's look back at some of our alumni and their memories:

**Larry Dawson**
Agency Manager
Life Investors Insurance
Class of 1975

"I remember getting up at 6 a.m. for the early morning runs in the old field house. We called it the dungeon. It was cold, dark and not so much fun. Even though it was hard work, it paid off because we used to win.

"We had some great coaches in Chuck Patton and Don Briggs. It was just a lot of fun being a Panther. My fondest memory was when we beat Iowa in 1974, 17-14, in the West Gym. It was such a high wrestling in front of a sold out crowd. It was so exciting.

"Now I have two daughters that are students at UNI. My daughter Kelsie is even on the dance team and will be covering some of the wrestling matches. I look forward to coming back to UNI to watch her and the Panthers."

**Joe Gribben**
Financial Consultant
RBC Dain Rauscher
Class of 1985

"I think the best part about wrestling at UNI was being around the guys. It is a very family-oriented school and program. We always had a place to hang out when we went to the West Gym."

**Bruce McClure**
Family Physician
Class of 1978

"When I think about UNI and wrestling, I think about Coach Patton. His coaching techniques have helped me today when I am talking to my patients. But what I remember the most is this saying -- 'You don't fight jaws in the water'. He said that you need to go out there and fight the guy your way, don't go in there and wrestle him the way he likes.

"I enjoyed the my teammates and our time away from wrestling. UNI was a big enough campus to spread my horizons."

**Keith Poolman**
Insurance Agent/NCAA Official
Sissons & Associates
Class of 1980

"Wrestling at UNI was some of the best times in my life. There was a great group of guys. The experience is something that is hard for me to put into words, but basically, it was great. Going for the national championship year in and year out showed the quality of program we had.

"My fondest memory was winning the national title and the individual title in 1978. Not only was it exciting to win, but it was even better because it was in Cedar Falls.

"For the past 17 years I have been an NCAA official. It is all about having a mental attitude. I have found that you have to believe in what you call. It is fun to come back and officiate some UNI matches. It is easy to refere because they are good and aggressive.

"I love the West Gym. It is a great atmosphere and a fun place to watch wrestling."

**Efonda Sproles**
Managing Partner
Life Fitness
Graduated in 1984

"When I think about UNI and its wrestling program, I think about the coaches, especially Chuck Patton and Don Briggs. They set me up for what I am doing today and I will forever be grateful.

"One of my fondest memories was going into Coach Patton's office with a record of 18-18 and telling him I wanted to quit. I started crying when I was talking to him in his office. I had come from a single parent family and walked on before earning a scholarship. I will never forget what coach said to me. 'Fonz (that is what they called me), I don't care if you quit wrestling, but you need to continue to get your education. You can keep the scholarship, but stay in school.' What he said kept me in school and kept me on the team. He equipped me for life. I later went on and qualified for nationals, taking second.

"I also remember our time on the road. I loved being around the guys and the camaraderie we had. I especially enjoyed talking with Coach Don Briggs. We had a great relationship and I learned a lot from him, not only about wrestling, but life. A lot of times on long road trips the two of us would be driving. We would get on the cb radios and talk. We were called the Legends. We talked about life. He showed me that there is life outside of wrestling. I have great respect for Coach Briggs and I value our friendship."

**Rich Powers**
Assistant Principal/Assistant Wrestling
Palatine High School
Graduated in 1992 and 1994

"Wrestling for UNI was a lot of fun and a great honor. It was hard to fully appreciate it when I was going through it, but like many things in life, I now know how fortunate we all were. We had a close team, we did a lot of things together outside of the practice room and I am still in contact with many teammates. We were well supported by the school and community. It made it a lot of fun to have that sort of backing.

"The staff was great, Briggs, Greenlee, Miller, Kreibs and many others did a great job over the years preparing us for the season.

"I have lots of great memories. We beat Oklahoma State when I was a junior and I was able to pin one of their returning all-Americans (after he took me down three times) to help us seal the win. They were ranked number one or two at the time. Many of the road trips also proved very entertaining.... when you spend a lot of time with a bunch of wrestlers together you are going to have a good time."
