Welcome to "Taste of Postville" '98

The community of Postville, along with the Chamber of Commerce and the "Taste of Postville" committee welcomes you to the first annual "Taste of Postville." Postville, a small, picturesque community rich in cultural diversity is home to Jewish, Mexican, Russian and Ukrainian lifestyles. These cultures are reflected in our businesses, schools, industries and neighborhoods. The "Taste of Postville" idea was started, in part as a hope to bring unity and camaraderie to this ever-growing diverse community.

It is our hope, through "The Taste of Postville", to acquaint you with the ethnic foods and traditions affiliated with our melting pot of cultures. At the same time, however, we offer the traditional German, Norwegian and American fare that has been a part of Postville since its inception nearly 150 years ago.

We hope you will find "The Taste of Postville" the perfect combination of fun, food, entertainment and education as you travel around the world in just one afternoon.
