Building on a strong tradition of teacher education, the University of Northern Iowa has evolved into one of the finest comprehensive public universities in the country. UNI emphasizes excellence in undergraduate education and offers selected graduate programs at the master’s, specialist’s and doctoral levels.

UNI's heritage and philosophy place great value on providing a student-centered educational experience. The university offers a learning environment that is small enough to provide students individualized attention, yet large enough to provide a variety of resources, including distinguished faculty.

Today, UNI offers more than 120 undergraduate majors. Outstanding academic programs, many of which are nationally-recognized for their excellence, have been established in the colleges of Business Administration, Education, Humanities and Fine Arts, Natural Sciences, and Social and Behavioral Sciences. In addition, UNI participates in the bachelor of liberal studies program offered by Iowa's Regent Universities and provides classes in centers around the state through the division of Continuing Education and Special Programs.

Recognized as the premier public undergraduate university in the state, UNI is experiencing an increasing demand for its high-quality programs. Enrollment at UNI was 13,926 students in the fall of 2002, only one percent away from becoming the fifth consecutive record enrollment. Students come from every county in Iowa; about 95 percent of UNI's undergraduate students are residents of Iowa.

The University of Northern Iowa was founded in 1876 as the Iowa State Normal School. It became Iowa State Teachers College in 1909. In 1961, the name was changed to State College of Iowa, and in 1967, the Iowa Legislature changed the status of the institution to that of a university under its present title.

STUDENT PROFILE
• Average age of undergraduates: 21.5
• Average age of graduate students: 33.4
• ACT scores of entering freshmen: scores of 21-25 (50%); scores of 26 or above (22%)
• Percent of student body from Iowa: 91.8

Highlights
• UNI has ranked second in Midwest top public comprehensive universities by U.S. News and World Report for six consecutive years.
• UNI prides itself on smaller class sizes that enhance faculty-student interaction and personalized instruction. Lower division classes average 37 students per class; upper division classes average only 27 students per class.
• UNI's Residential Network, ResNet, provides high-speed network computing to students living in the residence halls. The MyUNiverse portal is every student's personalized gateway to university resources and beyond, with direct access to everything from grades and U-bills to the top headlines from around the world.
• UNI students are actively involved with more than 180 student organizations, including special interest clubs, sororities and fraternities, religious groups and academic groups.
• UNI is the alma mater of NFL and Superbowl MVP Kurt Warner, as well as U.S. Sen. Charles Grassley.
• The UNI Wellness/Recreation Center, attached to the north side of the UNI-Dome, features the highest climbing wall in the Midwest, two pools, a running track, weight and fitness rooms, and courts for basketball, volleyball and racquetball.

University, which is continually cited as one of the nation's top public comprehensive universities. His efforts have also produced extraordinary campus and community plan, articulating core values and progress indicators, and setting goals for the University, which is continually cited as one of the nation's top public comprehensive universities. His efforts have also produced extraordinary campus and community efforts to promote and strengthen relationships between the University and the citizens of Iowa, and to fully integrate the use of cutting-edge technology campus-wide. These initiatives build on the University's strengths of providing a strong liberal arts curriculum, excellence in teaching, scholarship, and service.

As President, he has focused on implementing the University strategic initiatives, including the new Gallagher-Bluedorn Performing Arts Center, the Freeburg Early Childhood Program, and two new facilities, which will begin construction in 2003 -- the McLeodUSA Center and the Human Performance Center.

He is involved in numerous local organizations, including Cedar Valley's Promise, Cedar Valley United Way, Opportunity Works, Cedar Valley Economic Development Corporation, and the Waterloo Development Corporation. He also serves on numerous Trustee Boards, as he is known for his instrumental collaborating skills, strategic planning expertise, and creative ability to deal constructively with constant change. Most recently, he was honored as the Cedar Valley Business Hall of Fame recipient in recognition of his visionary skillfulness, economic development plans, volunteerism, and for his talent to build cohesive working relationships between private and public sectors.

Dr. Koob is involved in numerous state and national organizations, including the Iowa Empowerment Board, National Educational Advisory Committee, and the Commission on International Education.

He is a native of Hawarden, Iowa, received his B.A. in education from UNI in 1962, and a doctorate in chemistry from the University of Kansas in 1967. He has 16 years of classroom teaching experience ranging from high school science courses through Ph.D. level courses in physical chemistry. He and Yvonne have been married for 42 years, and they have seven grown children and 10 grandchildren.

RICK HARTZELL
Director of Athletics

Rick Hartzell was named Director of Athletics at Northern Iowa August 9, 1999.

In the four years since his appointment, the Panthers have celebrated outstanding performances in almost every sport. The volleyball team advanced to the NCAA Sweet Sixteen for the first time in school history in 1999, and repeated the effort in 2001 and 2002; the wrestling team placed 11th in the NCAA Tournament, its highest finish since 1994, and crowned its first Division I national champion in 2000 and again placed 11th this past season; while the men's track team has won both the conference indoor and outdoor titles. UNI's second-place finish in the Missouri Valley Conference All-Sports Championship race in 2001-02 was its highest finish ever in this competition. Other successes can be claimed across the board. In addition, UNI's student-athletes are graduating at a rate higher than the general student body.

Hartzell has been heavily involved in several facility upgrades, including the development of the McCleod USA Center, a new arena which eventually will house the men's and women's basketball programs, and volleyball and wrestling teams. Plans also are moving forward for a Human Performance Center that will house an athletics weight room, training rooms, team rooms, locker rooms and offices. The scope of the fundraising for UNI athletics has been widened under Hartzell's direction.

He also has stressed closer departmental involvement with the student body, and a new ticket package for the University community is one result of that interaction. The Panther Pass ticket package for UNI students enhances student involvement in the athletic program. Further, Hartzell completed departmental reorganization and a renewed outreach effort to the University and Cedar Valley communities.

At the press conference announcing his appointment, then UNI Vice President for Administration and Finance, John Conner, said, "Rick is a bright, articulate team-builder with a highly developed sense of the contribution intercollegiate athletics makes to the quality of the entire Northern Iowa community. He brings not only exceptional experience in athletic programming, but a strong personal relationship and loyalty to Panther athletics."

Prior to being named at UNI, Hartzell had been at Bucknell since 1988, directing a Division I program with 1-AA football consisting of 28 sports. Prior to his appointment at Bucknell, he was Director of Athletics and Chairman of Physical Education and Recreation at the University of Maryland-Baltimore County from 1985-88, directing a 19-sport program which moved from Division II to Division I during his tenure.

Prior to being named at Baltimore County, he was an Assistant Athletic Director for Football and Men's and Women's Basketball at Northwestern University from 1982-85; was an Administrative Assistant to the Director of Athletics and Assistant Baseball Coach from 1980-82 at the University of Iowa; and an instructor, assistant football coach and head baseball coach from 1977-80 at Coe College.

He recently received the All-American Football Foundation's General Robert Neyland Outstanding Athletic Director Award.

Hartzell is no stranger to UNI. He played football and baseball for the Panthers. He received his bachelor's degree in Physical Education and English from UNI in 1974, and his master's in Educational Administration in 1977.

He was a five-sport letterman at Klemme, IA, High School. He has two children -- Nate, 22, and Amanda, 20. Hartzell's personal interests include reading, fitness, auto racing and spending time with family and friends.

"I'm very excited to be here," Hartzell said at his press conference. "It's great to be home...It's an honor and privilege for me to be back...I'm really excited about where I think we can go with this program...I think the potential of this program in both the (Missouri) Valley and the Gateway is outstanding."
Panthers Look To Climb MVC Ladder

Optimism Highlights 2003 Campaign After Record-Setting Season in 2002

The University of Northern Iowa women’s soccer team begins its fourth season of existence with much to its credit and much to look forward to in 2003. Led by Head Coach Linda Whitehead, the Panthers are coming off a year where they won more games, conference games and more road games than in the previous two seasons. The Panthers are looking to build upon past accomplishments and are looking for a return to the Missouri Valley Conference Tournament and beyond.

“We are farther ahead than I anticipated we would be when we first started this program. I don’t think anyone expected us to make the MVC tournament in the third year, but it is a credit to the players we’ve brought into the program and it speaks to the strength of our recruiting class this past year,” said Whitehead.

Although last season was a precedent-setting time of “firsts” for the Panthers, Whitehead and her team have no intentions of slowing down. With 16 returning veterans, and a recruiting class of four freshmen standouts, a mood of optimism is obvious.

“By the end of last season, we were starting six of our freshmen and they were able to compete successfully. Obviously, having so many returning players bodes well for the future of the program. I think our team play has improved vastly over the spring and that should be evident immediately in the fall,” Whitehead said.

The Panthers will compete with the advantage of experience, improved bench strength and a powerful defense in 2003. Having the experience and maturity of a senior goalkeeper and three senior defenders in the back should keep UNI very solid defensively.

FORWARDS

The Panther offense will benefit from the expertise of four veteran sophomores, a senior and one capable recruit. Leading offensive players Shannon Dechant and Sarah Huffer are likely to vie for leadership positions, while Billie Berens, Jessica Iserman and Libby Long will all see action. Dechant earned MVC All-Freshman Team honors last season.

“Shannon has excellent speed, determination and all the tools,” Whitehead said. “She has the kind of determination to win balls and to get to goal that makes her very dangerous.”

Whitehead expects Huffer to function as another offensive threat for the Panthers.

“Sarah’s one-on-one ball skill is amazing. She has a great left foot and she sets up as many offensive opportunities as she finishes,” said Whitehead.

Recovering from injuries suffered in the fall, Iserman showed much improvement during the spring. Whitehead expects her great speed and her shooting ability to come on strong, making her a factor this fall.

Look for Berens and Long to help the Panther attack with their ability to read the game and add offensive support.

“Billie just has the knack to be in the right place at the right time,” said Whitehead. “While Libby has good speed up front and a great work ethic, her game intelligence is one of her strongest assets.”

Freshman Aimee Rasmusson is a top recruit from Cedar Falls High School and the Cedar Valley Blaze team.

“Aimee is an excellent athlete and has the distinction of being a natural goal scorer. If Aimee gets the ball in the 18, the chances are really good that she’ll put it in the back of the net. If she can carry that level of play from the club to the college game, I think she’ll have an impact,” Whitehead said.

MIDFIELDERS

The Panther midfield mix will consist of one senior, three sophomores, one walk-on and two freshmen. Although predominantly young, it is a very talented group with ability to create a powerful midfield.

Junior Abby Luensmann will be the top veteran in the midfield this season. Expect her to control the outside position with her speed and understanding of what’s needed there.

“Abby has really taken her game to a new level this spring,” said Whitehead. “She should get some great offensive opportunities in the outside midfield role.”

Sophomores Jillian Carroll, Kaitlin Stimpson and redshirt freshman Candice Divoky also appear for their second year with the Panthers. After recovering last year from a knee injury, Divoky returns after a strong spring season. She has the ability to distribute the ball and create offensive opportunities for the Panthers. Look for Stimpson, who is technically solid and smart, to use her speed and athletic endurance to run the outside, while Carroll uses her talent and strength in Panther set pieces in both the center and outside midfield positions.

New players at midfield include sophomore Raven Blackwell, and freshmen Sarah Otten and Ann Caley.

“Raven is really good at crossing balls and has a strong right foot,” said Whitehead. “She has shown good speed and athleticism. I think she’ll see some time at the outside midfield position, although she could also play at forward.”
According to Whitehead, Otten, the first player to come to UNI from the Marshalltown (IA) soccer program, possesses both athletic talent and a real feel for the tactical game. She will provide depth at the outside position with her speed, strength with both feet and great crossing ability.

Caley joins the Panthers as the number one player in the Cedar Valley. Coming from Waterloo (IA) Columbus High School, she brings a wealth of experience playing at the elite level. With excellent ball skills and the ability to score goals, she will add depth at central midfield.

DEFENSE

The majority of experience can be found in the UNI defense this season where three veteran seniors and two returning sophomores represent the Panther strength.

Senior Sarah Lowe, a second team all-conference selection as a junior, is expected to be the lead defender. With quickness and a natural instinct for reading the game, Lowe does not get beaten one-on-one.

"Sarah reads the game so well and every aspect of her game is strong. I expect her to be even better this year than last," said Whitehead.

Seniors Lindsay Davis and Kate Shaw will control the defense on the left and center.

"Lindsay is a natural left footer who is very good in the air. She'll play left and bring all the savvy of an experienced defender," Whitehead said. "I expect Kate to bring a physical presence to our defense with her tackling. She really reads the game well and will control things centrally with her tough tackling ability."

Sophomores Michelle Young and Brooke Orcutt will complete the defense. Young, who is great in the air, possesses a powerful physical presence and the knack to know when to go for a tackle. She is expected to play a central defensive role this season Orcutt, another savvy Panther defender excels at playing the one-on-one and tracks players very well. Orcutt will use her instincts to strengthen the UNI defense coming off the bench.

GOALKEEPER

Look for senior Anne-Marie Witko to fill the goal this season. Great as a shot stopper, Witko also is extremely good in the air controlling the box on crosses, which is a weakness of many college goalkeepers. Last season, she earned honorable mention all-conference honors as a junior. Witko has started in a school-record 53 games in goal in her three years.

"Anne-Marie is amazing. She's phenomenal and she hasn't gotten the recognition that she deserves. Hopefully this year we will have a strong team in front of her that will allow her to be recognized more. We are asking her to come out and play more of a sweeper role and play the ball back to her feet more. Anne is one of our best players with her feet," said Whitehead.

Junior A.J. Clark will return to the goalie position after having had ACL surgery in January. Her situation is unclear as yet and there is the possibility that she could redshirt.

"Danielle has all the tools that you want to see in a keeper--size, good physical presence and a great shot stopper. She'll have a year to come in and train with Anne and learn a lot," Whitehead said.

SCHEDULE

It takes a few years after starting a new soccer program to obtain a good schedule and this year will be the best schedule the Panthers have had in terms of balance of home and away games. Starting the season UNI will play three of 11 non-conference games and five of seven conference games on its home turf. Although a balanced schedule, the competition remains strong.

"Ball State is another highly ranked team we'll meet fairly early. It will be a good measure for us to see where we stack up with them. After that, it will be the competition in the MVC with Creighton, Illinois State and Evansville."

This season, UNI travels outside its region to El Paso, Texas to meet Centenary and Louisiana-Monroe. Later in the campaign, UNI will travel to the state of Washington to meet Eastern Washington and Gonzaga.

"It's becoming more important to travel outside your region for RPI purposes now. We feel that we are at a stage with this program where we have to start considering that with our schedule. Our players will play in weather conditions they have never played in before and see teams from other parts of the country," explained Whitehead.

"We're very excited about the upcoming season and optimistic. We have a good handle on where we think we will be this fall based on our returning players and our newcomers. We had a taste of the MVC Tournament last year and we want to get back," said Whitehead.

LINDA WHITEHEAD

Linda Whitehead is in her fourth season as head coach at the University of Northern Iowa and this year she wants her team to become more effective attacking squad. Since her hiring in February 2000, Whitehead has put her stamp on every aspect of UNI’s newest intercollegiate sport.

“We look to continually progress in the Missouri Valley Conference, building on the offensive style of play that we developed last season. We hope to continue to be successful both on and off the field,” said Whitehead.

Whitehead has experience starting a team at the college level, having served as the initial head coach at the University of Tennessee-Chattanooga for four seasons. Her last season at UTC, the Mocs finished with a program-best for wins. While in Tennessee, Whitehead also served as the Head Girls State Coach for the Tennessee Olympic Development Program from 1997-99.

Prior to her time at UTC, Whitehead served three years as head women’s soccer coach at Saint Mary’s University in Halifax, NS, Canada. In 1992, she was awarded Conference Coach of the Year after leading her team to its first AUAA Championship. From 1991-92, she was head women’s soccer coach at the University of Victoria in Victoria, BC, Canada, where her 1992 team won the Terry Price Cup. Whitehead also was head coach at the University of Western Ontario from 1990-91.

Whitehead served as the assistant coach for the Canadian National Women’s team at the 1993 FISU Games held in Buffalo, NY, and at the 1993 CONCACAF Championships in Long Island, NY.

Whitehead’s experience on the playing field includes two years at the University of Western Ontario, where she was named captain and MVP of her team. She also was a member of the four-time winner of the Ontario Championship during her time with the London (Ontario) Concorde women’s soccer team.

She wants to take her UNI team to another level of tactical sophistication along with teaching it to understand and love the game. Whitehead says she is an athlete-centered coach.

“By the time the athletes leave UNI, I want them to be able to think for themselves, be strong decision makers, and to have self-confidence.” She sets high standards for her players, but gives them the support they need in order to reach those standards.

Her ultimate goal for the soccer program is to be MVC champions.

“AT UNI, you can set goals of competing nationally, like other Panther sports have done, and our program is no different,” said Whitehead. “We still have a long road ahead of us, but with the growing talent pool for girls’ soccer in Iowa, it can be a reality.”

She received her bachelor’s degree in Physical Education from the University of Western Ontario in 1984. In 2000, she completed her Masters in Education from the University of Victoria.

CATHY BROSHEARS

Catherine (Cat) Broshears brings a wealth of local experience to the Panther coaching staff in this, her fourth year as assistant coach. Before joining as a full-time staff member, Broshears served as the varsity girls soccer coach at Waterloo (IA) West High School from 1997-2000 and as an assistant coach at Cedar Falls (IA) High School from 1996-97. While pursuing her Master of Arts in Physical Education, she played on the UNI women’s club soccer team from 1995-98. She also worked in the Academic Advising Office, where she supervised and served as a peer instructor for student athletes.

“From my experience, the level of soccer skill in Iowa has grown exponentially in the past six years. I anticipate we will be seeing a significantly greater amount of Iowa players reaching the Division I level,” she said.

Broshears has her National Coaching Diploma from the NSCAA and is a NSCA Certified Strength and Conditioning Specialist. In addition to assisting with off-field coaching, her responsibilities include recruiting, organizing summer camps, and monitoring weight room and conditioning progress.

As a prep, Broshears played at Evansville (IN) Memorial High School from 1986-88, where she was an Indiana State Champion, two-time state runner-up, two-time captain, and was awarded Indiana’s Most Valuable Defensive Player in 1988. A two-time Dean’s List student at Indiana University, she graduated with a Bachelor of Science degree in Biology.

“Cat brings considerable playing and coaching experience to our program,” said Whitehead. “Her familiarity with the Iowa High School landscape has been invaluable to our recruiting efforts. On the practice field, Cat is a strong teacher and successfully challenges our players to perform at their best”

Broshears and her husband, Michael, live in Waterloo with their daughters, Payton (3) and Macy (almost one).

I t was a season of firsts for the University of Northern Iowa women's soccer team. The Panthers broke a number of school records and won more games (5) than in the previous two seasons. As a third-year team, they improved upon their previous 4-12 season to finish 5-13-1 and were 3-4 in the Missouri Valley Conference. Despite being picked to finish last in the league, the Panthers finished 5-13-1 and 3-4 in the conference. With every starter returning, as well as the addition of two freshmen, the Panthers were close decisions. Despite a 1-0 loss to the Iowa Hawkeyes, goalkeeper Anne-Marie Wito recorded a season-high 17 saves in the contest.

The 2002 campaign began with a string of eight games away from the West Athletic Field. In the season opener at Western Illinois, UNI sophomore Emily McCart scored the first career goal in the years to come.

With renewed determination, the Panthers concluded the home stand with their first season win in a conference match against Drury. Freshman Shannon Dechant scored her second career goal nine minutes into the match, as well as the final UNI goal in the 4-0 victory.

In the meeting with Drake, Berens tallied her second goal of the season, sending the game to overtime. In the second overtime session, UNI took the 2-1 win, as freshman Jillian Carroll scored off a free kick.

Following a 3-0 loss to eventual conference champion Creighton, the Panthers got back on track at Indiana State where McCartney record her first career hat trick in a 4-0 shutout.

The conference win was followed by another 1-0 victory over Evansville where McCartney scored a goal in the 4th/5th place finish in the conference.

The Panthers' fourth win of the season came on Oct. 25, a 1-0 victory over Texas Tech in what could be called the Snow Bowl, due to a drastic second-half temperature drop and precipitation.

In the most dominating performance of the season, the Panthers met SMS in the MVC Tournament play-in game as the fifth seed. UNI's Kate Shaw scored her first goal of the season 50 minutes into the contest and Carroll added her second game-winner of the year by belting a long ball into the net. UNI held off a SMS rally of seven shots in the final eight minutes of the game as Wito stood her ground and let nothing past her.

The regular season concluded with a Senior Day loss for the Panthers to IPFW, despite senior Stephanie Ceravolo's memorable moment recording her first collegiate goal.

With the win, UNI moved to the semi-finals of the MVC Tournament for the first time. Although they fell 2-0 to conference champion Creighton, the Panthers finished a remarkable season at 5-13-1 and 3-4 in the conference. With every starter returning, as well as 12 returning freshmen, the Panthers should be well positioned to climb the conference ladder in the years to come.

The Missouri Valley Conference continues to lead by example as one of college athletics’ most progressive conferences. Now in its 97th year of existence, the Missouri Valley Conference emphasizes the importance of the student-athlete and is aggressive in its approach to provide opportunities for its members.

Since its inception in 1907, the Missouri Valley Conference has been regarded as a leader by its peers among today’s collegiate athletic conferences.

Based in St. Louis since 1985, the league is assertive in its approach to hosting NCAA basketball championship events, producing a revenue-producing in-house television network, bidding out the right to play host to sport championships and landing title sponsorships for those events.

In the next four years, the Missouri Valley Conference will host a total of four NCAA basketball events in the next six years—a more than any other city. In fact, the Valley will have hosted eight NCAA basketball events in a 12-year span, including three Final Fours, by April of 2009.

And while the Missouri Valley Conference has been progressive in pursuing NCAA events, it has continued to be a national leader in the athletic arena.

The oldest conference west of the Mississippi River, the Valley has had numerous successes in its storied history, which includes a myriad of accomplishments since the turn of the century.

Last year alone, the league had a combined seven postseason teams in men’s and women’s basketball, with Creighton’s women’s team reaching the semifinals of the WNIT. In volleyball, UNI earned its third Sweet 16 trip in the past four years; in men’s soccer, Creighton secured a Final Four trip to the College Cup — the Valley’s third semifinal team in the past three years; and the Missouri State men’s golf team had the league’s highest NCAA finish since 1995 and second-best since 1974.

Arguably the 2002-03 season might go down as one of the most successful in conference annals, as in addition to the aforementioned, the league had two softball teams qualify for the NCAA tournament for the first time in league history, and Southern Illinois’ nationally ranked team finished one win away from the College World Series. In addition, the Valley had NCAA team qualifiers in women’s golf, women’s soccer, and men’s tennis; plus countless individual qualifiers in cross county, track & field, and swimming & diving.

The seeds for this vision were planted by eight administrators representing five institutions, who met at the Midland Hotel in Kansas City, Mo., on Jan. 12, 1907. The five schools which formed the Missouri Valley Intercollegiate Athletic Association were Washington University of St. Louis, and the state universities of Iowa, Kansas, Missouri, and Nebraska. Two months after the initial meeting, two more schools — Drake University and Iowa State College — were admitted.

In the fall of 1907, basketball became the first competitive sport. Today, the Missouri Valley Conference sponsors the following sports: baseball, men’s and women’s basketball, men’s and women’s cross country and track (indoor and outdoor), men’s and women’s golf, men’s and women’s soccer, softball, men’s and women’s men’s swimming and diving, men’s and women’s tennis, and women’s volleyball.

From its early beginning to its current standing on the map of college athletics, the Valley will always continue to be proactive in its approach.

League members include Bradley University, Creighton University, Drake University, the University of Evansville, Illinois State University, Indiana State University, the University of Northern Iowa, Southern Illinois University, Southwest Missouri State University, and Wichita State University. Affiliate members include Drury University (women’s soccer) and Eastern Illinois University, Southern Methodist University, the University of Tulsa, Vanderbilt University, and Western Kentucky University (men’s soccer).
