New Business:

Reports from Interim Assoc. Dean Olivares:

1. UNiVersitas:

Dean Pease clarified that this journal is overseen by the Graduate College, input was sought from the members of the Graduate Council. The questions/issues were:

- Do we need to maintain this journal? If yes, who should bear the cost?
- What would be the purpose of maintaining this publication?
- Do we need to develop new guidelines to manage this publication?
- What is the future plan for this journal?
- What is the long term vision for this publication?
- Should the specific College Dean or the Graduate College support the editor?

A 5-member group from the Graduate Council would discuss these issues and conduct more inquiries about the journal.

1. New Dean for the Graduate College:

Discussion occurred on the urgent need for a Graduate College Dean. Some of the Graduate Council members expressed a preference for a Dean solely for the Graduate College. Members of the Graduate Council expressed their views on this matter as follows:

- One member suggested that a new Dean should be performing 70% of the Grad College and 30% of the Sponsored Program duties.
- Need to reduce the extra workload from the Associate Dean who has to do some of the Dean's duties.

- For fundraising and recruitment purposes, there is a need for a person who can fully concentrate on these matters, especially recruitment.
- It should be a combined position, not a split one.
- The members presented three different job views for the Dean Position:
 - Graduate Dean dedicated to the Grad College only.
 - Graduate Dean who will supervise Office of Sponsored Research (a joint appointment)
 - Graduate Dean and Research (OSR will be under the responsibilities of the dean, in this case, undergraduate research may or may not be his/her responsibilities)

Meeting adjourned. The next meeting will be on March 8, at 3:30 p.m.

Respectfully submitted,

Rubina Chowdhury
Secretary
