LAST SEASON
The Panthers finished the 2014 with an overall record of 8-9-4 while finishing fourth in the Missouri Valley Conference with a 2-3-1 record. Effective at home, the Panthers won seven of 10 games at the Cedar Valley Soccer Complex in Waterloo. The Panthers hit their stride last season in the middle of September, posting a record of 4-1-2 from September 12 to October 4, earning wins against Illinois-Chicago, Grand View, South Dakota State and Western Illinois. UNI returned to the MVC Tournament after failing to qualify in the 2013 season, falling to Missouri State, 2-0.

LOOKING AHEAD
Nine starters return for head coach James Price’s squad, including seven seniors and five juniors.

“I am looking forward to creating a positive experience for our student-athletes as we head into the fall season,” Price said. “We have some challenging games both home and away, but will focus on one at a time and try to build up some momentum going into the conference games.”

The Panthers will open up regular season home play against Green Bay on August 21 before spending the next two weekends on the road. Missouri Valley Conference play opens up for UNI on September 26 against Missouri State before they return to the Cedar Valley Soccer Complex to take on Evansville and defending conference champion Illinois State.

The Panthers will take on both in-state non-conference rivals in Iowa and Iowa State this season as part of a 13-game non-conference schedule. UNI will travel to Iowa City on September 9 to take on the Hawkeyes and will take a break from MVC play on October 13 when they head to Ames to take on the Cyclones.

Coming off a bounce-back season where the Panthers improved on their 2013 record with four more wins and a fourth place finish in the MVC, UNI looks to climb the conference ladder for the second straight season.

“We are looking to have a good experience, be successful on and off the field, and represent the university in the best way possible,” Price said.

FALL CAMP
The Panthers have nine freshman arriving for fall camp, the most on the roster since before the 2008 season.

“The start of practice has gone well as we start to find our feet and build up the team chemistry,” Price said. “It’s been very productive so far with this great group of girls, but our aim is to be the most unified team in the country this year.”
JAMES PRICE  
Head Coach  
Seventh Season  
Career Record: 121-174-27  
Record at UNI: 33-66-13

University of Northern Iowa head women's soccer coach James Price is beginning his seventh season at the helm of the Panther women's soccer program.

Price guided the Panthers to a winning improvement in each of his four years in the Missouri Valley Conference - capped by a 3-2-2 mark in MVC play in 2012. The Panthers hosted their first-ever MVC Tournament game in 2012.

During the 2011 campaign, Price earned his 100th career victory with a 1-0 win over Evansville. The win came during a five-game win streak, the longest in program history. The Panthers also earned a trip to the MVC Tournament for the fifth time in school history; the first under Price. UNI was tabbed with the 6th-seed and traveled to face the No. 3-seeded Creighton Bluejays in Omaha, Neb. The Panthers earned the victory over Creighton on penalty kicks, 5-3, after 110 minutes of scoreless soccer. UNI was defeated 2-1 in the semifinals of the MVC tournament in overtime by the hosts and no. 2-seeded Missouri State Bears.

Price was named the women's soccer coach at UNI by Director of Athletics Troy Dannen on Dec. 22, 2008. After the 2010 campaign, Price received a contract extension making him the head coach of the Panthers through the 2015 season.

Before joining the Panthers, Price spent 11 years as the head coach at Liberty University in Lynchburg, Va. After resigning from Liberty in 2008, Price spent a season as the technical director for the Soccer Organization of Charlottesville Albemarle.

"I am pleased with the foundation that James has laid for the UNI women's soccer program in his first two years," Dannen said. "His leadership is enabling our program to position itself for competitive success, and he has proven to be an outstanding leader for the young women in our program."

During his tenure with the Flames, Price led the team to three Big South Conference Tournament titles, and two Big South Conference regular-season crowns, in addition to three NCAA Tournament appearances. Price guided 39 all-conference athletes, with 20 of them earning first team all-conference nods. Two players were named Big South Players of the Year, along with three Big South Tournament MVP awards. Price was named Big South Coach of the Year in 1999, with the Flames finishing runner-up at the Big South Tournament.

"I would like to thank Troy for this wonderful opportunity," Price said. "I was impressed with the athletic administration's commitment to the women's soccer team, and by the honesty and eagerness of the returning players. There is already a solid foundation, and I look forward to working hard with the players and staff to build a soccer program that UNI can be proud of. I also plan to reach out to the Cedar Valley soccer community, and form strong relationships throughout the area."

Price was a member of the NCAA Women's Soccer National Committee from 2002-2005. In addition, Price served as the NCAA Mid-Atlantic Regional Committee Chair from 2003-2005.

Along with guiding his athletes to success on the field, Price also placed a strong emphasis on academics. Three of his athletes were named Big South Scholar Athlete of the year, along with two Academic All-America selections and two Academic All-Region and Academic All-District selections. The Flames women's soccer team had the highest GPA at Liberty, with a spring 2008 GPA of 3.26.

Prior to his time at Liberty, Price served as an assistant coach at Randolph-Macon Women's College from 1996-1997 and also as the director of coaching for the Lynchburg United Soccer Travel Club.

Price earned his bachelor's degree in sport management from Liberty in 1996. Price also holds an associate degree in exercise science from Farnborough College of Technology in England.

He and his wife, Cassi, are the parents of a newborn daughter, Ivy.
