Experiments, laboratory exercises, lecture demonstrations and other descriptions of the use of chemicals, apparatus and instruments are presented in this journal as illustrative and directed at qualified teachers. Although every effort is made to ensure and encourage safe practices and safe use of chemicals, I/SST cannot assume responsibility for uses made of its published materials. All those teachers planning to use materials from our pages should make choices and develop procedures for laboratory and classroom safety in accordance with local needs and situations.

The Cover

The cover is a computer drawing, "Landscape of Mind." The art work was done by

Ed Harris

Harris is Associate Professor of Teaching-Art at Price Laboratory School
University of Northern Iowa

The illustration was prompted by the article, "Thinking About Thinking Skills" and Marvin Minski's recent book, The Society of Mind.
