SCIENCE NOTES

Focus on Excellence Series

The results of the National Science Teachers Association Search for Excellence in Science Education are found in the Focus on Excellence Series. The series identifies and evaluates exemplary science programs, and includes criteria for excellent programs and suggestions for improving science in your school.

All the following volumes are available from the National Science Teachers Association at \$7 each. Orders of \$15 or less must be prepaid and must include a postage and handling fee of \$2. Prepaid orders over \$15 are not charged for postage and handling and will be sent book rate. Billed purchase orders (over \$15 only) will be charged postage and handling. Quantity discounts are available. Mail orders to the National Science Teachers Association, 1742 Connecticut Ave. NW, Washington, DC 20009.
